## Varsity Defeats Bethany Bisons

SCORE 47-24

Continuing their great work of the present season, Westminster's fast-stepping basketball team defeated the Bethany college team in the local gym in a good game on Saturday night January 22, by a 47-24 score.

Westminster took the lead early in the game and demonstrated throughout that victory was not to be denied.

Connors, Westminster forward, who was playing a whirlwind game was disqualified with more than minutes of the game to play, due to an infraction of the rules, or the score might have been even greater.

Beckwith of Bethany rang up the first counter of the game, but that was the last time that Bethany was in the lead, try as they might to overcome the lead of the blue and white. At half time the count showed, Westminster 18, Bethany 6.

At the start of the second half Westminster for a time had the visitors dazzled and bewildered. The score at one point reached a total of 39-10. Bethany, even though outdistanced did not quit. With the odds against them they rallied and put up their best exhibition of the evening, and ran their score up to 21, before Westminster again increased their total.

The lineup:

Westminster	Bethany
Connors	Beckwith
Crowell	Markley
Gamble	C Hammill
Ayers	Seigel
Lewis	T. Hammill

Field Goals: Connors 5, Crowell 5, Gamble 3, Lewis 7, McCullough, Beckwith 4, C. Hammill 3, Seigel 3, Carey.

Foul Goals: Westminster 4-7, Bethany 4-11.

Referee:—"Buck" Baird.

### OLD MAIN TO BE REPLACED IMMEDIATELY

#### Prudential Committee Meeting Last Thursday Results in Action

The Prudential Committee, acting for the corporation of the College in emergency meeting Pittsburgh, January 27, ordered immediate procedure toward the restoration of customary activities in "Old Main" in accordance with the following general outline:

1. In view of the purposes on the basis of which the Diamond Jubilee Fund was subscribed and is being paid, no money of Diamond Jubilee Fund is considered available for the replacement of "Old Main."
2. Immediate procedure to raise a special emergency fund of \$150,000 to be added to the insurance on "Old Main,"—this fund to be used to replace "Old Main."
3. This new building to be most modern in equipment and appointments, to be erected on approximately the site of "Old Main," to house the chapel, recitation halls, and college offices.
4. President Wallace to be added to the Robert Audley Browne Hall Building Committee and committee so constituted to be Building Committee to have prepared plans and specifications for replacing of building Committee being requested to submit plans at the same time.
5. Procedure toward replacement of "Old Main" to begin immediately, contract to be let for construction of the building at the earliest possible moment.

"Old Main" Erected in 1861

### STUDENTS AND FACULTY DAZED AND BEWILDERED AS OLD MAIN BURNS

"Wake up; Old Main is in fire!" This cry, breaking the stillness of early morning, seemed a dream, an unthinkable nightmare to many students last Monday. Even after the whole student body, hastily clad and still thinking they were in a dream, arrived on the campus, they could not believe that what they saw was true.

Thomas Wherry, night watchman, discovered the fire in the main office of Old Main at 5:30 Monday morning. He summoned help, while Bob Heckathorn rang the bell in Old Main the last time that it was destined to ring. This same old bell, used to summon in each new day; the same bell which rang out the Allegheny victory of a week before, called the bewildered student body and faculty to witness the destruction of that which has stood for Westminster through the years.

Pitiful facilities for fighting the fire which were gathered in town were practically useless. Low water pressure and lack of sufficient hose made initial efforts feeble. The meager stream first turned on to the fire, which was then gaining steady headway, was without effect. The arrival of a New Castle pumping engine with additional hose brought a ray of hope, and many left the

scene just before seven o'clock thinking the fire was about out. In a few minutes, however, when the flames had followed the stairs and had fastened their teeth into the second story floor, the blaze broke out with renewed fury. Soon the roof was on fire, and then the whole building became a seething cauldron.

The flames, which had been confined to the front part of the building soon spread in tantalizing fashion to the chapel, thence to the third floor, and soon the library was adding demoniacal sparks to the carnival of Demon Fire.

By nine o'clock, nothing remained of the old bulwark of Westminster life but the charred walls. Student body and faculty members walked sadly to the United Presbyterian church, gazing back at the hulk of Old Main as they went. Here the student body, in regular forum, resolved to carry on; to cooperate with faculty and trustees in the rebuilding of Old Main. Here the students and faculty members united, with voices catching and tears in the eyes, in the singing of the Alma Mater. Here all resolved that from the ashes of Old Main there should rise a greater Westminster; that on the sight of the old guard of the Westminster campus, the center of

all Westminster life, should be started immediately a "new Old Main."

As the meeting broke up, the gathering again thronged around the ruins of the Old Main that used to be; the incarnation of college life of all those old, golden, riotous yesterdays. The minds of all were on the happy greetings which were passed in the old hallways, the joys which were once experienced in dramatics, the memories of college debates, the recollections of daily chapel, the camaraderie in the classrooms, the college library victories and defeats. All life, it seemed, was lost in the loss of Old Main. Even the athletics of the college, which once called for the ringing of the old bell and which recently gave hopes for a new ringing of the old bell for a new period of ringing, were inextricably bound up in the building. Somehow the hope lurks in the hearts of all that the "new Old Main" will inherit the spiritual as well as the physical place of the beloved Gibraltar, but there is sorrow in the heart when we think, with Wordsworth, on

"The memory of what has been,  
And never more will be."

#### COLLEGE BOOKSTORE

Thomas Patterson, and Brown Bricker, managers of the college bookstore, announce that they will have their reorganized store open for business in the shoemaker shop opposite Newton & Pitzers on Market street this week. Students who owe money to the bookstore should settle immediately so that the managers will have a working capital.

#### CARD OF APPRECIATION

Never shall I forget the loyalty and responsiveness of the student body of Westminster College. With wonderful self control, they remained under direction in all the excitement of the fire. Deprived of the call of the chapel bell, they assembled 100 per cent in the United Presbyterian church to receive the order of the day. I conceive of the whole attitude of the student body as the greatest tribute to the old Westminster spirit. I am attributing this inspiring situation very largely to the wonderful leadership of the college faculty in the whole crisis.

—President W. Charles Wallace.

#### PERFECT GENTLEMEN

Allegheny college has a right to be proud of her athletic representatives. Our minds go back to a November day in 1925 when Allegheny and Westminster met in football at New Castle. Every player on the Westminster team, every member of the student body, and many non-partisan spectators remarked about the clean playing and the sportsmanship of the Allegheny athletes.

The fortunate basketball victory of two weeks ago was further evidence of the refreshing type of athlete that represents Allegheny. In a fast game with the score tied in the final minutes, many teams would have resorted to "dirty" tactics. Allegheny continued to play the same clean, fast, gentlemanly game until the final bell sounded.

Our hats are off to Allegheny and its representatives. This college world of ours, seething with many athletic ills, would be an Utopia if every institution were represented by men of the stamp of Allegheny players.

#### COLLEGE LIBRARY

The temporary library of the college, located in room 20 of the Science hall, will be open from 9 to 12 and from 2 to 4 every day this week.

Students who have books from the library should return them as soon as possible so that they may be catalogued for use.

#### REGISTRATION

Registration of students for second semester will begin this afternoon at 1:30 in the college gymnasium; and will be continued tomorrow morning from 9 to 12, and in the afternoon from 2 to 4:30. Instructors in all departments will be present to sign registration cards for students. Early registration will be appreciated by those in charge.

#### HOLCAD MEETING

Important meeting of HOLCAD editorial board in the Journalism laboratory Friday afternoon at 1:30.

## Allegheny Bows To Westminster

SCORE, 19-17

Leaping clear of the fog, Westminster's basketball team swept their way to a brilliant 19-17 win over the highly-touted conquerors of Pitt. The Allegheny lads trailed all the way in the clean, fast, hard-fought tilt here Jan. 19. The Blue and White's action was of an unprecedented surety of timing and consistency of teamwork.

The climax of the game came, however, in the final minutes of play when Cibula, an Allegheny guard, tossed in a bucket tying the score at 17-17, only to have Gamble duplicate the trick with less than 13 seconds to play. The stars of the game were the whole Blue and White team who have reinstalled a little spirit in a long dormant student body. The score at half time was 11-9 with the victors in the lead.

The Line-up:

Westminster	Allegheny
Connors	M Clurg
Crowell	Thompson
Gamble	Slavin
Lewis	Rhodes
Ayers	Cibula

Substitutions: Westminster, None Allegheny: Eighmy for Slavin, Westcott for Eighmy.

Field Goals: Crowell, 3, Gamble, 2, Connors and Lewis, 1, M Clurg, 3, Thompson, 2, Rhodes and Cibula 1.

Foul Goals: Westminster, Five out of six, Allegheny: Five out of ten.

Referee—Baird

### ROTARIANS AND TOWNSPEOPLE UNITE TO REESTABLISH NEW LIBRARY FOR WESTMINSTER

The New Wilmington Rotary Club and the New Wilmington club, together with townspeople, have united in a drive to reestablish the library of the college. Realizing that a library is the chief feature of an institution of higher learning, the Rotary Club in its regular meeting last Monday evening instructed its committee to cooperate with a faculty committee in ordering books for immediate use. More than this, the club voted to underwrite such a venture. In addition to this, many complete sets of encyclopedias and other reference books have been collected by the Rotarians.

This action, coming upon the heels of the tragic fire, is another evidence of the dawn of a new era. Not that the people of New Wilmington have not always supported the college; they have. But as is always the case, a friend in need is a friend indeed.

Over the horizon, though the sky is marred by dark clouds of sadness and sorrow, the first gleams of the coming dawn are sending their roseate hues out even into the clouds. On the doorstep, then, of a new era rather than an old one, Westminster awaits the challenge of the future. The expressions of love and interest, in money and actions, to be sure, which are noted on every hand augur well for the morrow. We go into the new land of the future unafraid and undismayed.

#### NOTICE

The HOLCAD will be distributed to the several dormitories and fraternities Tuesday mornings during the second semester.

Gaunt against the grey sky of early morning, Old Main, the center of college life for generations, battled to stand its ground. The changes in weather throughout the years had been withstood, but the ravages of fire were too much. Students, faculty and townspeople stood as if in a dream as the flames gradually gutted the old bulwark. When the full light of dawn fell on it scarred and shattered hulk, tears were seen in the eyes of all, and few could speak without sensing a catch in the voice.

Silly sentiment can have no place in our thoughts; human bewilderment and sorrow must find expression. Here where students and faculty members trod the road to culture, where chapel services brought all together, where plays and debates were held, where, in fact, nearly all those things connected with college life were experienced, stands the skeleton of the glory that was once Westminster.

But more important than this—here must stand within another year a new building! Delay would be tragic; even more tragic than the catastrophe itself. We must have a new building immediately. We must start it as soon as possible this spring. We must build here even greater than was built before. We have mingled feelings for the past; we have sorrow and bewilderment for the present, but we must have courage and determination for the future. We must build now for the future and in "The memory of what has been."

And never more will be"

## A CHALLENGE

If there is one conviction uppermost in the minds of the students, it is that students, faculty, alumni, and friends should start immediately to make plans for a new building.

The physical plant was wholly inadequate last year. The increase in enrollment this year made further problems. The loss of Old Main has more than doubled the problem.

If work is not begun on a new building THIS SPRING, the loss to Westminster will be even greater. Failure to start RIGHT NOW will result in complicated class room facilities, curtailed enrollment and curriculum, and general inconvenience which is not conducive to academic life. But students and faculty can stand all this FOR A TIME, if, in the meantime, they see rising the walls of a new Old Main. But those walls must be started right away.

## WHAT OTHERS THINK

Pittsburgh, Youngstown, Sharon, and New Castle newspapers last Monday showed the feeling toward Westminster when, in news stories and editorial comment, they told of the great loss. But fine and encouraging as all the reports were, the story by Bart Richards, star reporter of the New Castle News, was most appealing. Bart wrote as if he had, like every son and daughter of Westminster, suffered a personal loss—and no doubt he did.

"It was as though some ruthless hand were tearing out one's very heart strings," wrote Richards concerning the sight which met his eyes as he rounded the curve at the top of Furnace Hill.

While every newspaper in the district devoted front-page space to the story, the New Castle News, ever a friend to the college, devoted almost the entire page.

Richard's summary paragraph itself evidence of the mingled feelings of the hosts of Westminster's friends, touched the heart strings of more than one.

The sentimental value of Old Main can never be replaced. The physical value can, and out of the fire, Phoenixlike, Old Main will rise, more glorious in its reincarnation, better fitted to handle the student body, a testimonial to the undying love and affection for the institution which has meant so much to its alumni."

## WESTMINSTER'S LOSS

(Reprinted from the New Castle News, Monday, January 24)

News that reached this city early this morning of the total loss of the administration building or "Old Main" at Westminster College, as a result of the fire, was one that was a source of widespread regret both on the part of the loyal adherents of Westminster and on the part of the citizenry as a whole.

Westminster is a most important part of the educational plan of Lawrence county, and this entire district. The loss sustained by the college in the fire is one that is severe, it can hardly be estimated at the present time.

There is no question however, as to "carrying on" by the college. Spirit of the students and those in charge of the affairs of the school has already been clearly indicated, and the same response will come from the alumni and adherents of the college everywhere.

For while "Old Main" is gone, a new "main" will rise to replace the historic building. Supporters of Westminster College will rally to the cause of the college in this emergency as never before.

Westminster will carry on!

## CHAPEL BELLS

### SPECIAL RUN OF GLOBE

So great was the demand for stories of the burning of Old Main that Mr. Conway, editor of the Globe, had to run a second edition of last Wednesday's New Wilmington Globe. Orders for copies are still coming in.

### LIBRARY BOOKS

Students who have books from the library should turn them in to the librarian at the Science Hall as soon as possible so that they may be catalogued for use during the second semester.

### PICTURES OF OLD MAIN

The ARGO board announces that a number of mounted pictures of Old Main, taken both before and after the fire, will be on sale this week in the ARGO room, top floor of Science hall. Students who have not had their photos taken and those who have not returned their proofs should do so immediately.

### REV. T. A. HOUSTON DIES AT DARLINGTON

The Pittsburgh Sun of last Thursday evening carried a story concerning the death in Darlington of the Rev. Thomas Alexander Houston, 77 years old, pastor of the Darlington United Presbyterian church for the past 19 years. Rev. Mr. Houston died from injuries sustained in a fall when his thigh bone was broken.

He was born in Mercer county. He graduated from Westminster in 1874, and continued his studies in the United Presbyterian seminary in Pittsburgh. Churches which he served as pastor are: Center Church, Lawrence county; Eau Claire; and Darlington.

### ROLAND DEEVERS, '02

#### MADE PRINCIPAL OF NEW PITTSBURGH SCHOOL

Announcement recently of the election of Professor Roland Deever, class of 1902, as principal of the new million dollar Taylor-Alderice high school in Pittsburgh was pleasant news to the host of friends which Mr. Deever has in the entire district.

Miss Ann Houston, class of 1901, was made superintendent of extra-curricular activities in this new school.

### FIRE RECALLS FIRST DESTRUCTION OF OLD MAIN

In his early history of Westminster, the late Dr. R. G. Ferguson, says:

"In May 1855, the first building was already spoken of as 'the old college building' and its price fixed at \$1200.

"The new building was occupied at the beginning of the fall term of 1855 and the description of it shows some modification of the original plans. The faculty reported in December as follows: 'With pleasure we report that with the enlargement of our room and accommodations for teaching, our facilities and opportunities have been greatly increased.' Alas! their rejoicings were not of long duration. The building to which so much strength was given, and from which so much was hoped, was burned to the ground, February 27, 1861. It was a sad time for those who were leaders in the enterprise."

These words from the pen of Dr. Ferguson are strangely applicable today. If Dr. Ferguson were alive, this second tragic fire would have broken his heart. In the memory, then, of James Patterson, Robert Audley Browne, Eliakim Tupper Jeffers, John K. McClurkin, Robert G. Ferguson, and Robert McWatty Russell, a new Old Main must take its place on the Westminster cam-

pus. The struggles and disappointments of the early years and these later bewilderments of ours must make for the greater Westminster that is to be.

### GOVERNOR FISHER

#### APPOINTS JORDAN

#### AGRICULTURAL SEC'Y

### Westminster Alumnus on Cabinet Of New Pennsylvania Executive

One of the members of Governor Fisher's new cabinet, as announced recently in Harrisburg, is Dr. Charles G. Jordan, secretary of agriculture for the commonwealth.

Dr. Jordan is a native of Lawrence county, where he was born on a farm and now operates one of the largest farms in the county. He was graduated from Westminster and at Princeton Theological Seminary. He served as pastor of Presbyterian churches in Pennsylvania and Ohio, and was for a number of years on the evangelistic and lecture platforms.

Dr. Jordan served as a member of the Pennsylvania Legislature from Lawrence county for two terms, and was chairman of the committee on agriculture of the House of Representatives.

## Crescents Go Phi Pi Phi

### LOCAL ORGANIZATION INSTALLATION FEB. 12

After Saturday, February 12, Westminster will boast of having its second national men's fraternity. The Crescent Club of New Wilmington, which was incorporated and organized as a local fraternity in 1905 under a charter granted by the court of Lawrence County, will at that time become the Nu chapter of the Phi Pi Phi National fraternity.

The local chapter of the Phi Pi Phi will be installed Saturday afternoon at 2:30 p. m. by three national officers of the organization, who will be headed by Fred L. Clark, National President and Arnold C. Van Zandt, National Secretary and Treasurer. A large number from the Crescent Brotherhood, the alumni organization, will become affiliated with the new chapter along with 37 active members. From all appearances the installation and events to follow will be well attended for word has been received to expect delegations from the Iota Chapter at Washington and Jefferson, the Mu Chapter at Baldwin Wallace of Berea, Ohio, and the Lambda Chapter of the Case School of Applied Science at Cleveland, Ohio.

In the evening, following the installation, an elaborate banquet will be served in the dining room of the United Presbyterian Church at 6:30. Special plans are under way for the banquet program which will include music and speaking.

After the banquet the plan is to adjourn to the college gymnasium where the newly installed chapter will be given a chance to display its basketball prowess for the first time under the new name. The game will be played with the Theta Upsilon Omega, the other men's national on the campus. Following the basketball game an informal smoker will be held in the club house.

Phi Pi Phi, which was organized at Chicago in 1915, consists of 12 chapters at present; the Crescent Club is to be the thirteenth. The other chapters of the organization are in the following schools: Northwestern University, University of Chicago, University of Illinois, Armour Institute of Technology, Washburn College, University of Wisconsin, University of California, Washington and Jefferson College, Baldwin Wallace College, Case School of Applied Science, and University of Utah.

### SORORITY HOUSE LOCKED SO MEN WILL ATTEND MEETINGS

DENVER UNIVERSITY—In order that fraternity men at Denver university will attend fraternity meetings promptly, all sorority houses will be closed at 8 o'clock on Monday nights.

### GOLF MADE PHYSICAL COURSE AT IOWA

UNIVERSITY OF IOWA—One of the best golf courses in the country in maintained by the University of Iowa. The college employs a full-time coach and has decided to award regular credit for golf as a course in physical education.

### MARION ROUS ON ARTIST COURSE HERE NEXT WEEK

The next recital of the Artists Course will be given by Marion Rous, the brilliant pianist of New York City, who will present her interesting program "What Next in Music?" on Tuesday, February 15, at 8:15 p. m. in the Community House.

This program consists of a wide variety of modern compositions—ragtime, humorous conceptions, descriptive pieces—together with an informal running commentary upon modernistic ideas in music. Some of us don't know that there is a "modern school" of music but simply have a sneaking appreciation of certain fascinating rhythms and melodies which have all too often been denounced under the name of "jazz." This lecture-recital will give us an opportunity to sort out the chaff from the wheat and to understand why we like the "Rhapsody in Blue."

The program is as follows:

Ornstein ..... The Cathedral  
Schoenberg Piano Piece from Op. 11  
Stravinsky ..... Ragtime  
Scriabin ..... Poem, Op. 71, No. 2  
Prokofieff ..... Sarcastic, Op. 17, No. 3  
Goossens ..... Dance Memories  
Marionette Show  
Lord Berners ..... Funeral March for a Rich Aunt  
Cyril Scott ..... In the Forest  
John Ireland ..... Fire of Spring  
Malipiero ..... I. Partenti  
Milhaud ..... Printemps No. 5  
Honegger ..... Piece Breve No. 4  
Poulenc ..... Valse from "Album des 6"  
Susan Dyer .....  
Hula Hula from "Outlandish Suite"  
(Piano transcription by Marion Rous.)  
Jean Wiener .....  
Blues from "Sonatine Syncopee"  
"Tres calme, tres tendre—On ne doit entendre que la Saxophone—Doux, doux comme les trombones des noirs"  
Percy Grainger ..... Shepherd's Hey

### VARSITY TANK TEAM ORGANIZED BY HULMES

#### SWIM THIEL NATATORS' FRIDAY

Eleven aspirants for the varsity swimming team made replications to Coach Jack Hulmes' inaugural aquatic practice announcement last Friday and are daily "stroking their stuff" in the college pool, preparatory to the opening meet with the Thiel natators at Greenville, Friday night, February 11.

This is the first attempt that has ever been made to introduce varsity swimming competition at Westminster. The natatorium sport is thus the youngest addition to the ever increasing list of athletic teams put out by the Blue and White, and its adjunction means much for the advancement of Westminster athletics.

The candidates for the team to date are: Harry Anderson, "Pete" Botsford, "Duke" Bowen, John Brown, Sam Colman, "Brad" Evans, "Gene" Kennedy, "Bud" Mansell, Paul Montgomery, John Trevaskis, and George Vogel. Opportunities are still available for other tankmen to try for places on the team.

### GENEVA APPOINTS WESTMINSTER GRAD

Announcement was made recently of the appointment of Miss Frances MacDowell, graduate of Westminster and of the Orthopaedic hospital of Philadelphia, as director of public health at Geneva college.

### CALENDAR

Tuesday, Feb. 8 (tonight)  
Basketball—Westminster vs. Allegheny at Meadville.  
Lecture Course—Edwin Whitney, Community House.  
Wednesday, Feb. 9.  
HOLCAD meeting in the journalism laboratory at 1:30.  
Thursday, Feb. 10.  
Basketball—Westminster vs. Waynesburg at Waynesburg.  
Friday, Feb. 11.  
Basketball—Westminster vs. Duquesne at Pittsburgh.  
Sabbath, Feb. 13.  
Chapel service at 7:30 in the United Presbyterian church.  
Tuesday, Feb. 15.  
Artists Course—Marion Rous—Community House.  
Basketball—Bethany at Bethany

### VARSITY FACES HARD TESTS THIS WEEK

To keep their present high standing the Westminster "Titans" must do some very fast playing this week. In fact, the week's basketball schedule presents the hardest set of games that has as yet been offered to the Lawther coached combine.

Tonight, the Blue and White lads meet Allegheny, conquerors of Pitt, on the Meadville floor. The Blue and Gold team is a fast, sure-shooting aggregation which promises trouble. Added to their usual spirit they will be out for revenge for their recent loss to Coach Lawther's proteges.

The Yellow Jackets of Waynesburg will present the next obstacle to championship hopes of the Blue-jerseyed quintet. They will prove a constant menace on their own court Thursday evening.

But Friday evening will see the hardest tilt of the week. At that time the Duquesne University varsity, rated as the best combination in the tri-state district, will be met on the Bluff. It is expected that a big assembly of students will back the team in this encounter.

### EDWIN WHITNEY HERE TONIGHT

Interpreter of Modern Plays On Lecture Course

Edwin Whitney, well known interpreter of modern plays, will be the attraction on the lecture course tonight in the Community House at 8 o'clock.

Those who remember "Grumpy" of last year will be glad to know that Mr. Whitney is his teacher, so should be equally as good if not better.

### DUKE GAME POSTPONED

Graduate manager, A. A. McDonald announced late last night that the Westminster-Duquesne basketball game will be played in Pittsburgh on Monday, February 14 instead of Friday, February 11. This gives Westminster two games for the week: The Allegheny game at Meadville tonight, and the Waynesburg game at Waynesburg Thursday night.

### MEN'S BIBLE CLASS

A new location has finally been selected. In the future the Men's Bible Class will hold its meeting in Room 15 of the Science Hall. The class meets every Sabbath morning at 10 o'clock.

### LIBRARIAN ASKS AID OF STUDENTS, FACULTY

Requests All Withdrawn Books  
Returned Immediately; Library  
To Open Soon

Without doubt, the greatest loss that was occasioned by the fire which destroyed Old Main was the loss of the library. The great need of a useful library in the shortest time possible can readily be seen. In order to have a library in working order, it is necessary that students and faculty co-operate to their greatest extent in aiding Miss Ailman in her gigantic task of organizing the new library.

In the first place, there are still a great number of books out among the students and faculty many of them known. Miss Ailman must have these in by Wednesday noon at the very latest in order that she can catalogue them and make out her list of needed books. Drastic measures will, if necessary, be taken to retrieve these books, but Miss Ailman is relying upon the honesty of those in whose hands they now are.

The library is not yet open for reading or are the books in condition to be withdrawn, so that the student can help very much by just staying away from the library and not annoying Miss Ailman with superfluous questions. A reading room will be established soon in the Museum, but announcement of that will be made later. So for the next two weeks or so, students should co-operate with the librarian in her efforts to bring order out of chaos.

### REGISTRATION FIGURES CONTINUE TO SOAR

Late yesterday afternoon the college office announced that the total net registration for second semester had reached 504, or an increase of 22 over that of the first semester.

New students, transfer students, and former students who have registered for second semester are:

Margaret Auld  
William A. Clark  
Martha E. Cunningham  
Kenneth Raymond Delahanty (Kiski)  
Grace Darling Doolittle (Coe Col.)  
Ruby Frampton (Ex-Student)  
William G. Greer (Ex-Student)  
Thomas McMeekin (Ex-Student)  
Horace W. Morrison (Ex-Student)  
C. G. O'Donovan  
H. Stanley Pitzer (Ex-Student)  
Evelyn Doris Runger  
Robert E. Skillen (Ex-Student)  
Wilfred H. Stewart (Univ. of Mich.)  
Betty R. Tebay  
Mary Walker  
Trevor West (Albright College)  
Alfred F. White  
Sol Nodel (Music Student)  
Robert Jewell (Western Reserve)  
John A. Cassidy (Western Reserve)

### FOUR WEST POINT CADETS SUSPENDED FOR HAZINGS

WEST POINT—Four senior cadets have been suspended recently for hazing freshmen. This is the first enforcement of punishment for this offense in ten years.

### HARVARD MEN LOSE SHIRTS TO YALE CREW

HARVARD—"To the victors belong the spoils." A working example of this maxim is the annual race between the crews of Harvard and Yale in which the winners receive the athletic shirts of the losers. Consequently, Harvard has to buy shirts for her crew this year.

## Varsity Defeats St. Francis Quint

RUNS TOTAL TO EIGHT  
VICTORIES IN 40-18

Another clean victory was added to the Westminster basketball record last Saturday night when the Blue and White aggregation topped St. Francis by a 40-18 score.

Although the figures point to an easy win, the contest, on the contrary, was hard fought on both sides. For the greater part of the first period it seemed as if the Westminsterites had finally met their match. The speedy St. Francis boys held down their taller adversaries in much better shape than was expected. The score kept shifting from first one side to the other but the end of the first half found it 14 to 10 in favor of the Blue and White.

During the second half, however, the tables were turned and Westminster handed their opposition quite a comeback. After playing a whirlwind game the first period, the St. Francis team cracked badly and paved the way for the coming victory. Their offense still had snap and speed but the defense of the Blue and White was almost impregnable. It was rarely that any St. Francis man got past the foul line for a try at the basket.

Just as other teams have found, the height and reach of the Westminster quintet are hard to contend with and St. Francis came to realize this last Saturday night. Although they had speed, their pass-work was broken up repeatedly by the lanky Westminsterites.

Tudor Lewis, star guard, played his usual dazzling game and led the scoring with seven baskets to his credit. Smith went best for St. Francis and made four field goals. O'Donovan and Delahanty, two newcomers to the Westminster aggregation, also showed up well in their few minutes of play.

Westminster 40 St. Francis 18  
Connor ..... F ..... Smith  
Crowell ..... F ..... Saporita  
Gamble ..... C ..... Shields  
Ayres ..... G ..... Haley  
Lewis ..... G ..... Lynch  
Substitutions: Kontzler, Kasey, O'Donovan, McCullough, Delahanty, Gibson. Field goals: Smith 4, Saporita, Haley, Kontzler, Connor 4, Gamble 3, Lewis 7, McQuiston, Crowell. Foul goals: Westminster; 8 out of 15; St. Francis, 4 out of 11.  
Referee—Slack.

### INDIANA TO HAVE MEMORIAL JOURNALISM BUILDING

INDIANA UNIVERSITY—Students in journalism at Indiana have started a campaign to raise \$100,000 for the erection of a Mellet Memorial School of Journalism in honor of Don R. Mellet, slain Cantor editor.

### DOCTOR STUDIES MUSCLES OF CORNELL'S ATHLETES

CORNELL—Muscles of Cornell athletes are to be the specimens used in a study to be made by Dr. A. V. Hill, who will study the chemistry and mechanical of muscular contraction.

McGILL—The university has a Chinese library of 25,000 volumes.

CORNELL—In 1880, Cornell university played five football games in one week.

## BEAT ALLEGHENY!

Sport comment in the Pittsburgh papers should be taken with a grain of salt by every man on the team and by every student. The fortunate victory over Allegheny a few weeks ago CANNOT be repeated UNLESS every player resolves to play twice as well as he did in the last game.

If we defeat Allegheny a second time, it will mean that we shall shall have to play to win every minute. No half-hearted, over-confident playing will be sane. The chances are that Allegheny will defeat us by a large score.

Then, too, the Pittsburgh scribes are touting the team for conference honors. Let players and students alike realize that it is impossible to go through this week without defeat—UNLESS we play to win; unless we realize that we must be better than our best. Let's forget about seasons ratings and concentrate on each game as it comes along. We can win if we are willing to pay the price, but victories will be fortunate and earned if they come. We need them, but our attitude will determine whether or not we get them.

## HISTORY OF OLD MAIN

A yellow, musty old issue of the New Wilmington Globe dated December 9, 1897 contains, among other things, a history of the college, which is to say, a history of Old Main. This early issue was found last Tuesday in the Globe Office, and since it contains notes of historical value concerning Old Main, we are reprinting parts of the sketch.

Speaking of the college buildings, the aged number of the Globe says:

"The exercises of the college were begun in the Associate church at the west side of town. The building, a frame structure, was moved away in 1856, and a substantial and commodious brick edifice erected in its place. In the fall of 1852 the trustees of the college had a building ready for classes—a brick house 40 by 28, two stories high, containing two rooms, each the full size of the building. The Associate Reformed church, on a lot next to this, was used as a chapel, and the public school building was rented part of the day for classes that were already too many and large for the college building."

This building mentioned in the preceding paragraph was torn down some years ago to make room for the rebuildings and enlargement of the U. P. church.

The second building erected for the use of the college was also of brick, 90 by 58 feet, three stories high. It was finished in 1854; opened for use in September of that year, and was burned down February 28, 1861.

The third building—Old Main as we knew it—was made of brick. This building was started in 1861 and formally opened at the beginning of the session of 1872.

## A NEW OLD MAIN

Now that the charred walls of old Main have been razed and preparations are going forward for the removal of the debris, the new Old Main seems closer at hand.

The Prudential committee and the trustees are making rapid strides, and as students gaze out of the classroom windows in the U. P. church, Science Hall, and Conservatory there is a gleam in the eye which denotes dreaming—dreaming of the new Old Main that is to be.

On the campus and on the streets students have been heard discussing the new building. Already they are projecting themselves into the future and into the new building that is to be.

Meanwhile, with considerable inconvenience, students and faculty are laboring in improvised classrooms, gladly awaiting the dawn of a new day and the completion of a new Old Main.

## PERTINENTITIES

"Hew to the line, let the chips fall where they may!" . . . . .

If you get the meaning of the following, you must be quick:

Friends are not made by looking at them through a microscope.

The following, printed verbatim from Muskingum's Black and Magenta, has a superfluous "IF" clause at the end:

"Oklahoma Agricultural and Mechanical College has a class of 67 men studying home economics. We fear that if Muskingum had a class of this sort, somebody might get called a sissy."

THE RESERVE WEEKLY, student newspaper at Western Reserve university, takes Arthur Brisbane for a bit of locomotion in a recent issue:

"The other day Brisbane devoted a valuable half-column to an explanation of his theory that women are the interesting half of the race. One of these days Arthur is going to come right out and prove that the earth is round."

What—more of these glittering obnoxiousities by Heart's highest paid writer?

It is rumored about the campus that the Senior Lodge now has a chaperone.

This rumor may be an empty paper bag. But, as a result of it, three Kaps failed to flunk a single course, and democracy (with apologies to H. L. Mencken) reigns supreme!

We submit our Taylor's bill for the following:

I hate examinations; they spoil the composure and equilibrium of fraternities.

With Old Main gone, the College Inn has become the rendezvous of co-and-ed. More members for the Fish But Game Club!

Father's pocketbook will suffer for food for two!

But beware—Love never dies of starvation, but often of indigestion.

As Don Marquis would say, Flunking is what happens when an unprepared mind meets an inconsiderate quiz.

And coeducation (from the feminine viewpoint) is what happens when an Irresistible Thirst meets a Deflated Purse.

One of the biggest jobs you can undertake is to try to have a big time with the money you forgot to save.

The preceding supplied gratis by the New Wilmington National Bank—the idea; not the money!

Elliot Nugent, graduate of Ohio State, has written a play entitled "The Poor Nut." Obviously an advertisement for Henry Ford's cars.

The Campus Watchdog says, "What this College needs is less CO and more ED."

As the linotyper said to the author of this column in answer to a question—"Right, Pert."

Toodle-de-oo, old fruit, I must tear off to tea.

—Pert.

## THE BURNING OF "OLD MAIN"

(Reprinted from the Black and Magenta of Muskingum College, Feb. 1.)

Our campus was startled during the past week with the news that "Old Main" of Westminster College was in ruins, having been completely destroyed by fire in the early morning of January 24. Of this historic old building, which was familiar to many of us, nothing but charred walls remain. The loss sustained by the college is one which will be keenly felt since library, classrooms, chapel, and offices were consumed in the conflagration. But handicapped as she is, the college will continue and out of her loss we trust that a larger and better building will be erected that will more adequately meet her needs.

As students of a sister institution, we wish to extend Westminster our sympathy and to commend the spirit shown by her students following the catastrophe. Gathering in the auditorium of the United Presbyterian Church at New Wilmington, the five hundred students joined in a resolution pledging themselves to co-operation with the faculty, board, and alumni in an effort to rebuild the structure. To the alumni and students of Westminster much is lost that can never be replaced but out of it will come a truer and deeper love for their Alma Mater that will endure longer than buildings stand.

## DR. VEAZEY, '03, SPEAKS AT CLEVELAND GATHERING

## Westminster Alumnus Addresses Industrial Chemists

The Cleveland Plain Dealer, issue of January 17, carries a story concerning Dr. W. R. Veazey, professor of Physical chemistry in the Case School of Applied Science, in his extension work of addressing groups of industrial chemists in Cleveland. Dr. Veazey, graduate of Westminster in the class of 1903, in an address before the paint and varnish manufacturers in the Cleveland Chamber of Commerce claimed that chemistry is the industrial fountain of youth. According to Dr. Veazey, "chemistry, peeps up production; brings better methods to light; is the medicine that gives new life to ailing industry and more life to healthy industry."

An effort is being made by the Cleveland Chamber of Commerce to create community interest in the vast paint, oil, and varnish industries of the city. Dr. Veazey's talk, at which more than 2,000 business men were present, is one of the methods used toward this end.

## DELTS DINNER DANCE HELD VACATION EVE

The annual dinner-dance of the Delta Phi Sigma fraternity was held Friday evening, January 28, at the New Castle Field club.

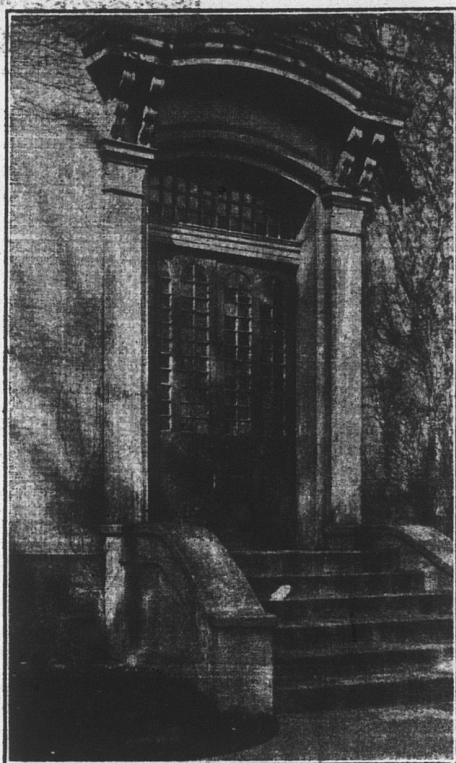

Following an elaborate dinner, William Hinkson, president of the fraternity acted as toastmaster.

A toast to the college was given by Dr. Charles Dawson, faculty adviser to the fraternity. Miss Carol Clark then gave a toast to the boys, and Andrew Harmody toasted the young ladies.

Dr. Charles Wallace concluded the program by praising the men and women of to-day, whose co-operation made it possible to go on with the schedule in spite of Westminster's great loss.

After the party had filed into the spacious ball room, a flash light picture was taken, and the remainder of the evening spent in dancing. The halls were artistically decorated with college and fraternity banners interwoven with blue and gold streamers. The favors were link bracelets embossed with the fraternity seal.

Faculty guests were Dr. and Mrs. Charles Wallace, Dr. and Mrs. Charles Dawson, Dr. Charles Freeman, and Dr. Gertrude McCain.

OLD SOUTH STEPS OF OLD MAIN

## DELTS BEAT KAPS IN LEAGUE GAME

SCORE, 29-14

The Delta Phi Sigma basketball team defeated the Kappa Phi Lambda combination by the score of 29-14, in the preliminary to the St. Francis game last Saturday night. The game was hard fought and interesting. The play was fast and rough, but a good brand of basketball was displayed throughout the contest. Wettich and Marmody were the stars for the winners, each having four buckets, while Cogley played best for the losers, coming through with two counters. The lineup:

Delts 29	Kaps 14
Wright ..... F. ....	Cogley
Wettich ..... F. ....	Porter
McDowell ..... C. ....	McEldery
Harmody ..... G. ....	Freed
Furno ..... G. ....	Bowen
Subs: Kaps—Kosmos, Canon	
Krueger, Delts: Lauder,	
Field Goals—Wright 3, Wettich,	
4, McDowell, Harmody, 4, Lauder,	
Cogley, Porter, Cosmos, Bowen.	
Fouls: Delts—1 out of 7; Kaps:	
4 out of 8.	
Referee—Coleman.	

## DR. W. L. MARKS TO ACCOMPANY PIRATES TO SOUTHERN CAMP

Former Westminster Star To Be Physician for Pittsbrgh Team

The New Castle News of January 27 contains a report to the effect that another Westminster man has, through his achievements, added to the fame of the college. The story, quoted from the sport column of the News, follows:

Westminster today can feel another touch of pride, as Dr. William L. Marks, for a score of years a bulwark of strength to Carnegie Tech's athletic teams, has been signed to accompany the Pirates to their California camp. Dr. Marks is a physician; and his entry into the Pirate fold has been brought about by the heavy casualty list of last spring. When Marks went to Westminster, he played halfback on the football team.

## FAVOR SCHOOL DANCING

MONMOUTH COLLEGE—Four out of five students of Monmouth college believe that dancing should be allowed, according to a vote taken at a recent student forum. Those opposed to dancing believe that it is morally wrong, that it is contrary to the teachings of the United Presbyterian church, and that Monmouth would lose some valuable support by admitting dancing. Those in favor of dancing contend that it is not a moral question and that there is nothing in the creed of the United Presbyterian church about dancing.

## EPS DRAW FIRST BLOOD IN INTRA-MURAL LEAGUE

In the first game of the intra-mural season last Thursday, the Eps pulled the wool over the T. U. O's by a 17-12 count. The game was a hotly contested fracas all the way with the losers in the lead part of the time.

The Eps were in the lead at half time and were never headed after that. The T. U. O's tried hard to overcome a three-point lead of the winners in the last few minutes but a field goal by Trotter sewed things up for the eps. Hutchison was high scorer with four field goals.

The summary:

Eps	T. U. O.
Moore ..... F. ....	Gibson
Trotter ..... F. ....	Hartwell
Hutchison ..... C. ....	D. Smith
Profio ..... G. ....	Kennedy
Millison ..... G. ....	Armstrong
Field Goals: Eps—Hutchison, 4;	
Moore, 2; Trotter, Profio 1.	
T. U. O.—Hartwell, 2; D. Smith;	
Kennedy, Gibson.	

Foul Goals: Eps—1-7; T. U. O's 2-5.

Referee—Coleman.

## DEBATE TEAM PLANS FORENSIC SEASON

Since cancelling their proposed southern trip, members of the varsity debate squad have turned their attention to the forensic contests which have been scheduled with district schools.

A meeting of Tau Kappa Alpha yesterday resulted in a new determination to put forth a winning team for the season. Reference books arrived Saturday, and all is in readiness for some heated arguments over the foreign debt problem.

## STUDENTS RECORDS SAVED FROM FIRE

Two Safes Removed From Debris Yesterday

Workmen removing the debris from the two office safes of Old Main recovered the college strong boxes yesterday afternoon. The contents, student and college records of great value were found to be in perfect condition and were removed to the temporary college office in the Conservatory.

These records will be transferred to new safes, and college affairs will again be on a firm foundation.

The work of removing the debris will undoubtedly start some time this week in preparation for building operations to be started within a few weeks.

In all probability, the old college bell will be unearthed within a few days. If, as everyone hopes, it is still intact, it may be used to ring in future athletic victories.

## Book Store Dealer or Student

representative wanted for

## WESTMINSTER COLLEGE

We want a student to handle the sale of "Collegiate Stationery," which is rapidly meeting the demand of the college world for personal name and address stationery of a distinctive college type.

Orders are filled in a note size: 200 sheets x7, 100 envelopes; and a large two-fold size: 100 sheets 7 1/4x10 1/2, 50 envelopes. Selling prices \$1.25 mailed postage prepaid to individual.

The student we are looking for will be interested in earning not less than \$100.00 for the 1926-27 college year. For particulars write at once to

### (D)CESSIONAL

(With apologies to Kipling.)

Tin God of Luck, before whose throne  
We consecrate the speckled cubes  
We plead you—leave us not alone  
Lest these exams should prove us  
boobs.  
Tin God of Luck, be with us yet  
Lest we forget—lest we forget.

Far called, our memories fade away;  
Cold towels now cool each fevered  
brow.  
Where are the facts of yesterday?  
Would that we could remember now.  
Tin God of Luck, be with us yet  
Lest we forget—lest we forget.

For notebooks we should have com-  
plete  
We mourn and wring our trembling  
hands  
We have no joy to sleep or eat  
While like a ghost its presence  
stands.  
Tin God of Luck, inspire us yet  
Lest we regret—lest we regret.

And though each one of us still  
craves  
And hopes to gosh he'll make the  
grade.  
Before the grim line of exams  
We tremble and are sore afraid.  
Tin God of Luck—be with us yet  
Lest we forget—lest we forget.  
—Vox Populi

### GYM CREDIT FOR LONG-DISTANCE CLASSES?

"Where, now Trialchia—why dost hurry away?"

"Beshrew, my liltling Andronichus, I must tea away to Education 4 in the gymnasium."

These parleys heard from the campus elite of the "Big University" are common now that students have classes in the gymnasium, Conservatory, New Wilmington Club, United Presbyterian church, Science hall, and other places too numerous to mention in this chapter and other chapters.

Imagine five minutes for a race from the New Wilmington club to the gymnasium, and after the hour is up, a mad dash from the gym to the U. P. church! Such is life in a big university.

It is rumored that some shrewd students are petitioning the director of physical education for gym credit. And why not?

## Rev. Mr. Tucker Closes Services

### WEEK OF DAILY CHAPEL SERMONS PROVE POPULAR

#### REV. TUCKER PLEASES

On Sabbath evening the Rev. William L. Tucker completed a profitable week of evangelistic services at Westminster College. Rev. Tucker came to the institution at a time when it is passing through the greatest crisis of its existence. His words of hope, therefore, came at a very opportune time.

Rev. Tucker, an alumnus of Randolph-Macon College of Virginia and Princeton Seminary, has been

His ministry at Westminster was long toured Siberia, the Orient, and the Holy Land. At present, Rev. Mr. Tucker is pastor at the First U. P. church of Jersey City.

Further broadened by travel, have arranged by the college administration and the Evangelistic Committee of the Board of Home Missions. The services opened on Monday evening and continued each evening and at each chapel service except Saturday.

At the evening services the subject was "The Personality of Christ." In these services he discussed: "What Happens When Christ Meets A Sinner," "A Formalist," "A Radical Reformer," "A Spiritual Cripple," and "Our Campus."

In his first chapel service he spoke on Washington. Taking his subject matter from a radical modernist and from Woodrow Wilson's book on Washington, he drew an interesting picture of Washington's character as the great materialist, the father of this nation.

The following mornings he spoke on: "Finding and Losing God," "The Power to Rally and Carry On In Life," and "Making God a Companion." The object of these talks was to help the student "to make voltage rather than baggage of his religion."

On Friday, Rev. Mr. Tucker spoke to the Bible 4 class on his experiences in the Holy Land. In this impersonal talk he brought out that Christ is not to be associated with any one particular place but is universal.

Besides his services in the Sabbath evening chapel he spoke in the Men's and Women's Bible classes and in the morning service of the local U. P. church. His theme for the morning was "Where the Christian Expects to Find God."

### COACH JOHN LAWTHOR—WESTMINSTER'S TOAST

(Reprinted from the Varsity Column of the Pittsburgh Gazette Times)

Westminster College and all its adherents are toasting the name of John Lawther as the United Presbyterian prepares to close one of its most successful basketball campaigns.

Lawther started to work at New Wilmington this year with a gloomy prospect in view. He had one letter man with which to work, and a lot of under-classmen, Freshmen, for the most part, with which to build a team.

But he worked hard, and certainly has brought out everything that his players had in them. Lawther has a smart, well-coached team, one that has been a thorn in the side of the teams that have been haeodtoid that has been a thorn in the side of some of the teams that have been rated as being better than the U. P. outfit.

Glancing over her record made by Westminster so far this year it will be seen that some good teams have been beaten. Allegheny lost to Westminster just at the time that the Methodists were casting longing eyes at the district championship. It is a matter of great credit to the Bakermen that they were able to rally after that setback and work up to the position they now occupy.

Westminster came pretty near beating the Dukes at Pittsburgh. They won from Bethany, Thiel, and held Waynesburg very close. They still have a chance to rise in the Conference standing by defeating Geneva and Thiel this week.

### VARSITY GIVES EXHIBITION DEBATE

Is the school boy thrilled at seeing the collegian in action? If so, he normally travels to see the college man perform. This was not the case, however, last Thursday; for the mountain, in the form of the Westminster mens debate team, went to Mohammed, the students of New Castle High school. A model debate, the question being, Resolved: That the United States cancel the war debts owing to it by the Allied nations, was the entertainment in the senior assembly Thursday morning. Hamer and Mansell gave the main speeches for the negative, while Bricker gave the rebuttal. The feigned arguers for the negative side were Colman and Chambers; Ferguson giving the rebuttal. Although there was no decision given, the spice of the exhibition lay in the aid to the high school debaters and the recalling of fond memories on the part of some of the faculty.

Westminster will participate in a triangular debate with Geneva and Groce City on next Thursday night. The affirmative team, composed of Mansell, Hamer, and Bricker, and Meyers as alternate will journey to Groce City. Colman, Chambers, and Ferguson, and Botsford, alternate, forming the negative team debate in New Wilmington against Geneva.

### CARVER PREDICTS CLOSE TILT TOMORROW

Pittsburgh Sport Writer Claims  
Geneva Team May Win Second  
Victory Over Westminster

Geneva hasn't won a game away from home this year. But by the same token, they haven't lost one in Beaver Falls. They have a small floor, one of the smallest in the conference, and they know its every nook and cranny. The Dukes are used to a big, roomy floor, where they can play their bewildering passing game to a king's taste, and where they handed Geneva a 28-11 beating a week ago.

But the Covenanters must also travel this week, and to an especially formidable spot. Wednesday night Westminster's good team will play host to McMullin's men at New Wilmington. It is the earnest wish of Coach Lawther of the U. P.'s to upset Geneva. Geneva won from Westminster at Beaver Falls earlier in the season. Since then, the Blue and White has shown great improvement and will be an even choice to down Geneva Wednesday.

FOUND—In the Duquesne game the eye for the basket.

### TANK TEAM AGAIN OUTSWIMS THIEL

Bowen And Brown Feature in 42-11  
Victory over Lutherans

Westminster continued its swimming season in a splashy manner last Wednesday when the Blue and White mermen conquered the Thiel natators 42-11, in a return meet at Greenville.

In their splash to victory, Jack Hulmes' proteges merged from the liquid with six first places and four second positions to their credit. The Lutherans aquarium artists won only one event, copping the coronet in the 50-yard free-style swim. The Greenville tankers captured three second places.

Although Coach Hulmes' charges had beaten Stoeber's team here in the initial match of the season, 36-17, stronger opposition was expected. The Thiel swimmers had improved, but Aquarius again waved his wand of approval over the Blue and White water athletes. Thus, in spite of the keen rivalry, the Westminster crew won the fluidity contest.

The scoring is summarized as follows:—

50-yd free style:—

Won by Aiken, Thiel; Second Reed, Westminster. Time—28 sec.

50-yd. back stroke:—

Won by Botsford, Westminster; Second, Zundel, Thiel. Time—31½ sec.

50-yd. breast stroke:—

Won by Brown, Westminster; Second, Anderson, Westminster. Time—44 sec.

100-yd. free style:—

Won by Bowen, Westminster; Second, Aiken, Thiel. Time—1 min. 5 sec.

200-yd. free style:—

Won by Colman, Westminster; Second, Brown, Westminster. Time 2 min. 55 sec.

Fancy Diving:—

Won by Bowen, Westminster (43 pts); Second, Brown, Westminster (39pts); Third, Aiken, Thiel (36pts); Vogle, Westminster (34pts).

200-yd. relay:—

Won by Westminster (Reed, Colman, Brown, Bowen); Second, Thiel (Winemon, Zundel, Dickson, Aiken). Time—1 min. 47 sec.

Bowen and Brown again starred for Westminster. Aiken was the best performer for Thiel.

The next two meets are scheduled with Allegheny College. The dates for these coming contests have not been definitely arranged.

### PITT AND WESTMINSTER LUCKY

by Jesse Carver, Pittsburgh Gazette Times

As the season draws to a close, there are two teams who need not fear the advent of the next. Pitt and Westminster are both going to be very well fortified for 1927-28. Westminster has a lot of likely looking under-classmen coming along, and in addition, lose but a single man of this year's varsity.

Pitt, though three varsity men go, will have one of the finest freshmen teams over assembled at the University from which to fill the holes left by graduation and ineligibility next year.

In addition to Sykes Reed and Stash Wroblewski, varsity men who will remain for next season, Carlson will have Cohen, Hyatt, Jehfuss, Ashbaugh and Arthurs from this year's undefeated frosh five.

Capt. Lissfelt, Bill Rihanck and George Porgy Kowallis will play their last varsity engagement this year.

### LEWIS, CROWELL, AYERS, CONNOR, GAMBLE, AND O'DONOVAN SET FAST PACE TO DEFEAT CONFERENCE CHAMPIONS

#### PITTSBURGH WESTMINSTER CLUB TO GIVE BENEFIT MUSICAL NEXT TUESDAY

The Pittsburgh Westminster College Club will give a reception and musicale in the English room of the Fort Pitt Hotel next Tuesday, March 8, for the benefit of the college building fund.

The musical program will be presented by Miss Mabel King, contralto; Mr. and Mrs. Fred Newman, vocalists; Miss Kagy, violinist, accompanied by Miss Mockel, both of the faculty of Westminster College; and Mrs. Louis Gerber. Elbert Moses will give readings, and Miss Gretchen Welch will recite. Friends of Westminster and particularly alumnae, are invited to attend.

#### WESTMINSTER PROFESSORS TAKE EXAMS AND MANY FLUNK OUT—HA: HA:

#### Faculty Banquet Reverses Charges On Mean Instructors

Members of the Westminster faculty disported last evening at their annual banquet in Wickliff Manor, Youngstown. But the hard-hearted professors were dealt a severe jolt when the department of Education produced bona-fide blue books and typewritten examination questions for the 32 faculty members and guests. After the blue books were carefully marked, it was found that no one had passed the test. Dr. Quick received a grade of 59, ha! ha! Professor McKee was, in turn, closely graded by Dr. Quick, receiving zero minus one thousand.

The questions, dealing with history, literature, automobile, etiquette, college administration, and co-education were unique and searching.

Dr. W. Charles Wallace received double cuts for entering late. Dr. Taylor, Latin and Greek professor, entered just as the last siren sounded.

WEST POINT—By orders of the commandant of the United States Military Academy, the "no-smoking" ban has been removed. West Point cadets art now permitted to smoke within the buildings of the academy.

Things We Would Like To See  
A tabloid newspaper instead of a tabloid nude paper.

#### WESTMINSTER NOW HAS 500 PERCENTAGE FOR TRI-STATE GAMES

Coach John Lawther's Westminster Varsity grabbed the bacon Saturday night just as the much sought for prize was about to leave for the Smoky City in the possession of Captain Roy O'Donovan and his Debonair Dukes. Westminster won 22-20 in our own college gym and Duquesne University was compelled to accept one of the most bitter setbacks of the season's campaign.

Throughout the setto "Andy" McDonald coddled a silver half dollar until he almost rubbed the spots off, informing everyone that the identical four-bits piece had copped the Westminster-Groce City football joust for the Blue and White two years ago and would repeat a victory against "Chick" Davies outfit. Needless to say "Andy's" superstitions were correct, and he goes on to relate that he did not care if he rubbed the half-buck into a thin dime if Lawther's quintet will trounce the "Little Institution Down the River" Wednesday night. Here's hoping!

Both Westminster and Duquesne played very conservative basketball throughout the initial session of Saturday night's fracas. Each squad seemed satisfied to take few chances at the hoop, preferring to hold the spheroid until "Old Man Opportunity" presented a chance shot at the bucket. Such tactics gave the scorers a rather easy job and at the end of the first period the score-boards showed a 3-3 tie. Westminster led at half-time 7-5.

The United Presbyterians opened up hostilities in the second half and succeeded in garnering a 13-10 advantage at the finish. Ayres and Connors scored a brace of double-counters at the offset of the final period and placed the home five ahead with a meaty 17-10 lead. At this juncture of the affair the visitors braced and caged three shots in succession. Westminster likewise came through with one free try and a field shot and led 20-18 after Roy O'Donovan scored for the Dukes. Again Duquesne counted from the field when Vernon made good on a fielder and the tally stood 20 all. Finally "Red" Crowell put the Blue and White into a 22-20 lead and as the timer rang the closing bell a multitude of fans rushed on the floor to congratulate the victors for their commendable work.

## GIRLS ATHLETICS

With the dismissal of Girls' varsity basketball at Westminster last year, has come an even greater interest in girls' athletics. The promises of a broader field of girls' athletics have been fulfilled in the beginning of girls' class swimming, hockey, tennis, and volley ball teams. In the present basketball season the large crowds at the games indicates the intense interest of the girls in themselves and their whole-hearted support of their respective class teams. Great rivalry is manifested in the large turnouts to practices. When the time comes that the fellows receive admittance to these games the side lines will be nearly as crowded as they are at a varsity or intra mural game. Westminster women are appreciative of the opportunities afforded them for athletic development and are grateful for the support given them.

## FATHER'S DAY

With all this talk of Mother's Day, why not give some notice to the one who is, for the most of us, the main source of our life here at Westminster? What use would Mother's coaxing powers be if Dad were non-existent?

And there are times when even Mother doesn't understand, and Dad's viewpoint is what we really need.

Nor is Mother the only one who sacrifices. Many of us will never realize what a strain our college expenses are to father, who is already burdened with the bills at home.

Last, but (as usual) not least, there is the chance to show our best pal a good time. And if, somehow, our affections have cooled and our interests have drifted apart, Father's Day will help us to remedy these conditions.

## MOTHER'S DAY FOR ALL

The fraternities have done a noble work to set aside February 22 for their annual Mother's Day. The idea awaits development into a broader horizon. Why not have February 22 as Westminster's Mothers' Day, — a Mother's Day for faculty, fraternities, sororities, and town students. Why keep it for just one group? Surely the fellows are not the only ones who love their mothers, or their mothers alone in an appreciation of honor bestowed upon them.

A set time for honoring our mothers brings to remembrance the debts of love and service which we can only repay with similar coin.

Few of us can invite all our friends to our homes, but we can bring the heart of the home to them. We can give Mother an opportunity to know our friends, and we can also draw our friends closer to us through acquaintance with our family.

Then, too, we can invite Mother to at least one good meal that she will not have to worry over. It will be a day of rest for her and of deepened friendship between all of Westminster's students and their Mothers. For the past twenty years her thought has been centered in our interests. It will warm her heart to have us devote our attention to her for one day in which all of us can honor our Mothers.

## BIG, BAD BILL!

'Tis said on all good authority that one William, alias "Red," Crowell of Westminster is responsible for a certain bit of philosophy which would make Will Durant look like a street-cleaner in Venice. When the Westminster Titans ambled onto the floor down at Bethany a few weeks back, "Red" was heard to say, "I hate these small floors. When you start to run, there's no place to run to."

## THOSE ROMANTIC COMEDIANS!

There is an idle rumor very busy right now. The germs of raucous humor claim that the romantic love of the southern gentlemen is merely, psychologically speaking, the comedy of their lives. It is certain that a lot of love making provides comedy for those mortals who view it from the sidelines. In other words, love is blind, but the neighbors aren't.

## Notice, Railroaders!

Hasty and inconsiderate connections have often caused wrecks on better roads than the Sharpville, and much of every man's good or evil fortune comes from the choice of time tables he makes.

## Now You Tell One!

## SEEING THE INVISIBLE!

To the ancient Greek epigram that we must look into people as well as at them we would add that the Dentist must have all the "low-down" on many?

"For we are very lucky, with a lamp  
before the door,  
And Leerie stops to light it as he lights  
so many more."

"The Lamplighter"  
Robert Louis Stevenson

## The Lamplighter

GOOD old Leerie, the lamplighter, worked cheerfully to make the streets bright. And the lamps sputtered a friendly glow into the darkness.

The citizens of the country have taken Leerie's job. They are the lamplighters of today, and they spend 3½ cents of each tax dollar that their streets may be bright.

Good street lighting means more flourishing business sections, safe traffic, convenience, and protection.

Leerie, the faithful, has gone—but streets still need lighting. And in whatever communities college men and women elect to live, they should take a lively interest in civic improvements—including street lighting.

G-E products help light the world, haul its people and goods, turn the wheels of industry, and lessen labor in the home. Whether on MAZDA lamps, or on large or tiny motors, or on the multitude of other means of electrical service, you will find the G-E monogram wherever you go.

# THE VERACITY COLUMN

by Meat Carver

## SOME ORIGINS

"I hope you don't feel hurt," was rumor hath it, started in the Harvard-Princeton game of 1916. Princeton men insisted on blurting out this vile oath after each and every scrimmage. (For further dirt, see Hubbard's charge account in Liberty magazine!)

## EPILEPTIC EPIGRAMS

Nothing is certain but death, measles, and examinations.

As Don Marquis says, "You can't fool all of the people all of the time—some of them are to busy fooling themselves."

The least of the dumb student's worries should be the fact that he has not been called a blockhead by George Bernard Shaw. No man has achieved real recognition till he has been called a blockhead by Mr. Shaw.

## An Essay On Skunks

Like Heywood Brown, I love nature, but I do think it can be overdone. There is so much ballyhooing by the S. P. C. A. about sympathy for animals that human beings are in danger of being severely slapped, or, at least, viciously chastised by members of the society unless the dictums of Emily Post are observed when animals are met, encountered, happened upon, or merely kicked out of their holes. Last night, for instance, I was met by a skunk when leaving the Senior Lodge. (It was rather late, to be sure!) There was much indignation when I threw a stone at him, even though I argued that it was in self-defense. Others in the crowd, who were also on their way home from the fraternity house mentioned above, were vexed almost to tears by my lack of etiquette.

They all said that skunks were never known to adopt aggressively hostile action. The theory was that I must have frightened him. Indeed, the consensus of opinion appeared to be that I had nagged and bullied the animal until he lashed out in righteous anger.

The truth of the matter is that I didn't do a thing to that skunk up to the time I threw the stone. No honest witness can testify that there were sounds of altercation before that blow was struck.

At the time of his attack I was attempting to locate my galoshes in the pile that covered the Lodge porch and overflowed into the reservation surrounding the Delt house. This skunk had very inconsiderately appropriated one of my galoshes for a garage; and when I attempted to pick it up, he insisted on discouraging me from the undertaking by certain and unmistakable acts which meant only one thing. I talked to him like a brother—at first—and then grew rather warm under the nose.

But this skunk was bull-headed, and nothing would do him except to run around in circles with the galosh over his head. I don't know how many times he lashed out at me, but for fully ten minutes he inflicted the merry-go-round torture to the unprotected air.

Not until after ten minutes did I speak to him, at all, and then it was in the mildest sort of way which should not have caused him either anger or fear.

What I said was, "If I were you, I wouldn't do that any more."

And at that he raced straight at me. Upon that instant, I confess, a primitive instinct overpowered me. I am not going to pretend that I didn't mean to hit him. I aimed to kill, and under the same circumstances I would do it again. A skunk is all right as long as he behaves himself, and I hope the issue will not arise again.

In order to avoid confusion in the future, I shall have a large sign painted on my NEW galoshes—"No Trespassing."

# DUQUESNE GAME

(Continued from Page 1)

Connors led the scoring column with four buckets and one out of three fouls. Serbin of Duquesne was second high scorer with three two pointers and two out of three fouls. Lewis of Westminster was third with two fielders and three out three from the foul line.

## Line-up and Summary

Westminster Duquesne  
Connors F. R. O'Donovan  
Crowell F. Serbin  
Gamble C. Vernon  
Lewis G. Rosenberg  
Ayres G. Schradig  
Substitutions: Westminster—G. O'Donovan for Crowell, Crowell for O'Donovan. Duquesne—Rich for Rosenberg. Field goals—Connors 4, Crowell, Lewis 2, Ayers. Duquesne—R. O'Donovan 2, Serbin 3, Vernon, Rosenberg, Schradig. Foul goals—Westminster, 6 out of 12; Duquesne 4 out of 9. Referee—Buck Snyder. Umpire—Beggs Snyder.

# INTRA-MURAL BASKETBALL

The Intra-Mural basketball championship of Westminster was settled Saturday night when the two undefeated leaders of the league, the Delta Phi Sigma and Phi Pi Phi fraternity teams, met to decide the championship. The Phi Pi Phi team played an unusually smooth game and easily topped their rivals by the score of 27 to 8. The winners will play the champions of the Intra-Mural league of Geneva College in the prelim to the Geneva-Westminster game here, next, Wednesday evening.

The winners of this week's games in the Intra-Mural league were the Kaps, who defeated the Eps. 13 to 11, the Pioneers who succeeded in downing the T. U. O.'s 15 to 10, and the Phi Pis who defeated the T. U. O.'s 29 to 14 and the Delt 27-8.

## Phi Pi Phis Defeat The T. U. O.'s

Continuing their winning streak of two straight, the Phi Pi Phis won out over the T. U. O.'s on Thursday afternoon by the score of 20-14. The Phi Pis started out strong and never were headed; they staged a drive in the second quarter that netted them nine points which were all made by B. Thomas, their captain. The score at the rest period was 14-7.

In the second half the T. U. O.'s played a much stronger game and out-scored their rivals 7-6. Their fourth period rally, however, fell short, although they threatened to tie-up the game at one stage.

## The lineup:

Phi Pi Phi T. U. O.  
McClure F. Hartwell  
Thomas F. Gibson  
Berry C. D. Smith  
H. Bucher G. Armstrong  
I. Mansell G. J. Smith  
Subs: R. Bucher for H. Bucher, Wetzel for Thomas, Vogel for McClure, Herriott for Berry, Thomas for I. Mansell, Kennedy for Armstrong, Kennedy for D. Smith, D. Smith for Gibson.

Field Goals: Thomas 5, Berry 2, Herriott, Hartwell 2, Gibson, Armstrong 2.

Fouls: Thomas 3-7; H. Bucher 1-1; Wetzel 0-1, Hartwell 2-3; Gibson 1-1; D. Smith 1-1; Kennedy 0-2. Shots Missed T. U. O.'s 38; Phi Pi Phi's 36.

## Pioneers Defeat T. U. O.'s

Last year's Intra-Mural champions, the Pioneers, defeated the T. U. O.'s last Saturday afternoon by the score of 15-10. The game was featured by close guarding and long shots. In the first quarter, neither side could get the advantage and the quarter ended in a two-all tie. In the second quarter, Trotter and Eagleson settled down and the Pioneers played a good passig game. The half ended 8-4 in favor of the Pioneers. During the third quarter the Pioneers increased their lead to seven points, and a last period

rally by the T. U. O.'s fell a little short of tying the score. Eagleson was easily the star of the game, his shooting being unusually accurate, and he succeeded in dropping in five long shots from behind the back line. P. Gibson led the attack of the T. U. O.'s with two double-deckers.

## The lineup:

Pioneers T. U. O.  
Trotter F. Gibson  
Rohrbaugh F. Kennedy  
Osgood C. D. Smith  
Eagleson G. J. Smith  
Baird G. Armstrong  
Subs: Turvo for Rohrbaugh, Rohrbaugh for Osgood, Hartwell for Kennedy, Kennedy for Armstrong.  
Field Goals: Trotter 2, Eagleson 5, P. Gibson 2, D. Smith 2.  
Fouls: Trotter 1-1; Rohrbaugh 0-1; Eagleson 0-1; Baird 0-1. Armstrong 2-2; Hartwell 0-6.  
Referee—Coleman

## Kaps 13 Eps 11

Kappa Phi Lambda, after losing three straight, upset the dope and won from the Eps, last Saturday afternoon, the score being 13 to 11. The game was very rough and hotly contested through-out with the result uncertain until the final whistle blew. At the outset neither team could locate the hoops, and there was little scoring in the first quarter which ended two-all. In the second periods the Eps assumed the lead which they held until the last quarter. After the Eps had tied the score in the final period at 11-13, Freed sunk a pretty goal, and the Kaps won out 40 seconds before the final whistle.

## Kaps

Porter F. McCracken  
Cosmos F. Moore  
Canon C. Hutchison  
Freed G. Vance  
Bowen G. Millison  
Subs: Kreuger for Canon, Cogley for Cosmos, McElderry for Porter, Cosmos for McElderry, Porter for Cosmos, Kreuger for Bowen.  
Field Goals: Cosmos, Freed, Cogley 3, Moore, Hutchison, Vance.  
Foul Goals: Cosmos 1-3; Canon 1-1, Freed 1-1; Kreuger 0-1; Cogley 0-2; McCracken 2-8; Hutchison 2-3; Vance 1-4, Moore 0-2.  
Score at the end of the half, Eps 6 Kaps 4. Referee: Coleman.

## Delta Phi Sigma-Phi Pi Phi Game

Surprising even themselves, the Phi Pis handed the Deltas a neat facing Saturday evening in the preliminary to the Westminster-Duquesne game. The final score was 27 to 8. The game was remarkably free from roughness and was well handled by Snyder brothers, "Beggs" and "Buck."

During the first period, the game looked like a real battle, neither side being able to get a close-in shot. The five man defense of the Pi's worked well, and repeated attempts by the Deltas to score were of little avail. In the second quarter the Pis staged a neat offensive lead by Berry which put them well in the lead at half time.

In the third quarter McClure of the Phi Pis led the attack with three field goals which pushed his mates well in the lead 21 to 5 at the end of the third quarter.

## The lineup:

Phi Pi Phi Deltas  
McClure F. Harmony  
Thomas F. Dennison  
Berry C. Wright  
I. Mansell G. Lauder  
H. Bucher G. Furno  
Subs: Vogel for McClure, Herriott for Mansell, Wettich for Wright, McDowell for Dennison, Hall for Furno, Wright for Harmony, Eckles for Wright, Collins for Wettich, Robinson for Lauder.

Field Goals: Thomas 3, McClure 3, Berry 2, Vogel, Lauder 2.

Foul Goals: Thomas 3-5, McClure 0-3, Berry 3-4, I. Mansell 1-1, H. Bucher 2-2, Dennison 3-3, Lauder 1-1, Wettich 0-1.

Shots Missed: Phi Pi Phi 22. Deltas 14.

Officials: "Beggs" and "Buck" Snyder.

# Book Store Dealer or Student

representative wanted for  
WESTMINSTER COLLEGE

We want a student to handle the sale of "Collegiate Stationery," which is rapidly meeting the demand of the college world for personal name and address stationery of a distinctive college type.

Orders are filled in a note size: 200 sheets x7, 100 envelopes; and a large two-fold size: 100 sheets 7 1/4 x 10 1/2, 50 envelopes. Selling price is \$1.25 mailed postage prepaid to individual.

The student we are looking for will be interested in earning not less than \$100.00 for the 1926-27 college year. For particulars write at once to

## CHAPEL BELLS

### ANNOUNCE PLEDGES

Phi Delta Chi announces the pledging of Frances Bleakley and Margaret Guy both of New Castle.

### Alpha Gamma Delta

Alpha Gamma Delta celebrated Washington's Birthday by entertaining at the Lodge in honor of their mothers. A buffet luncheon was served at one o'clock to the members of the fraternity, the pledges and twelve mothers. A musical program was enjoyed later in the afternoon after which the Mothers held a meeting and organized a Mothers Club. Mrs. McFate was elected president and Mrs. Weingartner was elected to act as secretary and treasurer. The mothers decided to hold their next meeting at the Lodge on Commencement Day.

### Thompson House

The girls of the Thompson House were very glad to have Mr. Tucker at dinner Saturday evening. After dinner, Mr. Tucker told of some queer customs of the Orient.

Carol Morrison, who was graduated last June and is now teaching near Du Bois, was back for the week end.

Mary Stuart has gone to Freeport to do her practice teaching.

Florence Pollard, May Queen of 1925, visited here over the week end.

### FRESHMEN GIRLS

#### DEFEAT SENIORS

The second game played by girls' basketball teams this year took place on Friday, when the freshmen defeated the seniors 17-7. The freshmen guards worked hard to keep the senior score down. Kitty McClure was the star freshman forward. Willa Boyd did most of the scoring for the seniors, who played a good game, but were unable to cope with the freshmen. Harriet Ewing is the senior manager, and Florence Wright the freshman.

The line-up was:

Seniors	Freshmen
Smith (Captain) F.	McClure
Sands F.	Tebay
McKnight C.	Lewis
W. Boyd S.C.	L. Braham
Davidson G.	Cooper (Captain)
Stewart G.	J. Boyd

Substitutes: Senior: M. Braham for Smith, Smith for Stewart; Freshmen: Harry for McClure, Petrie for Cooper.

### INTERCOLLEGIATES

GETTYSBURG—The Gettysburg College debating team has begun its invasion of the Northern and Eastern part of the U. S. Their schedule calls for debates in six different states.

MEADVILLE—The present semester at Allegheny College finds 560 students enrolled. Thirteen new students take up work, twenty-three leave school.

VASSAR COLLEGE—Authorities rule that no curling irons may be used in any of the College buildings due to a recent dormitory fire.

BOSTON—There are 750,000 students in United States colleges according to a survey made by the Boston Transcript.

OHIO WESLEYAN—The Ohio Wesleyan Glee Club will tour several European countries during the summer months.

PENNSYLVANIA—Officials of the University of Pennsylvania report that football paid the institution \$314,956 in profits during the season just closed.

## Westminster Defeats Geneva 28-25

THIEL FAVORITE IN  
TONIGHT'S CONTEST

Westminster's Chance For Second  
Place In Conference  
Rather Slim

Tonite the Westminster Titans close their very successful season, with the Thiel quintet in the Thiel gymnasium at Greenville. This game is an important one for the Westminster team, in as much as all games with Thiel are important.

Westminster won from the Lutherans in the first game of the season, but since then the Thiel aggregation has improved greatly, and in the latter part of the tri-state conference campaign they have proved quite a thorn in the side of all the aspirants for tri-state honors. They have won from Waynesburg, who beat the Titans both abroad, and at home; and they trimmed the Geneva combination who broke even with the Westminster team. They also gave the "Dukes" a scare when they held them to a 35-28 score, and lost only by a 28-23 count to Bethany. In view of the fact that the Thiel team is improving with every game, the battle will perhaps be lost by Westminster.

It may also be noticed by way of interest in the conference standing, that if the Thiel game is added to the credit side of the books, Westminster will be tied for second place in the tri-state conference rating, which is the best record the representatives of the Blue and White have achieved for many a day. If it takes its position in third place, which even if not as good as a tie the game is lost, however, the team for second, is not so bad when it is considered that even that place is practically new ground.

This game ends the basketball career of Captain Hugh Gamble of Sharon. Gamble has been on the squad for two years, but until the present season was not considered in a serious manner. But when Coach Lawther devised his scheme of a big team, Gamble was chosen as center, and later a captain, and the big boy has come through in fine style. The other members of the team are underclassmen. Connors and Crowell, the two great forwards, are freshman; and Ayers and Lewis the custodians of the back court, are sophomores. The remainder of the squad are also sophomores or freshman, with the exception of Gibson.

VARSITY CAGERS  
FEW THIS YEAR

With the final game of the basketball season scheduled for this evening at Greenville, there is a probability that only five men will have earned letters when the final whistle blows. Captain Hugh Gamble, Connor, Crowell, Lewis and Ayres are the only men certain of the awards. McQuiston, the only letter-man on the squad from last season, must play in both halves before he earns the distinction. O'Donovan and Delehanty, other members of the first eight, have played nice basket ball but they got late starts, not enrolling until the second semester.

GETTYSBURG—The second issue of the "Mercury", a campus literary publication, has just been put out. It contains tales, poems, and articles in a definite attempt at variety of content. Two more issues will be published during the remainder of the school year.

## WESTMINSTERITES!

AND CHEER OUR TEAM TO VIC-  
TORY!

HUGH GAMBLE  
Varsity Basketball Captain.

COLLEGE RESERVES  
TROUNCE INDUSTRIALS

McCullough And Thomas Star

On Saturday night, the Westminster Reserves kept their slate clean by trouncing the American Sheet & Tin Plate Co. team, on the New Castle Y. M. C. A. floor. This team is the champion of the city industrial league in New Castle. The score was 28-22.

The New Castle team was good, but it was not quite a match for the undefeated reserves. The first half was played clean and it ended with a score of 10-8 in favor of Westminster. The second half, however, was very lively and roughly played. Two Westminster and one New Castle player were put out of the game for four fouls.

Eddie McCullough led the Reserves with a total of nine points followed closely by Billy Thomas with seven points. Gennock, forward, with nine points was the best bet for the A. S. & T. P. Co.

Summary:  
Westminster A. S. & T. P.  
McCullough F. Gennock  
Penberthy F. Zuhowski  
Gibson C. Fraser  
McClintock G. Volesko  
Philips G. Summer  
subs: Westminster—Thomas, McClure, Lauder; A. S. & T. P.: Hoskins, Lewis, Packer, Melder.

Goals: McCullough 4, Gibson, Thomas 2, McClintock, Philips, Gennock 4, Zuhawski 2, Fraser, Summer.

Fouls: Westminster 10-20, A. S. & T. P. 6-18. Referee—Nolte.

## A HAT ON THE DESK IS

WORTH TWO ON THE  
HEAD, SAYS PROF.

GEORGE WASHINGTON UNIVERSITY—A member of the faculty recently gave cuts to a class which walked out of the room after waiting 15 minutes for him to appear. His reason was that his hat was on the desk, which meant that he was present. The next day the same professor found several rows of hats on the chairs, but no students.

JOHNNY LAWATHER  
Varsity Basketball Coach

AS Westminster's most successful basketball season in years draws to a close, a review is in order. However, not the ordinary review of the season, of the players, or the games lost or won, but a sketch of the man who has given his Alma Mater a winning team.

Westminster's toast is to her new-found basketball mentor, Coach John Lawther. During his undergraduate days, the present Blue and White coach worked under Westminster's banner. Both football and basketball claimed his time and the school profited. To suggest his athletic prowess it need only be stated that on the Blue-jerseyed all-time teams, the critics pick Johnny as the first choice for center. Basketball ability was no less lacking in our present mentors collegiate athletic endeavors.

After graduation, our "Titan coach" devoted his time to education and held here the principalship of New Wilmington high school as well as the position as a teacher in the college. His coaching ability was shown here in the successful N. W. H. S. teams he turned out.

(Continued on Page 4)

WESTMINSTER DEBATERS  
WIN OVER GENEVA

Following up the victory of the basketball team, the negative varsity debaters defeated Geneva College 2-1, last Thursday night.

The debate was held in the U. P. church auditorium, on the question: Resolved that the U. S. Government should cancel the war debts owing to it by the allied nations.

The Westminster negative team was composed of S. Colman, Philadelphia; J. Chambers, New Castle; R. Ferguson, Pittsburgh; Alternote, P. Botsford, Pittsburgh.

The Westminster affirmative team, composed of T. Mansell, Bridgeport, Conn.; H. Hamer, Erie; B. Bricker, Braddock; and C. Myers, New Castle, was defeated by the Grove City negative team at Grove City, 3-0.

Geneva Negative team defeated Grove City at Geneva 3-0, thus giving them four points, enough to capture the triangular debate.

On this coming Thursday, a Westminster team will debate Western Reserve at Cleveland. Ferguson, and Myers are expected to make the trip.

Ferguson, Colman, Chambers, Botsford, and Maxwell expect to make a trip to Bethany, and Washington and Jefferson the latter part of this month.

DR. SLOSSON'S TALK  
WELL RECEIVED HERE

Noted Scientist, Editor, and Lec-  
turer Speaks On Creative  
Chemistry

On Monday evening, March 7, Edwin E. Slosson, a famous scientist and author was the fifth treat of the lecture course. Dr. Slosson is the Editor of the Science News Letter, and is read of the Science Service, which is an organization established by the American Chemical Society whose purpose is the accurate preparation of writeups of scientific news and discoveries. He is the author of "Creative Chemistry," "Sermons of a Chemist," and "Easy lessons in Einstein."

Dr. Slosson spoke to an appreciative audience, and his revelation of the advancement of modern chemistry and of the possibilities of chemistry in the future were of interest to all present, and especially to those who twice a week experiment with the actions of chemicals in the college laboratories.

Westminster was fortunate to secure such a famed and interesting lecturer as Dr. Slosson. His education, which includes graduation from the Columbia School of Journalism, and a Ph. D. in chemistry from the University of Chicago, gave him an excellent foundation for the position he now holds as a lecturer and scientist. Dr. Slosson is a fellow of the American Association for the Advancement of Science, a member of Phi Beta Kappa, and also a member of the honorary chemistry fraternity, Sigma Chi. He was formerly professor of chemistry at the Wyoming Agricultural Station.

UNIVERSITY OF TEXAS  
IS WELL OILED MACHINE

UNIVERSITY OF TEXAS—Companies operating oil lands owned by the University of Texas in one county paid the institution \$188,000 in royalties in December of last year. The university also owns oil lands in two other counties.

WESTMINSTER NOW IN THIRD-  
PLACE IN CONFERENCE

Pulling the fat out of the fire in the last few minutes of play, a fighting Westminster basketball team the home season in a blaze of glory, to phrase it poetically. The score was 28-25 with "Bo" McMillan's covenanter's lagging behind.

It was a battle from start to finish, and the losers had a 20-14 lead with seven minutes to go. O'Donovan, Delehanty, and McQuiston were substituted at this stage. Then Lewis dribbled the length of the floor and sunk one to start matters and added a long one a minute later. O'Donovan and Delehanty then added a long one apiece to put the home team in the lead. Friedman almost evened things for Geneva by getting both ends of a double-player foul which brought the score to 25-24. Each team garnered a foul, but McQuiston captured a field goal in the last minute to sew the affair up for the Lawther proteges.

Lewis, Crowell and Connor each had three field goals. Rubenstein, with four goals and four fouls, was the big noise for the small school down the creek.

Westminster opened the scoring, but Geneva soon took the lead and the half ended 12-7, Geneva leading. In the second half, the invaders again took the offensive and had things well to themselves for the greater part of the half.

The Covenanters attempted to freeze the ball several times, but it only wasted valuable time which they later needed. Opportune scoring and a fight-to-the-end spirit were the deciding factors for the Blue and White.

The lineup:  
Westminster 28      Geneva 25  
Connor F.      Rubenstein  
Crowell F.      Friedman  
Gamble C.      Merriman  
Lewis G.      Clark (C)  
Ayers G.      Emerick  
Substitutions—O'Donovan for Crowell; Delehanty for Connor; McQuiston for Ayers.

Field goals—Westminster: Connor 3, Crowell 3, Lewis 3, O'Donovan, Delehanty, McQuiston. Geneva: Rubenstein 4, Clark 2, Emerick 2.

Foul goals—Westminster: 4 of 11; Geneva 9 of 12.

Referee—Bolster. Umpire—Buck Snyder.

## LIBRARY PROGRESSES:

## WILL OPEN SOON

Under the present progress of the new library it is expected that it will be opened this week. Room, thirty, in Science Hall is being made ready for use as a library. Reserve books, reference books, newspapers and periodicals will be available in this room. Room twenty will be used as a stack room.

Generous contributions to the library are still being received and almost all the new books that have been ordered are here. Over eleven hundred books have been accessioned which means that these books are ready for use.

## OUR ALMA MATER

At every basketball game the students have been singing the Westminster Hymn with mediocre success. However, as a casual observer might notice, the gymnasium does not resound with the many lusty collegiate voices that we have here. Although the basketball season for this year is over, would it not be a good plan to adopt immediate some measure to remedy this poor singing for next year? A singing of the old Alma Mater in chapel every day throughout the year as the final number of the chapel service would give the students practise in singing this glorious song. Do you think that as students it is up to us to remedy this?

## CHAPEL, AGAIN

"One boy's a boy, two boy's a half a boy, and three boy, no boy at all"—thus goes the old saying. The college students have been resenting and lamenting the fact that compulsory chapel is now in force. What can the students expect? Although students claim that they would go to chapel if they were not forced to, one finds that every day the various business stores of the town are crowded with students, while many are shivering outside or roaming the streets. If the students had met the leniency of the college at least half way, compulsory chapel would not have come again. It is the fault of no one else but the students, and that means you and I—We had better keep quiet.

## STUDENTS DON'T WORRY

Contrary to the public belief that students are worrying over their studies, and then committing suicide, G. S. Snoddy, head of the psychology department of the University of Indiana has given the International News the following statements—

"Worry over grades and general school conditions are not responsible for the wave of suicides among college students, according to Dr. G. S. Snoddy, head of the psychology department of the University of Indiana."

"Suggestion is the biggest factor back of the enormous increase in suicides," Dr. Snoddy said. "A stronger element of instability runs through it all. The individual becomes weak, discouraged, sometime, 'broke,' and his future is not altogether bright. Because somebody else does it; and so we have the excitable, neurotic, queer and unsocial types killing themselves."

Too much excitement and over-indulgence also are responsible he said.

"There is something in the spirit of 'flaming youth' today," he said. "Young people lack the older, stabilizing theories of conduct and get so filled up on pleasures that there is nothing left. The psychology of suicide is too much ease. If it were possible for people continually to free the problem of self-preservation there would be no suicides."

THE SHARPSVILLE  
FREIGHT

## WOMEN- HA!

Safety pins.  
Whip pins.  
Hair pins.  
Fraternity pins.  
Diamond pins.  
Clothes pins.  
Rollings pins.

Since walloping the "little college down the river," a certain president (no names mentioned) has been wearing a black coat and tie. Tough luck, say we.

## NEWS ITEM

Chapel attendance to-day was an increase over a week ago to-day. Strange, isn't it? The students must be getting religious.

Students in Economics are getting actual working experience. Just yesterday several of them were seen removing the chewing gum wads beneath the stools in the college inn.

The True Story magazine will be used this semester in Ethics classes. The price is \$2.50 at the book emporium or 35c at Jake Wilsons.

## Noodles And Nuts

This is the day the robins rob,  
The dog's heart beats with a dirty throb;  
This is the day the woodchuck would,—  
The rabbit would, too, if he only could.

This is the day the camels drink;  
The parrot talks if he doesn't think.  
This is the day the Buffaloes buff,—  
And the skunk lays low if he knows his stuff.

Tonight's the night the buzzards buzz;  
The cuckoo coos if he ever does;  
The lizards just lie around and liz,  
And the bobolink bobs if he's onto his biz.

Tonight's the night the hootowls hoot;  
The cooties crawl around and coot;  
The ducks, they waddle around and quack,—  
And chickens come home in a bur-lap sack.

The morning after the night before  
The lions squeel and the piggies roar;  
The donkeys mew, and the kittens bray,  
And I guess that's all I have to say.

## Curses On Thee, Early Class

His hair's uncombed,  
He wears no tie,  
He's sprinting rather quickly—  
He's one sock on,  
And one sock off,  
His appearance sure is sickly.

He tears along,  
His breath grows short,  
His chest it does inflate—  
Alas, alack,  
Despite his haste,  
He comes into class late.

Now friends, please  
Pardon those bad boys,  
Who're always coming late—  
You see, instead  
Of eight-fifteen,  
The classes start at eight.

This weeks Freight takes a genuine C melody chapel cutter as a reward for heroism to the bird who never was late to an eight o'clock class.

Uncle Kasey

WASHINGTON, D.C.—In the National Rifle Association Women's Intercollegiate match, the George Washington University co-ed rifle team won the national title by a score of 2991 out of a possible 3000. The University of Missouri was nosed out by a single point when the Colonial co-ed made the highest score ever fired in an N. R. A. match. The University of Maryland, champions last year, fell eight points below the winning team.

## LITERARY CORNER

NEW BOOK FOR STUDENTS  
AND INSTRUCTORS

Learning How To Study and Work Effectively. By William Frederick Book, Indiana University

(Ginn and Company)

A Systematic discussion of the development of proper methods of study and work and of the utilization of individual endowments and environments, by a recognized authority on the subject. The material is divided into: Part I. The Problem of Personal Efficiency; Part II. Physiological and Psychological Basis for Personal Efficiency in Study and Work; Part III. Learning How to Study and Work in the Most Effective Way; Part IV. Application of the Principles of Personal Efficiency to the performance of Specific Tasks; Part V. Dangers of Pseudo-Efficiency in Learning to Study and Work. Practical exercises accompany each principle of personal efficiency.

## Robinson Crusoe at Home

All who have delighted in Robinson Crusoe know of Alexander Selkirk. His narrative, rescribing his adventures on an uninhabited island, has brought charm and thrills to millions of youngsters in the thirsty-for adventure age. Now a film company announces that the story will be pictured. It is making every effort to make the film realistic. After making some scenes in the little Scotch village where Alexander Selkirk was born, the entire company will visit the island of Juan Fernandez where he was marooned. There they hope to find the original look-out hill of Robinson Crusoe, the very cave in which he lived for

a time, and even the place where he first saw a human footprint. The cannibals promise to be genuine. Even the cut-throat sailors who marooned Crusoe on the island will find their match in some desperate convicts sentenced there by the government of Chile.

## The Presses and The Public

Two editions of ten thousand each of Anne Parrish's "Tomorrow Morning" were rushed through the presses last week to meet the popular demand, Harpers announce. As many copies of "Tomorrow Morning" have been sold in the first three weeks as "The Perennial Bachelor" in the first two months, Harpers add.

## THE MARCH HARPER'S

The March Harper's Magazine: Cheer Up, America! by William Allen White, The Last Judgment by J. B. S. Haldane, Science, Art, and the Patient by George Draper, Japan Looks at America by H. K. Kawakami, Parents and Daughters by Henry Noble MacCracken, Why I Quit Business, Anonymous, A Specialist in Human Beings by Elizabeth Shepley Sergeant, Why Europe D.-likes the Jew by Joseph Bard, The Go-Getter Abroad by Jesse R. Sprague, from Truth to Probability by George Boas; stories by G. K. Chesterton, Ellen Du Bois Taylor, Margaret Cushman Banning; Poems by Osbert Sitwell and Edna Blunden.

## Mr. Bok Talks to Boys

In "America, Give Me a Chance" (Charles Scribner's Sons) Edward W. Bok reviews again his youthful struggles and his life accomplishment, this time with the average boy in mind.

PIONEERS TRIM  
EPS IN FORAY

When the Epsilon Theta Pi's met the Pioneers last Tuesday, they encountered an unbeatable aggregation. The fast passing of the non-fraternity men completely bewildered the Eps after the first few minutes of play. The Pioneers led at the end of the first half 11-4, the Eps becoming dangerous only at the outset of the foray.

Rohrbaugh at center and Eagleson at forward, were the outstanding players for the winners, collecting five and two field goals respectively. Hutchison featured in the play of the Eps.

## Lineup:

Vance ..... F. .... Eagleson  
Moore ..... F. .... Trotter  
Proffo ..... F. .... Rohrbaugh  
Hutchison ..... G. .... Shaffer  
Millison ..... G. .... Baird  
Subs: Perrine for Baird.

Field goals: Eagleson 2, Rohrbaugh 5, Shaffer, Baird, Vance, Proffo, Hutchison 2.

Foul goals: Eps 0-3; Pioneers 2-4.

Referee: Coleman.

REV. TUCKER'S TALKS  
WERE DECIDED SUCCESS

Rev. Mr. Tucker's service to the college has been an extremely profitable one. Day by day his audience grew. His praise was heard in every corner of the campus. Whenever he spoke he was heard by eager listeners. He pleased the most critical of audiences, a college-student body and faculty.

In his stay at Westminster the spirit of the campus and became part of it. In the fraternities he became as one of the members. In his services he always remembered that he was talking to the modern youth and, recalling his own college days, he struck at those problems that bother the minds of the college student. Athletic contests, the classroom, the fraternities, and those things that are near and dear to the student were used as the basis for his illustrations. His wit and humor did much toward making his talks enjoyable.

Rev. Mr. Tucker's stay in Westminster has made his dear to the members of the whole institution. He described his work during the past week as the painting of a picture of Christ which he has left unfinished for the individual to finish. Although unfinished, the picture will always be remembered as a masterpiece.

PHI PI'S WALLOP  
GENEVA QUINTET

Breaking through in the final period, the Phi Pi Phi fraternity basketball quintet defeated the Geneva intra-mural champs 17-6 in the preliminary game here Wednesday evening. The Geneva combine played good ball but were forced to bow before the sweeping last quarter rally of the Phi PIs.

The game was made to seem slow during the first half because of the tight defenses of both teams. The Geneva "Chain Gang" showed up best in the first half, which ended with the score tied at 3-3. "Billy" Thomas and McClure starred for the fraternity lads while Sidney Lockley played good ball for the combine from Geneva.

## The summary:

Phi Pi Phi Gen. Chain Gang  
McClure ..... F. .... Kroph  
Thomas ..... F. .... McIvor  
Berry ..... C. .... S. Lockley  
H. Bucher ..... G. .... E. Lockley  
B. Mansell ..... G. .... Bohbin  
Field goals: Thomas 4, McClure, Bucher, Kroph, S. Lockley.

Foul goals: Phi Pi Phi 5 out of 12; Chain Gang 2 out of 5.

Referee—Rusty Coles.

WESTERN RESERVE UNIVERSITY—Members of the sophomore class are now parading the campus with the dignified air. The class pipes have arrived and have been distributed. These collegiate briars are considered as a mark of having attained to second year men's true estate.

## Book Store Dealer or Student

representative wanted for  
WESTMINSTER COLLEGE

We want a student to handle the sale of "Collegiate Stationery," which is rapidly meeting the demand of the college world for personal name and address stationery of a distinctive college type.

Orders are filled in a note size: 200 sheets x7, 100 envelopes; and a large two-fold size: 100 sheets 7-14x10 1-2, 50 envelopes. Selling price is \$1.25 mailed postage prepaid individual.

The student we are looking for will be interested in earning not less than \$100.00 for the 1926-27 college year. For particulars write at once to

## KAP-T. U. O. GAME

A fast and furious fracas between the Kaps and T. U. O.'s last Friday, which resulted in a 25-15 victory for the last mentioned quintet, culminated this season's Intra-Mural court activities. Although the game had no direct bearing on shifting any of the title contenders, it did definitely decide the winner of the cellar position. By mutual consent both teams will share the honor.

Cogley, of the Kaps, pressed out first blood, but the T. U. O.'s hung up a field goal to even the count. The initial quarter ended 6-6. At the half, the T. U. O.'s led 13-10. Fight was more frequent in the waning stages of the engagement, but the clever line shifting of the T. U. O.'s forwards netted them the victory.

## Summary:

T. U. O. 25 Kap 10  
Gibson ..... F. .... Cosmus  
Hartwell ..... F. .... Cogley  
Kennedy ..... C. .... Canon  
J. Smith ..... G. .... Bowen  
Armstrong ..... G. .... Freed

## Substitutions: D. Smith, Elers;

Kreuger, McElerry. Field goals: Cosmus 2, Bowen 2, Gibson 2, Armstrong 2, Kennedy 5, Cogley 3, D. Smith, J. Smith, Hartwell. Fouls: T. U. O.'s, 1 out of 1; Kaps, 1 out of 2.

## FRANKLIN AND MARSHALL—

The student senate is endeavoring to introduce a workable and effective honor system into Franklin and Marshall. A committee has been appointed to communicate with other schools having effective honor systems and to present to the senate body a comprehensive report of its finding.

RUTGERS—Rutgers University has formed a committee consisting of six faculty members and six undergraduates, which will meet monthly to consider all questions relating to student welfare. Such questions as conduct, extra curricular interest, college customs and student regulations will be taken under advisement.

PLANS FOR NEW  
BUILDINGS GIVENThayer of New Castle to Plan  
New Improvements

President W. Charles Wallace has announced that the A. L. Thayer & Co. of New Castle has been chosen as architects to plan the new Westminster buildings. Both the new "old Main," and Robert Audley Browne men's dorm are to be planned, and construction started in the near future.

These two new buildings are to be erected at the same time, at a cost of approximately \$450,000. Further plans are soon forthcoming from the building committee.

The committee is composed of: T. A. Gilkey of New Castle, State Senator George T. Weingartner of New Castle, James A. Chambers of New Castle, Howell T. Getty of New Wilmington, R. E. English of Grove City, Reid Kennedy of Pittsburgh, and Dr. W. Charles Wallace.

WHY PROFESSORS  
GET GRAY

These are some of the reasons:  
The bluffer. The boy with the loud voice and empty head. The fellow who took the course before

...The sweet little co-ed who doesn't know what it's all about, but who needs at least a B in the course. The silent bird who might have something hidden worth while to say but keeps this something hidden. The collegian who hasn't read that far in the text and attempts to stage a filibuster and throw the class off the track. The deadly serious young radical who knows only that he's radical. The equally serious young conservative who believes only what his grandfather believed. And the boy who is taking the course just for the credit. The sleepers don't count unless they snore.

Four years of class discussion have given us sympathy for the professor. No wonder he gets gray.—Ohio State Lantern.

## CHAPEL BELLS

### Delts Initiation Smoker

Last Wednesday night after the Geneva game, the newly initiated members of the Delta Phi Sigma were given a smoker in their honor by the old members and alumni. Eats, smokes, music and bridge were the features of the evening. Special guests were: Dr. Dawson, Mr. Graham, Mr. Lutz, Coach Lawther, Jack Hulmes, Andy McDonald, and "Doc" Calhoun.

The newly elected members were: Johnny Hall, "Red" Crowl, James Wrigley, Joseph Dombroski, John Trevaskis, Gordon Mack, Samuel Stewart, Henry Wettich, Eric Groezinger, George McDonald, Wallace Maxwell, George Wright, and Robert Cassidy.

The Pi Rho Phi sorority and the pledging of Martha Cunningham, formerly of Muskingum college.

Alpha Gamma Delta sorority announces the pledging of Florence Wright of New Castle.

Dolly Cassidy has gone to Burgettstown to do her practice teaching.

Thomas Patterson has been doing his practice teaching for the last week at the Swissvale high school.

Kenneth Garvin has finished his practice teaching at the Bessemer high school.

At the meeting held on last Friday afternoon, the Student Volunteers elected the following officers for the year 1927-1928: President, Agnes Crooks, '28; Secretary and Treasurer, Ruth Dinsmore, '29.

### Sigma Kappa Tea

Sigma Kappa Sorority introduced its pledges at a tea held in the Hillside Parlors, Wednesday, March 2 from three to five.

The guests were Dr. and Mrs. W. C. Wallace, the Women member of the faculty, and the patronesses, presidents and pledges of other sororities. Mrs. Robertson, Mrs. McConagha, Mrs. Dawson, and Mrs. Russell poured.

### Phi Delta Chi

On Saturday afternoon of last week, Phi Delta Chi sorority gave a tea in the Hillside parlors, introducing the pledges to the alumni of the organization. The patroness, Mrs. J. A. Swindler, presided over the tea table. Mrs. Swindler was assisted by Margaret Tucker, Sara Louise Gough, Dorothy Hildebrand, and Mary Margaret Allen.

The Phi Pi Phi fraternity wishes to announce the pledging of William Heagen of Canonsburg. "Bill" is a member of the freshmen class.

### Phi Pi Smoker

Bridge, "500," eats and music by the fraternity orchestra, furnished the main diversions at the Phi Pi Phi smoker Friday evening.

### CHAPEL SEATING

The faculty committee on chapel seating started yesterday to assign seats to all students. Compulsory Chapel will be in vogue for the remainder of the semester.

### JUDGE CONTEST

Professors Caughey, Vance, Gettmann, Farish, and Graham, and Miss Mochel have judged high school literary and musical contests in Bessemer, Farrel, Sharon, and Eastbrook during the past week.

### TANKERS TO MEET

#### ALLEGHENY SOON

Jack Hulme's cohorts are soon to battle the Allegheny natators in a dual meet.

In the last two meets, the Westminster mermaids have haled down the honors.

The last two contests were waged against Thiel. However, the Alleghenites have a much better squad, and all indications are that a tougher struggle may be anticipated.

### GAMMA UPSILON AHOY!

Thursday, March 3, will long be remembered in the annals of Westminster College, for the birthday of Gamma Upsilon, an honorary fraternity for members of the waiters' force at the Hillside. The Greek nomenclature hides the less aesthetic title, Griper's Union.

The original intention was to remain an exclusive, self-centered organization, but the ideals of Gamma Upsilon have inculcated a craving in the hearts of all grub-slingers and scullions throughout the college; thus it has become necessary to establish a national organization.

Gamma Upsilon perform daily convocations, griping about everything from the administration to the serving of soup on Tuesdays. The slogan of this notable organization is: "Always Griping." The Griper's heaven is a place with cinnamon toast every morning, no soup for lunch, and regular pie forks for dinner.

The charter members of this honorary organization are as follows: Always Griping Scott, Forever Griping Kelly, Never Griping Fry, S. O. Lawton, Continually Griping Lewis, and Griping Again Mirtz. The fraternity flower is the dahlia and the cheer is:

Grippers—Grippers—Grippers!

The fraternity song, now under construction, will soon be wafted over the campus.

It is hoped that this society will divulge some of the heavier subjects which arise in its secret sessions, and publish same in the columns of the Holcad.

### INSURE MY TEA

CUPS OLD THING, I MAY  
DROP THEM, SAYS OXFORD

OXFORD UNIVERSITY—English have a mania for insurance, if students of Oxford may be taken as typical. The undergraduates frequently insure themselves against accidents in those rough athletic contests, and some have been known to take out policies against the breakage of their golf clubs.

### JOHNNY LAWTHER

(Continued from Page 1)

Johnny then took over the job of coaching the ill-started 1925-26 college basketball team and shaped it into a fairly good combination. But the peak of his coaching ability was not shown until this season. Now the realization comes that out of mediocre material, Johnny has developed a winning team and sent Westminster well on the road to the top.

But in the person of our coach shines forth another talent, that of teaching. For Johnny is that oft-remarked phenomenon, an athlete and a scholar. While conducting his classes his glory does not fade but brightens.

SO! NOW WESTMINSTER'S toast is to her instructor, to her titan coach, to one of her sons; that one who is now boosting his school to the top, John D. Lawther.

### COLLEGE CATALOG SHOWS RECORD ENROLLMENT

Nine States Represented At Westminster This Year

Eight states and the District of Columbia are represented at Westminster this semester, a study of the current catalog, just published, shows. Pennsylvania leads with 459 students out of the total net enrollment of 507 for the second semester. Ohio is represented by 31 students; New York, seven; New Jersey, three; Iowa, two; District of Columbia, two; Vermont, one; Maryland, one; and Indiana, one.

New Castle leads the communities other than New Wilmington having students at Westminster; 80 students enrolled who claim New Castle as their home. Pittsburgh is next in line with 37; Sharon, third, with 33; and Butler fourth with 14.

Other figures of interest regarding Westminster's record enrollment show that there are 72 seniors, 84 juniors, 138 sophomores, 182 freshmen, 11 special students, and 49 students in the music department, making a grand total of 537. When the number of those who have been counted twice is subtracted from this number, we find that the net enrollment for the second semester is 507.

## Westminster Defeats Thiel 31-17

McDONALD'S MONEY  
HOODOOS RIVALSFIFTY CENT PIECE BRINGS  
LUCK THINKS  
ANDY

For want of a nail the shoe, horse, rider, battle, campaign, and kindom were lost but McDonald was right there with his half dollar this season. In fact Andrew Jasper McDonald remedied any deficiency in this season basketball team just like little Hans Brinker plugged the dyke with his faithful finger.

This particular talisman is a liberty half dollar which first came to light in the Grove City-Westminster football game in 1924. In this game the graduate manager, unable to curtail his nervousness, continually rubbed the coin. Whenever he rubbed it hard Westminster got the ball. Then he passed it up the row and each person rubbed it in turn. The result was a 7-0 triumph for the Blue and White, the first in eight years over Grove City.

Phil Reep had the half dollar made into a watch charm, and Jasper has worn it ever since. Despite vigorous rubbing the coin failed to function last year, but charshed through this year with a bang. Constant rubbing won the Duquesne and Geneva games on the local court just like the constant dropping wears away the stones. Unable to attend the Thiel game, Jasper made Andy Thompson of local fame the custodian for the evening of the faithful charm. Andy also knew the combination and the boys brot home the pork in A-1 condition.

Yet there is a fly in the ointment. Andy has rubbed the lady almost completely off the coin and soon she will be able to sow no more oats. The mineralogy and physics department, after careful calculations have estimated that, due to constant wear, the coin will last only until Sabbath co-education is permitted on the campus. This makes no allowances for any more games similar to this year's Waynesburg game at home.

TOWN TO GIVE  
BANQUET FOR  
COURT SQUAD

Rotarians and New Wilmington Club Members To Honor Coach And Team Friday

Next Friday evening the victorious Westminster basketball team will be the guests of the townspeople at a banquet to be held in the Hotel Neshannock.

The entire team, Coach Lawther, and manager Frank Morretti will be present to the honored guests of the business men of the community. Preparations are being made for entertaining approximately one hundred at the dinner.

A program has been arranged which will live up to all expectations. Rev. Mr. McClintock has been chosen as toastmaster for the occasion and will represent the hosts. Speakers will include President Wallace, Mr. C. L. White, Mr. Filmore Campbell, and Hugh Gamble, captain of the team.

The school more than appreciates this voluntary generosity of the merchants for the enviable spirit of such action is realized beyond doubt. It distinctly marks the feeling of those outside the school towards college activities. They have given great material aid to the team in various ways and are now going to greater trouble to show both both team and college that they are behind them.

MANY STUDENTS FROM  
SAME TOWNS ON ROLL

Survey Shows Community Interest In Westminster

A study of the current catalog shows that nothing succeeds like success and that many high school students in Pennsylvania and Ohio towns follow the example of others and register at Westminster. The largest numbers enrolled from various towns and cities follow:

Braddock and N. Braddock	6

Takes Second in Conference  
By Easy Victory At Greenville

LEWIS, AYERS, GAMBLE, O'DONOVAN, AND DELAHUNTY HUMBLE LUTHERANS IN FINAL CONTEST

THREE WESTMINSTER  
TITANS MENTIONED  
BY SPORTS WRITER

Jesse Carver Praises Lewis, Connor, And Gamble

Jesse Carver, wide-awake sports writer on the staff of the Pittsburgh Gazette Times, had much to say of Westminster's wonder team in the Sunday "basketball edition." His selection of Lewis for a guard position on the first team, and Connor and Gamble as forward and center on the second team is explained in his own words:

Tudor Lewis of Westminster was the outstanding guard of the year. Though only a freshman, he played a cool, calculating game, was a crackerjack defensive man and an able scorer. Welch of Waynesburg was a fighter from the word "go," a good shot and another good team player. He was not the guard that Lewis was, however. Lewis stands head and shoulders above the rest of the conference competition.

Sparky Connor of Westminster and Beckwith of Bethany were quite a distance below Baker and O'Donovan in class and consistency, but were easily the second best forwards. Rubenstein had a bad year, and in his appearances is most of the important games on the Geneva schedule, failed to make impressive showings.

Gamble of Westminster gave Vernon of Duquesne a close run for center honors, but in the opinion of the majority of coaches and referees, was not the all-round star that Vernon was.

COURT SEASON  
BEST IN YEARS

Springing out of the haze of former season's mediocrity, the 1927 varsity basketball team placed the Blue and White banner no less than runner-up in the Tri-State Conference race. And among the 15 games participated in by the Blue and White basketballers, such teams as Allegheny, conquerors of Pitt; and Duquesne, the conference title holders, were beaten.

Despite the general pessimistic attitude of the students at the start of the season, the blue-jerseyed lads won their first three scheduled games, taking over Adrian, the alumni, and Thiel by big scores. Then after dropping a 38-25 game to Geneva, Coach Lawther's proteges came back and copped three more games. The first of these, the Allegheny game, was one of the hardest fought games ever played on the local court with the "Titans" pulling out on the long end of the 19-17 score. Bethany and St. Francis then fell before the sweeping attack of Coach Lawther's sharpshooters to the tune of 46-26 and 40-18. But then in the middle of the season the squad took a disastrous trip which ended in their losing three out of four games. (Continued on Page 4)

Allegheny, Waynesburg, and Du-

VARSITY TIED WITH WAYNES-  
BURG FOR RUNNER UP  
POSITION

The Westminster College Varsity of 1927 dropped the curtain on the most successful basketball campaign in years one week ago tonight when they trounced a scrappy Thiel College quintet on the Greenville court by the one-sided score 34-17. The lacing given the Blue and Gold placed Westminster in a tie with Waynesburg for second place in the Tri-State Conference. Duquesne University of Pittsburgh copped first place honors, being awarded permanent possession of the Tri-State Conference cup by virtue of their thrice winning the one year award.

Westminster amassed the comfortable 16-10 lead in the first half of the Thiel fray and before the time-keeper had checked off many minutes in the second session a Blue and White win was a certainty. Coach John Lawther's quintet offered to the fans an exhibition as to a well-oiled basketball team should make baskets while the Greenvillites were content with staging a furious fight for the ball and then taking a shot at the bucket from any angle on the floor, at the same time asking "Lady Luck" to stick with them. When the final whistle was blown the scorebooks showed a total of ten double-counters for Westminster and four credited to the loser's.

The feature of the first half was the work of the two Blue and White forwards, Delehanty and O'Donovan. Each of the new-comers proved their skill and we are hoping to hear from them next season when the B.B. uniforms will be taken from the mothballs for another year of use. Delehanty caged the sphere three times in the first half, showing a return to the form he offered at Bethany when he made eight two-pointers. Thiel's determined but unsuccessful effort in the second half to bring their total nearer that of Westminster featured this session. Not once did the Greenville collegians give up their attempt even though the score was decidedly in favor of their worthy opponents. In fact, that is all Thiel had—five scrappy boys who did not know when to quit.

(Continued on Page 4)

## SEASICK STUDENTS RETURN

FLOATING UNIVERSITY—The College Cruise Round the World is now homeward bound through the Mediterranean, with 550 students from the leading schools and universities abroad. It will reach New York, May 2, completing a circle of the globe.

## FLAMING YOUTH SUPPRESSED

MANITOBA UNIVERSITY—Threatened libel suits and the resignation of five editors of the Manitoban, official student publication of the Manitoba University, Winnipeg, Manitoba, were the results of the publication on the campus of Red Herring, a supposed scandal sheet.

## TO THE SENIORS

For four years you have been learning to use books—the fundamental tools of education. Are you now going to stop reading, as some men and women do, for two, perhaps five years, and then suddenly wake up to the fact that when your reading stopped your education stopped also? Or, are you going to make your reading, and therefore your education, a continuous, life-long process?

Most of you, next year, will be within hailing distance of a public library. Libraries are increasingly aware of the fact that they are the university of the man who has ended his formal education. More and more they are making special provision for the serious reader.

The "Reading with a Purpose" series published by the American Library Association is one of the new tools provided for this purpose. These are little forty-page booklets written by such men as Vernon Kellogg, Lorado Taft, William Allen White, Alexander Meiklejohn, Edwin E. Slosson, Frederic L. Paxson, and Samuel McChord Crothers. They briefly introduce a subject,—psychology, biology, painting, or whatever it may be, and then recommend six or eight readable books which will give a rounded view of the subject.

If you have majored in science you may have missed out on literature. Dallas Lore Sharp's "Some Great American Books," N. C. Carlton's "English Literature," Samuel McChord Crother's "The Modern Essay" or Marguerite Wilkinson's "The Poetry of Our Own Times" will help to fill the gaps. Perhaps you have avoided history. Some day you may wish you hadn't. Then Herbert Adams Gibbons' "The Europe of Our Day," or Frederic L. Paxson's "The United States in Recent Times" will prove a stimulating and useful guide. And so with all the major subjects of knowledge. Twenty-two subjects have been covered and more are planned.

## SPIRIT AND VICTORIES

To the non-partisan spectator, the Thiel gymnasium last Tuesday evening looked like Westminster's home floor. Why? There were as many (or more) Westminster supporters in the stands as represented the Lutherans. And, as has been the case all year the Westminster students and faculty members were on hand to see a victory.

Words cannot express the value and worth of Lawther's achievement this year. Nor can words aptly convey the debt owed to the men on the varsity basketball squad. Westminster has been the wonder team of the district; the talk of the whole section. But more than this, the will to win has found its way into the student body. Never before has a Westminster student body deserved to win, for never before, at least in recent years, have students determined to win.

We need this spirit in football. With the start of the season next fall, students should remember the old Westminster fight hat pulled many a basketball game out of the fire. They should exhibit the same brand of support at every gridiron contest. They should bury that old inferiority complex which has dwelt in New Wilmington for many years, for Westminster WILL have her place in the sun!

## (Local Hauling)

### RAVIN'

Oh, he left her at the door,  
When the sun was just appearing;  
While her old man was roaring,  
When her mamma had quit snoring,  
And the suns hot rays were searing—  
Quoth the maiden, "never more."

Oh, the grass was high as dresses,  
When the lawn looked quite depleted;  
While the sickle it was rusty,  
While the hopes of work were  
musty,—  
And the weeds were quite conceited,  
Quoth the lad, "I'll never mow'er."

### THIS WEEK'S STORY

The scene of this story is found in the class room of a little secular college such as our own dear Alma. Anyhow, the teacher in the word study class asked the cute little co-ed to give a sentence containing the word, "Reconnoiter." Whereupon our little heroine coyly replied, "There is a reconnoiter in the air down by the disposal plant." The kind old professor swallowed his chew and muttered audibly, "Essence she clever."

Henry Ford's next advertising scheme will probably tell us that when Sir Walter put his cloak over the mud, for her highness he said, "Step on it, Lizzie."

When it's night time in Italy,  
This little town is dead.  
The fellows are out hookin' stuff,  
And the girls have gone to bed.

But when we're old with whiskers,  
And our kids are in long pants—  
It's one safe bet that students  
Here, won't be allowed to dance.

Dear Uncle Kasey,  
Should a girl kiss before twenty?  
Innocence. A broad—  
Dear Miss So and So,  
Gosh no—That's too large an  
audience.

Unk.

Dear Unk,  
I've just been invited to attend  
a fraternity dinner dance. Needless  
to say, I am tickled nutty, but  
should a girl sit on her escort's right  
or left hand?

Plukie

Dear Pluke,  
Get hep, girlie. It is equally  
improper to sit on either right or  
left hand. He might need both to  
feed himself.

Unk.

It makes little difference  
How loudly he clamors,  
Even in spite of his  
Hints and suggestions;—  
The prof talks with entreaty  
And cusses quite freely,  
But the students can't answer his  
questions.

Now friends, you must pardon  
These wee boys and girls,  
Who appear so  
Outrageously dumb;—  
Every guy's got a birl,  
There brains are awhirl,  
Why don't you see?—Spring has  
come.

Which reminds me theologians of  
what dear old Moses said about the  
foul shooting when he saw his first  
basket ball game.—"Many are called,  
but few are thrown-in."

No freight—The crew has spring  
fever.

Your Uncle.

## LITERARY CORNER

## HARPERS MAGAZINE CONTEST

Harper's Intercollegiate Literary Contest for 1927 closed March 5th. The editors have received letters from professors in English from a large number of colleges enthusiastically endorsing the contest as a means of stimulating undergraduate interest in creative writing. Manuscripts, to be eligible, must be the original work of enrolled students in any of the undergraduate departments of American colleges and universities. They must be written in prose, but may be stories, essays, articles, or any other form of prose work suitable for magazine publication.

## LITERARY CHANGE

Long ago, before the era of utter realism in literature, the pure fiction was found IN the book, NOT on the jacket.

## SOMETHING NEW IN VILLAINS

Even hardened readers of detective thrillers will find in H. H. Bashford's new mystery novel, "Behind the Fog," something decidedly new both in thrills and in villains, Harper & Brothers declare. The arch-criminal of "Behind the Fog," turns his hand with equal facility to abduction, preaching, or murder.

## UNSATISFYING BOOKS

President Glenn Frank, of the University of Wisconsin, said recently:

"The most satisfactory books in my library are my unsatisfying books."

"In all works of art which satisfy there must be something dissatisfying," says Edwin Muir, "in all those which dissatisfy there must be something satisfying."

"I grow less and less satisfied with the authors who leave me with the feeling that I have been drinking at a fountain—even when the draught is of the clearest sparkling thought."

"I lean more and more to the books that prime my own pump."

## WRITING WELL

"Of all those arts in which the wise excel, Nature's chief masterpiece is writing well."—Buckingham.

## BOOKS

"Reading maketh a full mind."

—Bacon

"Everywhere have I sought peace and found it nowhere save in a corner with a book."

—Thomas-a-Kempis

"Many times the reading of a book has made the future of a man."

—Emerson

"There is more reason for saying grace before a new book than before a dinner."

—Charles Lamb

## ABOUT FACISM

Thousands of American listeners have in the past few weeks heard Gaetano Salvemini, the Italian scholar who in 1925 was thrown into prison by the Fascists, and resigned from his chair of history at Florence. Fascism turned the teacher of history into a passionate exponent of liberalism, and he has been lecturing in America to crowded halls. Not since Mazaryk came with his plea for Czech aspirations has a political leader aroused such comment in this country. In The Fascist Dictatorship which is about to be published by Henry Holt & Company, Professor Salvemini issues his indictment of dictatorship. He documents his charges; and the man and his message deserve a hearing in a country which has ever given ear to champions of human liberty.

## PUBLISHER UNABLE TO BUY AUTOGRAPHED COPY OF MILLAY BOOK

There was such a scramble for the limited autographed edition of Edna St. Vincent Millay's book, "The King's Henchman," which sold at \$25 a copy, that Harper & Brothers, the publishers, were last week, unable to locate a copy at a single bookshop although they were willing to pay one hundred dollars for one for a friend of the House.

## GIVE THEM THE KI YI BLUES

(Tune: Oskee Wow Wow, Illinois)  
Old Bethany yells her Green cry; Duquesne her varsity,  
And they give the same old Rah Rah at each university,  
But the cheer that always thrills me  
And causes me to stir  
Is the good old K: Y: Blue yell  
That they yell at Westminster.

## Chorus

Ki Yi Blue—Westminster—our eyes are all on you;  
Ki Yi Blue—Westminster—wave your banners white and blue, Rah Rah,  
When the team trots out before you,  
Everyone stand up and yell,  
Back the team and give Duquesne  
Ki Yi Blues, yes give them—well!

## DEBATERS IN OPEN FORUM AT CLEVELAND

Westminster and Western Reserve debate teams furnished an interesting open forum debate before the Speakers' Division of the Advertising Club of Cleveland, last Thursday evening at the Statler Hotel. The debate, which followed a dinner of the club at 6 p. m., was a mixed affair with speakers from each college taking part on opposite sides of the question. The question was worded "Resolved that the United States should cancel its inter-allied debts." The affirmative side of the question was upheld by Brown Bricker of Westminster, Robert G. Surridge of Western Reserve, and Jerome M. Braun of Western Reserve. Samuel Colman and Robert Ferguson of Westminster and Aaron Cohen of Western Reserve debated the negative side of the question. The decision showed a slight ad-

the vote which followed the debate, it was found that seven who had believed in the negative side had changed to the affirmative, while six who formerly believed the war debts should be cancelled by the United States changed to the negative side. About 30 members of the Speakers' Division of the Cleveland Advertising Club attended the dinner and debate. According to the plans of the Western Reserve Debate Squad, they will promote 24 similar open forum debates before various clubs and groups who are interested in both public speaking and the question discussed. The next debate will be held here this Thursday night, March 17th, in the United Presbyterian Church. Westminster will debate the negative side of the question and will be opposed by Bethany College. The personnel of the team which will participate in this debate has not been definitely decided as yet.

ALUMNI AND FRIENDS  
STORM BENEFIT MUSICAL  
AT FORT PITT HOTEL

## More Than 300 Enthusiasts Gather In At Benefit

More than 300 alumni and friends of the college packed the English Room of the Fort Pitt hotel last Tuesday evening in the interests of a benefit musicale for the rebuilding of Old Main. The artists were either alumni or friends of the school and members of the faculty of the Conservatory of Music. This was one of the largest and most enthusiastic gatherings in the annals of Westminster and augurs well for the future.

The first number on the program was a duet by Mr. and Mrs. Fred Newman which caused the audience to call repeatedly for an encore. Miss Mockel and Miss Kagy, of the conservatory, performed with their usual brilliance. Another number which met with a good response was the reading by Elbert R. Moses, and ex-professor of the department of Public Speaking. His pupil, little Miss Welch, gave an excellent reading which drew the best hand of the evening.

The musicale was given under the auspices of the Westminster Club of Pittsburgh. Dr. Wallace spoke for a few moments on the hopes for the new building, and was followed by Andy McDonald who shouted the results of the Thiel-Westminster game which had just come in over the wire. The affair was fittingly ended by the singing of the Westminster Hymn by the entire audience.

Due to a death in her immediate family, Miss Mabel King who was to have sung several numbers, could not appear. The program follows:

Until ..... Sanderson  
Jean McCorty Newman  
C. Fred Newman  
Impromptu No. 2 ..... Chopin  
Jessie L. Mockel  
Take Joy Home ..... Bassett  
What's In the Air?

Readings from various poets  
Elbert R. Moses

## LAUNDRY COURSE STARTED AT MCGILL UNIVERSITY

MCGILL UNIVERSITY—McGill University is considering the establishment of a department of Chinese studies. The Board of Governors of the University recommended such action for the purpose of fostering a better understanding between Canada and China.

On Monday, March 21, the well coached W. & J. affirmative team will be met at Washington, Pa., Westminster again taking the negative side. The prospects for winning this debate are bright as the Westminster negative team successfully defeated the Geneva affirmative team here March 3, and thereby showed that they were capable of giving a good account of themselves against whatever opposition they should be called upon to face.

#### LAST LECTURE

##### NUMBER TONIGHT

Tonight at 8:15 in the Community House, the closing number of Westminster's 1926-27 Lecture Course will be given. Nellie Verne Walker, one of the best known and most successful sculptors of the days, will give interesting demonstrations of her work on the platform.

She has a special talent for knowing how to interest her hearers. This in addition to the natural attraction of the subject and of the nature of the lecture, should insure the presence of a large audience. This number will fittingly close one of Westminster's best and most varied lecture courses. Thanks to Dr. Dawson's effort, the students have been entertained by interpreters, musicians, a Marionette show, a chemist, and now one who is well known as a sculptor. This group of prominent entertainers has also presented much in the line of instruction and general knowledge. We may well presume that the number tonight will help us to appreciate the difficult art of sculpturing and be entertaining as well. You will be missing something worth while if you do not attend!!

#### LAFAYETTE BEHEADS

#### BASKETBALL SEASON BEST IN YEARS

(Continued from Page 1)

quesne successively downed the Westminster quintet who finally topped off the trip with a 41-30 win over Bethany.

At this stage in the Conference title-race the most important and heart-breaking game of the season was lost to the Yellowjackets of Waynesburg. The final score, 19-18, is indicative of the tightness of the tilt.

Following the Waynesburg fray the wearers of the "W" defeated Duquesne and Geneva in two hard-fought struggles, 22-20, and 28-25. It was in the latter game that Delehanty and O'Donovan, second-semester additions to the squad showed their worth. After a weeks rest the blue-jerseyed quintet literally romped off the season's finale handing a 31-17 setback to Thiel on the Lutheran floor.

The 1926-27 basketball season was a success as shown in a casual glance at the records. Westminster occupies second place in the Tri-State conference with an average of 600% and fourth place in the Tri-state district standings with an average of 666%. Such a performance is quite a diversion from that of former seasons.

Five men earned their basketball letter this year. They are Capt. Gamble, Lewis, Ayers, Crowell and Connor. Of these Capt. Gamble will be the only one lost through graduation in June. With the expectation of Coach Lawther, the remaining four lettermen, and McQuiston, Delahanty and O'Donovan returning next year high hopes are entertained for another successful year.

##### A statistical summary:

Westminster 44	Adrian 15
Westminster 46	Alumni 16
Westminster 25	Thiel 19
Westminster 25	Geneva 38*
Westminster 19	Allegheny 17
Westminster 46	Bethany 26
Westminster 40	St. Francis 18
Westminster 20	Waynesburg 34*
Westminster 25	Duquesne 38*
Westminster 13	Allegheny 24*
Westminster 41	Bethany 30*
Westminster 18	Waynesburg 19
Westminster 22	Duquesne 20
Westminster 28	Geneva 25
Westminster 31	Thiel 17*

Games won 10 Games lost 5.  
Games marked \* are away from home.

#### THIEL DEFEATED

(Continued from Page 1)

The Westminster cheering section was one of the interesting side-lights of this memorable affair, approximately three-fourths of the Blue and White student body was on hand to see the game, their yells easily drowning out the noise of the Thiel adherent. This was also a decided factor in Westminster's win.

Captain "Hughie" Gamble played a stellar role in the last appearance in Collegiate basketball, tossing in a total of four buckets. Gamble's loss by graduation will be felt most keenly next year, for the type of basketball ability displayed by our elongated leader attracted the attention of Jess Carver, scribe extraordinary on the staff of the Pittsburgh Gazette Times who placed Gamble in the pivot position on the second team of the All Tri-State Conference five.

##### The line-up and summary:

Westminster 31	Thiel 17
O'Donovan . . . F . . . . .	N. Bost
Delehanty . . . F . . . . .	Mitchell
Gamble, Capt. . . C . . . . .	Latimore
Lewis . . . . . G . . . . .	Schilling
Ayres . . . . . G . . . . .	Sullivan, Capt.
Substitutions: J. Bost for N. Bost, N. Bost for Latimore, Packard for N. Bost, N. Bost for J. Bost.	
Field Goals—Gamble 4, Delehanty 3, Lewis 2, Ayers, Thiel— Mitchell 2, Schilling, Sullivan.	
Foul Goals—Westminster 11 out of 20, Thiel 9 out of 10.	
Referee, "Buck" Snyder.	

#### LEWIS, GUARD, LEADS TEAM SCORING AS SEASON CLOSES WITH TEN WINS, FIVE DEFEATS

When Westminster defeated Thiel at Greenville, Tuesday evening, 31-17, it brought to a close one of the most successful cage seasons in the history of the college. A glance at the record sheet shows 12 victories and five defeats. Three of the victories might be termed pre-season games which gives the United Presbyterians nine victories over college fives against five defeats. The pre-season games with Greenville Scholastic, Buhl and the Alumni.

Tudor Lewis of Farrell, sensational guard, led the Blue and White scoring. During the season, he caged 51 field goals, the highest number of two players made by a United Presbyterian cager in many years. His foul record is also unusual, he getting 43 in 56 chances. "Sparky" Connor of New York City, is closest to Lewis in field goals with 34. "Bill" Crowell of Sharon, caged the spheroid 29 times from the field while Capt. Hugh Gamble of Sharon, was a close second to Crowell with 28.

The records of the individual players are:

Name	Fl. g.	F.	Total
T. Lewis . . . . .	51	43-56	145
Connor . . . . .	34	16-34	84
Crowell . . . . .	29	12-25	80
Gamble . . . . .	28	9-26	65
Delehanty . . . . .	14	10-14	38
McQuiston . . . . .	6	7-11	19
Ayres . . . . .	5	8-16	18
Brown . . . . .	6	5-5	17
R. Thomas . . . . .	6	2-6	14
McCullough . . . . .	4	1-1	9
Kelley . . . . .	3	1-1	7
Logan . . . . .	3	0-0	6
O'Donovan . . . . .	1	4-8	6
Penberthy . . . . .	1	2-2	4
Gibson . . . . .	2	0-0	4
W. Lewis . . . . .	1	0-1	2
McClintock . . . . .	0	1-1	7

## JESSE CARVER TELLS OF BANQUET IN HIS VARSITY COLUMN

New Wilmington, the community embracing Westminster College, tendered a splendid testimonial dinner to the U. P. varsity basketball team last Friday night. Your correspondent was on the guest list, which included all the prominent business and professional men of the town.

The Rev. Edwin McCintock, New Wilmington's Fighting Parson, presided as toastmaster. Responses were given by Fillmore Campbell, Captain Hugh Gamble, Captain-Elect Tudor (Two-Door) Lewis, Clinton Bobbington White, the postmaster, and President W. C. Wallace of the college.

The general trend of the "speechifying" led in the direction of toasts to Coach Lawther. He was praised to the skies, and deservedly so. In addition he was presented with a fine traveling bag.

It has never been our pleasure to attend a gathering of men at which such wholesome fun and such a spirit of co-operation abounded. There were some 120 men gathered about the banquet board and, according to Graduate Manager of Athletics, Andrew Jasper (Flicker) McDonald, three times that number sought tickets.

At any rate, sitting as we did, beside Sparky Connors, star forward of the Blue and White quintet, it was quite necessary that two knives be served us. One with which to cut the meat and the other to keep Sparky from foraging off our plate.

Some clever stories were told, a bit more original than the usual brand served at banquets. The palm goes to the one told by Coach Lawther. It seems there were twins—but enough, get him to tell you at the next basketball game.

Before the banquet we were shown the spot where "Old Main" stood before it was burned to the ground a few weeks ago. After viewing the spot and making a study of the amount of burned matches found in the vicinity, our suspicions of Graduate Manager A. J. F. McDonald as a contributing cause are strengthened.

You see, the same brand of matches with which Andy litters the floor of our office on his visits to the city were found scattered about the ruins of the old buildings. Watson, the needle!

## DEBATE TEAM HANDS DEFEAT TO BETHANY

Presenting convincing arguments the negative debate team of Westminster college earned a 2-1 decision over the affirmative debaters of Bethany college, in the debate held in the auditorium of the United Presbyterian church last Thursday evening.

The question debated was, Resolved that the United States should cancel the war debts owed to it by the Allied nations. Westminster's team was composed of Samuel Colman, Wilson Botsford, and Robert Ferguson, Wallace Maxwell was the alternate and took Botsford's place in the rebuttal.

Elsworth Richardson, Ward Stal-maker, and John Berry represented Bethany. Attorney C. A. Patterson, Attorney A. M. Shoemaker, and C. Blair of New Castle served as judges.

Last night Ferguson and Colman represented the negative side, while Bricker represented the affirmative side in a split team debate with Washington & Jefferson College at

(Continued on Page 4)

## TUDOR LEWIS MADE BASKETBALL CAPTAIN

Announcement of the election of Tudor Lewis as captain of the 1928 basketball team was received with enthusiasm last week.

Although just a sophomore, Lewis played a stellar role his first year with Westminster, and as recognition of his exceptional ability on the court, has been elected to captain next year's team.

Jesse Carver, sports writer of the Pittsburgh Gazette Times, praises him highly, saying he was "head and shoulders above the rest of the conference competition."

Lewis was recognized as the most efficient man on the All Conference team by the authorities that chose the mythical five.

He leads the Minster Five in scoring by a wide margin. He caged 51 field goals and 43 out of 56 fouls, totaling 145 points. This is an exceptional record, and one of which to be justly proud.

## MAY DAY FESTIVAL PLANS TAKING SHAPE

Westminster's History To Be Theme Of Pageant

Visions are rapidly becoming realizations, as plans for the annual May Day Festival are being shaped. Mrs. McConagha has general charge of the whole pageant, which is going to be one of the foremost celebrations of this Diamond Jubilee Year.

In commemoration of these seventy-five years, the pageant pictures Westminster's past and shows a flashlight glimpse of her future. In the divers tableaux the spirit of Westminster is to be shown as it influences the different nations of the world.

Under the direction of Miss Webb, the athletic director of Oakmont High School, the girls of Mrs. McConagha's pageantry class are being instructed in dancing. Each girl, in turn, is given charge of a special group in the many tableaux. This subdivides the work to a great extent. Rehearsals must be many and tedious, but the directors feel that the pageant is worth the best that every participant can put into it.

Some few rehearsals have already been held and great interest is being manifested even at this early date. Practically everyone in school will have a part in the festival. The full cast has been chosen, and will be announced in the very near future. It is the hope of the college officials that every student will show enthusiasm in regard to the entire production.

## FRESHMAN CO-EDS LEAD BASKET BALL LEAGUE

The gymnasium for the past three weeks has been the scene of furious feminine frenzy. The reason for all this is—the co-eds have been playing a series of inter-class basketball games to determine the class championship of the institution.

This inter-class schedule was arranged by Mr. Coleman as an attempt to foster interest in co-ed athletics. It is part of a plan which Mr. Coleman hopes to have well under way by next year. Under the prospective system, class numerals and letters will be awarded on the basis of points annexed to an individual's credit for participation in inter-class activities. These activities will probably include field hockey, soccer, volley ball, tennis, basketball and swimming. Such a versatile range of possible class teams will offer every girl an opportunity to acquire her numerals or a letter.

## BEETHOVEN MEMORIAL HERE THURSDAY EVENING

On Thursday evening, March 24, the Westminster School of Music offers a recital in the Community House, to be given by the Misses Kagy and Mockel.

In commemoration of the centenary of Bethoven's death, March 26, 1827, the first part of the program will be devoted to works by that master, whose compositions are as fresh and attractive today as they were a hundred years ago. Practically all over the world the current week is being celebrated as Beethoven week. It is in no sense a revival, but rather a grateful appreciation of the gifts this genius bestowed upon mankind. The program is as follows:

### PART I

In Commemoration of the One Hundredth Anniversary of Beethoven's Death, March 26, 1827  
Romance in G major . . . Beethoven  
Romance in F major . . . Beethoven  
Sonata op. No. 3 . . . Beethoven  
Presto  
Largo e Mesto  
Menuetto-Trio  
Rondo

Miss Mockel

### PART II

Eclogue . . . . . Yost  
Song and Dance . . . . . Yost  
Etude in c sharp op. II, No. 1 . . . Scriabin  
Moment Musical . . . . . Schubert-Godowski  
Etude No. 5 . . . . . Paganini-Liszt  
Symphonie Espagnole . . . . . Lalo  
Allegro non troppo  
Andante  
Rondo  
Miss Kagy  
Accompainist Miss Mockel

## ANNOUNCE HOLCAD OFFICERS FOR YEAR

Swisher Appointed Editor; McKelvey Managing Editor

At a meeting of the faculty committee on publications last week, Clare Swisher of Mahoningtown, a member of the editorial board for three years, was elected editor-in-chief of the HOLCAD for the coming year. At the same time, Donald S. McKelvey of Ligonier was elected managing editor.

Elizabeth Glover of New Castle and Alex McNaugher of Pittsburgh were the two associate editors appointed to continue in that capacity for the coming year; and James McQuiston of Cochran, Margaret Lennig of New Castle, Samuel Colman of Philadelphia, and Henry Breneman of New Castle, reporters during the past year, were elevated to positions as associate editors.

Phyllis Coley of Cochran, Ernest Griggs of Bellevue, Irving Mansell of New Wilmingtons, Elizabeth Edburn of Sharon, Dorothy Wray of Sharon, and Lois Wagoner of Sharon, reporters during the past year, were appointed to serve as reporters until the April meeting of the faculty committee when a number may be elected associate editors if work done merits such election.

John Trevasik of Turtle Creek and Helen Worrall of New Wilmington were appointed reporters on the basis of work done since last year. From the long list of freshmen competitors for positions, Wilson Botsford of Pittsburgh, Bradley Evans of Erie, Margaret Reed of Butler, and Eleanor Graham of Pittsburgh were elected to positions as reporters. At the April meeting, other freshmen competitors may be considered for like positions.

## Town Gives Testimonial Banquet To Basketball Coach and Team

HOTEL NESHANNOCK SCENE OF ENTHUSIASTIC  
DINNER OF APPRECIATION TO WEST-  
MINSTER TITANS

JOHN LAWTER,  
WESTMINSTER 1920

Jesse Carver, C. B. White, Fillmore Campbell, Captain Gamble, Captain-elect Lewis, and President Wallace Speak

If the testimonial banquet given the basketball squad on Friday night is any prophecy for the future, town and gown are going hand in hand into a better era. Not that the town has not always been with the college; it has, but this last demonstration of loyalty and cooperation was suggestive of renewed interest.

More than 120 guests and subscribers crowded the banquet room of Hotel Neshannock to honor Coach Lawther and his wonder team. Nor was there room for more, or they would have been present according to Graduate Manager A. A. McDonald.

After a delicious dinner, the Rev. Edwin McClintock of town assumed the role of toastmaster, and before long had the entire assemblage in spasms of laughter with his original and witty remarks. Fillmore Campbell was called upon first to speak on behalf of the community. He pointed out some of the things which go to make a winning team:

a good coach, willing competitors for the squad, loyalty of students, and backing of townspeople.

Captain Hugh Gamble then worded the appreciation of the team for the cooperation of the townspeople, the ability of Coach Lawther, and the support of student and civic rooters. Captain-elect Tudor Lewis came next in order, thanking the team for the honor of being elected captain, lamenting the fact that Gamble was to be lost by graduation, and promising a fighting team for next year.

Clint B. White, genial postmaster, was then called upon to voice the praises of the "Gang." Coach Lawther was the recipient of praise, congratulations, and, incidentally, a beautiful handbag—the gift of the "Gang" and the varsity squad. The madding crowd then insisted upon hearing from Lawther, so John obliged by thanking the town for its encouragement and support through the season, by praising Gamble as the most valuable man on the team, and by reciting a number of humorous incidents which happened during the court season.

(Continued on Page 4)

## CALL FOR TRACK BRINGS OUT FIFTY

Fifty track candidates were signed up by Manager Bill Maxwell for the Spring tryouts, last Tuesday afternoon at a meeting in the college gymnasium.

The track team will be led this year by William Wilt, fast dash man. Director of Athletics J. W. Coleman will coach this season's team, which will start intensive practice following the Easter vacation.

A list of the prospects for places on the Blue and White cinder caste follows:

E. Anderson, H. Anderson, A. Berry, R. Black, J. Blackwood, W. Blakley, P. Botsford, E. Brawn, H. Bucher, P. Campbell, L. Cooper, K. Delahunty, K. Dyer, K. Elers, R. (Continued on Page 3)

## TENNIS TEAM POINTS TO SPRING MATCHES

With the completion of Westminster's basketball program, tennis once more comes to the foreground. Prospects for this years team are exceedingly bright despite the loss of two stars through graduation last year. Among new men who are expected to report to practice this week are numbered such stars as Billy Clark of New Wilmington, Bill Shaeffer of University of Michigan, and George Herriott of New Wilmington. Added to this array will be the names of four last years let-termen led by Captain McDowell. Consequently, the expectation is that this years team will again carry off the Tri-state conference honors.

Andy J. F. McDonald has announced this years schedule which follows:

Date	Opponent	Place
April 29	U. of Pittsburgh	At Pittsburgh
May 6	Duquesne Univer.	At Pittsburgh
May 7	Bethany Coll.	At Bethany
May 14	Bethany Coll.	At Home
May 18	Geneva Coll.	At Home
May 21	U. of Pittsburgh	At Home
May 25	Geneva Coll.	At Home

At Beaver Falls  
June 6. Duquesne U. At Home  
June 8 Alumni At Home

Four matches are pending; two each with Carnegie Tech and Thiel.

## CHALK UP ANOTHER FUMBLE; BETHANY DROPS BASEBALL

BETHANY—Baseball has been dropped as a varsity sport this year owing to the fact that it was found to be impossible to arrange a card that would make the season a financial success.

## WHAT?—A NEW LABOR UNION

OHIO STATE—Ninety per cent of the men students at Ohio State University work their way through school in whole or in part, a survey of student employment discloses.

## OUR TEAM

Westminster's team for the season just ended has been the best fighting combination produced by the Blue and White in many years.

Hugh Gamble, captain and center of the team played his last year for the Blue and White. Gamble graduates this year, and is the only one of the team lost by graduation. He ended his career this year with a total of 65 points.

Tudor Lewis, star guard, played a stellar role in his first year of playing with the Westminster quintet. Although only a sophomore he has been elected to the captainship of next year's team. His record for the year is 145 points, 51 field goals and 43 fouls.

"Sparky" Connor, Freshman forward on the team, is another who has made a great beginning with the blue-jerseyed quintet. He is closest to Lewis in scoring with a record of 84 points, 34 field goals and 16 fouls.

"Bill" Crowell, another Freshman "find" played a forward position also. Evidence of his splendid work is his record of 80 points, 29 field goals and 12 fouls.

"Chuck" Ayres, a Sophomore, played a splendid game at guard. We are thankful that he has two more years with the "Titans." His record stands with a total of 18 points.

Delahanty, a Freshman, and although having entered Westminster at the second semester, has had several chances during the court season to show his "worth." Delahanty, played a fast, dependable game. His record for the season is 38 points.

O'Donovan, another second semester find, proved his ability in several of the fastest games of the year. O'Donovan is a capable forward.

McQuiston must also be mentioned with the stars of the Titan lineup. Jim played a bang-up game at guard, flashing his best form in the Geneva game.

"Hack", Gibson and "Tubby" McCullough also performed well for Coach Lawther's combine. They were always ready to fill in in championship style.

And now as the basketball season fast flits away on the wings of whozis, we offer our toast to the coach and all the boys.

## ART AND WESTMINSTER

Nellie Verne Walker's recent lecture here on sculpture has aroused no little thought upon the general indifference to art which is apparent in the college. Music and literature have their places in our curriculums, in the college. Music and literature have their places in our curriculums, always been characteristic of Westminster. But painting, architecture, and sculpture have comparatively no place in our education. It is true that some of the instructors who realize the deficiency are endeavoring to bring into their courses a little art appreciation, but it is obvious that they cannot devote enough of their time to it to make much of an impression.

History of art would not be a "snap" course. It requires a clever instructor, complete equipment, hard work and an artistic curiosity on the part of the students. But the benefits of the study to individuals and to the campus in general would by far outweigh the expense and the work involved.

One cannot be completely educated without at least a general knowledge of the fine arts. It is almost essential to a thorough understanding of history, and certainly it is bound up inseparably with a great deal of the finest literature. However, one who appreciates art as expressed in painting, architecture and sculpture gets a great deal more from it than a clearer conception of history and literature. It brings an inexpressible pleasure, and one who cannot feel that pleasure is missing more than he can realize. It is a very real and personal part of education, and its possessor alone has the power to get that real joy out of living which ought to be the goal of all education.

Westminster is apparently neglecting one side of education. How long will she continue to do so?

## THE SHARPSVILLE FREIGHT (Out of Limits)

## ODE TO M. B.

Oh I miss my old garboon  
That dear, dirty cuspidor.  
My dear land lady took it,  
Oh my, but I am sore.  
I am mad  
I am angry.  
I am sore, sore, sore.

Oh perhaps she's started chewing—  
It will sure be her undoing—  
Oh I am mad  
I am angry  
I am sore.

So I asked her why she took it,  
Said I missed my old garboon  
Said I'd have to get my chewin'  
Said to me it would mean ruin  
Said it was to me my doom.  
So she told me confidentially—  
(In spite of how I missed it)  
That she took my old garboon, for  
I always missed it when I had it.  
So I am mad  
I am angry  
I am sore, sore, sore.

## ANNOUNCEMENTS

The Hudson Bay Fur Coat Company have generously donated to this years 'Argo' the huge sum of \$3.73 for the liberal amount of advertising that they received in last years 'Argo'.

All candidates for track will appear promptly this afternoon at four o'clock at the football field attired with hip boots and slickers.

There is a statistic  
that's often been said;  
That in the seventeenth century  
The first sandwich was made.

Now in the spirit of jest  
Just to tickle Walt's chin;  
We'll add that replicas of the  
Original can be obtained at the Inn.

Mother—"And what excuse did the  
faculty give for suspending my  
child?"  
Prexy—"Drunkenness."  
Mater—"What?—The whole fac-  
ulty!"

### THE DESERTED VILLAGE —Blacksmith

Oh the streets are deserted,  
There's no one in sight—  
The town is as glum,  
As a dark rainy night.  
The Inn does no business,  
No function's attended,  
You'd think that all  
Life in the town was suspended.

Yes the students are home  
At work of their lessons—  
With an occasional stop  
For lengthy bull sessions.  
The deans are as cross  
As a bull painted red.  
Oh why go on?—Everything  
Is so dead.

Now dear, loving friends,  
Why all this great change?—  
Why're all our gay students  
Acting so strange?  
The reasons we've gathered here  
And there is small bits,  
Why, don'tcha know? The  
Whole bunch are on limits.

"Mebbe it would be a good idea to  
invite the overseer of the United  
States mint up to our village for  
some week-end." He has that which  
we want."

This weeks frienght takes a word  
of appreciation to a recent speaker  
concerning the fact that he was in  
a hurry to "get away." If he hadn't  
been, he'd probably be talking yet.  
Selah.

Your Uncle.

## LITERARY CORNER

## WHAT EUROPE READS

Translations of American writers are more widely read in Europe than are those of European writers here. In remote sections of Russia, the Balkans and the Dalmatians, the boyhood days of many men were enlivened by Fenimore Cooper. In one town in the Dalmatians, about twenty years ago, Iidian warfare, waged by the children of the vicinity as a result of reading the "Leatherstocking Tales," so terrified the countryside that the authorities were obliged to forbid this pastime.

## JILL

By E. M. Delasfield (Harper and Brothers)

Any novel by E. M. Delasfield is sure to be provocative, and this story of post-war London is no exception. Two families stand out in marked contrast, the Oliver Gilbraiths and the Jack Gilbraiths. Oliver and his wife Cathie live suavely and luxuriously; Jack and Doreen share a shabby hotel bedroom, are smothered with bills, have developed the art of "sponging" to an amazing pitch. Into the hectic hotel life of the Jack Gilbraiths comes Jill, whose mother is an attractive demi-mondaine. Jill herself is a piquant little figure, wordly and naive, innocent and Rabelaisian. Her relations with Jack and Doreen are friendly enough for a time, then a break comes and she goes into the serenity and comfort of the Oliver Gilbraith household. There is irony and tragedy, realism and sophistication in the story of the development of Jill's character in her three environments with the dramatic climax of her love for Jack Gilbraith.

## On the Other Side of the Water

There is an axiom among publishers, "Never take an American detective story when you can get an English one." And I think the reason is clear enough. The American writer, sitting down to dash off a thriller, approaches the task as something to be tossed over his shoulder, a holiday piece of writing which he must not lower himself by taking too seriously. The Englishman, on the other hand, takes as much pains with his blood and thunder yarn as he would with Paradise Lost. He writes it carefully, generally with a good deal of grace and style, and exerts a certain effort to see that no loose ends are left hanging about.

## Announce Book by Feodor Chaliapin

Harper & Brothers, in a special announcement last week to the public and the book trade, state that they have concluded arrangements for the publication of "Pages From My Life" by Feodor Chaliapin, the great Russian opera singer and actor. The translation has been authorized by the author and is edited by Miss Katherine Wright. The book, in which Chaliapin tells his own story in a most intimate and often whimsical way, will be published next Autumn by Harpers.

## TRACK PRACTICE

(Continued from Page 1)

Ellis, R. Furst, R. Fry, J. Hall, W. Hartwell, K. Hemer, G. Herriott, R. Hill, W. Hutchison, B. King, J. Lowden, W. Maxwell, O. Mirtz, W. Moore, D. Myers, D. McClure, D. McKelvey, R. Patterson, H. Penberthy, A. Perrine, S. Pollard, C. Porter, W. Rose, S. Stewart, W. Stewart, G. Sweet, C. Swisher, W. Thomas, G. Trotter, W. Turnbull, S. Turvo, G. Vogle, D. Williams, and Wilt.

Competition will be keen for the distance events since most of the cross-country team is out for track, but there is great need for sprinters and field men.

All men who are interested in track, but who have not attended any of the preliminary workouts are reminded that practices are held every afternoon at 4 p. m.

lished next Autumn by Harpers.

## Sales Statistics

The sales of George A. Dorsey's "Why We Behave Like Human Beings" during the last three weeks are more than double the sales of the book for any other three weeks since it was published. Dr. Dorsey is dividing his time between lecturing and working on a forthcoming book.

## Just Suppose

That with every book borrowed from your public library, you were given a slip of paper and required to write a brief review of the book before you returned it! Such an experiment is being conducted in Germany. Under this system, librarians hope to be able to gauge the taste of the reading public. Will they kill it?

## Lard Versus Oil

Seven barrels of lard once helped to win a dramatic steamboat race on the Mississippi. One of the boats was using oil on its fuel; the other had no oil and was losing. This stirred the sporting instinct of a Kentucky woman who was taking her farm produce to New Orleans. "Captain," she ordered, "bring up that lard this minute—put it on the wood and get your old boilers hot!" The captain obeyed, and a few minutes later, up on the hurricane deck "an old woman with glittering eyes stood abaft the roaring chimneys and laughed and wept and shook her fists at the rival boat, and waved her good-bye!" Herbert Quick's "Mississippi-Steamboat!" recently issued by the Holts, is vivid with such anecdotes, authentic bits that reflect the pioneering spirit of the great waterway.

## Writing

"Who casts to write a living line must sweat."—Ben Jonson

"For a good poet's made as well as born."—Ben Jonson

"Words spoken are but air; words written, ink and paper."—Carleton.

"True ease in writing comes from art, not chance,

As those move easiest who have learned to dance."—Pope.

"The business of the artist is to awaken thought in the unthinking."—Anon.

## The Canal Boat Fracas

V Lansing Holden, who made the jacket, frontispiece and map for Louise Closser Hale's "The Canal Boat Fracas," which has just been published by Henry Holt and Company, is a member of the architectural firm of Benjamin Morris, who have just chosen as architects of the new Metropolitan Opera House in New York. Mr. Holden spent his honeymoon on just such a canal boat trip as Mrs. Hale describes in her novel.

## SIX MEN WILL RECEIVE

## BASKETBALL LETTERS

At a meeting of the Faculty Athletic Council held last Tuesday evening the letter men of the 1926-27 basketball team were decided upon. Five men of the squad were found eligible for the honors.

Although there were several others of the squad who ranked high in ability, these five men were the only ones to play the required number of quarters. This is due, probably, to the fact that the majority of the games were hard fought, and required the work of the best men of the squad to win. Next year should find a nicely balanced team, thereby giving the opportunity to other players of making their way to that esteemed letter.

The five new wearers of the W

(When We Have Better Facilities For Taking People For A Ride, We'll Run Them!)

## REBATES AND DEBATES

A rebate (Webster) is "a deduction from a gross amount." A debate (Ibid) is "the discussion of any question." Now that we are perfectly familiar with the meanings, let us apply them to a specific instance: Proposition: Given fifty couples who have permission to date to a debate, how many will really attend? Answer: Allowing the usual rebate, less than that! Q.E.D.

Free yourself of embarrassing mistakes in English which are bound to cause you to be placed on English limits.

Many persons say, "We WERE at the debate," when they should say, "Well, next time we shall have our debates in public." It is astonishing how many persons use "private squabble" for "intercollegiate debate," and "excuse" for "alibi." Very few know whether to spell "campus committee" with one or two "darns." Still less know how to pronounce "debate" without looking for a shady nook, or "co-educational function" without putting on hiking shoes.

A forceful command of English enables one to skip a debate and still argue that one was present. A new book explaining this remarkable method is now ready. Send the coupon or a letter or a postal card or a wireless or a cable or something else with three dollars and two old debate programs to cover cost of mailing, and we shall be glad to send you this book FREE OF CHARGE. If, after using this wonderful remedy for three trials, you fail, return same to publisher and we shall remit indefinite limits for you.

## What To Do If On Limits

Boys and girls on limits for snubbing the varsity debate team can while away many a tedious hour by playing charades, tearing off to tea, or by experimenting with early spring flies.

Go to Waugh Avenue and New Castle streets and bum a ride to Butler. Once there, walk right up to the Pennsylvania State Mounted Police winter resort and ask for old horse shoes which may be hung on the walls or on the necks of the raw recruits. Bum back to New Wilmington, and you are ready to do something. Now take two old debate programs, turn inside out (or vice versa), paste one on either side of the horse shoe, and label "U. P. church." Now cut a hole in one of the programs about the size of the ordinary bathing suit and label "Entrance." Next, announce that there is to be a debate and that all flies must be present. Then plug up the entrance with bricks from Old Main so that no flies can enter. The flies will be so darn sore when they find that they cannot get into the debate that they will go on limits voluntarily and you won't have to swat them later on!—Eureka.

are as follows: Capt. Hugh Gamble, William Crowell, Tudor Lewis, John Connor, and Charles Ayers. Manager Frank Moretti will also be entitled to an award, having fulfilled the requirements of his position. To these men the entire school extends a hearty hand-shake of appreciation for their brilliant work and congratulates them for their newly bestowed honors.

At the same meeting the two assistant managers, James Purvis and Alex McNaughton, were voted on for the position of manager for the 1927-28 team. A majority vote prevailed in favor of the latter, who will now be privileged to hold the position for the coming year.

## Book Store Dealer or Student

representative wanted for  
WESTMINSTER COLLEGE

We want a student to handle the sale of "Collegiate Stationery," which is rapidly meeting the demand of the college world for personal name and address stationery of a distinctive college type.

Orders are filled in a note size: 200 sheets x7, 100 envelopes; and a large two-fold size: 100 sheets 7 1/4 x 10 1/2, 50 envelopes. Selling price is \$1.25 mailed postage prepaid to individual.

The student we are looking for will be interested in earning not less than \$100.00 for the 1926-27 college year. For particulars write at once to

### SIGMA KAPPA TEA

Wednesday afternoon in the Sorority suite at the Hillside the eight Sigma Kappa pledges were hostesses to the sorority in a St. Patrick's Tea. Themes submitted by each of the hostesses furnished an entertaining diversion.

### MIRTZ CONFINED IN HOSPITAL

Orville E. Mirtz, ace of the Westminster track and cross-country squad, is reported to be favorably recovering from an operation for appendicitis in the Shenango Valley Hospital, New Castle. The Blue and White cinder star was taken to the hospital Wednesday afternoon at two o'clock. Mirtz's many friends are wishing his quick and complete recovery.

### "PARLEY-VOUS EN FRANCAISE?"

You were indeed most fortunate, then, last Friday afternoon. Miss Stewart's class in French conversation was entertained at a "French tea." The girls gathered in groups and "parleyed" for a delightful hour. Delicious refreshments were served by the hostess assisted by Mary Braham, "la bonnie."

### FOOTBALL PLAYER TO BE REPAIRED

James McQuiston, star back on the Westminster varsity football team, leaves tomorrow for Mercy Hospital in Pittsburgh. During his stay at the hospital Jim is to have his bad knee put in shape for next season.

### FACULTY SUSPENDS FOURTH ESTATE

UNIVERSITY OF WASHINGTON—Because of a flippant Lincoln article, published in "Columbus," a monthly magazine of the University of Washington student body, said edition has been suspended indefinitely by the faculty.

### CUSSWORTHY CUSTOMS

UNIVERSITY OF CAPE TOWN—At the University of Capetown, South Africa, the freshmen are required to wear stiff collars three inches high with bright green ribbons for ties. They must also bow when passing upperclassmen.

### GAMBOLING GAMBLERS

UNIVERSITY OF NORTH CAROLINA—Thirteen students have been suspended here for gambling. The victims desire an appeal, maintaining that the real issue involves an interpretation of the honor system.

### WHAT DO THEY KEEP IN THE CELLAR, BULLDOGS?

YALE—Finishing its fifth consecutive year in the cellar position in the Eastern intercollegiate basketball race is the honor claimed by Yale this year. Up until the present season, the Blue had been unable to win a single league game, but Cornell was defeated twice this year for the only Eli victories.

### DARTMOUTH TIES KNOT IN TIGER'S TAIL; WINS PLAYOFF

DARTMOUTH—The Princeton Tiger, tied with the long greens of Dartmouth for the Eastern League title, had its tail tied into knots Saturday night when the Dartmouth five won the playoff for the title.

### THE ORIGIN OF RINGS AND FRATERNITY SEALS

Does your friend wear a ring?

If he does, has it ever occurred to you that he may have concealed in it a supply of poison for use in combatting his fiercest enemies? At any rate, you would have been justified in such an assumption four centuries ago!

One way of ridding one's self of troublesome characters, we are told, was to hand them a key in the shape of a finger ring and ask them to unlock a certain chest or cabinet. When a slight pressure was exerted upon the ring there was released a minute needle which pricked the holder of the ring and injected a fatal poison. Others reserved the poison for their own use in case suicide seemed the only solution—as in the case of the great Hannibal.

All rings with compartments in them, however, were not designed to serve such dire purposes for, it is said, they sometimes contained cosmetics—the prototype of the modern vanity case only much more convenient! Other rings contained relics or pictures, an interesting example of the latter being the case of the loyal friends of Charles I, who secretly cherished his likeness in their rings in defiance of the Roundheads.

The advantage of wearing the key upon the finger in the form of a ring is of course obvious, particularly when it guarded chests of precious stones and metals since this seemed to be the easiest way to prevent both loss and theft of the key. Still another use for the ring was that of personal protection. One ring, we are told, rendered its wearer invisible by his simply turning it about on his finger so that the setting rested against the palm of his hand.

And what could be a more convenient adaptation of the modern ouija board than the finger ring? Possibly one of your ancestors was among those to use their rings to divine the future. A simple process was to lower the ring on a slender thread over a table bearing the letters of the alphabet which, when joined by the ring, spelled the desired answer. To contribute to the solemnity of the occasion, the holder of the ring was attired in linen only and a circle shaved round his head.

Perhaps the one practical use of the ring which has been most universal and enduring is as a seal. The earliest examples of rings show this use which seems to have continued uninterrupted down through the Middle Ages. The custom seems to have later lost favor until an interesting revival occurred within recent years. The historic ring was introduced by the college fraternities and sororities as an unusually effective as well as appropriate manner of displaying the organization's crest.

### COMMUNITY BANQUET FOR COURT TEAM

(Continued from Page 1)

Jesse Carver, Varsity Columnist par-excellence, was called upon following Lawther's speech, and he added praise and honor to Lawther and the boys. "The best-coached team in the district," he said of the Westminster Titans. Individual praise for Lewis and Gamble showed that Jesse had reasons for certain Conference selections.

The final speaker of the evening, Dr. W. Charles Wallace, speaking on behalf of the college declared the meeting to be one of the most auspicious and important in the history of Westminster. With the confidence an encouragement derived from the demonstration, he said, Westminster would go on to new heights of achievement.

Music furnished by the Westminster Collegians, the singing of old songs, and the singing of a new college song added spice to the program.

### Phi Pi Phi Forward

Leads, Loop Scorers

"Bill" Thomas, Phi Pi Phi forward, led the Intra-Mural league scorers during the season which recently closed. Thomas had 16 field goals and 15 fouls for a total of 47 points. Eagleson of the Pioneers, was next in order with 16 two-players and seven fouls for a total of 39 points.

Individual scoring is as follows:

	Goals	Fouls	To'l
Thomas, Phi Pis	16	15-27	47
Eagleson, Pioneers	16	7-15	39
Hutchison, Epsilons	11	9-16	31
Berry, Phi Pis	13	5-11	31
Wright, Delts	12	3-8	25
Wright, Delts	12	3-8	25
Cogley, Kaps	9	3-14	21
Lauder, Delts	8	5-7	21
Wettich, Delts	8	0-3	16

### DEBATE TEAM WINS

(Continued from Page 1)  
accompanied the debaters.

Tonight the affirmative team, composed of C. Myers, H. Hamer, B. Bricker, T. Mansell, Alt. debate Bethany's negative team at Bethany.

The last debate of the season will be with Waynesburg. Their negative team debates here on Wednesday, April 6th, while Westminster's negative team travels to Waynesburg on April 7.

## WOMEN'S GLEE CLUB CONCERT ON FRIDAY

Interesting Program To Be Given  
In Community House

An interesting program has been prepared for the concert to be given by the Women's Glee Club of Westminster College at the Community House April 12, at 8:15 p. m.

The Club will be assisted by Elberta Kagy, head of the Violin Department; Lillian Wright, Pianist; and Gladys Zeigler, Soprano.

Admission is 50 cents. Tickets may be obtained at the office of the School of Music.

Now, students, there is a chance for you to do some boosting, as the proceeds of this concert will be turned over to the Library Fund.

The program is as follows:  
I know a lovely Garden... d'Hardelot  
Voices of the Woods

..... Rubinstein-Spicer  
Glee Club

Nocturne in d major ..... Chopin-Wilhelmy  
Zephyr ..... Hubay

Dedication ..... Franz  
Out of My Soul's Great Sadness

..... Miss Zeigler  
Schumann

Soaring ..... Schumann  
Autumn ..... Chaminade

..... Miss Wright  
Mother, My Dear ..... Treharne

Longing, Dear For You ..... Densmore  
Glee Club

Concerto in e minor ..... Nardini  
Miss Kagy

Were my songs with wings pro-  
vided ..... Hahn

Open Thy Blue Eyes ..... Massenet  
Miss Zeigler

America Thou Beautiful ..... Nevin  
Merry June ..... Vincent

..... Glee Club  
Hark! Hark! The Lark! ..... Schubert-Spaulling

Tango ..... Arbos  
Miss Kagy

Estudiantina ..... Lacombe  
The Bells of St. Mary's ..... Adams

..... Glee Club  
Westminster Hymn ..... Barnes

..... Glee Club and Audience

## LIBRARY OF 9,000 VOLUMES IS GROWING

Recent Acquisitions provide Fair  
Start on New, Complete Booklist

Miss Mildred A. Ailman, librarian, reported last week that the United Presbyterian Board of Publications, located in Pittsburgh, has donated 1,500 volumes to the library, most of which are new books. In addition to this, the Rotary Club of New Wilmington has been instrumental in getting a gift of more than 3,000 volumes of the old Fanline collection in Sharon.

The library has already accessioned 1,650 books for college use, and there are about 2,000 more to be catalogued and accessioned in addition to the gifts mentioned. This will give Westminster a working library of nearly 9,000 volumes.

When it is remembered that the college library was destroyed but two months ago, this progress at restoration is nothing short of a miracle. Thanks are due a large number of alumni and friends for individual contributions and donations, and the Rotary Club of New Wilmington for its splendid cooperation.

## FROSH AT TEMPLE HAVE OWN PUBLICATION

TEMPLE—"Backfire", a mimeographed publication of the freshman class, made its formal appearance on the campus last week.

## LITERARY PUBLICATION TO APPEAR APRIL 30

Contributions Solicited By  
Temporary Editorial Board

A new publication, literary and humorous in character, is being planned by a group of students on the campus. The faculty committee on publications have sponsored the move, and an acting editorial board has been organized.

In all probability, the first issue will appear Saturday, April 30 at the four-county interscholastic track meet here. It will be a 32-page magazine, about the size of "Judge." A cover design in colors and numerous illustrations will enhance the contents.

Students who desire to contribute essays, poems, parodies, short stories, sketches, book reviews, or drawings should get in touch with Walbur Baldinger at the T. U. O. house.

## MEN'S GLEE CLUB TO GO ON TRIP

Five Concerts To Be Given In Penn-  
sylvania Towns

According to the plans sanctioned by the College Office, and the office of Doctor Bellinger, the Men's Glee Club, under the direction of Miss Jessie L. Mockel, will make its annual trip through Northwestern Pennsylvania.

The planned tour takes in five cities in a period of five days. The plan is to go from New Wilmington to Butler, and then to Evans City. From Evans City a long jump will be taken to Warren where they will likely stay for two days while they sing, first at Warren, and then at Corry, returning to Warren the second evening. The course then leads to Erie where the trip ends.

## CATALOG INDICATES NUMBER OF CHANGES

Major Requirements Increased;  
Minors Dropped—Other  
Changes

The 1927 catalog, full of important announcements and other information of interest, indicates a number of changes in the curriculum which have been welcomed by the student body.

According to the new faculty ruling announced in the catalog, a student must present 30 hours credit for a Major, and the remainder of the graduation requirement may be met by presenting free electives and group requirements. Minor requirements having been dropped.

There are, according to the lists in the catalog, 11 more seniors this year than last, 11 more juniors, 26 more sophomores, 3 more freshmen, and seven more special students. The enrollment for the year is increased by 47 more than last year's total.

## CLUBBING SUICIDERS-ELECT

BELOIT—The entire student council of Beloit College has voted to join the Anti-Suicide Club organized by New York University. The club will study possible motives for suicide and gather data concerning the present wave of collegiate suicides.

## BYE-BYE VEHICLES

PRINCETON—Princeton University has banned the use of autos by students. Taxi companies are reaping veritable harvests during the Spring prom season, students being forced to rely on them for transportation.

## CLASS REUNIONS BEING PLANNED

Large Number Of Alumni To Return  
For Commencement

Graduate Manager A. A. McDonald announced Saturday that plans are already under way for the largest alumni gathering in the history of Westminster when class reunions and general alumni homecoming takes place at commencement time, June 7 and 8.

The classes which will hold reunions this year are those which have been graduated 5, 10, 20, 25, 40, and 50 years ago. Letters have already been sent out to alumni of the classes concerned, and the various class secretaries are busy arranging class dinners, picnics, and general reunions. Each class will have its own headquarters established somewhere in town, and on the Tuesday of graduation week will hold a luncheon or banquet.

Secretaries who will be in charge or rounding up members of their classes are:

Class of 1877, Dr. A. A. Mealey, Bridgeville; 1888, Frank A. Hoover, New Castle; 1902, Attorney Clyde Gibson, New Castle; 1907, Herbert Patterson, Pittsburgh; 1917, Arthur Kirkbride, New Wilmington; 1922, J. Ellis Bell, Sandy Lake.

## MCCLURE ELECTED Y.M.C.A. PRESIDENT

Mirtz Elected Vice President in  
Meeting Held Before Recess

At a meeting of the Y. M. C. A. held in the Science hall, Wednesday, March 23, Donald McClure of Blairsville was elected president, and Orville Mirtz of Pittsburgh was elected vice president for the coming year. Both McClure and Mirtz are members of the junior class. McClure is a member of the Phi Pi Phi fraternity, and Mirtz is a member of Kappa Phi Lambda fraternity.

## TENNIS TEAM TO HAVE 13 MATCHES

Westminster tennis players, Tri-State Conference champions for the past two years, will start intensive practice for the spring campaign this week.

Thirteen matches: two each with Duquesne, Bethany, Pitt, Geneva, Carnegie Tech, and Thiel, and one match with the Alumni will give the racketeers plenty of opportunity of meeting the cream of the district.

## BEEDE SPEAKS AT LIONS CLUB BANQUET

"Dyke" Beede, coach of varsity football, was the principal speaker at the Lions Club banquet for the New Castle high school basketball team in New Castle, Tuesday, March 29. Beede spoke on the essentials of athletics, stating that courage, sportsmanship, and determination are qualifications which every player and every team must have.

## TALKING WITH THE HANDS? SO THAT'S THE REASON?

KANSAS UNIVERSITY—Editors of the Dove, Kansas University publications, claim that K. U. co-eds pet because they are not allowed freedom of speech. Watson—the dog muzzles!

## MONMOUTH INAUGURATES COLLEGE PRESS BUREAU

MONMOUTH—A news service bureau, started by Dr. McMichael, has been organized to send out a regular weekly news letter to papers in the district.

## HUGH GAMBLE AWARDED VALEDICTORY FOR 1927

James Patterson Named Salutatorian  
Of Class

Hugh Gamble, captain of the 1927 basketball team, was announced as valedictorian of his class by the registrar, Dr. Swindler, Thursday March 24. At the same time, James Patterson was announced as salutatorian of the class.

Other students on this year's honor roll are Helen Davidson and Nancy Miller.

These four students are the leaders in scholarship in this year's graduating class, which numbers 70 students.

## N. Y. POST GIVING ESSAY PRIZES

NEW YORK, APRIL 4—What the student believes to be responsible for the so-called "wave" of mental depression in our colleges and schools was revealed today when the New York Evening Post began printing a series of prize-winning articles from College men and women in answer to the question: "Has the American undergraduate a post-war neurosis?"

"In all the articles selected for publication," says the Evening Post, "it is apparent that our offer has led the student to put into words what he has had in mind for some time. The views expressed here, and in succeeding articles, are bred of mature thought. Educators and parents would do well to give them serious attention."

Some of the causes to which students attribute the melancholy state of their fellow undergraduates are summarized as "moral laxity hastened by the World War," "lack of understanding between parents and children," "the American undergraduate has seen too much of life, has lived too quickly, has grown old too soon," "youth has attempted to dig beneath the surface in order to get more from life than his ancestors."

For each article published, The Evening Post makes an award of \$10 and for the best article, a prize of \$100 will be given. The winner of the \$100 however will not be announced until all articles under consideration have appeared.

## Y. W. ELECTS WINGER PRESIDENT FOR YEAR

Nevin, Vice President; Hasting Sec-  
retary; Allen Treasurer

At a meeting of the Y. W. C. A. held in the Conservatory, Wednesday, March 23, the following officers were elected for the coming year: President, Evelyn Winger; vice president, Dorothy Nevin; secretary, Helen Hastings; treasurer, Mary M. Allen.

"Has the older poetry lost its popularity?" was the subject for discussion.

## MANY GREEK GIRLS ENGAGED

ILLINOIS—More than 23 per cent of the 7,017 sorority women at the University of Illinois are engaged or "consider themselves engaged," according to figures furnished by the cororities. Sixty per cent of these are engaged to university men. Only five of the sorority women are married.

## ANOTHER ABSENT-MINDED ONE

Nurse: Professor, a boy has arrived.  
Professor (absent-minded): Ask him what he wants.

## DEBATE TEAM LOSES TO BETHANY SPEAKERS

Speakers In Open Forum At  
Washington and Jefferson

The affirmative side of the foreign debt question, composed of Brown Bricker of Westminster, P. Columbus of W. & J., and H. Lawther of W. & J., won the audience decision in the open forum debate held in Washington on March 21.

C. Myers of W. & J. was the colleague of Robert Ferguson and Samuel Colman of Westminster in arguing the negative side.

Bricker, the last rebuttal speaker for the affirmative, turned the tide for his team by his spread-of-eagle oratory.

On Tuesday, March 22, the Blue and White affirmative team, composed of Myers, Hamer, Bricker, and C. Maasell, alternate, lost to Bethany at Bethany, W. Va., by a 2-1 decision of the judges.

This week marks the end of Westminster men's debating for the season. On Thursday night, April 7, the negative team clashed mentally with Waynesburg at Waynesburg, Pa. On Friday, April 8, the Waynesburg debaters encounter Westminster's affirmative team in the U. P. church here.

The men who make the trip to Waynesburg are Samuel Colman, Wallace Maxwell, Robert Ferguson, and James Chambers, alternate.

The same affirmative team which debated Bethany is expected to debate here on Friday against Waynesburg. This will be their first debate at home this season, the negative team having had the honor on two previous occasions.

## SCHOOLBOY MEET TO BE HELD APRIL 30

Invitations Sent High Schools in  
Four Counties for Field Day

Graduate Manager A. A. McDonald announced last week that invitations have been sent high schools in Lawrence, Butler, Beaver, and Mercer counties to compete in the annual Westminster interscholastic track meet on Saturday, April 30.

More than 200 entries were received for this meet last year, and it is expected that the number will be larger this year. New Castle high school won the cup offered for the high team score last year, and will defend it again this year.

In addition to the team cup, gold, silver, and bronze medals will be awarded in each event.

Judges for the contest will be Westminster coaches and members of varsity teams.

## LAWRENCE COUNTY BANQUET HERE APR. 8

Rev. R. F. Galbraith and Dr. Wallace  
To Speak

Rankin Johnston chairman of the the New Wilmington chapter of the Alumni Association, has his committee working on plans for the Lawrence County Alumni banquet to be held in the United Presbyterian church on April 8.

It is expected that more than 200 alumni who reside in Lawrence county will be present at this monster affair. Rev. Robert F. Galbraith, pastor of the Bellevue Presbyterian church, will speak, and Dr. W. Charles Wallace will also be on the program.

## HARNESS MAKERS REVIVE

OHIO STATE—Horseback riding has been added to the women's physical education curriculum for the Spring. Whoa, Dobbin!

## ANOTHER WESTMINSTER ACHIEVEMENT

(Reprinted from the March 25 issue of the New Castle News.)

Announcement made today that Hugh Gamble, of the senior class at Westminster College, had been named as valedictorian of the class of 70 or more members to be graduated at New Wilmington in June is not remarkable in itself. Every college graduating class has a valedictorian.

But when it is also recognized that this Hugh Gamble is the same lanky lad that captained the sensational Westminster College basketball team during the past season, when Westminster surprised the college world with its victorious record, it is a matter calling for comment.

Mr. Gamble has rendered his college a remarkable service. In these days when insinuations are flying thick and fast about the professional taint to college athletics, and the further intimation in many sources that athletes are in school merely to aid the teams, Mr. Gamble has not only won honor for himself, but has at the same time demonstrated that scholastic standing is not being sacrificed at Westminster for athletic prowess.

It has been the case at Westminster that many of the athletes also ranked high in their classes, and the achievement of Mr. Gamble in coming out on the highest pinnacle of scholarship for this four year course is no little tribute to the collegiate institution at New Wilmington.

## PROFESSORS

Professors should take to heart what Dr. M. S. Read of Colgate said at a recent football banquet. "If college professors took pains to make their classes half as interesting as coaches do athletic contests, over-emphasis of athletics would not exist." Let the professors be prepared for their daily classes as regularly as are their best students. Let them not assign such a great quantity of work that they themselves fall behind. Let them make their classes interesting as well as informative and disciplinary.

## STUDENTS

Students should live up to the reputation of Americans for being business-like. They should demand a dollar's worth for every dollar they invest in education. One of the unexplainable paradoxes in the country is the way which people fight for their money's worth in everything but education. In college, men and women are willing to pay for instruction and do without it. They are forever looking forward to vacation periods, early dismissal from classes, or one day vacations because of athletic victories. They sometimes cheer when a professor is ill. They boast of the number of cuts they can "get away with" because of athletics, sickness, or the nineteenth death of a third cousin. Let us make classes interesting by getting the benefit of continuity and regularity.

## WOMEN, AGAIN!

A recent Associated Press article says: "An organization, the Hippolytus Club has been formed at Cambridge University to re-assert the supremacy of the male." A statement of policy says: "Convinced that feminine influence is eating like a cancer into modern civilization, the Hippolytus Club will blaze the trail towards an era of uncompromising masculinity. It will shatter the domination of Eve and restore the initiative of Adam."

## SUCCESS

There's quite a bunch of magazines around the country that undertake to tell a man how to achieve success and maybe they succeed, but it looks to us as though success depended a good deal upon natural ability, horse sense and the capacity to absorb a lot of punishment and come up smiling. —The Day's Work.

## BEETHOVEN RECITAL PLEASES AUDIENCE

Misses Kagy and Mockel Score In Musical Treat

On Thursday evening March 24, Dr. Franz Bellinger offered the third number of the 1926-27 Artist's Course. The Misses Kagy and Mockel of the Westminster School of Music presented the program of piano and violin solos.

The first part of the program consisted entirely of Beethoven compositions. This part of the recital was given in commemoration of the one hundredth anniversary of Beethoven's death, March 26, 1827. In like manner the week, March 20 to 26, was being celebrated all over the world as Beethoven week.

The second part of the program was made up of two violin solos of Yost, given by Miss Kagy, and a group of selected piano solos by Miss Mockel.

The quality of the recital was indicated by reception it received from the audience. Both the artists were called back by the audience, and after the recital were met by a large number of music lovers who showered them with congratulations.

TELEPHONE NO. 11

"Elephants a-pilin' teak,  
In the sludgy, squdgy creek,  
Where the silence 'ung that 'cavy  
You was 'arf afraid to speak!"  
—Kipling's "Mandelay"

## ELEPHANTS

The elephant is man's most intelligent helper. But—consider this interesting comparison:

An elephant is much larger than the electric motor of a "yarder" or logging machine. The "yarder" has the power of twenty elephants; it handles clusters of logs; it works dependably, twenty-four hours at a stretch, if necessary.

Twenty elephants would eat daily 10,000 pounds of green food, which a corps of attendants must gather. A motor "eats" nothing but electricity, supplied at the throw of a switch.

Power used in the modern industrial world is applied through electric motors—tireless "iron elephants" that are relegating antiquated machines to museums, along with such oldtime household articles as wash-tubs and ordinary irons—and stuffed elephants.

Two million elephants could not do the work now being done by General Electric motors. Whatever the work to be done, whether it needs the power of an elephant or the force of a man's arm, there is a General Electric motor that will do it faithfully for a lifetime at a cost of a few cents an hour.

## LITERARY CORNER

WHITE SPEAKS OF  
LEWIS' NOVEL

Sinclair Lewis stood in the pulpit of a Kansas City church last Spring and defied God to strike him dead. So far as Sinclair Lewis, the artist, is concerned in the book "ELMER Gantry," God took him at his word. Sinclair Lewis, the artist, is dead. He may rise again, probably will. But he got so excited in making faces at God that he forgot his craftsmanship.

Hate overcast Lewis' eye and his art failed him. It is a fine art that can make a villainous hero and make us pity him while scoring him, but it is a poor art that makes a bass-wood effigy on casters that moves through the plot without the reader's sympathy and finally without the reader's interest. Men cannot hate and make a great picture. Paul was a wise art critic. In art "the greatest of these is love!"

—William Allen White in The Emporia Gazette.

## A REPORTER FOR LINCOLN

"With very great skill Miss Tarbell tells this little true story of how a young newspaper man, a reporter with the Army of the Potomac, happened to come into confidential relations with Lincoln as an observer and interpreter for the President of the feeling of the soldiers at the front. \* \* \* A Reporter for Lincoln is as moving and thrilling as fiction could possibly be."—New York Times.

Ida Tarbell's "Reporter for Lincoln" is a new Macmillan book.

## PROMETHEUS UP TO DATE

Dr. John H. Finley, editor of the New York Times, writes enthusiastically about the new volume of essays by President Norlin, of the University of Colorado: "I have read every line of Dr. Norlin's book and I wrote him a few days ago on finishing it that the only uninteresting line in it was the title. I wish he might have called it 'Prometheus Up to Date.'"

The title under which the book appears, in "Integrity in Education and other Papers" (\$2.00), but the essays are by no means limited to educational matters. They have all the fine humanitarianism and the wide range of interest for which Dr. Norlin himself is distinguished.

## DOS PASSOS DISCLOSES

## MEXICAN SITUATION

As soon as John Dos Passos returned from the countries he has written about in his just-published book, "Orient-Express," he went to Mexico. He has now come back from Mexico to be Theatrical Manager of the New Playwrights Theatre. "Mexico isn't the place pictured by the press with bandits, revolutions, whiskers," says Mr. Dos Passos. "People don't wear whiskers any more down there."

## HOW TO WRITE SHORT STORIES

In the long lists to "How to Write a Short Story" is more than holding its own. The aspirant and the arrived alike are finding it a valuable aid. The Holts published the volume a few months ago, and their belief in its mission is being fully justified.

## TEDDY ROOSEVELT, JR.

## AND DEAN BRIGGS

Theodore Roosevelt, Jr., writes Harper & Brothers about Rollo Walter Brown's biography of Dean Briggs: "The character picture is so accurate that I felt at times as if I were back in College again."

## WOODROW WILSON AWARD

Following the Woodrow Wilson Foundation's announcement of a \$50,000 Prize Essay Contest on "What Woodrow Wilson Means to Me," Harpers state that they will publish early in February, a popular-priced set of Mr. Wilson's public pa-

pers. This set will include the last volume, hitherto unpublished, "War and Peace." It will sell for seven dollars and a half, whereas the regular set sells for thirty dollars. Harpers explain that the set is aimed at those who are competing for the awards, so that they may make a thorough study of Wilson before writing the essay, not more than 2,500 words in length, which may net them practically ten dollars a word. Young men and women between the ages of twenty and thirty-five are eligible to compete.

## WAR BIRDS

Anonymous—(Geo. H. Doran Co.) Critics everywhere are strongly admonishing their publics: "Read it!" one of the headlines reads: "Re-fighting the war as the soldier saw it, not as the 'Nice Nellies' and superpatriots insist it was, makes War Birds a marvelous book." An here is the comment of Ernest Hackett, of the Philadelphia Public Ledger, given at some length because it is characteristic of most of the reviews: "Somewhere in Germany is a mound, probably almost indiscernible by this time, which blankets the body of an American boy who fought on heaven's doorstep during the World War. What did he think of the game of playing tag through the clouds where the 'You're it' meant a line of agate type in the casualty list, and how did this boy play?"

"Probably this boy, who played with the same sheer abandon with which he flew, and died with the zest for life strong within him, never thought that his jottings went deeper than a simple recounting of events. Such, however, is not the truth, for they are as revealing as a searchlight and as cruelly corrosive as the criticism of a child."

One of them, reporting upon it, calls it "a frank and unedited diary of a young American aviator killed in the war. It is a picture of a high tension life, in which a tiny portion was given to dangerous excitement and the rest to nervous idleness."

## THE RED PAVILION

John Gunther (Harper and Brothers) "The Red Pavilion" is the story of a period in the lives of half a dozen very young people. Against the background of Bohemian Chicago, these intelligent, intense, restless people play out a sophisticated drama. The central problem is the adjustment of the lives of Shirley and Richard who love each other very much, marry, and struggle to keep their individualities intact. Eventually they succeed, but their success leaves them a little wistful and sad. Their friends are an amusing lot, almost naive in their sophistication; Leon Goodman who writes bad poetry and wants to suffer, and refuses to admit it when he really does suffer; Doris, who so proudly loves her virtue and cannot get anyone to make much of it; Austin a young professor in the University, very strange and much impressed with Huysmans! "The Red Pavilion" has much of the pungency of Michael Arlen and the intellectual tang of Aldous Huxley. It is not, as "The New Yorker" would say, for the old lady from Dubuque!

## COEDS BECOME MILITANT

Evanston, Ill. (By New Student Service)—One more body of university women at Northwestern University are tired of having the minor offices thrown to them as sops. They are going out to wrest control of campus politics from the men. Twenty-six of the twenty-seven university sororities have banded together to fight the fraternities, which, they charge control all elections.

## Down and Out

Jeffrey—"So your son has been injured and is coming home from college?"

Briggs—"Yes, he sprained his ukulele finger."

## P. &amp; O. BUS LINE

(How To The Line—Let The Quips Fall Where They May.)

## TAKE YOUR CHOICE, BOYS

The "Dove," Kansas University's humorous magazine, declares that the reason co-eds pet is that they are not allowed freedom of speech.

Well, as between petting them and listening to them speak freely, the young men of Kansas University are at liberty to choose the lesser of the two evils!

## THE HALYCON DAYS

Now that spring vacation is over, we are back for track practices, May Day rehearsals, open-air co-education, and, eventually another Tri-State Conference championship in tennis. Whoopee!

## WHAT—A JAR?

Yesterday we heard postively the last one on our friend, the absent-minded professor. He slammed his wife and kissed the door.

## APHORISMS

EGOTIST—A person who knows so little about fraternities that he thinks his is the only one with traditions, history, organization, ritual, and other rot.

FAVORITE—The classmate who flatters us oftenest and most skillfully.

IGNORAMUS—A person upon whom our silly and feeble arguments take no hold.

MONOMANIAC—A professor who is always talking on some subject we don't like.

OFFICIAL—A servant employed by the athletic department to be insolent to his masters.

REBEL—A student who wants what we want bad enough to work for it. WASTER—A fellow student who spends more than we do.

BORE—A writer of so-called columns for the college weekly.

HUMBUG—A fraternity brother who fools no one but himself and other fools.

WINDBAG—A student who knows more about a subject than we do.

I have no doubt at all the Devil grins,  
As seas of ink I spatter.  
Ye gods, forgive my "literary sins"—  
The other kind don't matter!

## SALUTATION FOR SAME

Oh, aid me, Lute, beginning now!  
Give theme for campus quip or sally;  
And some day, there may grace my brow  
A weed from out somebody's alley.

## RETREAT FOR THE SAME

But Time has taught me this, to wit:  
That Age has naught to do with it,  
That plenty be the years or scant—  
Some can be poets, and some can't.

### FRATERNITY BANQUETS

Four women's fraternities enjoyed initiation banquets over the week end of March 25-26. Chi Omega held its initiation banquet in Hotel Neshannock, Friday, March 25. Alpha Gamma Delta held its banquet in the Hillside on the same night, and on the following evening held its initiation dance in the Field Club. Sigma Kappa held its initiation and banquet in the Field Club on Friday, March 25. Phi Delta Chi held its initiation banquet in Rosewood Inn on Friday evening. Pi Rho Phi held its banquet in Hotel Neshannock, Saturday evening, March 19.

### HOLCAD MEETING

All members of the editorial board of the HOLCAD are requested to report at the meeting Wednesday afternoon at 1:25 in the journalism laboratory.

### PRACTICE TEACHING

William Thomas, retired editor of the HOLCAD, acted as sports editor on the Sharon Herald and did his practice teaching in the Farrell high school during the past two weeks.

### 365 DAYS IN PRESENT YEAR, STATISTICIAN DISCOVERS:

Five Times A Semester,  
Average Run Of Profs' Jokes

Many statistics are being presented of late on many topics of interest and importance. There are many more, however, which remain practically untouched, or words to that effect. The HOLCAD statistician presents herewith a few possibilities:

There are 365 days in the present year. Out of the possible 365 days it is possible that New Wilmington will have rain or snow at least 300, the other days being vacation periods during regular session, when the weather is invariably good.

There are three kinds of showers at Westminster. There are the continual showers which fall from the clouds most any date night, and there are the shower baths, hot and cold, in the college gymnasium. It is estimated that half of the college takes a shower in the gym each week. The other half is waiting for next week. Nine-tenths of each shower bath is warm and the other tenth is cold. This means that there are 240 warm showers taken each week with 23 cold showers. If the warm showers were mixed with the cold showers, they would reach from the football field to the traffic cop in front of Kaufman's store in Pittsburgh.

In regard to a professor's joke, it has been found that the average run of a good one per semester is about five times. Instances have been known where the joke was particularly good and the professor might tell it for the sixth time with as much appreciative applause.

The library requires nearly as much energy to reach as a football player needs for three games and a scrimmage. However, if all the students who use the library were placed end to end they would reach from the Neshannock cemetery to the Sharpsville railroad, provided they walked fast enough.

Many statistics have been produced in these columns in the past, and the future holds many promises. Enough heat units are used each year by statisticians to warm the Hillside and three fraternity houses all winter. This does not take into consideration the amount of waste heat produced by the debating team.

### FORCE OF HABIT

Absent-minded Professor (after kissing his wife and two daughters): Now, girls, what is the lesson for today?

### BOY SCOUTS ORGANIZED

The first meeting of the New Wilmington Boy Scouts was held two weeks ago Tuesday at the School House. Scoutmaster, Jack Hulme used the entire evening talking to the boys concerning Scouting and what would be expected of them as Boy Scouts. The boys are enthusiastic over the new Troop. The Troop will meet twice a week Tuesday evenings will be the regular evening Meeting Night and Saturday morning will be used for scouting out-doors, hiking, nature study and all work of outdoor nature.

The following Boys were registered at the meeting.

# Governor To Be At Commencement

## Don't Miss The Junior Play, April 19th

### "Second Childhood" To Be Given For 1928 Argo Benefit

#### MYSTERY PLAY UNDER DIRECTION OF PROFESSOR GETTMANN HOLDS INTEREST

"Second Childhood," a drama of mystery and surprise, will be presented in the Community House next Tuesday evening for the benefit of the 1928 ARGO.

It goes somewhat in this way: Professor Relyea, of a little town in Illinois, is working on a scientific invention that will startle the world—restore youth—revolutionize mankind. After twenty-five years—he finally completed the wonderful liquid and decides to try it on an old man, who is willing in order to win the professor's daughter. The professor gives the old man a bottle, leaves the room, comes back, and finds the bottle empty—and the old man—But wait. Come and find out for yourself. Astonishing results of science. Get into your second childhood.

Community House, April 19.

#### SPRING CALLS RUNNERS BACK TO CINDER TRACK

Mr. Coleman, with the advent of another Spring has commenced to dust off the vinous zephyrs and also the aspiring track candidates in preparation for the 1927 track season. About 45 men have answered the call of track and field and are seen cavorting around the football field daily.

There are 10 letter men remaining from last season. They are, Capt. Wilt, Hartwell, Thomas, Mirtz, Rose, H. Bucher, McClure, Brown, Hutchison, and Berry.

Members of the golf squad, who have their course from the tennis courts to the football score board and back, find some little conflict with the winged "W" exponents. However, Mr. Coleman plans to remedy this by moving his squad to the upper field today.

#### DR. VEAZEY MADE HEAD OF DEPARTMENT AT CASE

Dr. Reed Veazey, class of 1903 Westminsterville, was recently appointed head of the Department of Dr. Veazey has, for a number of the Chemical Engineering Department at Case. He is a member of the Board of Trustees.

#### DEBATE TEAMS WIN AND LOSE

Westminster's affirmative debaters, arguing the question, "Resolved, that the United States should cancel the war debts owed it by the allied nations," failed Friday evening to convince Attorney Darragh of Beaver Falls, lone judge, with the result that the decision was rendered in favor of the Waynesburg negative team. The debate was held in the Community house before a large and interested audience.

Westminster's team was composed of Clyde Myers of New Castle, Howard Hamer of Erie, and Brown Bricker of Braddock with Thomas Mansell of New Wilmington taking Myers' place in the rebuttal. The Waynesburg team lined up with Leslie Brock, Kenneth Skelton and Harland Casteel.

Thursday evening at Waynesburg, however, Westminster's affirmative team defeated Waynesburg's negative team that made the successful invasion of Greene county had the following personnel: Wallace Maxwell of New Wilmington, Samuel Colman of Philadelphia, Robert Ferguson of Bellevue with James Chambers of New Castle as alternate.

#### CHARACTERS IN JUNIOR CLASS PLAY

Professor Frederick Relyea	Don McClure
Mrs. Wellsmiller—his sister ("Auntie")	Elizabeth Carnes
Sylvia Relyea—his daughter	Betty Glover
Philip Stanton—his assistant	James Purvis
General Henry Burbeck	William Maxwell
Marcella Burbeck—his daughter-in-law	Norah French

Mrs. Henderson—her mother	Dorothy Nevin
Lucile Norton—a neighbor	Helen Hastings
Judge Sanderson	Max Bovard
Sheriff Johnson	Howard Kelly

#### GLEE CLUB PLANS FIRST CONCERT TOUR

#### Forty Men To Make Trip; Miss Mockel In Charge

The Mens Glee Club under the leadership of Miss Jessie L. Mockel, and accompanied by Miss Elberta Kagy, violinist, will make its first trip in two years, the last week of this month.

Lloyd Shaner, the manager, has arranged for an extensive tour thru Mars. Butler, Warren, Corry, and Erie, Penna. Mr. Shaner is also the pianist, and much credit for the club's success is due to his untiring efforts.

The efficient organization has been produced by the efforts of Walter Wilkison, the President.

The following men comprise this personnel: Tenors: G. Brush, J. Trevas, S. Colman, R. Vance, E. Knox, J. Wrigley, J. Littell, H. King, W. Norton, R. Stone, S. Porter, R. Crowell, G. Sweet, A. Harmody.

Basses: D. Anderson, W. Hartwell, L. Cassidy, K. Hemer, W. Baldinger, M. Hyde, W. R. Balph, D. Kelso, L. Braham, C. Lawton, H. Bucher, J. Lowden, L. Cooper, S. McClintock, G. Dickson, M. Scott, G. Fithian, C. Swisher, B. Evans, W. Turnbull, S. Gibson, G. Vogel, E. Groezinger, J. Guthrie.

The Glee club's Double Quartet: First tenors: S. Porter, W. Norton; Second tenors: S. Colman, R. Vance; First Bass: S. Braham, J. Lowden; Second Bass: J. Guthrie, W. Baldinger, made its initial appearance at the Alumni Banquet held in the U. P. church last Friday night.

On Tuesday night, April 12, the quartet sings before the Women's club of New Castle.

#### WOMEN'S GLEE CLUB CONCERT TONITE

Preliminary to the annual tour scheduled for next week, the Women's Glee Club will give its home concert in the Community House at 8:15 to-night.

The program is varied and interesting, and as the proceeds will be turned over to the Library Fund the Club expects to sing to a capacity house. Admission 50 cents.

#### MAY PAGEANT TITLED

#### "SPIRIT OF WESTMINSTER"

The May Day pageant, which was written by several members of Mrs. McConagha's pageantry class, is entitled "The Spirit of Westminster."

In the course of the pageant there will be depicted the story of the settlement of this part of the country by the Indians and the succeeding peoples. This will lead up to the portrayal of the founding of the college and the influence of the Westminster Spirit. This Spirit of the past will be replaced by a new Spirit which is to arise from the ashes of Old Main.

The various groups are being organized and rehearsals have been begun for the pageant which promises to surpass any of previous years, in order to celebrate this Westminster's Diamond Jubilee Year.

### Fisher Plans To Be Present At 1927 Commencement Exercises

#### STATE EXECUTIVE IS MEMBER OF UNITED PRESBYTERIAN CHURCH

#### DR. RANKIN, CLASS OF '82,

#### SPEAKS IN SABBATH CHAPEL

Rev. J. D. Rankin, class of '82, Westminsteries, and of the Pittsburgh Theological Seminary, preached at both the morning and evening services at the United Presbyterian Church last Sunday. His theme for the evening chapel service was "Every Man's Life a Plan of God." Rev. Rankin served for twenty-five years in a Denver, Colorado pastorate. He is a member of the Board of Trustees.

#### FRANK MORETTI

With this issue of the HOLCAD Moretti relinquishes his post as business manager.

His successor will be named next week.

Governor John S. Fisher, governor of Pennsylvania, will be the guest of Westminster on Commencement Day, June 8, according to an announcement made by President W. Charles Wallace early last week.

Two weeks ago, Dr. Wallace visited Harrisburg, conferred with the Governor, and plans were made for the visit. Just what the plans are to be is not known, but the mere presence of such a dignitary is certainly something which can be looked forward to.

Governor Fisher, who succeeded Ex-Governor Gifford Pinchot, is an inhabitant of Indiana, Penna, and is a member of the United Presbyterian Church of that city.

From all available data, this is the first time in the history of Westminster that a Governor has been entertained on the campus.

Dr. Wallace returned from Harrisburg by way of Johnstown where he met several people in behalf of the Building Committee of the college.

#### MYSTERIOUS KIDNAPPING CASE PUZZLES AUTHORITIES HERE

#### Professor To Be On Trial Next Tuesday Night

Professor Relyea, noted scientist, will be brought here next week and will be held on serious charges of kidnapping and murder. It is alleged that he in company with his assistant, did away with two infants.

A preliminary hearing on the criminal charges is scheduled for April 19 at the Community House. See "Second Childhood."

#### WESTMINSTREL TO APPEAR APRIL 30

In the first issue of the WESTMINSTREL, a new student publication to appear April 30, several articles will be devoted to a sane and thorough discussion of the social phase of undergraduate life at Westminster. To counter-balance this, Uncle Kasey of Sharpville Freight fame, will turn some literary hand-springs at the expense of the locals, and "Hamlet: or, What Have You?", a thrilling expose of New Wilmington night life as seen thru the eyes of the great Stratford-on-Avon wise-cracker, will take some uppercuts at students, fraternities, faculty and otherwise. And this is but a taste!

In explaining its policy, the staff of the WESTMINSTREL would like to say that the magazine will embrace, in scope, everything of interest to the Coca-Cola drinking public. There will be 32 pages in the magazine, an attractive cover design in colors, and cuts running throughout. Although organized and put into execution at very short notice, the WESTMINSTREL has been the subject of discussion and planning some months. The editors are very desir-

ous that its contents be representative of student thought and talent, and are still very anxious to receive contributions from anyone regardless of class, fraternity or sex. It is by no means a vehicle to put "poor but honest" students through college, and depends solely on subscriptions, sales and advertising for financial means. If enough money is obtained thru sources to maintain it, The WESTMINSTREL will be issued next year at regular intervals, and, indeed, has already been classified as an official college publication. The editors, Douglas M. Anderson, Wilbur Baldinger, Robert G. Fithian and Paul Gibson, will be more than glad to receive contributions for the April 30 issue during the present week. These can be given to any member of the English Department, or to any of the four editors mentioned. Since only a limited number of WESTMINSTRELS will be published, your reservation or subscription will be made if your check, made out to "Robert G. Fithian, T. U. O. House," is received by April 29. The copies will sell at 35 cents a piece, or three copies for \$1. Act today.

## SO LONG, BILLIE!

The last issue of the HOLCAD marked the passing of the old staff, and the new members of the editorial body started the sister ship on another long cruise for the ensuing year. One notices especially in this recent change, the departure of "Billie" Thomas, editor of the HOLCAD from the field of Westminster collegiate journalism. For the past four years "Billie" has been the one outstanding man in our college activities. If one would but take time and scan old HOLCADs, he would arrive quite soon at the conclusion that the HOLCAD has under the editorship of Thomas, risen to a standard which is unexcelled in college publications in the Intercollegiate Newspaper Association of the Middle Atlantic States. Billie has been the official college press agent for the past four years, and this spring when he leaves our campus, his loss will be felt. Not only has "Bill" been active in journalistic efforts but he is an athlete of no mean ability.

## WHERE WE STAND

The Holcad for the coming year will place special emphasis upon the editorial column. The entire student body is asked to contribute so that the editorials will give a just representation by student opinion. Although the staff, as every one knows, is not in position to "scoop" the news, an effort will be made to teach the staff and give the readers the best examples of real journalistic principles. The staff will have as its greatest aim—accuracy. In years to come the Holcad should be valuable as a record of student and college activities. Feature articles will be presented weekly to give an added spice and interest to the paper. More news illustrated with cuts will be printed, while additional labor will be spent upon various special issues and the compiling and printing of varied student and college questionnaires.

The new staff advocates: 1. More college songs; 2. More and peppier yells; 3. A publicity manager for each organization on the campus; 4. Sororities quartered in houses; 5. More school spirit.

## FOOTBALL AGAIN

Few of the college presidents and football coaches who so abruptly turned down President Hopkins' football proposals agreed as to why they didn't want to reform football. On only one point were they agreed—that football must remain as is. And it is perfectly plain why they should shudder at the thought of tampering with this popular and priceless advertiser of academic wares. The football coach being no more altruistic than the rest of us is not going to become enthusiastic over a plan that would limit his scope. And as for the college president, the thing has become so powerful and well entrenched that a really honest and single-handed attack would savor too much of windmill tilting. And whatever the college president is we cannot accuse him of being a Don Quixote.—The N. W. Student.

## DR. KYLE SPEAKS ON EXCAVATIONS IN PALESTINE

Dr. M. G. Kyle, president of Xenia Theological Seminary, St. Louis, Mo., and professor of biblical theology and biblical archaeology, was the speaker at the Wednesday morning chapel service, April 6.

Dr. Kyle chose as his subject "Recent Archaeological Discoveries in Bible Lands." He illustrated his talk from Prof. Petrie's works on the "Origination of Archaeology." In a very interesting manner Dr. Kyle outlined the work of the men interested in the task of uncovering ruins in Bible lands which substantiate the accounts in the Bible. He explained that the ruins in Palestine are found in layers. Secondly, that each civilization or layer has its own distinct pottery. As a third point Dr. Kyle pointed out that since Egyptian remains are found in these Palestinian remains, therefore, it is possible to date the Palestinian remains. In every case these excavations of Hebrew ruins prove that where Biblical history is touched it is found to be exactly as recorded in the Bible account. Thus, it is likely that the popularity of the Bible will increase with time because of its accuracy in the recorded historical facts.

## PROFESSOR GRAHAM WRITES ARTICLE ON COLYUMNS

Professor R. X. Graham of the English department contributes an article on "Newspaper Colyums" in the April number of the "Epsilon," national college journalistic magazine. A criticism of so-called humorous colyums in the light of work done by such capable colyumnists as Don Marquis, Franklin P. Adams, Christopher Morley, and Heywood Brown, occupies most of the space. Suggestions for the improvement of humorous columns are also included. The "Epsilon" is the official magazine of Pi Delta Epsilon, honorary collegiate journalism fraternity.

## FRATERNITY MEN EAT FAST. CO-EDS LINGER

EVANSTON—Fraternity men eat too fast, is the opinion of the Evanston health commissioner. He watched thirty men at noontime bolt meat, potatoes, fruit, pudding, bread, butter and coffee, and hurry off to their "one o'clocks." They took just eight minutes and twenty-three seconds.

With respect to women students the situation is different. The average time it takes them to eat is twenty minutes.

The men eat and do not talk, the girls talk and do not eat.

When asked what the girls talked about, the commissioner replied, "Oh, nothing much. Just men and clothes, and clothes and men."

## BROTHERLY LOVE

UNIVERSITY OF CALIFORNIA—The University of California has donated two shells with complete equipment to Oregon Agricultural College in order to create competition in rowing. This act illustrates the excellent spirit that exists between the western colleges.

## PAGE METHUSALEH

OHIO WESLEYAN—Ohio Wesleyan University now claims the distinction of having the oldest living college graduate in the United States. Dr. Maue W. Williams, '48, is its nominee. He is ninety-eight.

## A REGULAR CHAIN GANG

MCGILL UNIVERSITY—According to the chef of the McGill University Cafeteria, eight miles of sausages are eaten throughout the college season by the 1,000 students who board at the cafeteria. This does not include the large number of "hot dogs" sold at the games.

## LITERARY CORNER

## SHAKESPEARE WITHOUT SENTIMENTALITY

Criticism should be common sense, says Elmer Edgar Stoll in his new book, "Shakespeare Studies." (Macmillan). He takes issue with the critics who employ the subtleties of modern psychology in their analyses of the plain spoken characters of Shakespeare's plays. Shakespeare started, he says, with plot, and then invented characters to suit—characters so simplified and action made so plain and clear that he who runs may read and he who nods or chatters in the pit may understand.

Mr. Stoll deals not with sources or dates or technical or historical questions for their own sake, but only with Shakespeare's art, and his purpose is to discover Shakespeare's own intention and to see character and situation as they really are. His iconoclasm is directed not against the deity but the temple and image that his superstitious worshippers have made for him. Mr. Stoll's vigorous, lively style and his concrete and human treatment make his book one that any intelligent reader can enjoy.

## SCHOOLBOY LYRICS

A first edition of Kipling's "Schoolboy Lyrics," written while Kipling was at school in England, was recently sold for \$3,350!

## SHADES OF HORACE GREELEY

Since the days of Horace Greeley and the amusing and sometimes disastrous effects of his notoriously illegible handwriting, Americans as a nation have gone far to improve upon his example. A traveler from abroad, returning home, complimented Americans upon the legibility of their handwriting. We surpass Europeans in this respect. Although admitting that Americans do not always use correct English in their letter-writing, the visitor is grateful that what they write can be read.

## SPEAKING OF CIRCUS CLOWNS

When Bob Sherwood, the old circus clown and author of "Here We Are Again," left the White House after a visit with President Coolidge, he filled his pipe with tobacco and flung the empty tin aside. A squirrel picked it up in his mouth and sat up in the path waiting for Mr. Sherwood. One of the guards at the White House gates said: "Don't mind him, sir, he's trained to the Coolidge policy of economy and thought you'd dropped it."

## IRVING BACHELLER'S BOOK

LAUDED BY H. GARLAND

"Many romances of the Early Christian Era have been written but none of them, so far as my reading goes, present the clarity of vision and the grave simplicity of tone which distinguish Irving Bacheller's 'Dawn.' I came to its reading in a somewhat unsympathetic mood but its homely humanity and its skillful use of the Scriptural texts captured my interest and won my admiration."—Hamlin Garland.

The New York Times says: "Mr. Bacheller has escaped equally a too pious sentimentality and an offensive modernity. He has told a good

story, told it simply, engrossingly, with warm humanity."

## A TURKISH PUPPET SHOW

Helen Hull declares that one of the most memorable experiences of her recent visit to Constantinople was the midnight performance of an old-time Turkish puppet show which was staged for her special benefit. She writes: "It happened during Ramazan, when good Mohammedans fast from sunrise to sunset, and use the night hours for dining and special amusement. One night we drove through Stamboul, the oldest part of the city, under the lovely lighted inscriptions which decorate the Mosques during Ramazan, and then along the Bosphorus a little way. I wanted very much to see a Kara-Gyoz show, the Punch and Judy of Turkey, a pantomime in which the shadows of pointed wooden puppets act out a series of legends about the hero, the villain, the comedy figure and sometimes the lady. We reached a little room just as the crowd was leaving after the final performance of the evening. And in some way the young Turk who was our escort persuaded the owner to put on a performance after midnight, just for us. We sat on a wooden bench, watching the grotesque shadows move across the cloth, while the invisible performer chanted—in a voice rather hoarse from hours of repetition—the exploits of Kara-Gyoz. It was a part of old Turkey, and a thing seldom seen now. Many of the residents in the American colony were envious when I told them about it; though they had spent years in Constantinople, they had still to see their first Kara-Gyoz performance."

On her way home from Turkey, Miss Hull spent some weeks in the Dolomite Alps and there she began a new novel which she has now finished and entitled "Islanders." Its scenes are laid neither in Europe nor Asia, but in Michigan and New England. "Islanders," the vivid story of Ellen Dacey, was published last month.

Baldridge  
HELEN HULL  
Author of "ISLANDERS" (Macmillan)

ished and entitled "Islanders." Its scenes are laid neither in Europe nor Asia, but in Michigan and New England. "Islanders," the vivid story of Ellen Dacey, was published last month.

## PRIZE ESSAY CONTEST

The New York Evening Post is offering a prize of \$100 to the college undergraduate who best explains the "wave" of mental depression apparently sweeping through American schools and colleges.

"Has the American undergraduate a post-war neurosis?" asks the Evening Post in announcing the offer. "Just what is responsible for the melancholia which seems to have invaded the campus today? Does modern education foster too much independent, unguided thinking?"

Besides \$100 for the best 500-word answer to this question, the Post has also offered \$10 for every letter published. Submit all manuscripts to The New York Evening Post, New York City.

## LAWRENCE COUNTY BANQUET HERE

On Friday evening, approximately 150 former Westminster students attended the annual Lawrence County banquet held in the dining hall of the United Presbyterian church. The banquet was arranged by the New Wilmington and New Castle alumni association.

The banquet hall was decorated in blue and white and the tables were made quite colorful by flowers. The banquet was served by the ladies of the church.

An orchestra composed of James Trotter, Robert Campbell, George Dickson, and James Dawson played throughout the banquet. Miss Kagy of the school of music played a number of violin solos. The men's double quartet composed of William Norton, Robert Hunt, Sherwood Porter, John Vance, Samuel Coleman, Luther Brahm, John Loudon, Wilbur Baldinger and James Guthrie rendered a number of selections. Graduate manager Andy McDonald took the role of song leader.

Mr. Johnson, president of the New Wilmington alumni, introduced the entertainment numbers. Mr. Frank Burton of New Castle officiated as toastmaster. Dr. Robert F. Galbraith and Dr. Wallace delivered the addresses of the evening.

Dr. Galbraith, the pastor of the Bellevue Presbyterian Church, spoke on "Culture." President Wallace's talk was in regard to the recent fire which destroyed "Old Main." He drew a picture of the crisis through which the faculty and students had passed and pointed to the possibilities of the future.

After the addresses the meeting was turned over to Attorney F. A. Hoover, of New Castle, and president of the New Castle Alumni, and the election of officers for that group took place. The following officers were elected: Mrs. A. B. Street, secretary; and Prof. Frank Burton, treasurer.

### Guest From Pittsburgh

Miss Dorothy Dickinson, of Pittsburgh, has been a guest at the Robertson and Van Orsde houses since Friday.

### New Castle Guest

Miss Betty Hanger, of New Castle, a former Westminster student, was visiting some of her friends here last week.

### Girls' Glee Club

The Girls' Glee Club will give its concert at the Community house tonight. Admission will be fifty cents.

### Girls' Debate

A part of the Girls' Debate team will go to Marietta college Thursday evening to "cuss and discuss" with their affirmative team. Marietta's negative debaters were to have come here on the same night, but have been obliged to cancel the engagement.

### SIGMA KAPPA HOLDS INITIATION

Alpha Sigma of Sigma Kappa held its formal initiation at the New Castle Field Club on Friday, March 25. The ceremony started in the late afternoon and was followed by a banquet at the club at nine o'clock.

The following pledges became members of the sorority: Gladys Robinson, Ann McPherson, Winona Blackwood, Katherine Boobyer, Ruth Brown, Catherine Elder, Gladys Nord, and Margaret Reed.

Covers were laid for thirty-four; all attending were Sigma Kappas. The toastmistresses were Miss Katherine Kennedy of Youngstown, and among the speakers were Miss Emma Kinne, a member of the faculty at the University of Pittsburgh, and Miss Violet Simons of Pittsburgh. Decorations were in maroon and lavender. The tables were arranged in a triangle, beautifully trimmed with long sprays of fern, violets, and three baskets of cerise tulips. Corsages of violets, red roses, and lilies-of-the-valley lay at the places of the principal speakers and new members.

In addition to a number of members of other chapters who were present, several Westminster alumnae returned for the occasion.

### DR. LLOYD THOMPSON, '03

#### WRITES INTERESTING NOVEL

It is interesting to know that Dr. Lloyd Thompson of Hot Springs, Arkansas, who graduated from Westminster in the class of 1903 is succeeding as an author as well as a physician.

Dr. Thompson has just written a story entitled "King of Maple-dale," which is stated to be a very remarkable story of a dog. This book will soon be on the shelves of our library for those who care to read it.

### GIRLS' BIBLE CLASS ELECTS NEW OFFICERS

The Girls' Bible class has elected the following officers for the ensuing year: President, Mary McGeoch; Vice-president, Margaret McFate; Secretary and Treasurer, Margaret Patterson; Pianist, Margaret Reed.

### SENIORS CAVORT AT ANNUAL CLASS PARTY

Let us away to the woods and gambol in the green—Spring is here!

The sedate members of the Senior class took advantage of the fact last night and had their dinner party in McLaughry's woods to the tune of "The ham what am." A good time was had by all—and sundry, both of them.

### WESTMINSTER FACULTY FROM 26 COLLEGES, SURVEY INDICATES

The Westminster faculty, composed of 33 professors, is on a par with the faculties of all other institutions of high standing. Among the group, 10 have Ph. D. degrees, 1 a D.D. degree, and 11 A.M. degrees.

Of the 33 members of the faculty, 29 are in the college and four are in the conservatory.

Delving further into faculty statistics, the HOLCAD reporter found that the 33 professors represent 26 different colleges and universities in the country. Westminster has four graduates on the faculty: Geneva, two; Indiana University, two; Princeton University, two; and the following institutions one each: Allegheny, Michigan, Ohio University, University of Vermont, Radcliffe, Ohio Wesleyan, Ottawa University, De Pauw University, University of Arkansas, University of Wisconsin, Baylor University, Coe College, Morningside College, Brooklyn Polytechnic Institute, Colgate University, Mt. Holyoke College, Earlham College, Penn State, Columbia University, Beaver College, Drake University, and Dakota Wesleyan.

### WOMEN'S GLEE CLUB STARTS TOUR SOON

Dr. Bellinger has announced that plans have been made for the annual spring tour of the Women's Glee Club.

On April 19, the young ladies will leave for Pittsburgh, in which district they will present three concerts.

They are scheduled to appear at Coraopolis on the evening of the 19th. On April 20, they will appear at Carnegie and the following night, a concert will be given at Shadyside. They will return to New Wilmington before Friday noon. Miss Dolly Cassidy is the president of the club this year, and Miss Katherine Wylie is the manager.

The regular home concert of the club is to be presented this evening in the Community House at 8:15.

### RACQUET WIELDERS START PRACTISE

McDowell's Cohorts entertain Hopes For Championship

Faced with the stiffest schedule in its history the varsity tennis squad began intensive training yesterday for the April 29 tilt with the University of Pittsburgh racquet-wielders. Despite the loss of such stars as Crowe and McFate from the varsity personnel, hopes for a third successive Tri-state Conference championship are high.

The men from which the 1927 quintet will be chosen are: Cap't. McDowell, Robinson, McQuiston, Gibson, Clark, Shaffer, Herriott, Mansell, Berry, and Coleman. Upon a survey of the above named group it may be said that the Blue and White has that which it wants in its newest racquet-wielding personnel. However all pre-season dope is based on theoretical abilities and it remains for the first match with Pitt to show the true worth of this year's Blue and White netmen.

### CAMPUS TREES HOLD SECRETS, WANDERING REPORTER FINDS

Now that the trees are being chopped down in the field above the gym, strange and interesting remarks are heard around the campus. It appears that the trees gave away many interesting secrets while they were pleading for their lives. The big tree that stood nearest the porch declared that it had received ten thousand blessings in the course of its life as a shelter. It also admitted that five hundred of these blessings were masculine and the other five hundred, feminine.

Another tree said that its life had been so happy that it hated to come down to the occupation of furnace fodder. When questioned as to the meaning of this statement, the tree went on to say that for many years it had watched the "daters" who wandered beneath its shading boughs and had gained much amusement from seeing history repeat itself so often.

**"Second Childhood" Presented Tonight****Argo Benefit  
Starts at 8:15****PRESENT MATINEE  
MONDAY AFTERNOON**

It's at 8:15 tonight in the Community House! The Junior play, "Second Childhood" it's called even though two of our unsuspecting Juniors play the role of fond papas to perfection. They tell us that we will be taken back to the age of rompers and kiddy-kars, the oochy-koohy age of babyhood, and it only costs 75c a singleton.

Seriously though, you've seen a list of the cast, you already know it's ability, you've had promises of it's worth and hints of its comedy! Do you want a synopsis of the play?

Seriously again, we aren't seeing a group of stage-struck amateurs. "Second Childhood" was enthusiastically received by those still in their first childhood. Monday afternoon when the cast presented matinee to the school children at the Community House, as usual, the children turned out en masse, and if the youngster's appreciation of the clean cut humor may be considered authentic, there can be no doubt but that the play will go over 100% before us sophisticated but fun loving collegiates.

**SPRING GRID CAMP  
OPENS NEXT WEEK**

On Saturday, "Dyke" Beede was in New Wilmington to make final arrangements for the spring football training which will start April 25, and last one week.

This year's spring camp is Westminster's second attempt at spring training. Beede has some material left from his last year's squad, "Rusty" Coles, Montgomery, and "Red" McLean being the only lettermen leaving by reason of graduation. "Red" Hostetler, fullback of last season's eleven, left school at mid-term.

Having the squad of last year almost intact, Beede will probably not spend much time on the fundamentals but will likely have his men scrimmaging before the end of the week.

**BETTY GLOVER****One Of The Twelve Highlights  
In The Junior Play Tonight****WOMENS GLEE CLUB  
PLEASES AUDIENCE**

The lilting strains of music sailing forth on the spring zephyrs, last Tuesday evening were traced to the Community House. The Women's Glee Club were giving their home concert, prior to the annual tour, which is scheduled for this week.

The program was delightfully varied, and interesting. It included piano solos by Lillian Wright, vocal solos by Gladys Zeigler, and violin solos by Miss Kagy. The Club's numbers, under the direction of Dr. Bellinger, were presented in the usual pleasing manner.

The reputation of the Club was firmly established at their first public appearance at Valent this year, so the attendance Friday evening was quite satisfactory. The proceeds of the concert are to go to the Library Fund, and it is believed that the Library executive will garner a goodly amount.

**SOPHOMORES RECOMMENDED FOR 1929 ARGO****ELECTIONS TO BE HELD IMMEDIATELY****CLASS DUES MUST BE PAID TO VOTE**

Members of the sophomore class who have paid their class dues will be eligible to vote on the recommendations submitted by the editorial and business staffs of the ARGO in the election which will take place this week or next. The faculty committee on publications, in a meeting held last Wednesday, followed the recommendations as submitted by the present staff rather closely. They submit the following recommendations for the vote of the sophomore class: (In alphabetical order) For editor-in-chief—Wilbur Baldinger, James McQuiston. For associate editor—Phyllis Coley, Elizabeth Edeburn, Margaret Lennig. For the editorial staff (eight to be elected)—Margaret Adams, Dorothy Dipner, Riss Ellis, Harriet Jolley,

Frances Leohner, Irving Mansell, Margaret Sampson, John Trevaskis, Helene Winter, Dorothy Wray, Helen Worrall, and Margaret Young. For manager and two assistants—Henry Brenneman, John Cameron, Howard Hamer, and Thomas Mansell. For the advertising staff (one advertising manager and two assistants) Henry Brenneman, R. Graham Fithian, Byers King, and Thomas Mansell. **Recommendation:** In view of the fact that Henry Brenneman secured nearly four-fifths of the advertisements for the 1928 book, the faculty committee recommends that he be elected either business or advertising manager. Art staff (four to be elected)—Howard Wetzel, Harry Anderson, and any candidates for the editorial positions mentioned above who fail to gain an editorial position.

**AUXILIARY STAFF FOR  
NEXT YEAR'S ARGO  
APPOINTED BY STAFF**

Editor, associate editor, and business manager of the 1928 ARGO announced last Wednesday that the following freshmen have been appointed to the auxiliary staff of next year's ARGO: Editorial and art staffs—Douglas Anderson, Bradley Evans, Wilson Botsford, Gordon Mack, Henry Wettich, Eric Groezinger, Katherine Dick, Martha McMurray, Margaret Reed, Gladys Nord, Jean Boyd, Mary Hartings, Elizabeth Ralston, Fred Mussman, and Katherine Boobyer. Business and advertising staffs—James Blackwood, James Littell, Harry Welsh, William Hazlett and Kenneth Dyer.

These appointments have been accepted by the faculty committee on publications. Members of the auxiliary staff will complete next year for recommendations for positions on the staff of their own class annual. The quality and quantity of work done by members of the auxiliary staff will determine which members will continue in their junior year on the staff of the yearbook.

**YOUNG PEOPLE'S BOARD  
SUPPORTS THREE  
GRADS****Trio of Westminsterites in Foreign  
Mission Work**

Three of the four missionaries supported by the Young People's Christian Union of the United Presbyterian church are graduates of Westminster, the Christian Union Herald of last Thursday points out. John C. Heinrich, class of 1909, was graduated from Pittsburgh Seminary in 1915. He married Jessie Kneff of Akron, Ohio. His first term in India was from 1916 to 1922. After a furlough in this country, Mr. and Mrs. Heinrich returned in 1923 to India with their three children.

Glenn P. Reed, valedictorian of the class of 1920, attended Princeton Seminary. He organized and coached the first basketball team in the Sudan. Since there was no opponent to be played, he coached another team at the Gereif Agricultural School. He is located at Omdurman.

Walter J. Skellie, class of 1921, was graduated from Pittsburgh Seminary in 1924. He married Clara McDowell, also a Westminster graduate. Mr. and Mrs. Skellie have completed two years of language study in Cairo and have moved to Alexandria, Egypt, to be associated with Dr. Mark S. Roy in evangelistic work.

**MAY DAY PLANS ADVANCING**

Every week brings May Day a little nearer. Almost all of us now know what part we are to take in the pageant and all that remains is the practice.

Under the skilled direction of Miss Webb, one of our own alumni and the instructor of physical education at Oakmont, the dances are progressing smoothly and rapidly.

The pageant this year will celebrate the Diamond Jubilee and will take in all kinds of dancing, solo and group, classical and folk.

**Collegiate Cinema Producers**  
HAMILTON, N. Y.—Students at Colgate University have written and produced the first amateur motion picture scenario to be made by students.

**MEN'S DOUBLE QUARTETTE  
SING BEFORE QUOTA CLUB**

The Men's Double Quartet gave a splendid program before the Quota Club, composed of New Castle Business women, at the Elk's Temple on N. Mill St., New Castle, Tuesday night, April 12. The program, which furnished the entertainment after the club's dinner and business meeting, was very enthusiastically received. Solo numbers rendered by John Loudon violinist, and Luther Braham, baritone, were encored with a vigor by the women. Loudon played "Negro Spiritual," by Dvorak; and "The Rosary" by Nevin. Braham made a decided "hit" with "Friend of Mine," by Dan Prothero and he responded with "Miss Kittie O'Toole" as an encore. Miss Mockel of the Conservatory of Music was the accompanist.

The program follows:  
Sylvia ..... Oley-Speaks  
Lindy Lou ..... Lily Strickland  
The Double Quartet  
Negro Spiritual ..... Dvorak  
The Rosary ..... Nevin  
John Loudon—Violin  
Friend 'O Mine ..... Dan Prothero  
Miss Kittie O'Toole  
Luther Braham—Baritone  
Sea Fever ..... Mark Andrews  
The Double Quartet

The Men's Glee Club and the Double Male quartet this year under the direction of Miss Mockel are making fine progress, and will be heard from a lot more before the end of the year. The personnel of of quartet consists of: First tenors: S. Porter, W. Norton; Second Tenors: S. Colman, R. Vance; Baritone: L. Braham, John Loudon; Basses: J. Guthrie, W. Baldinger.

**WESTMINSTREL**

To the more puerile souls on the campus, denied an outlet for their creative genius, the "Westminster" comes as a godsend. The editors, in preparing the initial issue, welcome any copy, whether it be feeble, intelligent, or suggestive of the insanity these rustic surroundings so frequently give cause for. The deadline is April 27. The May Day number will appear May 16, and the subscription price is one dollar for three copies.

**REGULATIONS FOR ELECTIONS TO ARGO AND  
HOLCAD BOARDS CHANGED BY COMMITTEE****OLD RULES AND ADDITIONS ANNOUNCED**

The faculty committee on publications, in a meeting held last Wednesday, added a number of rules to the regulations drawn up last year by Professor Graham. The complete regulations with new additions follow:

**Holcad Regulations**

A. The HOLCAD shall be edited and published by a staff consisting of the following members: 1. An editor-in-chief, who shall be a senior. 2. Seven associate editors, who shall be juniors or seniors. 3. Ten reporters, chosen from the freshman class. 4. A business manager, a senior. 5. Four assistant business managers, who shall be juniors.

B. The manner of choosing members of the staff shall be as follows: 1. At the beginning of each college year a contest for places on the HOLCAD board, open to all fresh-

**Westminster 75  
Years Old Today****COLLEGE FOUNDED APRIL  
19, 1852**

Seventy-five years ago today Lawrence county became a center of higher education. On Monday, April 19, 1852, a little group of eager young people gathered in New Wilmington for the first session of what was then Westminster Collegiate Institute.

Just a handful of them, mostly destined for ministerial work, they composed the vanguard of the student body of today.

The first official session was held in the Associate church, an old frame building on the site of the present United Presbyterian church.

From this unpretentious beginning has come the Westminster College of today with 507 students and a rating as a class A institution by the Associate of American Universities.

Dr. G. C. Vincent, one of the founders of the college, was the first executive, acting as principal. The first president, Dr. James Patterson, took charge of the institution's administration in 1853 and continued in his office until 1867.

Dr. Robert Audley Browne, for whom the new men's dormitory, the gift of New Castle, is to be named, was the second executive, serving from 1868 to 1871, whose brief tenure nevertheless left its impress on the college.

The third president was Dr. E. Tupper Jeffries, who from 1872 to 1883 guided the destinies of the little college and saw it beginning to fulfill its appointed place.

Then came Dr. John Knox McClurkin, a graduate of Westminster in the class of 1873, who, after serving as a professor of Greek on the faculty, was president for one year—1883-1884.

Dr. Robert G. Ferguson, who died November 8, 1926, was the fifth president, serving the college from 1884 to 1906. Dr. Ferguson was the grand old man of Westminster, always welcomed as a beloved disciple by the church, the alumni, and the student body.

(Continued on Page 4)

3. The amount of original material contributed and the quality of service rendered to the paper during their year of service as associate editors shall determine which of these four associate editors shall

## MISS MOCKEL HONORED BY CHAUTAUQUA POST

Miss Mockel, instructor of piano and organ of the School of Music, has been appointed as teacher of organ at Chautauqua, New York, for the coming summer.

Miss Mockel last season was one of the two piano accompanists for the Chautauqua chorus and soloists, Mr. Harold Richey of the Dickinson Williamsport Seminary being the other. This season Miss Mockel will retain this position in addition to her new appointment.

Miss Mockel is taking the place of Mr. Hugh Porter, organist of the Calvary Episcopal Church, N. Y. Mr. Porter will remain with the Chautauqua as organist but will have no teaching appointments.

During the summer Miss Mockel and Mr. Richey will make one appearance with the New York Symphony Orchestra which is under the direction of Albert Stoissel. They will have three appearances a week with the Chautauqua chorus, an organization of about three hundred voices.

## SPRING FEVER VS. SPRING ENDEAVOR

Now that Spring is really here and all of nature seems to be making fun of any inclination to study, our natural—and also our most agreeable—impulse is to "lay off" entirely. It would be much more pleasant, we think to ourselves, to bluff while we are in class and spend the time outside of class in—well, in more pleasant occupations. But somehow or other, professors don't seem to approve of this plan. In fact, they even are thwarting it by throwing exams. However, heartless this attitude may seem, it appears that the only thing left for poor, overworked students in the grip of spring fever to do it to get to work! And in view of the fact that there are only six more weeks of school, it might not be a bad idea.

## KEEPING FAITH

Elsewhere in this issue is a story concerning the fact that three out of the missionaries supported by the young people of the United Presbyterian church are Westminster graduates. Each year a number of graduates enter the seminary and later go into foreign service. Westminster is keeping faith.

## HAVE YOU HEARD

Doubtless the most important thing in our chapel service is not the scripture reading, the songs, and the announcements, but the atmosphere prevailing during the service. Chapel requires a very definite mood, which, if it cannot be spontaneous, must be acquired. No one likes chapel when there is an undercurrent of boisterousness or a spirit of indifferent restlessness.

The organ music every morning does much to create a more spiritual atmosphere. But merely flooding the auditorium with beautiful sound can have no effect. The students must be listening and willing for the inspiration offered by the music.

Many have already expressed their appreciation of Miss Mockel's morning recital. It is always powerfully and beautifully played. Have you heard it?

## SPIRIT? CERTAINLY!

In the spring a young man's fancy and a young lady's fancy naturally turns to thoughts of the out-of-doors. But notice with what regularity the student appear for May Day rehearsals. This is an indication of two things: loyalty to the school, and whole-hearted appreciation for the director, Mrs. McConagha.

## SHARPSVILLE FREIGHT

### CABOOSE DRIPPINGS

Local statisticians are trying to figure out just how much tobacco has not been chewed since Shaffer took the garboon from his barber shop.

Students are quite riled over the fact that the college has chapel but five times a week. The complaint is that they want that half hour of sleep on Saturday as well as any other day.

After continued research of several months, we have to report that the local post office is a joint next door to the bank that contains three Republicans.

"What's all those new augers in the local hardware store windows for?"

"Ignorant, they're the new corn borers that have just been introduced for the farmers."

"Oh, thanks. I thought the movement against the corn borer was the government sponsoring of a new kind of court plaster. My corns always were such a bore."

The co-educators prayer asks that the Sharpsville railroad doesn't enforce the "no trespassing on railroad property" rule.

### Jes' Settle It fo' Yo'self

It 'peaks to me nobody 'd want  
To 'git things in sich shape,  
'Dat dey would try deir bes' to prove  
Deir gran'pa was a ape.

An' yet some folks is jes' dat way;  
Dey "sputes de Bible word  
An' acts like dey knows mo' 'erbout  
Creation dan de Lo'd.

Dey claims de Lo'd didn' create folks  
Deys 'volved fum apes, dey say  
An' eve'ything we see gwine on  
Jes' happened to be dat way.

Now huccom folks done come fum  
apes

I sho, would like to know;  
An' if some apeses turned to folks  
Why didn't dey all do so?

De bestes way dat I can see  
To settle dis heah case  
Let dem what says deys kin to apes  
Be classed among dat race.

De Lo'd sho made all cullud folks  
An' neahly all de white—  
But dem what says dey's kin to apes.  
It may be dey am right.

Dey oughter know dey own kinfolks  
If anybody do,  
An' so we'll let dem think deir way  
I 'spec dat's best', don't you.

knows not.

A Sophomore is one—  
Who knows not and knows not  
that he knows not.

A Junior is one—  
Who knows but knows not that  
he knows.

A Senior is one—  
Who knows and knows that he  
knows—Exchange.

## WESTMINSTER MEN'S GLEE CLUB HOME CONCERT

Under the direction of Miss Jessie L. Mockel, the Men's Glee Club of the College will present a varied program for its home concert on this coming Friday night, April 22, at 8:15 in the Community House.

Miss Elizabeth Glover, Reader, and Mr. John Loudon, Violinist, will be the assistants. From among the twenty-six men of this organization there has been secured a sextet of stringed instruments, and the double quartet will appear for the third time within two weeks.

Admission is fifty cents, and the proceeds are to be added to the Library Fund. The Club has arranged to go on tour next week.

## LITERARY CORNER

LITERARY CORNER  
TOMORROW MORNINGBy Anne Parrish  
(Harper & Brothers)

When Joseph Montgomery Green asked Kate Star to marry him, Kate was on the verge of what all her friends referred to as "her art career." The most promising student in the art school, Kate nevertheless gave up everything for Joe. The marriage was a great success even though Joe did not earn very much. He had a way with life, had Joe: When the family's finances were at the lowest ebb, Joe would make the most extravagant purchases, arrange a party, or refit Kate's studio so that she might recommence her artistic career tomorrow morning.

Kate found life precarious, but she was very happy. Little Joe was born. Big Joe began to talk of a "year in Italy," of the best place to build their new home. And then the blow fell that sank the fortunes of the Greens, of Aunt Sarah and poor Carrie Pyne.

But life went on in spite of disaster and Kate found herself once more looking forward to tomorrow morning. Her whole heart centered in her son and she dreamed of an indefinite life together, happy and contented.

In this novel Anne Parrish has done with infinite tenderness and truth the story of a family such as we all know from personal experience. It is a happy, hopeful family in spite of its disasters and it is always expecting to begin life afresh, to realize all the old dreams, "Tomorrow morning." There are laughter and happiness here and all the thousand and one absurd things—funny relatives, solemn and comic friends, social comedies.

"Tomorrow Morning" is a story of a mother and son.

Told in a way which made "The Perennial Bachelor" one of the most beloved books of the past year.

## LOOKING BACKWARD

As It Was By H. T. Reminiscences of the wife of a well-known poet who was killed in the Great War. J. Middleton Murry calls it a "memorable story \* \* \* of a love that was as utterly candid as it was utterly innocent." (Harper)

"Master" and Men. By J. B. Booth A piquant record of "the roaring nineties" of England as reflected in John Corlett's popular sheet "The Sporting Times," better known in those days as "The Pink 'Un." (Stokes)

Behind the Scenes with a Newspaper Man. by E. J. Stackpole. Amusing and valuable recollection of men and measures, political events and public reactions. (Lippincott)

## The Poet's Corner

The Second Conning Tower Book. Edited by F. P. A. A collection of the best verse published in "The Conning Tower" of the New York World during 1926. (Macy-Masius)

HOLCAD AND ARGO  
REGULATIONS ANNOUNCED

(Continued from Page 1)  
continue from April 1 of his junior year to April 1 of his senior year as editor-in-chief.

4. The three unsuccessful candidates in the contest for the editorship shall be given an opportunity to continue as associate editors during their senior year. Two (2) hours credit may be given to each of these senior associate editors. These three senior associate editors together with the four junior associate editors shall constitute the associate editorial board. Departmental editors shall be appointed by the editor-in-chief from the three senior associate editors. This appointment shall be subject to the approval of the faculty committee on publications.

5. The business manager shall be appointed by the faculty committee

She-Shanties. By A. P. Herbert. Author of "Laughing Anne." Deliciously humorous light verse celebrating the eternal feminine. (Doubleday)

Pandango. By Stanley Vestal. Ballads of the frontier that are founded on facts of history. (Houghton)

Fine Clothes to the Jew. By Langston Hughes. Author of "The Weary Blues." Poems interpreting the so-called lower-class negroes in America. (Knopf)

Red Flag. By Lola Ridge. A new volume of poems by a discriminating writer. (Viking Press)

Potpourri at Dusk. By Joanna Jungell. Verse for the firelight. (Dorance)

## "THE KING'S HENCHMAN"

Simultaneous with the opening of "The King's Henchman" by the Metropolitan Opera Company on January 17 was the publication of Edna St. Vincent Millay's lyric drama of that title by Harper & Brothers. Because of the unusual interest attached to the Millay and Deems Taylor production, the first edition of "The King's Henchman" was of exceptional value as a collector's item. Besides the regular edition published on the 18th, there was a limited autographed edition out on the 16th: 31 copies on Japan vellum, for \$25, and 150 copies on Tuscan hand-made paper, \$10. Thomas Hardy said, not long ago, that there were two and only two great things in the United States: the poetry of Edna St. Vincent Millay and our "recessional buildings."

## CHRISTOPHER WARD

## EXPLAINS TITLE

The title of Christopher Ward's just-published novel, "Starling," is derived from Lawrence Sterne's "Sentimental Journey." Mr. Ward explains: "One of its most famous passages—or, at least, formerly most famous, for I fear the book itself is little read now—concerns a Starling, which the Sentimental Traveller found in a cage in his hotel in Paris, beating its breast against the bars and crying 'I can't get out—I can't get out.' To the traveller the bird's captivity becomes a symbol of all captivities, all slaveries."

## BEST STORIES OF MARY E. WILKINS

"Best Stories of Mary E. Wilkins," selected by Henry Wysham Lanier has written an informative introduction and has supplied complete bibliographical data covering all of her books. The twenty-five stories which Mr. Lanier has chosen for this volume range from "A Humble Romance" and "The Revolt of Mother" to such a technically modern story as "The Gospel According to Joan." Harpers say that almost everyone who seeks to make an anthology of short stories reaches out for Mary E. Wilkins; so they decided to publish an anthology of her own. ant business managers.

on publications from the four assistant managers shall be appointed by the faculty committee on April 1 of their sophomore year on the basis of actual work done from April 1 of their freshman year. These assistant managers shall assist in securing advertisements, in circulating the paper, and shall help the business manager in whatever manner he sees fit.

## C. Further regulations:

1. The editor-in-chief shall have supervision and control of the editorial end of the paper; shall make assignments; and shall appoint issue editors.

2. Each of the associate editors, shall be appointed to act as issue editor at least five times during his junior year.

3. Each reporter must cover all assignments given him by the editor-in-chief, and in addition shall be appointed assistant issue editor at

least three times during his sophomore year.

4. The editor-in-chief shall keep a marked file indicating the authorship of each article in every number of the paper. In consideration of the work done by the editor-in-chief, a credit of three hours may be given in the Department of English upon the recommendation of the faculty committee on publications.

5. Arrangements for the publication of the Holcad shall be made by the faculty.

6. The faculty committee on publications shall have authority to interpret, modify, or revise these rules at any time.

## Argo Regulations

1. The ARGO shall be edited and published by a staff consisting of juniors in good standing. The staff shall consist of an editor-in-chief who shall be in complete charge of editorial, art, and business matters concerned with the yearbook. He shall be assisted by the following staff members: one associate editor; eight assistant editors, who shall have charge of chronology, athletics, features, and general writeups; an art staff of four members; a business manager; two assistant business managers; an advertising manager; and two assistant advertising managers.

2. The manner of choosing the members of the staff shall be as follows: During the period of the preparation of the material for any issue of the ARGO, members of the freshman class shall be allowed to compete for places on the auxiliary staff. At the end of the year, not more than fifteen freshmen who have competed shall be appointed to act as an auxiliary editorial staff during their sophomore year. At this same time, not more than ten freshmen who have competed shall be appointed to act as an auxiliary business staff during their sophomore year. Appointments shall be made by the editorial staff and the business staff in charge of the ARGO for the current year. The editorial staff for the junior year shall be elected by members of the sophomore class from the membership of the auxiliary staff. At the same time, the business board shall be elected by members of the sophomore class from the membership of the auxiliary business staff. Such elections shall take place near the end of the sophomore year. All recommendations must be passed upon by the faculty committee before they are submitted to the class for election.

### JUNIOR PLAY

Don't forget the Junior play "Second Childhood" tonight at the Community House at 8:15. Tickets 75c.

### HOLCAD

Holcad meeting Wednesday, 1:20 p. m. in the Holcad Laboratory. More positions will be assigned, in accordance with the work done.

### MEN'S GLEE CLUB

Men's Glee Club recital Friday evening in the Community House at 8:15.

### SUNRISE EASTER SERVICE NEW COLLEGE TRADITION

At seven o'clock on Easter morning the members of the two Bible Classes joined in a sunrise prayer meeting on the lawn at the side of the Conservatory. Herman King, President of the Men's Bible Class, and Mary McGeoch, President of the Women's Bible Class, presided.

The meeting was very beautifully opened with a cornet solo—"The Holy City"—played from the Thompson house by Janet McClure. Prayers, the reading of the Easter story, and a vocal number by Isabel McConagha followed. Various phases of Easter, its hope, significance, and power, were discussed by Dorothy Nevin, Edward Anderson, Helen Hastings, and Samuel Coleman. Cora Williams read "The Legend of Saint Freda," after which John Loudon played a violin solo. "Christ's Inter-

cessary Prayer" was read, and Dr. Ann Thompson acted as pianist.

Easter morning could not have been commemorated more beautifully than it was in that service. The freshness of the morning and the inspiration of the program made Easter real, and the students and faculty extend their appreciation to those who made the service possible. A sunrise prayer meeting is an innovation for Westminster, but it is our hope that it may become one of our most treasured traditions.

### HERE AND THERE

The average co-ed at Ohio State University has four dates a week. Out of one hundred cases examined, only six "house dates" were recorded.

Students at Northeastern University of Boston, who take two cuts in a course during a semester are required to sign in and out every day at the school office.

More than 6,000 women athletes can be accommodated in the Girls' Gymnasium of the University of California. The building has five floors, three swimming pools and various enclosed open air courts.

Miss Garnet Holman of Simpson College, Iowa, will be presented with a gold potato when she graduates in June, in recognition of having earned her way through four college years by peeling potatoes in the college dormitory.

The University of San Marcos of Lima, Peru, is the oldest institution of learning in the new world. It was founded under Pizarro in 1551.

Students working their way through school at Stanford University receive free text books from a loan library established by the alumni.

Freshmen rules for men students of the University of Pittsburgh have been abolished by a unanimous vote of the Student Council.

Upperclass girls of the University of Manitoba have passed a rule prohibiting freshmen girls from using cosmetics.

### WESTMINSTER 75 YEARS OLD TODAY

(Continued from Page 1)

With Dr. Ferguson's retirement in 1906 came Dr. Robert McWatty Russell, who until 1915, when he retired, was recognized as peculiarly able, zealous, and scholarly.

Westminster was lead through the trying days of the World War and into the new era of the present by Dr. W. Charles Wallace, who this year completes 11 years of service in advancing the institution.

In this Diamond Jubilee year of Westminster's history, the Robert Audley Browne dormitory for men, funds for which were subscribed by citizens of New Castle, will be built. The tragic destruction of "Old Main" has altered other building plans somewhat, but the board of trustees have decided to build the approximate site of Old Main, a structure which will serve the traditional functions: chapel, recitation halls, and college offices. Both buildings will be started within a few weeks, so that the years ahead will mean continued progress.

### Y. M. C. A. FORUM HELD WEDNESDAY

Last Wednesday night's Y. M. C. A. meeting was in the contour of a forum; following the installation of the newly appointed cabinet. President Donald McClure outlined the duty and asked the co-operation of the members of the cabinet to their posts of office. Those serving on the cabinet for the approaching year are: Clyde Meyers, H. R. Ellis, W. J. McQuiston, J. M. Guthrie, W. H. Knox, J. H. Williams, Sam Coleman, Robert Fry, Ed Anderson, Alex McNaugher, Wilbur Baldinger, Paul Campbell, Jim Wrigley, Herman King, George Vogel, Fred Mussman, Bill Turnbull, and Harry Welsh.

Criticisms, praise, and helpful suggestions constituted and attitude of the forum. Vice-president, Orvil Mirtz; secretary, Wesley Rose, and treasurer, Francis McDowell each gave a short talk pledging his faithfulness to his position.

McQuiston Made  
'29 Argo EditorCOLEY ELECTED  
ASSOCIATE EDITORSophomores Select Other Members  
For Staff

James McQuiston will head the staff of next year's Argo as editor-in-chief of the college annual. His appointment was decided at the election held by the sophomores on Thursday afternoon. Phyllis Coley was chosen associate editor. McQuiston is president of his class and has taken a prominent part in numerous college activities. Phyllis Coley is well known for her ability in the girls' basketball and debating teams.

The other members chosen for the staff are:

Assistant editors—Margaret Adams, Elizabeth Edeburn, Ross Ellis, Francis Lechner, Margaret Lennig, Irving Mansell, Helene Winters, and Dorothy Wray.

Art staff—Howard Wetzel, Harriet Jolley, Margaret Sampson, and Margaret Young.

Business manager—Henry Brenne-man. Assistants—Howard Hamer and Delbert Smith.

Advertising manager—Ernest Griggs. Assistants—John Cameron and Byers King.

The Argo editors will be aided by these members of the auxiliary board appointed last week:

Editorial and Art staffs—Douglas Anderson, Bradley Evans, Wilson Botsford, Gordon Mack, Henry Wet-tich, Eric Groezinger, Katherine Dick, Martha McMurray, Margaret Reed, Gladys Nord, Jean Boyd, Mary Hatsings, Elizabeth Ralston, Fred Mussman, and Katherine Boobyer.

Business and advertising staffs—James Blackwood, James Littell, Harry Welsh, William Hazlett, and Kenneth Dyer.

TENNIS TEAM TO  
MEET PITT FRIDAY

Pointing to the match with Pitt this Friday, the Blue and White tennis squad yesterday began its final practice grind. The men who will be representatives of the Blue and White net combination at Pitt have not as yet been chosen but the probability is that they will be taken from the following aspirants: Cap't McDowell, Clark, Shaffer, Robinson, Herriott, Mansell and Gibson.

Pitt's 1927 net combination lines up even more formidable than those of former seasons. It will be exactly the same team as last year, composed of Byron Baur, Dave and John O'Laughlin, and Jim Fauler.

The complete 1927 schedule as arranged by Graduate Manager A. A. McDonald follows:

Date	Opponent	Place
April 29	U. of Pitts. at Pittsburgh	
May 6	Duquesne at Pittsburgh	
May 7	Bethany At Bethany	
May 14	Bthany At Home	
May 18	Geneva At Home	
May 21	U. of Pitts. At Home	
May 25	Geneva At Beaver Falls	
June 6	Duquesne At Home	
June 8	Alumni At Home	

**Insuavity Above Gallantry**  
McGILL—"Ill-Mannered Beggars" is the new club which has been just formed at McGill University for the purpose of enforcing the wearing of hats in the buildings at the University.

HOME CONCERT BY  
MEN'S GLEE CLUB  
PRAISED BY AUDIENCESpring Tour of Organization Started  
Yesterday

On the evening of April 22 the men's Glee Club of Westminster gave, in the Community House, an interesting program in which the double quartet, the string sextet, Mr. John Loudon, violinist, and Miss Elizabeth Glover, reader, participated. The audience expressed its appreciation by demanding a number of encores, showing special enjoyment of the Glee Club's reneading of Morning and Sea Fever, the latter a delightful setting of John Masefield's fine poem.

Miss Glover, the reader, as well as the violinist, John Loudon, received encores. Miss Jessie Mockel, the director, is to be congratulated on the work of the Club. Lloyd Shaner, manager, is also a capable accompanist.

The spring tour, which was omitted last year, began yesterday, when the Club started on a three-day trip which will include the towns of Mars, Butler and Lisbon, Ohio. In Mars, last evening, the Club was the guest of the U. P. Church of which Reverend S. L. Loudon is pastor. Tonight's concert will be in the Second U. P. Church in Butler, of which the Reverend Samuel Gamble is pastor; and Wednesday evening the Club will appear in Lisbon in the church of the Reverend John Cameron. The income from the concerts will go toward the Library Fund.

DEBATE TEAMS HAVE  
SUCCESSFUL SEASON

Westminster has completed a most successful season of debate, winning three contests and losing three. The coaches, Dr. C. A. Dawson, Rr. E. B. Russell, and Professor C. W. McKee are to be congratulated for the splendid results of their work. The debaters in this popular indoor sport are also to be commended for their participation in upholding the Blue and White before the intelligentsia.

Resolved: That the United States should cancel the war debts owed to it by the allied nations, was the subject which the men's team debated.

The negative team won all the judges' decisions against Geneva, Bethany, and Waynesburg; while the affirmative team lost to Grove City, Bethany, and Waynesburg. However, in split-team debates with Washington and Jefferson college and with Western Reserve University, the Westminster affirmative debater aided greatly in swinging the popular decision for the affirmative.

Brown Bricker, Robert Ferguson and Samuel Colman represented Westminster in these forensic contests.

Robert Ferguson, Sam Colman, Wilson Botsford, Wallace Maxwell, and James Chambers composed the negative team. The last three alternated with one another in the debating of the negative team.

The affirmative team was composed of Brown Bricker, Howard Hamer, Thomas Mansell and C. Myers. The last two named alternated with one another in the affirmative debates.

**A College Bell-Hop Course**  
CLEVELAND—Western Reserve University is offering a course in owning and operating of hotels. This is similar to the course being given at Cornell.

New Publication  
Eagerly AwaitedSTUDENTS URGED TO  
SUBSCRIBE NOW

If you like ice-cream . . . Glee Club trips, and other ways of wasting time, you should be interested in May 16 as the date of the WESTMINSTREL'S appearance. If you have a weakness for white cards . . .

Public Speaking . . . morning siestas . . . low D's . . .

may we suggest the WESTMINSTREL as an added chronic addiction. Beginning with May 16, Carl Campus decrees, every well-read man will include in his book-shelf, wash-stand, waste-basket or what have you, a copy of Banta's Greek Exchange, Baird's Manual, Elmer Gantry—and the WESTMINSTREL.

Since the last issue of the HOLCAD, things have progressed rather smoothly in the great plush and mahogany offices of the editorial board, running track of gymnasium. All but one or two of the fraternities and sororities on the campus have shown their interest in being represented in the WESTMINSTREL'S pages, and, possibly, the one or two who as yet have failed to respond will crash thru after all, for we shall be glad to take material up until Wednesday noon. Since last Tuesday, we have received quite a number of interesting things, including an intrepid expose' of "Elmer Gantry" done in the inimitable Grahamese, some banter and badinage from the facile pens of well-known campus clowns, and some highly readable and meritorious articles. Each contributor to the WESTMINSTREL will be recognized on the title-page of the magazine—which may help the examination marks go home.

Thru the action of the Faculty Committee on Publications, the college has contracted with the editorial board for 300 copies of the WESTMINSTREL, for circulatory and publicity purposes. This means that we are being taken seriously, and it gratifies us. However the administration with every liberality and courtesy, has met us more than halfway, and it is really up to the student body to make publication possible next year—this, by sending in one dollar for three copies of the issue, or 35c per. It would really be preferable if you would buy three copies in the first place, because we feel sure you will want to keep one, send one to the folks, and mail the other to the one-eyed aunt in Oskaloosa or the blonde at Tech.

May 16 . . . 35c per, three for \$1 . . . WESTMINSTREL . . . Thank you.

TAU KAPPA ALPHA  
TO INITIATE 7

The two years eligibility rule of the Tau Kappa Alpha has been changed to its former requirement of only one year.

On Friday evening of this week, the national debate fraternity will hold its initiation ceremony for the admission of Botsford, Maxwell, Chambers, Myers, Mansell, Hamer, and Colman.

The Tau Kappa Alpha sponsored the Freshman-Sophomore debate which was won by the Sophomore class.

"SECOND CHILDHOOD"  
JUNIOR PLAY SCORES  
HIT HERE TUESDAYArgo Benefit A Financial And  
Artistic Success

The junior class play, "Second Childhood," which was presented in the Community House Tuesday, April 19, was received by a record audience. There was not only a large crowd present to see the dramatic event of the year, but there was also enough applause and hilarity to show that the play will be talked of for many days to come as "a howling success." It was a success financially as well as artistically, \$175 being taken in.

The whole play was acted so well and showed such admirable coaching that it is hard to pick out the stars. Don McClure, Bill Maxwell, and Lib Carnes made their audience believe that they had really grown old, while the younger members of the play carried off their parts equally well.

The entire school is grateful to the junior actors and to Prof. Gettmann who coached the play, for an evening of delightful humor.

PITT PLAYERS IN  
NEW CASTLE FRIDAY

More than 60 University of Pittsburgh men will present the twentieth annual production of the Cap and Gown club, "Miss Mannequin," at the Scottish Rite auditorium, New Castle, Friday, April 29.

Following the musical comedy, an intercollegiate ball will be held in the spacious dancing room of the Cathedral.

Invitations have been extended to all colleges in western Pennsylvania to attend the performance. It is expected that it will be one of the largest gatherings of college students and alumni ever held in New Castle. The ballroom will be decorated in college colors.

DICKSON APPOINTED  
HOLCAD MANAGER

Byers King and John Cameron, New Assistants

**King and Cameron New Assistants**  
The faculty committee on publications announced recently that George Dickson has been appointed business manager of the HOLCAD.

At the same time it was announced that Byers King and John Cameron had been appointed assistant business managers. They will serve until next April.

NAME KELSO AS  
FRAT PRESIDENTTau Gamma Delta Elects Officers  
For Year

The annual election of the Tau Gamma Delta journalistic fraternity, held last Thursday, resulted in the choice of Dan Kelso as president, Leland Cooper, secretary, and George Dickson as treasurer.

The retiring officers are: Bill Thomas; president, Joe Dickson, secretary; and Frank Moretti, treasurer. Graduating members of the fraternity are: Paul Jones, Robert Ferguson, Brown Bricker, William Wilt, Joe Dickson, Bill Thomas and Frank Moretti.

The men remaining to carry on the work are: Kelso, Cooper, Dickson, Swisher, Williams, McKelvey, and Bovard.

R. X. Graham, of the college faculty, is advisor.

Girls' Glee Club  
On Spring TourCONCERTS GIVEN  
IN FOUR PLACESDr. Wallace Speaks At Shadyside  
Appearance

Last Tuesday afternoon Dr. Bellinger, Miss Kagy, and twenty-five young ladies of the Women's Glee Club started on the annual concert tour, going by special coach to Coraopolis, where they were met by cars and taken to various homes.

Tuesday evening the Club gave its concert in the First United Presbyterian Church of Coraopolis, and on Wednesday sang at the chapel service of the local High School. At Carnegie Wednesday evening, the Club was entertained at the Y. W. C. A. and at the homes of members of the United Presbyterian Church, where the second concert was given. On Thursday they proceeded to the Shadyside Church in Pittsburgh, the scene of the final concert.

Dr. Wallace surprised the Glee Club by his presence at Shadyside, where during the intermission, he spoke concerning the Diamond Jubilee year and referred to the fact that Dr. Vincent, pastor of the Shadyside United Presbyterian Church, is the grandson of the first president of Westminster Collegiate Institute founded seventy-five years ago. Dr. Wallace also expressed his appreciation of the conduct of the faculty and student body of Westminster during the crisis connected with the burning of Old Main.

The concerts were all favorably received and Dr. Bellinger reports a very successful and delightful tour. The party consisted of Dr. Bellinger and Miss Kagy, together with the following young ladies:

Sopranos: Misses Lucy Altieri, Sara Campbell, Dolly Cassidy, Ruth Demler, Agnes Freeman, Ernestine Gleckler, Margaret Reed, Irene Hoover, Agnes Keach, Jane Macrum, Kathryn Wylie, Sue Bryson.

Altos: Misses Hazel Brush, Janet Elias, Elizabeth Ferrall, Mary Harry, Theda Hartwell, Muriel Irons, Mildred Somerlade, Elizabeth Jones, Mettie Round, Lillian Wright, Mary Thorpe, and Jane McKow.

SPRING GRID DRILL  
BEGINS YESTERDAY

Westminster's varsity football candidates went through the first day of outdoor spring training at the college field, yesterday afternoon, under the tutelage of Coach Dwight Beede and Assistant-coach John Lawther.

The intensive spring practice will cover a period of one week and will be devoted mainly to general bodily conditioning, a review of the fundamentals of football, and signal practice.

Members of last year's varsity squad were given their equipment, as were a number of likely looking new men.

Kicking, passing, running through the line, and a dummy practice featured this spring's first football practice session.

**Exit Exams**  
PHILADELPHIA—All examinations at Temple University have been abolished. The psychology department has declared them antiquated and inaccurate.

## WHAT ABOUT TENNIS TOURNAMENTS?

Last semester's tennis tournament, though unfinished, served a good purpose. Excellent tennis players were discovered among the freshman girls. Weather conditions last year made it impossible to complete the tournament. As a result, the champion was not decided upon.

Let's have a tournament this spring, and finish it. A capable junior girl could be put in charge of it, under the direction of Mr. Coleman. She could arrange for the elimination matches and see that the schedule was closely followed.

This tournament would give an opportunity for the interested girls to gain additional points toward a letter. Mr. Coleman is keeping an account of the girls who have taken an active part in basketball and swimming. Next year these points will decide the winners of the coveted emblem.

Plans will need to be completed soon, before the boy's varsity teams are in constant need of both courts. Mr. McDonald is arranging a schedule which will provide for use of the courts by the girls, but the frequent May Day rehearsals will soon interfere with a successful tournament, if plans are not made quickly.

## HISTORY: WORSHIPERS AND MAKERS

Westminster has passed her seventy-fifth milestone. She is now on the road to an even greater future. We are, however, apt to forget the needs of the present in our worship of the past.

Westminster, which we love, has a long and interesting history and is rich in traditions. We would not have it otherwise. The marvelous sacrifices of early days, when men and women of those times ventured the forward look, have been a source of inspiration to us. May we never forget them. It is, however, more important to make history than it is to remember it; it is more important to originate traditions than it is to inherit them.

We naturally think of humble beginnings seventy-five years ago, but we cannot stop there; we must look forward to greater and larger and more pretentious things, not handed to us, but of which we shall form a part and in which we shall have a part. We are not content to have patrons and benefactors (though we need all we have and many more), but we are determined to be patrons and benefactors.

Westminster has many needs. She needs, more than anything else, the whole-hearted support of students and alumni and friends. She must not go into the future handicapped; for the future holds much in store for the little college that has been true to the past.

## WESTMINSTREL

Activities centering around the publication of another official student publication, the Westminstrel, are looked upon with favor by the HOLCAD. There has long been a place for a publication of literary and amusing character on the campus, and we are glad to see that it has been started by students. But, speaking from the experience of Tau Gamma Delta in the publication of its parody number last year, unless every student subscribes for at least one copy, the publication will die a natural death after the first issue. Will all those who have said that we need such a publication sign up for copies to insure its success in the future?

## N. Y. POST-ESSAYS SHOW INTELLIGENCE

NEW YORK, April 25—Randall E. Riley, Columbia 1930, last week was awarded the prize of \$100 offered by the NEW YORK EVENING POST for the best answer to the question: "Has the American Undergraduate a Post-War Neurosis?" Walter W. Marting, Princeton 1927, receives a second prize of \$50, and John H. McDill, Yale 1927, third prize, \$25.

Judges of the essays were Dr. A. A. Brill, nationally-known psychiatrist; Charles L. Guy, former Justice of the Supreme Court; and Dr. Frederick P. Robinson, president of the College of the City of New York.

Winners of \$10 awards are Robert Bruce, Princeton 1928; Lewis Hester, St. John's College; George Simpson, Cornell 1930; William Schoenfeld, Columbia 1930; Stanley F. Goldman, New York University 1930; Lewis M. Isaacs, Harvard 1928; Benjamin H. Larrabee, Yale 1928; R. C. Slaughter, Princeton 1928; Sheppard Siegel, Columbia 1929; Henry Pine, Syracuse 1929; Joseph A. Porcello, New York University 1928.

Miss Dorothy A. Grundy, New Jersey College for Women 1927; Max Dorn, C.C.N.Y.; Walter H. Brockmann, Columbia 1928; S. A. Switzer, Miami University; Howard S. Guttmann, St. Lawrence University 1929; Leo Courtine, C.C.N.Y. 1930; Howard Arons, Yale 1929; J. Raymond Levinson, Syracuse 1928; Hugh D. McClellan, Yale 1929.

Charles Svenson, Wisconsin 1930; Paul I. Trivers, Yale 1928; Aaron M. Stein, Princeton 1927; Herbert Bernenko, C. C. N. Y. 1928; R. A. Holliday, Yale 1929; William Hewitt Read, Princeton 1927; David Goldberg, Cornell 1928; Harold Pettey, Purdue University; Garvin Davenport, Cornell 1930; Edward J. Zuchorski, Columbia 1929.

According to Riley, first prize winner, the picture that has been painted of disillusioned youth seeking suicide as its ultimate resource is fanciful to the last degree. "The Press of late," he writes, "has dwelt upon what it terms a 'wave' of student suicides. A sincere alarm is evident as to whether or not the youth of the land, and in particular the supposedly choice part thereof in American college, is experiencing a reaction of pessimism and self-destruction.

"Some authorities, chiefly pedagogical or ministerial in nature, issue weighty judgment to the effect the 'wave' is the direct result of a 'flaming youth' period of modern history. The picture drawn is exceedingly depressing. Youth, worn out by illicit and high-powered pleasure, turns to the morbid philosopher for guidance. Thoroughly disillusioned by the latter, suicide becomes their ultimate resource.

"All this is fanciful to the last degree. College youths, after all, are only high school boys grown a little older, a little more assertive, but still only boys. Matriculation does not age the student, nor even perceptibly mature him. An observer concealed in a classroom would notice the same appreciation of a clever joke, the same indifference to an arid topic, the same attitude toward study that characterize all secondary schools. In the majority of cases studies are 'taken,' not 'pursued.' The dread of a 'snap' quiz, rather than a zestful interest in the subject, is the typical student obsession.

"It is primarily the theme-seeking director and best-sellers like the 'Plastic Age' which have built up the popular notion of college life. And from what source did this original erroneous idea derive? As usual, from the few notorious extremists. It does not seem to occur to some scenario writers that a few students actually cannot afford eight-cylinder sport models. A very few suffer the permanent deprivations of costly liquor!"

## LITERARY CORNER

## "The Early Worm"

by Robert Benchley  
(Henry Holt & Co.)

Robert Benchley's long awaited advice on New York's biggest problem, "How to Start a Supper Club" is about made public for the benefit of his many friends who are contemplating this important and hazardous undertaking. The following extract from his invaluable report is taken from "The Early Worm," which will be published this month:

"Now in the matter of dispensing alcoholic drinks a great deal of caution must be used. It is, as many of you know, against the law to sell liquor, a fast which complicates its sale and makes for considerable inconvenience. The authorities are more and more on the alert and consequently the risk of getting caught remains about the same. A night club proprietor cannot be too careful to whom he sells strong drinks. For instance, if a man in the uniform of chief of police, with gold braid and a sword, comes in with a friend who has a flag in his hand on which is written 'U. S. Revenue Service,' no drinks should be served to that table until it has been definitely ascertained that the men are 'all right.' As for regular patrons, always wait until they ask for liquor before serving it, as a lot of people have their own with them and don't like to be bothered by representatives of the house standing at their elbows every minute trying to get them to buy. The chief thing to find out about a man before you sell him any illicit beverage is whether or not he has got \$12. Once this is made sure, the thing is not so foolhardy."

## Overheard in a College Bookshop

Clarissa Fairchild Cushman, author of "The New Poor" just published by Harpers, reports the following conversation between two Co-eds and a salesman overheard at the Cornell College bookshop recently:

First Co-ed: "What you got in new books? Sumpen' to read, you know."

Salesman: "Well, 'The New Poor' is just out to-day."

First Co-ed: "Is it good?"

Salesman: "It's written by an Ithacan—the wife of Prof. Cushman."

First Co-ed: "Who's he?"

Third Co-ed: "Oh, he's a good egg."

First Co-ed: "Well, if we take it and we don't like it, can we bring it back?"

## How To Be Happy In Paris

(Without Being Ruined)

The latest addition to the guide books to Paris is published by Henry Holt and Company, and has the alluring title "HOW TO BE HAPPY IN PARIS, Without Being Ruined." The Sub-title, it might be said, refers to the pocketbook and not to morals (although morals do enter into it). This book is intended primarily for vacationists, and should prove a boon especially to American Legion visitors in Paris this coming fall. John Chancellor is the author.

## From an Apartment—

## Dweller's Window

"I looked from my window and the moon like a withered piece of yellow skin was in the sky. Suddenly it was even with that chimney over there, an unseen hand seemed to reach out and snatch it from the sky. Next there was a symphony of alarm clocks; yellow light bulbs swung in the windows like wagging tongues; puffy figures shambled past the windows, coughing and sleepy. This, then, is New York, I murmured."

An interview with Joseph Auslander, author of "Cyclops' Eye" by Mary Rennels in "Cleveland Topics."

## Wyndham Lewis' View of Shakespeare

Clayton Hamilton says that it is fascinating to find at last a scholarly book in which the great weight of the legend of Machiavelli is properly estimated in respect to Shakespeare. "The scholarly book" is "The Lion and the Fox," just published by Harpers. In it Wyndham Lewis establishes critically a new human identity for Shakespeare. The book is creating a great deal of discussion in England.

STUDENT SUICIDE WAVE  
OCCASIONS COLLEGE HUMOR

That at least one student of Columbia University in New York has accepted the latest suicide wave as a bit of humor is apparent by a sign which recently appeared attached to a gas tap in the corridor of Livingston Hall, one of the men's dormitories.

The placard is entitled a "Notice to Prospective Suicides," and begins by requesting the student who contemplates asphyxiating himself by that particular jet to remember the other fellow and not to flood the entire hall with gas.

"Keep your asphyxiation to yourself," it advises. "Don't impose upon unwilling guests. And kindly prearrange for the disposal of the body. It will be a nuisance lying about the hall." The notice continues in the same tone of sarcastic railery:

"In the interest of good form in this matter it is requested that you observe the following practices:

"1. Before popping off, obtain the works of at least three of the following authors. Leave them lying about your room. It makes a neat gesture—Schopenhauer, Voltaire, Nietzsche, the Bible (open it at Ecclesiastes), Remy de Gourmont, Jean Labor, Arthur Symonds and Omar Khayyam.

"2. Just before your demise visit three night clubs in rapid succession, whether you feel like it or not, and quarrel with the bouncer in each.

"3. Do not fail to leave a hastily scribbled note, such as: 'The world will have cooled down to 200 degrees below zero within a billion years. What then? All is vanity. Good-bye. I am sick of it all.' I have been a constant reader of the tabloid newspapers for two years and have nothing more to learn about life. 'A whale's throat is only four inches in diameter. Where is religion then? Farewell.' 'Oh, I am tired! So tired! So tired! So tired!'"

Students of the University of Southern California saved their Alma Mater approximately \$15,000 by working three hours a day for one week. The co-eds served meals to the men, who cleaned up the campus.

By order of the President, dogs have been banned from the campus of the University of California.

## GIRLS' DEBATE TEAM

## WINS THREE CONTESTS

## Lose Only One Debate During Season

The subject, Resolved, "That Congress should have the power to enact uniform marriage and divorce laws," was debated upon by the Girl Varsity debaters.

Their affirmative team split even, winning from West Virginia University by popular decision and losing by judges' decision 1-2. The negative team won both contests, defeating Marietta and Grove City.

The personnel of both teams consists of the following:  
Affirmative: Hazel Brush, June Schwartz, Evelyn Winger, Edith Round. Negative: Mary Sowerby, Carol Clark, Elizabeth McKnight, Florence Jenkin.

By participation in varsity debate the following girls are eligible for membership in Alpha Sigma Alpha: Schwartz, Round, Clark, and Jenkins. This sorority sponsors the annual, Freshman-Sophomore girls debate, which the Sophomores won.

## BUILDING COMMITTEE

## TO MEET NEXT WEEK

On Monday, May 2, the Robert Audley Browne Hall Building Committee will meet in Dr. Wallace's office to pass on the architects' plans of Westminster's new men's dormitory. This committee is composed of T. A. Gilkey, Senator George T. Weingartner, J. A. Chambers, R. E. English, H. T. Getty, and Reid Kennedy.

## DR. McLAUGHRY SPEAKS

## AT Y. W. C. A. MEETING

The weekly meeting of the Y. W. C. A. held in the Hillside parlor last Wednesday evening was led by Mary Stewart. Dr. McLaughry from the Overlook sanitarium gave a very interesting talk which, she said, had a text rather than a topic. She urged us to use this text for our motto and to remember her talk for it.

"Commit thy way unto the Lord, Trust in him and he will bring it to pass."

It was Dr. McLaughry's privilege to help found the Y. W. C. A. when it first came to Westminster, and we can truly say that it was our enjoyable privilege to listen to her Wednesday evening.

It was announced that the Eaglesmere elections would take place in the next meeting.

## PHI PI PHI NINE

## DEFEATS KAPS, 7-3

In an interesting pitchers' battle, the Phi Pi Phi Fraternity baseball team defeated the Kappa Phi Lambda here Tuesday afternoon by a score of 7-3. Wilt of the Phi PIs was invincible until the sixth when he got himself in a hole by a fielding error. Wilt of the Phi PIs struck out 10, while Garvin for the Kaps performed nearly as well fanning nine opponents.

The game was the first of the year for the Phi Pi team which was an unknown quantity, while the Kaps had already bagged two victories by defeating the T. U. O.'s and the Deltas.

### MANY VISITORS OVER WEEKEND

Charles Tarr, '26; Norman Shenk, ex '29; Ward Campbell, ex '29; Mildred Houk, ex '28; Mary Beatty, '26; Grace Jones, '26; Martha MacPherson, '26; Charles Wallace, '26; Joseph McFate, '26; Florence Polard, '26; William Patterson, ex '27; John B. Findley, '25; and Russell Byter, '26 visited in New Wilmington over the week end.

### CAMPUS COMMITTEE

The honor system for women is employed at Westminster. The Campus Committee consisting of representatives from each class has been chosen for next year. The newly elected chairman is Hazel Brush of Carnegie. Olive Hoffman is Vice-President; Eleanor Hunter, Librarian at the Hillside; Peg Adams, Secretary; and Mary Reed, House-President. The other members of the committee are: Isabel Campbell of Youngstown, Lorene Garloch of North Girard, Jane Gorton of Connellsville, Helene Winters of Coraopolis, Carol Clark of Johnsbury, Mary Alice Hasting of Bradford, Gladys Zeigler of Evans City, Anne Montgomery of Sewickley, Kathryn Boobyer of Pittsburgh, and Cora Williams of Pittsburgh.

### MORE VISITORS

Eleanor Gamble and Irma Sutton of the class of '26 were visitors of the Chi Omega fraternity over the week end.

### WESTMINSTER BANQUET AT SHARON, MAY 3

Alumni and former students of Westminster college residing in this vicinity, will hold their annual banquet on Tuesday, May 3, at the Sharon United Presbyterian church. Prof. W. D. Gamble, president of the Mercer County Westminster Alumni association, is arranging a pleasing program.

### Y. W. DRIVE SUCCESS

#### Two Thirds Of Budget Pledged

On Wednesday, April 23, the Y. W. C. A. held a special meeting in the church for the purpose of starting their drive. Money was needed for the following purposes:

National Assessment	\$150.00
Eagles Mere delegates	100.00
Who's Who	25.00
Hand books	50.00
Conferences	50.00
Social service	25.00
Socials	75.00
Miscellaneous, (printing, flowers, etc.)	50.00
<b>Total</b>	<b>\$525.00</b>

For a week, the finance committee called for the dollars, so that when the drive ended, on April 20, there was paid \$173. Pledges amounted to \$160, and are to be paid by June. This will make a total of \$333. The other \$192 will be raised by means of sandwich sales and a play next year, so that, on the whole, the drive has proved successful.

### When Are We Grown Up?

CORNELL—A club has been formed by the fathers of a group of Cornell University students to establish closer contact between parents and undergraduates. Delegations from the club will visit the boys at intervals and report their observations to the body.

### DR. DAWSON CONDUCTS PRIVATE EUROPEAN TOUR

Dr. Dawson is conducting a private party on a tour through England, Scotland, Wales, Belgium, Holland, Germany, Switzerland, and France this summer.

This tour will certainly be a most wonderful one as well as educational and the rate is exceptionally low, \$675 ship and ashore. The party will sail on the Cunard steamer, "Caledonia," on June 18 and at present consists of: Mrs. Dawson, and the Misses Ethel M. Rose, Anne Rice, Ruth E. Wallace, Florence H. McLane, Martha Murphy, and Ellen Ramtree.

### NEWS NOTES

#### ATTEND CONCERT

Prexy Wallace, Dean Freeman, Graduate Manager McDonald, and Professors Lutz and Graham will be in Butler tonight at the concert given by the Men's Glee Club.

#### HOLCAD MEETING

All members of the HOLCAD editorial board are requested to be present at the board meeting at 1:20 tomorrow afternoon.

#### ARGO MEETING

EDITORS AND MANAGERS OF THE newly-elected 1929 ARGO board will meet in the United Presbyterian Church at 1:30 on Thursday.

### We Were All Born Equal.

HARVARD—Harvard University students are to have a new dormitory hotel called the Varsity, privately owned and operated, to be erected at a cost approaching \$400,000. The new building will have elevators, showers in each suite, and all the trimmings. Porters and servants will be at the service of the occupants, and maids and bellboys will be available at all times.

Spring Football  
Training EndsTHIRTY-ONE MEN REPORT  
FOR EARLY GRID  
TACTICS

After a week of intensive drill, Westminster's gridiron aspirants brought their spring practice sessions to a close with a hard scrimmage last Saturday morning. Coach Dwight Beebe and Assistant Coach John Lawther both seemed satisfied with the weeks training.

The Blue and White pigskin chasers benefited much from the drilling in the arts of the fall sport. The daily practice routine consisted of setting-up exercises, football fundamentals, signal practice, and scrimmage.

Following is a list of the 31 men who engaged in the spring training: Ayers, Baird, Bowen, Brown, Campbell, Cannor, Collins, Crowell, Delahunty, Dombroski, Elers, Freed, Hall, Herriott, Kelly, Lauder, Lewis, Mussman, McCullough, Phillips, D. Smith, J. Smith, Sweet, Wagner, and Wrigley.

In addition to the above mentioned gridgers, two men from Meadville: Benninghoff and Hoover; two men from Youngstown: Machin and Ricci; and Geible from Oakmont accepted invitations to participate in the spring workout.

## EAGLESMERE DELEGATES

## CHOSEN BY Y. W.

"Eaglesmere"! Every Westminster girl thrills to that magic name. Last year's convention delegates endeavored to explain on Wednesday evening just what comprises the charm of Eaglesmere. Muriel Irons told about the "atmosphere," that elusive thing which the Y. W. officers have succeeded so well in bringing to our own organization. Helen McConaghy continued the program with a description of "What the Place Looked Like."

The other topics were: "Sports," Phillis Coley; "Speakers," Margaret McFate; "Purpose," Elizabeth McKnight; and "Organization," Helen Davidson.

New delegates for this summer's conference were elected by the Y. W. members. The following girls will represent Westminster at Eaglesmere: Cora Williams, Emma Ochiltree, Elizabeth Ralston, Margaret Adams, and Mary Sowerby.

WOMEN'S TENNIS  
STARTS THIS WEEK

Fourteen girls have signed up for the tennis tournament, which will probably start this week. Of the fourteen, four are sophomores and ten are freshmen. No juniors or seniors have entered. Cora Williams has charge of the arrangements, and Mr. Coleman has offered his assistance in any way in which he may be needed. If the tournament starts this week as expected, Westminster will, within a very short time, produce her woman's tennis champion.

## PREVENTING HAZY IDEAS

WEST POINT—Four senior cadets of West Point have recently been suspended for hazing freshmen. This is the first enforcement of discipline in four years for this offense.

STUDENTS VISIT  
PHIPPS CONSERVATORY

Under the supervision of Dr. Bert E. Quick, head of the Biology Department, eight students spent Friday afternoon and Saturday in Pittsburgh, where they visited the Phipps Conservatory in Schenley park and the Carnegie Museum. In the latter, most of the time was spent with the zoological and paleontological exhibits.

Those who took the trip were: Mildred Lawson, Anna Monroe, Olive Hoffman, Virginia McCormick, Harry Newell, Herman King, John Lewis and Ed Riedl.

Y. M. CABINET  
HOLDS DINNER

Last Tuesday evening the Y. M. C. A. cabinet enjoyed a well planned dinner in the Neshannock hotel. The dinner was an innovation and proved to be very successful, 19 members of the cabinet attending.

Dr. W. Charles Wallace spoke on "the place of the cabinet on the campus." Dr. R. J. Love, faculty advisor of the organization, and also, a graduate of Westminster, told of the difficulties of organizing a similar society during his college days. Joseph Dickson, the retiring president, and President Donald McClure each gave a short talk, reviewing the past year, as well as the prospects for the future.

Orvil Mirtz, vice-president of the "Y", presided at the regular Wednesday evening meeting. "Where Do We Go From Here?" was the subject. After a short introductory speech from the chair, an open forum discussion was in vogue and some valuable suggestions for future betterment were cited.

The following men were elected as the staff of the "Y" handbook: S. Colman, Editor; W. Rose, Business Manager; P. Campbell, Assistant Business manager.

TAU GAMMA DELTA  
PETITIONS NATIONAL

Tau Gamma Delta, local honorary journalism fraternity, is petitioning Pi Delta Epsilon, national fraternity, for a charter.

The local group, composed of the active journalists on the campus, is preparing a petition to be presented at the national convention at Ohio State in September.

Neighboring colleges having chapters of Pi Delta Epsilon are: Allegheny, Carnegie Tech, and Washington and Jefferson.

In all probability a national officer will visit the campus soon on an inspection trip.

## "ELMER GANTRY" SCORES

PROVIDENCE, R. I.—A recent agitation by the City authorities of Providence to ban the widely discussed book, "Elmer Gantry," has been frowned upon by the president of Brown University. He declared that he would not lend his aid to the movement as it was contrary to the principles advanced by Roger Williams and other founders of the State of Rhode Island.

## GIRLS PREPARE FOR FUTURE

PITTSBURGH, PA.—The Carnegie Tartan has just announced that the annual Girls' Sweepstakes race will be a roller skate race. All good girls should report for practice, thereby gaining confidence in their ability to handle trying situations in the future.

Men's Glee Club  
Has Fine TripMARS, BUTLER AND LISBON  
CHURCHES AND HIGH  
SCHOOLS ARE VISITED

From all indications, the Spring Tour of the Westminster College Men's Glee Club was a complete success.

The trip took the men from New Wilmington to Mars where they played before a capacity crowd in the United Presbyterian Church. The place was crowded to the extent that it was necessary to open the Sunday School rooms. The members of the Glee Club were banqueted at the church before the performance.

JESSIE MOCKEL  
DIRECTOR MEN'S GLEE CLUB

The next step was to Butler where the concert was given in the second United Presbyterian Church of that city. As in Mars, the main auditorium was filled and the use of the Sunday School room was resorted to. At this town the men really hit their stride and the whole affair went very well. The result was that the Glee Club was asked to sing at the Butler High School the next morning.

From Butler the route lead to Lisbon, Ohio, by way of New Castle and Youngstown.

In Lisbon the entire club was again banqueted, this time at the Hostetter Hotel. They then sang at 8:15 o'clock in the United Presbyterian Church. At this concert Miss Kagy of the School of Music favored the audience with a group of violin solos.

(Continued on Page 4)

WESTMINSTREL TO  
APPEAR MAY 16

Were you standing alone on the corner? Didn't you have a single lesson to study? Were you in a tantrum, or were you merely waiting for the Volant trolley car?

All these perplexing problems will be solved if you buy a copy of the Westminster. It will be on sale, Monday, May 16. Yes, Clarissa, you may buy more than one copy if you wish.

## ANKLE YARDAGE AGAIN

COLORADO—The women students at the University of Colorado have adopted the ankle length of dress again. It is estimated that more than 805 of the women at the last school party wore long dresses.

TAU KAPPA ALPHA  
BANQUETS AT INN

The annual dinner of the Tau Kappa Alpha was held at College Inn, Friday, April 29. All business was postponed to a later date.

Dr. Dawson reviewed the recent debating season and congratulated the men on their successes. President Wallace commented on the loyal spirit of the organization. After the burning of "Old Main," the proposed southern trip was postponed and it was then decided to turn the balance in the treasury at the end of the year over to the college.

RACQUETEERS TO  
MEET FOES SOON

With the postponement of the Pitt match, the Blue and White net combination now points to the most important matches of the season. Duquesne and Bethany offer the competition for the Patterson-coached combine in this week end's trip.

The Duquesne racqueteers are being rated as a real Tri-state conference threat and shape up as the acid test to the Westminster netmen. Little trouble is expected from the Bison quint if the threat on the bluff is successfully averted. With the surprisingly good form being shown by Clark and Shaffer it is expected that the McDowell men will sail through the season to a third straight Tri-state conference championship.

A novel feature of this week's matches will be the introduction of the new conference five-singles rule. This rule endeavors to eliminate the possibility of a tie match by having seven matches, five singles and two doubles played.

ARGO TO APPEAR  
WEDNESDAY MAY 25

Editor-in-chief Williams announced yesterday that the 1928 ARGO will be ready for distribution on May 25.

The general theme of the book is the atmosphere and style of 1852, the date of the founding of the College.

A beautiful blue cover with silver designs is representative of the art work and illustrations throughout the book.

The humorous section of the book, containing pictures of the various fraternity houses with clever write-ups for the groups, a play by Will Shakespeare and his Westminster apprentice, and other humorous slants, will provoke much mirth.

## Marks of Distinction

RUTGERS—The Student Council of Rutgers University, New Brunswick, N. J., has proposed a ruling whereby only Juniors and Seniors may wear mustaches, and restricting the use of blazers to the Seniors.

## A Fruitful Sermon

COLORADO—In auration of Adam and Eve day was made at the University of Colorado when the chaplain, after preaching on the significance of the apple in the lives of Adam and Eve, gave each student an apple as he filed out.

## The College Speaks

NEW YORK—Over fifteen hundred students of Columbia University, Barnard College, and associated graduate schools have signed a petition to be submitted to President Coolidge for the withdrawal of United States troops from Nicaragua.

School Boy Meet  
Attracts CrowdMONACA ATHLETE IS  
PROTESTED BY  
BEAVER

Bulletin—As the Holcad goes to press, official reports indicate that Karcis, Monaca discus man, has been declared ineligible. Thus Beaver High School is winner of the meet.

New Castle and Beaver High Track Teams waged a hard fought battle here last Saturday afternoon for the Track honors of Beaver, Butler, Lawrence and Mercer counties. The meet which furnished many thrilling finishes and required experienced handling, was capably conducted by college officials.

Although New Castle was declared the winner with 32½ points to Beaver's 30%, still there is a possibility that Beaver may be awarded the meet. Beaver officials protested the right of Karcis of Monaca to participate, who won the discus throw over Netherland and Fulton of Beaver. Should Beaver be awarded first and second in this event, they would receive sufficient points to turn the results of the meet in their favor. Westminster officials will investigate the status of Karcis.

The order of the finish was: New Castle 32½, Beaver 30%, Monaca 12, Sharon 11, Sharpsville 8%, New Wilmington 7, Rochester and Freedom 5, Woodlawn 3½, and Butler 2.

Individual honors were won by "Baldy" McGrath of New Castle with 11 points. McGrath took two firsts and a third, breaking his own record of 17.4 seconds. His last year's mark was 18. Smith, the colored flash from New Castle, finished second with 10 points. A new track record was set by Hoffmaster of New Castle in the mile run of 4:52, lowering the old time 4 seconds. In the broad jump, Auchler of Sharpsville set a new record of 20 feet 10¼ inches.

The mile relay event was a real battle between Beaver and New Castle with the latter winning. The New Castle anchor man, Turk, with a handicap of nine yards overtook his opponent and won out handily in a surprise finish.

(Continued on Page 3)

PLANS COMPLETE  
FOR MAY DAY

The plans for May Day are progressing exceptionally well. The programs for that day are, at the present time, being printed. The dances under the student directors are all coming along fine. The costumes are being made rapidly. It will be necessary, however, to rent about ninety costumes. In general, preparations for the "big day" are completely under way.

STUDENTS VOTE FOR  
EASTERN STANDARD TIME

After hearing rumors that the college was soon to operate on fast time, the Holcad received votes from the fraternities and sororities on the campus.

The results of the voting show that there are approximately 300 students who favor Eastern Standard Time, while 30 are in favor of the fast or daylight savings regime.

## IT'S ABOUT TIME

Students who have worried about the new time rule which, it was intimated that the college administration was soon to adopt, may rest easier now. A direct rumor confirms the statement that at recent faculty meeting the proposition that the college would operate on fast time met with disapproval from the greater number of the faculty. Then too, as it is a matter for student forum action, one is able to foresee the ultimate resultant were such a measure considered by the forum by the vote given to the HOLCAD editorial staff from the fraternal organizations on the campus.

## CONGRATULATIONS, MISS MOCKEL

Much credit is due to Miss Jessie Mockel who directed the men's glee club this year. Miss Mockel, without previous experience, annexed some new fellows to the members of last years club—none of whom were individual stars—and welded together a glee club of which Westminster should be proud. The tour was a decided success. The auditoriums were packed at every appearance and many encores were necessary to fill the demands of the audiences. The credit for this splendid organization, and what they have accomplished, does not go to the school of music, to the head of any department in school, nor to the various members of any department, but to Miss Mockel alone, whose capable direction, leadership, and spirit of cooperation with the fellows in the club were responsible for the success of the organization.

## "CO-OP"

University of Kansas students are debating the advisability of starting a co-operative book store. They are soon to vote on the university campus.

It is not generally known that of the 150 representative college book stores located in 40 states, only 51 are privately owned. The remaining 99 have existed from five to over 20 years, "proof," according to some Kansas undergraduates, "that such enterprises can be operated economically."

A student committee at the University of Kansas discovered, last spring, that failures of college book stores are attributed almost solely to mismanagement. When success was attained, in nearly every case, it came through employment of an experienced, full-time manager working under the supervision of a board composed of faculty members and students, or else directly under the supervision of the college authorities.

In some cases profits in these stores were returned to purchasers on a pro rata basis, sometimes amounting to 15 per cent of a purchase. Other stores use the profits for athletic funds, scholarships, or library books.

One professor has expressed himself as extremely opposed to a student venture of this sort.—New Student.

## WHO DOES KNOW?

In musing upon the recent debating season one is impressed by the singular success of both teams. The average student does not appreciate the amount of time and effort which debating requires. As a reward for the work, a debater generally faces an audience in which his fellow students are conspicuous by their absence.

Perhaps a shortening of the speeches would remedy this condition. Who knows?

## THE WESTMINSTREL: AN EXPLANATION

Many students have raised questions concerning Westminster's newest publication—the Westminstrel. In order to explain all these questions the inquiring reporter has dug up some authentic facts.

The publication is an official college magazine, recognized by the faculty committee on publications.

It is not a fraternity publication, since contributors on the editorial board are affiliated with all organizations on the campus.

The so-called subscription price of one dollar for three copies has no reference to three issues. The one dollar is for three copies of the first issue.

If the publication is successful in its first issue, it is possible that it may appear four times next year. A regular subscription rate for the four numbers of next year will, in that case, be fixed next fall.

One dollar will buy three copies of the first issue: one for the archives of your own room, one for the rejuvenated grand aunt in McKeesport, and one for the high school friend in Volant.

May 16 is the date of publication.

Italy and Hungary have ratified a treaty of friendship, but the friendship is not thought to extend to the rest of Europe.

## "WESTMINSTREL MEN"

WE hope you feel free to visit our store any time and look around all you please. We'll try to make it pleasant for you, with no urging to have you buy.

TELEPHONE NO. 11

Any industrial worker  
who moves things by  
hand is doing work that  
Electricity can do for  
about 2 cents an hour

You will find this monogram on all kinds of electric equipment. It is a symbol of quality and a mark of service.

More than 60 per cent of the mechanical power used by American industry is applied through electric motors. But the electrification of the tasks performed by man power has hardly begun. Electric power not only saves dollars; it conserves human energy for better purposes and raises standards of living. College men and women may well consider how electricity can lessen the burdens of industry and of farm and home life.

**GENERAL ELECTRIC**  
GENERAL ELECTRIC COMPANY, SCHEMECTADY, NEW YORK

## LITERARY CORNER

**"ELMER GENTRY"**  
by Sinclair Lewis

If this book had to be judged solely on its literary merit, it almost certainly would not be rated very high. It is a social document, a spite tract, a propaganda essay.

The book is an attack, in the form of attempted fiction, on what cross-eyed Lewis might describe as commercialized religion. He makes the attack by the creation of a puppet figure, Elmer Gentry, who comprises within himself almost all the weaknesses of what few weak religious leaders there have been through the ages. At the same time, all the weaknesses of what few weak religious leaders there have been through the ages. At the same time, all the weaknesses of what few weak religious leaders there have been through the ages.

As in all his books, it is apparent that Lewis has spent a few months collecting data over the back fences of some scandal-mongering small town. He has attended a few ministerial meetings defied God to strike him dead, and otherwise bowed to the god of publicity and free advertising.

"Elmer Gentry" is all negative—the saints in the church are weak mystics, or poor little fellows easily crushed. It is not fair, not fine, not subtle, not clever, not art—nothing but the inexcusable money-grabbing sensationalism of a man who should know better, but doesn't.

**A NOVELIST'S FATHER  
READS HER BOOK**

Emanie Sachs says that her father didn't think it fair of her to tell so much of her heroine's private life as she has done in her just-published novel, "Red Damask." She adds that she cured him by making him read John Erskine's "Galahad."

**TO THE ROBIN**

Oh Robin, when we hear your notes  
So full of Springtime cheer,  
We wish that Spring would stay  
with us  
Throughout the whole, long year.

**BEAVER WINS TRACK MEET**  
(Continued From Page 1)

Due to the fact that Corbett of Beaver Falls admitted his ineligibility after finishing second in the 100 yards, Gething of Sharon was given second place and F. Clary of Sharpsville, third. Summary:

100 Yard Dash—Won by Smith, New Castle; Gething, Sharon, second; F. Clary, Sharpsville, third. Time :10%.

220 Yard Dash—Won by Smith, New Castle; Chantler, Beaver, second; Gething, Sharon, third. Time :23%.

440 Yard Run—Won by Linn, Beaver; Turk, New Castle, second; Campbell, New Castle and Smith, Woodlawn, tied for third. Time 55 flat.

Half Mile Run—Won by Moulton, Rochester; Berkman, Monaca, second; Buffington, Butler, third. Time 2:16%.

1 Mile Run—Won by Hoffmaster, New Castle; Hallisey, Woodlawn, second; Gregg, Butler, third. Time 4:52.

120 High Hurdles—Won by McGrath, New Castle; Carver, Beaver, second; Whitehill, Beaver, third. Time :17% sec.

220 Low Hurdles—Thomas, Sharon and Struthers, Beaver, tied for first; McGrath, New Castle, third. Time :27.6.

1 Mile Relay—Won by New Castle (Campbell, Mackey, Thomas, Turk); Beaver, second, (Linn, Chantler, Struthers, Netherlands); third, Butler. Time 3:42.8.

**Field Events**

Shot-put—Won by Cullen, Freedom; Karcis, Monaca, second; Boyd, Sharpsville, third. Distance 41 feet, 9% in.

Pole Vault—Hutchison, New Wilmington, and Netherlands, Beaver, tied for first; Dunlevey, Lally and Clary of Sharpsville, and Pusch and Whitehill of Beaver, tied for third. Height 10 feet 5 in.

Oh Robin, when we see your coat,  
A flash of Spring's bright hue,  
We wish that Spring would never go,  
But stay, along with you:

For Robin, you belong to Spring,  
You're like her in all ways;  
Your songs and color seem to go  
With Spring's bright, joyous days.

"The harbinger of Spring," they say,  
But her companion, too.  
For what would Springtime be for us  
If she did not bring you?

—Eleanor Graham

**ANNE PARRISH AND VACATIONS**

Anne Parrish, who has just returned from a three months' tour through South America, and whose novel "Tomorrow Morning" is a best-seller, says it's hard to settle down to work on the novel she had started before her departure. She says her mind is so rested that the mere thought of examining the linen closet for a possible stray moth seems too strenuous.

**WESTMINSTER PAY COLLECTION**

Among the 30 books now in the pay collection of the college library are: "Gandle Follows His Nose," a modern allegory by Heywood Brown; "Where the Blue Begins," a symbolic classic by Christopher Morley; "Professor How Could You?" Harry Leon Wilson's scream producer; "Napoleon," the clever biography by Emil Ludwig; "Cousin Jane," another of Harry Leon Wilson's works; "One Little Man," a novel by Christopher Ward; "Galahad," by John Erskine; and many others.

Students who desire some weekend reading should consult the shelves of the pay collection each week. New books are added each month, and many of those already on the shelves are worth reading. The charge for withdrawal is five cents for a period of one week. The money thus collected is used to purchase new books.

Discus—Won by Karcis, Monaca; R. Netherlands, Beaver, second; Fulton, Beaver, third. Distance 111 feet, 2 inches.

High-jump—Won by Hamilton, Beaver; Hutchison, New Wilmington, second; Ewing, Beaver, third. Height 5 ft. 4% in.

Javelin—Won by McGrath, New Castle; Kraft, New Castle, second; Meller, Monaca, third. Distance 141 feet 2 inches.

Broad-jump—Won by Auchter, Sharpsville; Thomas, Sharon, second; Keats, Sharpsville, third. Distance 20 feet 10% in.

**Rhineland Style Adopted**

CORNELL—Students of Cornell University have adopted the caps of German collegians. The Studentenmuetzen, as the caps are called, are round topped, narrow visored, and have a variety of colors.

**HONOR SYSTEM OPTIONAL AT CHICAGO**

CHICAGO—Final examinations at the University of Chicago will from now on be conducted purely according to the honor system. Ninety per cent of the students in a class desiring to conduct the examination in this manner must file a petition at least two weeks before the examination, which must be approved by the school authorities. Students taking exams under these conditions must sign a pledge that they have neither given nor received aid in the examination.

**SPEED AND SEE**

THE CAMPUS COURT OHIO STATE—Ohio State University has instituted a University traffic court at which students who disobey campus traffic regulations are tried. President George W. Rightmire presides over the court.

The court is already functioning as one student has been deprived of his car for campus driving. Other penalties which can be imposed include suspension from the University.

## SHARPSVILLE FREIGHT

Now ladies and gents,  
Just listen to this;  
I'll tell a wee story  
Of romance and bliss.

It's oft been related by  
Prelates of old;  
That when spring comes around,  
The young man's heart is sold.  
There are no exceptions,  
The story relates:  
Twixt athletes, or sages,  
Dumbells or Phi Betes.

When the warm weather comes  
The young man's thots are of love;  
There's no hope for any,  
Not e'en from above.

Now fokes, here's the moral  
In this story of old;  
The man is misjudged in  
The facts that are told.  
For no matter what calling,  
Whether vaulter or sprinter,  
The man's thought turn in spring,  
To what the girl's think all winter.

The text used in the Education 2 classes in this institution says that all students should have a rest period about ten o'clock in the morning. Needless to say, all students—so it seems—in the 10 o'clock class are taking advantage of this splendid principle in modern education.

**LETTERS FROM A COLLEGE BOY  
TO HIS PRESIDENT**

Near, or about Ohio.

Dear Dock,

Hello, dock, jest that I'd pen you a short note, as there aint anything worthwhile down here to do. This glee club trip is sure the cannibals liver. We've hooked more stuff, and seen more people, and had more fun than there is in all New Wilmington and Pulaskie too, fer that matter. Say dock, its a good thing that we took only five fellows on the strings. You see, all the good U. P.'s are plumb sick and tired of all this sex literatooor and sech truk. They were sure sore when they saw there was a sextet listed on the programs. One old deacon with chin whiskers and no hairs at all on his bean jumped up and yelled, "Stringed sex tet eh? wal by gorry we'll string 'em." When they saw there was jest five of crew, they drew in their horns thinkin thet our conscience had begin to hurtin us. So much fer thet—Ridin the cussed trolleys was about as hot os the showers the track men get now when they come down from a stiff work out. A nifty idear we had was to have the leader of the gang of us, Dean of the Conservatory, to interluee us all—she called out our names jest like was done a few days ago in chapel, only she didn say nuthin about our marks—which was wiser and healthier.

toodlie-due dock,  
Carren Warmer

The day of the  
Stage robber has gone  
Quotes the book on  
Modern crime.

The guy who wrote  
That will change his mind,  
If he dates a chorus  
—Girl some time.

One sure thing that book of college life that will be illustrated with cuts that College Humor has been running in every issue since the war with Mexico wont be written about Westminster.

It is rumored that the local post office employees are starting a movement to get the students to elevate their scholastic standing so there will be less local mail to handle.

## CHAPEL BELLS

The newly elected officers of the Chi Omega fraternity for next year are: President, Nora French; Vice-president, Ruth Moore; Secretary, Ellen Styche; and Treasurer, Margaret Sampson.

Women students are reminded that all money for dormitory reservations for the next college year must be paid by May 10. The fee is ten dollars.

All members of the Holcad Staff are urged to attend the meeting of the staff, Wednesday at 1:30 p. m. The meeting is important and all members should be present.

Miss Margaret Newel of Sharon spent the week end at the Thompson House.

Miss Mary Sowerby spent the week end in Sharon.

**CO-EDS LOSE ATTRACTION**  
**DICKINSON**—It seems that students at Dickinson are reverting to the primitive to gratify their amorous instincts. It has been discovered that letters have been written to Carlisle women by students, indicating a desire for Indian maidens in preference to the pale-face co-ed.

**BUTTONS SEWED ON FREE**  
**KNOXVILLE, TENN.**—Recent information from Knoxville College states that the Dressmaking Department is making a fine showing this year. This department is a unique one in college curricula, but will probably be encouraged by future husbands. Send your girl to Knoxville!

**STUDENTS DECIDE NOT TO DIE**  
**NEW YORK**—The University of New York has organized an Anti-Suicide Club to study the recent developments in the student crime wave that has recently swept the country. An attempt will be made to discover motives for the suicides, and a possible cure for them.

### GLEE CLUB TRIP DECLARED SUCCESS

(Continued From Page 1)

The next morning the men sang and played for the students of Lisbon High School. This ended the tour and the entire group returned to New Wilmington that afternoon.

The features presented by the Glee Club were the string quintet, which was accepted with enthusiasm by all who heard it, and the double quartet which sang very well. The quintet received numerous encores, and their snappy tunes put the audiences in better mind to receive the other numbers presented by the Glee Club. The Double Quartet was also received very favorably, and they gave several good numbers.

The other features were the violin solos by John Loudon, and the readings by Miss Betty Glover.

The success of the trip, and of the fine singing by the Glee Club is in many ways due to the work of Miss Mockel, whose efforts made the tour possible.

The following men made the trip: Tenors—Norton, S. Porter, E. Knox, Crowell, Sweet, Trevaskis, Harmody, R. Vance, H. King, Wrigley, Brush, Basses—D. Anderson, L. Cassidy, W. Baldinger, Braham, Loudon, Cooper, Dickson, Fithian, Swisher, Evans, Turnbull, Groezinger, Guthrie. Accompanist—L. Shaner.

At last we have the television, or the facility of seeing the person who is talking to us at the other end of the telephone line. This system is going to be embarrassing for the fellow who calls his wife up at 11 o'clock P. M. and tells her he has been detained by a lot of work at the office.

## Sophomores Win Class Track Meet

### HUTCHISON STARS BY SCORING TOTAL OF 30

With a one man track team, the Sophomores carried off first place in the interclass track meet held here last Saturday afternoon. Hutchison a second year man turned the trick by scoring 30 points for his team.

The final score was, Sophomores 67, Freshmen 25, Juniors 25, and Seniors 17. There was never any doubt as to the ultimate winner as the Sophs lead all the way.

Some of the events showed very good time. Delehanty ran the 120 High Hurdles in 16.6 seconds. Rose ran off the two mile run in 10:50 which was good time, and he also ran the mile in 4:54. Hutchison and Delehanty showed their ability by tying in the polevault at 10ft. 4 inches. The results follow:

100 Yard Dash.  
Hartwell, sophs, 1st; Berry seniors, second; Rose, sophs, third. Time 11.3 sec.

220 Yard run  
Berry, Senior, 1st; Hutchison, Sophs, second; R. Bucher, juniors, third. Time 56 seconds.

880 Yard Run.  
Allen, soph, first; Turvo, freshmen, second; McClure, Juniors, third. Time 2:13.

1 Mile run.  
Rose, sophs, first; Crowell, freshmen, second; Williams, sophs, third. Time 4:54.

2 Mile Run.  
Rose, Sophs, first; Myers, Freshmen, second; King, sophs, third. Time 10:50.

120 High Hurdles.  
Delehanty, freshmen, first; Hutchison, sophs, second; Brown, seniors, third. Time 16.6 seconds.

220 Low hurdles.  
Hutchison, sophs, first; Delehanty, freshman, second; Hartwell, sophs, third. Time 28.7 seconds.

### PHI PI PHI NINE DEFATS DELTS, T. U. O.

The Phi PIs won their second fraternity league ball game Wednesday afternoon defeating the T. U. O.'s 15 to 4. The game was played on even terms for five innings, but in the sixth are Phi Pis bunched five hits which netted them six runs. They were, however, aided by the poor support of the T. U. O. infield.

The T. U. O.'s used four pitchers; of the four, Jack Vance was probably the most effective, although he retired in the third inning. Brown pitched well for the Phi Pis, yielding ten hits but keeping them pretty well scattered.

Continuing their winning streak the Phi Pis took another game in the baseball league last Friday from the Delts 8 to 7.

Lewis of the Delts pitched a fine game holding the Phi Pis well in check for six innings, but his successor Lauder was not so effective as he allowed four runs in the seventh inning which put the game on ice for the Phi Pis.

#### CITING THE BLIND

WASHINGTON—Due to the inefficiency of the blind date system, a dating bureau has been established at the University of Washington.

### WESTMINSTREL OUT NEXT MONDAY

As Leonardo Da Vinci, chief of police in Wampum, would say—"The Westminster will be out on Monday and the editorial board will be out on Tuesday." No, Reginald, not out of money—out of town!

But, seriously, the newest of Westminster's publications, trimmed with stream-lined tomatoes in colors, will make a hit when it appears. It is printed in English—which will facilitate matters somewhat—and nothing, not even the new municipal lighting project, is spared.

Solicitors for subscriptions will dog you during the week. Really, Alphonse, you should help the boys out—not that they need it, but just as one good Elk would treat another!

### MEMORIAL BOOKLET IS WORK OF ART

"Old Main" Memorial booklet, a beautiful piece of printing on deckled-edge old Stratmore book paper, appeared on the campus last week. In it can be found floor plans and architect's drawings of the new building.

Next week's issue of the HOLCAD will contain a picture of the new building together with a description.

### ARGO, PROOFS SENT TO PRINTER

Proofs have been corrected for the 1928 ARGO, according to Halden Williams, editor-in-chief.

Printing of the book will go forward in the plant of the Ziegler Printing Co., of Butler this week.

In all probability, copies of the annual will be distributed about May 20.

"IRON DUKE" McDOWELL,  
CAPTAIN, VARSITY TENNIS

### HARTWELL BREAKS WORLD'S RECORD

Bill Hartwell, varsity speed demon, victor over Butler of Geneva two years ago, knocked the world for a loop here last week when he slowly ambled 100 yards in 9½ seconds—according to the stop watch on the grade crossing.

Clever things, these stop watches!

### YALE FOLLOWS WESTMINSTER STYLES

YALE—Underclassmen of Yale University are demanding that the student council allow them to go hatless on the campus. At that, it is probably cheaper than buying new ones every month or so after each successive swelling.

JAMES W. COLEMAN, VARSITY TRACK COACH WHO LEADS HIS PROTEGES AGAINST TECH ON FRIDAY.

## Track Team To Meet Tech Friday

Just like Old Dutch Cleaner is unlucky for dirt, Westminster boosters hope next Friday the thirteenth will be unlucky for the Carnegie Tech track team. On that afternoon Coleman's zephyr chasers travel to Tech to meet the Plaid track team. An even break for victory is conceded.

In Saturday's encounter with Geneva, the Plaid team came away a poor second. The score was 95-42. Tech placed first in only three events, the high jump, pole vault, and broad jump. The marks hung up in these three events by Tech men have been bettered on the present Blue and White squad. However, in the hurdles, weight events and dashes the tech men were in fast company. The marks made in these events possibly were better than those of the local athletes for the same entries.

It must also be conceded that Geneva has an exceptionally good team for a class B school, whereas Tech, although in "A" ranking, does not boast of an exceptionally fast team.

A fair estimate of a Westminster ranking in tri-state track circles can be gained from Friday's results.

### W. B. HENDERSON VISITS CAMPUS

Mr. William M. Henderson of Pittsburgh, Pa., a member of the Board of Trustees and a Westminster student in '87 and '88, was the guest of Dr. Wallace here last Wednesday. With Mr. Reid Kennedy, '89, chairman of the Diamond Jubilee Committee, he was an interested visitor on the campus.

### WOMEN'S GLEE CLUB MAKES COLLEGE GIFT

Last Tuesday the Westminster Women's Glee Club, through Dr. Bellinger, presented a gift of \$133.29, the net receipts of the Spring tour, to the Replacement Fund of the College.

Lost Cords Carried By Freshies  
MONTREAL, CANADA—Freshmen at McGill University are required to carry song books to classes, and are not permitted to speak to upper classmen.

### GIRLS DRESS UP FOR SPRING HOP

#### Y. W. C. A. Semi-Man Dance

#### Proves Enjoyable

The annual borrowed clothes Westminster dance, given under the auspices of the Y. W. C. A. for the women of the college, was held in the gym last Wednesday evening.

The doorkeeper did not seem at all particular as to who should attend this fete for there were many types of people present. There were seen among the crowd, which was for the most part well-dressed, several bowery characters and even two gibbering dandelion pickers.

The music furnished by an accomplished orchestra was very excellent and between dances other entertainment was given. Margaret Ochiltree sang several songs, Gladys Nord gave a musical reading, and a version of the "Black Bottom" was demonstrated by Skip Loehner and Peg McFate. There was also a prize walk of which Miss Lewis and Miss Hemple were the winners through elimination.

Then delicious refreshments were served, and all dispersed to the dorms at a preposterously late hour having fully enjoyed the evening.

### ALPHA SIGMA ALPHA TO BANQUET PLEDGES

Any observant person upon the campus may have noticed four girls signally decorated with large card board emblems, representing the seal of the Westminster women's forensic sorority. These four girls—Carol Clark, June Swartz, Florence Jenkins, and Edith Round were pledged by Alpha Sigma Alpha on Friday afternoon. Membership in this organization is granted on the basis of creditable participation in varsity debate.

In accordance with past procedure the sorority is banqueting the pledges at Sunny Crest Inn on Tuesday evening at 6:15 p. m. Other guests of the sorority will be Dr. Wallace, Mrs. Wallace, Mrs. Robertson, Mrs. McConagha and Mr. Vance.

### SAYING IT WITHOUT FLOWERS

MINNESOTA—The senior prom committee at the University of Minnesota decided in favor of "no flowers" for the coming prom.

## Tennis Team Wins In Conference

### RACQUETEERS SHOW FORM IN BLUFF MATCH

Upsetting the dope, the Blue and White net team fought their way to a 4-3 win over the highly touted racqueteers on the Bluff, Friday May 6. The defeat of the Duke netmen marked the initial contest of the year for coach Patterson's proteges, Clark and McDowell starred for the Westminster team in the singles and the doubles team, Shaffer flashed the best form.

As the net combination on the Bluff was rated as this year's Tri-state champions, their defeat, at the hands of the McDowell men practically assures the hope of a third Blue and White Tri-state Conference championship. The summaries of Friday match follows:

Singles—Clark, Westminster, defeated Sullivan, Duquesne, 6-4, 1-6, 6-2; Creighton, Duquesne, defeated Shaffer, Westminster, 6-4, 5-7, 6-4; McDowell, Westminster, defeated Colodi, Duquesne, 6-4, 6-4; Phillipot, Duquesne, defeated Gibson, Westminster, 6-4, 6-4; Okla. Duquesne, defeated Robinson, Westminster, 7-5, 2-6, 8-6.

Doubles—Clark and Shaffer, Westminster defeated Sullivan and Phillipot, 3-6, 7-5, 7-5; McDowell and Gibson, Westminster, defeated Oklo and Creighton, Duquesne, 2-6, 6-2, 6-4.

#### BETHANY GAME

After nosing out the highly touted Duquesne tennis team, the Blue and White team completely overwhelmed the Bethany aggregation, 7-0.

This match witnessed the comeback of Shaffer, Robinson and Gibson who lost in the Duquesne fracas. Shaffer particularly hit his stride in defeating Kirby of Bethany. The day before, he had difficulty in finding the space between the net and the base line. Against Kirby, his placements delighted the tennis audience.

Clark continued his hard stroking both from the baseline and at the net. The same tactics which upset the hope of Duquesne in Friday's contest.

The ease with which the Bethany team was overcome is shown by the fact that in the seven matches, each match lasted only two sets apiece. The fourteen sets played being won by Westminster. The summary of the matches is as follows:

Clark defeated Ryan, 6-3, 8-6.  
Shaffer won from Kirby 6-2, 6-1.  
McDowell defeated Mutchler 6-1, 9-7.  
Gibson won from Runt 6-1, 6-2.  
Robinson defeated Cochran 9-7, 6-2.  
Clark and Shaffer won from Ryan and Mutchler 6-3, 6-1.  
McDowell and Gibson defeated Ward and Kirby 6-3, 6-2.

## THINK THIS OVER TOO

The HOLCAD in its present stage is undoubtedly a student publication with a great many more liberties than were formerly permitted. However, all colleges with alumni must be exceedingly careful with regards to the kind of matter presented to readers. Alumni are jealous—they think they know considerable, and in reality they are several years antiquated in their paternal ideas concerning just what their alma mater should or should not do. As it is, with the college's publishing the HOLCAD, the alumni, townspeople, faculty, congressman, ministers, and all the unmarried ladies in town must not have their pet pole-cats transgressed upon. Surely one little four page weekly college publication cannot cater to the vast number of human follies and still maintain its composure.

Of course, as long as the good runner HOLCAD is printed, published, and supervised by those who are officially responsible for the doings of our college, this situation cannot and will not be remedied.

All the news, or we should say, about all, is stale to the students. Every one knows it before its printed with perhaps the exception of the two or three alumni subscribers, so why not print a paper that would really interest those some five-hundred students as are depositing their money each semester for it. If the HOLCAD were published by the student body—as it is in many other schools, feature stories, editorials, and humorous material could be printed that would be at least interesting and entertaining.

## NEEDED ADVICE

Not long ago in Kansas City, Missouri, a certain minister issued a pamphlet to the members of his church. After hearing so many comments and criticisms on the college youths of the day, he formulated a new "ten commandments" for the "youth". This minister has here issued forth a plea to our elders for a little more tolerance and understanding on their part toward this younger generation.

"Thou shalt not charge that youth is more wicked today than in other generations," was the eighth commandment laid down by the pastor. "What other generations called 'spooning' he may call 'necking.' And about the same proportion of this generation indulges in this 'indoor sport' as hath indulged in it in other generations."

"He doeth in the automobile what another generations hath done in the buggy behind an horse; no more and no less," said Dr. Stidger.

It would be well if many such-ministers were found throughout the towns and colleges of our country. An ample understanding of youth as it is, and really exists, will do more good than all the blue laws and campus committee rules written since the time of Adam.

## THINK IT OVER

In the recent past, we have heard loud clamors by certain members of the student body for a greater degree of self government. It was intimated perhaps in these cries for more student government that the students were more capable in governing themselves than the faculty. One would naturally judge from this statement that the result would be a greater efficiency in the regulations concerning the students, were the said students to have a greater controlling power in their governing.

It appears in recent balloting among this student body, that such government would not be an advantage. If the students desire a greater amount of governing powers, they should bear in mind that they must manifest themselves capable of such, as we learned recently and officially. Plain dishonesty in balloting by organizations on our campus will never gain favor in the eyes of the college executives for greater student governing powers—nor will it established harmonious relations with the other active organizations on the campus.

## SHARPSVILLE FREIGHT

SCENE IN CAMPUS CARS  
Rodger—"Do you think Ellen is true to me?"

Allec—"Of course. Don't worry about that old man. F'r instance last nite she asked me not to kiss her on the lips for that was your favorite place."—Orphan.

"Forsooth, Petrulius, and which do your prefer, to be guillotined or boiled in oil?"

"Don't ax me."

—W. Va. Moonshine

Skeptical observer: Your backfield all seem pretty slow when it comes to totin' the pigskin."

Coach: (casually) "Yes, but what's time to a hog?" —Penn. Punch Bowl

"The girl I go with must have lots of personality."

"I like 'em fat too."—Red Cat.

"Though you belong to somebody else, to-night you belong to me," murmured the youth, smoothing the wrinkles out of the Tux.

—Bucklenn Belle Hop.

Algernon—"I say, my good man, will you drive me around town?"

Mon Bonne Homme—"Yeh, if I can get a harness to fit you."

To miss a kiss  
Is more amiss  
Than it would be  
To kiss a miss;  
Provided that  
The kiss you miss  
The miss herself  
Would never miss.  
But if you try  
To kiss a miss  
With whom a kiss  
Would be amiss  
You'd better always  
Miss the kiss. —Blue Baboon

Suggestion to government: Print all air mail postage stamps on fly paper. —Grinell Malteaser.

"Could you learn to love me?"

"Well, I learned to speak Polish." —Yale Record

Little Boy (running into the church): I don't see any rails.

Decorator: Rails for what?

Little Boy: Rails for the bride's train to run on. —Texas Ranger

ESSAY PRIZE OF  
\$150 ANNOUNCED

Albert and Charles Boni, publishers, announced yesterday that they are offering a prize for the best essay by a college student on "Springboard" by Robert Wolf.

The New York Times in reviewing this fine novel called it "the best college novel yet written by an American." The prize may be either an affirmation or a denial of this statement.

The essay should not be longer than 3,000 words, and must be submitted, marked "Springboard Prize Committee," before July 1.

Heywood Brown will act as judge, and his decision will be final.

The prize winner will be announced September 15, and awarded the prize of \$150.

Address all manuscripts to Albert and Charles Boni, 66 Fifth Avenue, New York.

## BIOLOGY AND PSYCHOLOGY

## Tisn't What You Know But...

An answer to the flood of question books has just been published by Harpers under the title, "Are You Intelligent?" The author, Howard W. Haggard, professor of applied physiology at Yale has compiled the book on the promise that although you may not know what Leonardo de Vinci's two most famous paintings are or who designed the Parthenon, you may still be intelligent—and vice versa. The tests in the book were suggested by those used in Prof. Haggard's department at Yale. In his preface, he makes the point that intelligence cannot be acquired, that it is hereditary.

## ENGLISH

## Contemporary Essays

"Grotesques," a book of contemporary essays by Mary Cass Canfield, was published by Harper & Brothers May 6. The arts, the theatre, literature, contemporary personalities are all included by Miss Canfield whose articles and essays are familiar to readers of Vogue, Vanity Fair, Harpers Bazaar, etc.

## ABOUT J. B. PRIESTLEY

J. B. Priestley, whose humorous mystery novel, "Adam In Moonshine," has just been published has a reputation in England as both essayist and critic, unusual in such a young man. He has had the honor of writing two volumes in the famous English Men of Letters series, and is one of the youngest contributors to that series. He was born in Yorkshire, in 1894, educated at Trinity

Hall, Cambridge. He served in the infantry during the war and was three times a casualty and commissioned from the ranks. He coached a short time at Cambridge, then became for some years literary adviser to the Bodley Head and contributor of essays and reviews to many periodicals.

## "DOES PROHIBITION WORK?"

Martha Bensley Bruere, author of "Does Prohibition Work?" published April 8, explains that she has not reached a conclusion in her book because there is no conclusion to reach. She says: "Any conclusion which would be an average between Keokuk and Boston would be a lie for both places. What we have discovered, however is the circumstances under which prohibition will work."

## THE VALUE OF ENGLISH

"They ought to have taught me more composition in school," said an engineer. To a manufacturer and a journalist. "A man cannot succeed in my profession unless he has had more than mere technical training; he can never forge ahead unless he knows how to put ideas on paper and how to put ideas into words when he stands on his feet before people. The biggest asset of an engineer is an ability in composition." "It's the same in my business," said the manufacturer. "The man who cannot express himself is lost. If my two boys can learn to write clearly and to speak to the point, I shall say that they have the right preparation for life."

Are two years of required English too much then?

## THE COLLEGE WORLD

## MY COLLEGE

My College should have Allston, Greenough, Bryant, Irving, Webster, Alcott, summoned for its domestic professors. And if I must send abroad (and, if we send for dancers and actors, why not at the same prices for scholars?), Carlyle, Hallam, Campbell, should come and read lectures on History, Poetry, Letters. I would bid my men come for the love of God and Man, promising them an open field and a boundless opportunity, and they should make their own terms. Then I would open my lecture-rooms to the wide nation; and they should pay, each man, a fee that should give my professor a remuneration fit and noble. Then I should see the lecture-room, the college, filled with life and hope. Students would come from afar; for who would not ride a hundred miles to hear some of these men giving his selectest thoughts to those who received them with joy? I should see living learning; the Muse once more in the eye and cheek of the youth.—Ralph Waldo Emerson.

## PROFESSORS

Mark Twain wrote something called "The Jumping Frog of Calaveras County." Use that as a homily of the educational idealism. The story goes that there were two men. One taught a frog to jump by touching him up behind and saying, "Flies, Dan!" The other man took a handful of birdshot and loaded him up with it. But he only succeeded in making the frog shrug his shoulders like a Frenchman. There are those two kinds of teachers. One taught us to jump by poking us and saying "Flies, Dan!" the other by filling us full of birdshot, but they succeeded only in making us shrug our shoulders like a Frenchman.—Robert Frost.

## OXFORD RULES

Rhodes scholars in the different colleges which make up Oxford University find themselves under strict rules that remind them of preparatory school. They must be within college walls by twelve o'clock every night. They must go to chapel. They are not supposed to play tennis or golf during the morning. There are rules against shooting pigeons or rolling hoops in the high street and against owning racing cars. Attendance at classes is not compulsory. Once a week the Oxford undergraduate calls for an hour on his tutor and reads a paper he has written, but this is the only required work. Lectures have a bad name at Oxford, and the man who attends too many is thought to be holding his nose to the grindstone. A severe penalty is incurred by students caught attending public dances. The latest is a law against going up in airplanes.—Journal of Education.

## ANOTHER CHANCE

Thomas Arlyle Clark, dean of men at the University of Illinois, and one of the best-informed men on college and fraternity affairs in the country, has made a list of things that he would do if he had to go through college again. Were Dean Clark to begin days anew, he would:

1. Develop concentration—work harder but not so long.
2. Learn to work while others are around.
3. Put more stress on learning how to get information than upon the information itself.
4. Find more difficult tasks to do.
5. Learn to speak in public.
6. Learn to play some athletic game.
7. Learn to do one line of work particularly well.
8. Get better acquainted with his instructors.
9. Take fewer courses which are strictly practical.
10. Have an avocation which would bring him into close touch with men.—John Hopkins News-Letter.

## R. C. LIFE SAVING EMBLEMS AWARDED

Five Westminster fellows have successfully passed the Senior Red Cross life-saving test. Each of these men has been awarded an emblem, a membership pin, and a certificate. The tests were given on Saturday afternoon by Jack Herbert, swimming instructor of the New Castle Y. M. C. A. and E. H. Geaza of the Ben Franklin Junior High.

This test is one which requires strength and great endurance. The contestant must have a thorough knowledge of methods to use for every emergency. He must be able to break three different strangle holds; separate two people locked in the front strangle hold and save or on to a float unassisted; recover lift the rescued person from the tank heavy objects from the bottom of the pool; float motionless for one minute, tread water for thirty seconds; and demonstrate for 1½ minutes the Shaefer Prone Pressure method of resuscitation; and pay a fee of \$1.00.

The five men who have fulfilled all these requirements are: Samuel Gibson, Thomas Herriott, Wallace Maxwell, John Rhorbaugh, and David Wallace.

Two girls, Dorothy Stunkard and Catherine McClure, expect to take the test sometime before the end of the term.

## THERE ARE WARS TO BE FOUGHT

WESLEYAN U.—A new course has been opened at Wesleyan University. This course deals with the causes and cures of war. Like other theories, it would probably vanish like the mist if subjected to an acid test.

## MARRYING FOR SCHOLARSHIP

MARSHALL—Study of statistics compiled at Marshall College indicates that marrying would scholastically aid the average college and university student.

Average grades of married students are 76 per cent higher than the average of the unmarried student body. Authorities say this tendency is reflected in reports from schools all over the country.

### PREXY KEPT BUSY

#### DURING THE WEEK

Dr. Wallace is certainly having a busy week! On May 12, he will attend the annual meeting of the Philadelphia Chapter of the Westminster Alumni Association at the home of Mr. Frank Shrader, Philadelphia, Pa. On May 13, he will attend the annual meeting of the College Presidents' Association of Pennsylvania, at Washington and Jefferson College.

### BUILDING COMMITTEE MEETS; ANNOUNCEMENTS SOON

Plans for the new buildings, though still indefinite, are rapidly reaching completion. There was a meeting of the building committee here Wednesday, May 4, and Dr. Wallace says that there will probably be definite plans to announce toward the end of the month.

### BRIDGE PARTY

Members of Phi Delta Chi sorority enjoyed a bridge party, Friday evening in Neshannock Hotel. Six tables of bridge were in play and prizes for success were awarded Misses Margaret Brickley and Muriel Irons. At a late hour a dainty lunch was served.

The committee for the party included Misses Margaret Adams, Frances Bleakley, Florence Jenkins, Margaret Guy and Clara McCready. Mrs. J. A. Swindler was a special guest.

### SORORITY ELECTION

At a recent meeting of Phi Delta Chi the following new officers were elected: Pres., Evelyn Winger; vice pres., Muriel Irons; recording sec., Anne Munroe; corresponding sec., Dorothy Hilderbrand, and treas., Mildred Lawson.

### GIRLS TENNIS PROGRESSING

Westminster will soon produce the girl champion tennis player of the school. The girls are busy playing off the preliminary matches. The winners of the matches played off so far are Ralston, Caldwell, Tebay, McClure, Williams, Davidson. It is hoped that the remaining matches may be played this week.

### TRACK TEAM SHOWS PROMISE

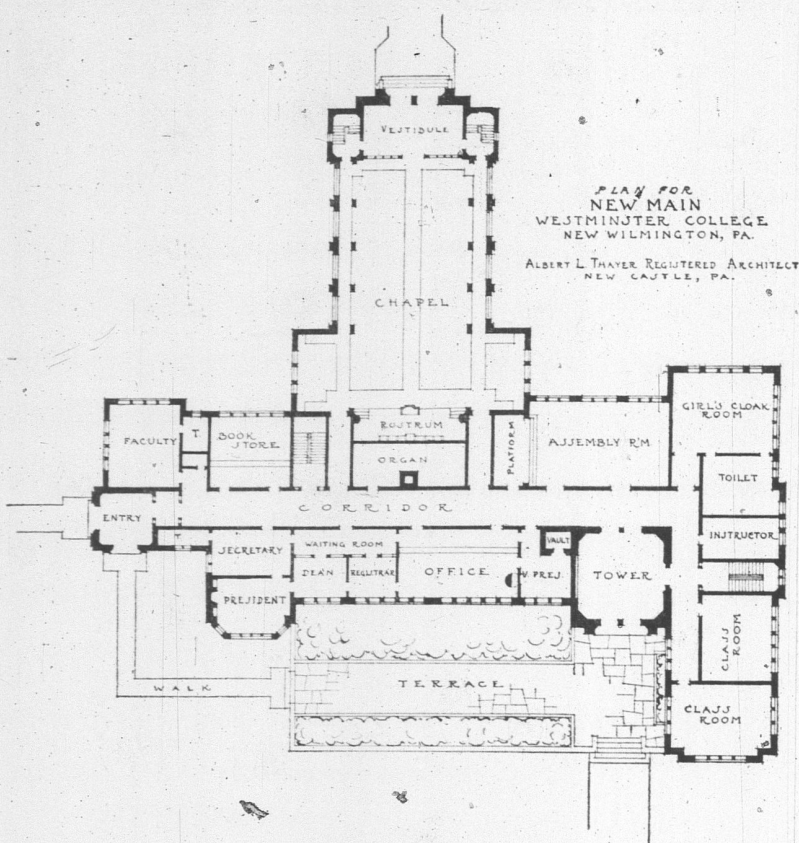

During the past week Coach Coleman has been putting his squad through try-outs in order to select the team that will meet Carnegie Tech on Friday. The Inter-Class meet on last Saturday gave the coach further dope on the ability of his men.

Wilt and Hartwell are knocking off the 100 and 220 on 10% and 23 seconds respectively. The squad is in need of a 440 runner at present.

In the distances Rose is leading in the mile and two mile, doing the former in 4:54 and the latter in 10:40. The coach is not satisfied with the showings in the half mile run.

Delahanty and Hutchison are both crossing the bar in the pole vault at 10ft. 5 in. Dely is also doing the high hurdles in 16.6. Brown is jumping 5ft. 5 in. in the high jump. Thomas in the broad jump is digging up the saw dust at 20 ft. 8 in.

In the weight events the squad is rather weak. Possibly later in the season the weight men with more practice will make a better showing. During the past week they have been handicapped by the loss of the shot and hammer.

PLAN OF THE NEW BUILDING

### COMMUNICATION

Last Thursday, according to those marked present on the chapel roll, there were about five hundred students at the forum. The ballots for cheer-leader numbered about twelve hundred.

If Westminster elections mean no more than a race to see which fraternities have the fastest writers, why have elections? Those who in the years to come are to be students at Westminster can hardly call college a "home of hallowed memories" if we leave memories of stuffed ballot boxes. When someone at the meeting Thursday asked for special ballots, someone else remarked that a thing would be questioning the honor of the student body. It would be doing that, and we hardly like the idea. And yet, have we not proved that the honor of the student body needs to be questioned? It is a sad state of affairs when we cannot trust ourselves.

### ANOTHER OFFENSIVE

#### OFFICER OUSTED

CARNEGIE—The student council of the Carnegie Institute of Technology recently removed from office, the Editor-in-chief of the Puppet, humorous college magazine, on the grounds of destructive attitude in editorial policy.

The exiled officer replies that editorial criticism was made only on those things that were considered a positive evil about the campus; and that the accusation is a deliberate blow at freedom of the press.

### EGGS

KNOXVILLE, TENN.—Knoxville College has found a new way to restrain and placate restless youth. A "Cackle Hunt," in which students hunt for eggs hidden about the campus, has been successfully inaugurated by the Y. W. C. A. at this institution.

### WHAT PRICE EDUCATION?

MORGANTOWN, W. VA.—Three students of the University of West Virginia face dismissal as a result of purchasing examination papers. They will, however, be allowed to remain if they disclose the names of the students who sold the papers.

### MOVIES, SATURDAY

"Bardelys, the Magnificent" will be shown in the Community House Saturday evening at 7:45. Admission 35c and 15c.—Adv.

## Annual Student Council Election Held Tuesday

FIVE FELLOWS AND  
NINE GIRLS ARE  
CHOSEN

On Tuesday, May 10, a special meeting of the Student Forum was called to order by Walter Wilkinson, the retiring president of the Student Council, and the meeting was then turned over to Orvil Mirtz who had been elected Temporary Chairman of the new Student Council.

The matter of a new election was brought up on the grounds that an unsatisfactory ballot had been cast in the previous election for Cheer Leader, and that the necessary number of candidate had not been voted for in the Student Council election. It was moved that these elections be declared void, and that a new vote be taken.

Much discussion followed this, and finally Mirtz resigned his office as president. Following this, all the other members of the newly elected council resigned their positions, and Wilkinson, the retiring president, again took the floor. He took this opportunity to resign his office, and left the meeting in the hands of Robert Ferguson, the vice president of the old Student Council.

Ferguson then called for nominations and the balloting was carried on. The results of the election were:

Senior members—Orvil Mirtz, Lorena Garloch, Francis McDowell, Harriet Jolley.

Junior members—Irving Mansell, Roy Vance, Phyllis Coley

Freshmen members—David Wallace, Cora Williams.

### WESTMINSTREL

Copies of the Westminstrel will be on sale tomorrow afternoon. Students desiring copies may buy them from representatives at the various dormitories and fraternity houses. Yes, they sell for 35 cents per—or three for a green certificate.

WILLIAM MAXWELL, '28

"Bill" has managed cross country and track teams at Westminster ever since Andy McDonald's classic half dollar has been the Tri-State hoodoo. He has come to be one of the fixtures on the Westminster managerial staff, and is this year's manager of varsity track.

Architect's drawing of "Old Main" Memorial building, work on which will be started some time next month. The building will be of collegiate Gothic style, made of local stone and trimmed with Indiana limestone. It will be most modern in equipment and appointment, and will house the college offices, chapel, and classrooms. The estimated cost is \$280,000.

### PITT RACQUETEERS TO MEET LOCALS

The Westminster racqueteers will receive the acid test when the stellar Pitt tennis team invades local territory next Saturday.

The Pitt line-up will include Bourne, J. O'Laughlin, Lawler, Gordon, Baur, and Westervelt,—practically the same aggregation that represented Pitt last year. Baur and O'Laughlin rank especially high, being rated as two of the outstanding stars of western Pennsylvania.

Westminster's tennis team has improved greatly since last year. Patterson's pennant pluckers having shown fine form in defeating Duquesne and Bethany. Pitt, on the other hand, has dropped matches to Ohio State, Penn U., and Bucknell.

Pre-game dope would seem to indicate that the local racquet wielders have at least a good fighting chance to avenge the overwhelming defeat handed them last year by the Pitt men. Yale defeated Pitt last Saturday 9-0.

### COMMENCEMENT AND Y.M.-Y.W. SPEAKERS ARE CHOSEN

The Commencement address this year will be given by Rev. Dr. Samuel Gamble, pastor of the Second United Presbyterian church of Butler. The Y. M. and Y. W. sermon on the Sabbath morning of Commencement week will be given by the Rev. Mr. John Hanley. Dr. Gamble was graduated from Westminster in 1901, and Mr. Hanley, in 1897. Mr. Hanley was one of Westminster's star athletes, being about the best 100 yard and 220 yard dash man that Westminster has ever had.

### HIGHER EDUCATION

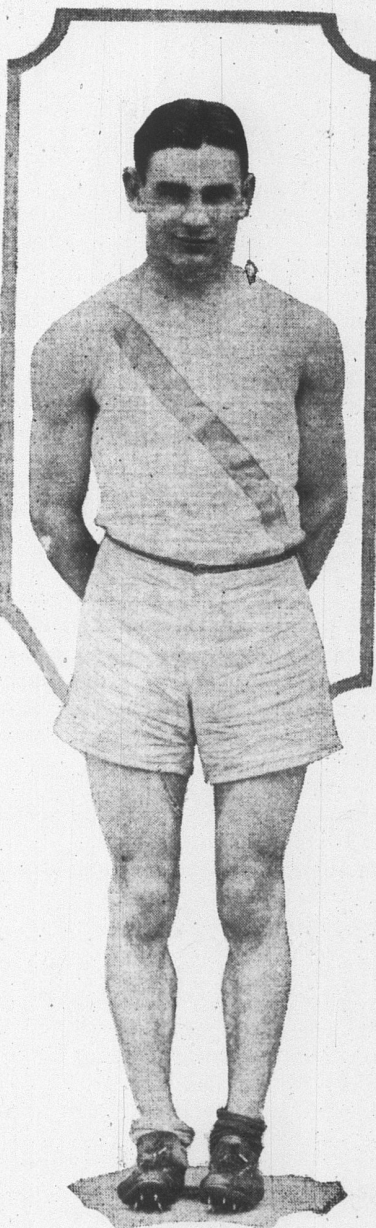

TEXAS—Students at the University of Texas will be offered a complete course in aeronautical engineering next term. The first two years' work will be similar to general engineering courses, but the final two years will be specialized aeronautical subjects.

### LIBERALISM REWARDED

IOWA—John D. Rockefeller has given the University of Iowa \$35,000 to finance a non-sectarian school of religion. Twelve thousand five hundred is to be used during each of the first two years, and \$10,000 during the third year.

### WEEKS CALENDAR

Tennis  
Geneva Away Wednesday  
Pitt Here Saturday  
Track  
Geneva Here Saturday

"TIM" WILT, '27

As captain of the varsity track team, "Tim" has shown that he is a versatile athlete. He is a sprinter, a hurdler, and a middle-distance runner. In the Tech meet Captain Wilt scored a third in the 100-yard event and a third in the 220-yard event.

### TRACK TEAM POINTS TO GENEVA MEET

Saturday, Bo McMillan's cohorts, enlisted from the south, west, and parts unknown, will meet coach Coleman's Blue and White track stars on the upper field. "Bo" and his tribe of "Bozos" wiped both Allegheny and Carnegie Tech off the tri-state track map in recent dual meets. With such a reputation, the scribes attribute an easy time to Geneva's proteges here Saturday.

However, as Pitt's tennis team sadly relates, the newspaper "dope" is not always the final judgement. And as shown in the Westminster-Tech meet, Coach Coleman has a wealth of material that soon promises to become an array of point-getters. With these potentialities in sight, the Blue and White fans do not attribute to "Bo's Bozos" their expected easy afternoon.

### SENIOR RECEPTION HELD FRIDAY NITE

Friday evening, the 13th, the Seniors made their last valiant stand when they withstood throughout the evening the hand-shaking of the faculty and the various members of the student body.

The receiving line consisted of Francis MacDowell, president of the Junior class, Joe Dickson, president of the graduating class, Dr. and Mrs. Charles Wallace and Mrs. Robertson, and the members of the Senior class. Approximately 300 were present, including a large number of faculty.

At a later hour, dainty refreshments were served in the Hillside dining room.

### ALMOST UTOPIA

PITTSBURGH—The past week has been "Campus Week" at Carnegie Tech, and Pitt "Week" at the University of Pittsburgh. At this time the various activities of the campus make themselves known, by giving programs of some sort or another. Entertainment each day and night is put in charge of students. The various fraternities and sororities arrange for dances and other social activities. It amounts to a week of get-together, as well as establishing the social life on the campus. Why not something of the sort at Westminster? And we didn't mean this for sarcasm!

## Westminster Is Defeated By Tech Tartans

WESTMINSTER TAKES  
SIX, TECH SEVEN  
FIRST PLACES

Westminster varsity track team was defeated in a dual meet with Carnegie Tech at Pittsburgh last Friday afternoon by a score of 86-49. The team showed marked ability taking six first places and tying for the honors in the pole vault.

The Blue and White athletes showed up especially well in the dash events, and also took the mile, dusk, javelin and broad jump. Tech had a much heavier entry list and piled up an advantage in second and third places, which gave them the meet by a big margin.

Henty Bucher of Westminster was the high point man of the meet. He finished first in the javelin throw, and second in the shot put and the hammer throw, for a total of 11 points. Hartwell was a close second in individual honors with two firsts in the dashes for a total of 10 points. Hartwell showed his speedy heels to Milne in both the 100 and 220 yard dashes with Captain Wilt of the Blue and White taking third in both events.

Rose, star distance man, ran a pretty race in the mile and won by a very narrow margin after being fouled by Campbell of Tech, on the stretch turn. Rose's time was 4:46.

Carnegie Tech cleaned up in the quarter mile and received little competition in the half mile. Brown of Westminster gave them plenty of trouble in the high jump and Luty of Tech was forced to make 5 ft. 8 to take the event.

Summaries:

100 Yard Dash—Won by Hartwell.  
(Continued on Page 3)

### PAY YOUR BILLS

All book store bills must be paid on or before May 28, 1927, or satisfactory arrangements made with owners with the approval of the Faculty Book store committee. Students failing to pay their bill or make arrangements will not be allowed to take examinations.

Faculty Book Store Committee.

HELEN HASTINGS, '28

As the "Spirit of the New Westminster," Helen, the choice of the girls of the junior class as the 1927 May Queen, will be an important character in depicting the progress of Westminster. The pageant—"The Spirit of Westminster" will be historical in character.

## PHOENIX OR PENGUIN

Westminster's Women's Glee Club has donated the entire profits from its season tour to the College Replacement Fund. This generosity is an excellent example for the other campus organizations to follow. This gift will be remembered as one of the first responses to Westminster's call for financial help. Who else will answer? Let us all determine to help in some way, even if it means the sacrifice of our pleasures.

Then the New Westminster Spirit will rise from the ashes of Old Main as the Phoenix of legendary fame. This sacred bird was fabled as coming to Heliopolis, where it burned itself on the altar and rose again from its ashes, strong and beautiful.

Will Westminster be enabled to rise again "strong and beautiful?" The challenge comes to you! Our college is at present a "star boarder." She is living in borrowed home. In her need for a home building she calls to you. Will you be found loyal?

## PLEASE

The faculty adviser and editor of the HOLCAD are preparing a senior questionnaire which will soon be given to the seniors. The results of this questionnaire will be published in the HOLCAD, likewise in several newspapers of the district, thus giving the college more publicity. The editorial staff asks that these seniors will give some serious thought to these questions, and answer them to the best of their ability. Last year, many foolish responses were given in answer to questions, and this year a plea is made to the seniors to respond seriously.

## FAIRNESS

It seems hardly fair that all the money for athletics at Westminster should be spent on football, basketball and tennis. Track is surely as important as tennis at least, and deserves as much attention if not more. As it is, or at least as it seems, when spring rolls around each year, the track team has to put up with scant equipment—sometimes with none—and has very little attention paid to it. If track does not merit a little equipment and funds, like wise attention, why not drop it. It is certainly not a square deal to the managers, the coach, nor the track men themselves who have to put forth every effort to no avail.

## STUDENT GOVERNMENT OR COOPERATION

One college recently had trouble in electing a student council because all juniors refused the nominations on the grounds that there really was no such thing as student government in the college. Everything turned out amicably when the present student council pointed out that there never was intended to be student government, but that it was student cooperation with the faculty. You may have ideas on the subject. Is there really any such thing as student "government"?—Intercollegiate Press.

## ALSO

We need more tennis courts. When the tennis team is using the courts, students have no place to play. Something should be done about it!

## WESTMINSTREL

Again and again we have heard students lament the fact, that Westminster had no literary and humorous publication. The WESTMINSTREL will be on sale tomorrow. Whether or not it is continued next year depends on the sale of the first issue. Your 35 cents will tell the tale.

## SHARPSVILLE FREIGHT

**BULLETIN:** If all the white cards that were sent out to students last month had been dropped down on our little city from an air plane, the inhabitants would have thought it was snowing.

Oh the great Salvation Army  
Is run by Missuz Booth;  
The good Y.M. is run by crooks  
Who hook you nail an' tooth.  
The big Red Cross is always  
Rite after your kale by spurts;  
They ask the rich an' poor alike,  
To give until it hurts.

Of course the New World Movement  
Was not a new dance craze;  
But there is one organization  
To whose cause we should slave.  
The one who helps the little kids  
That's starved beyond belief;  
Lets give three cheers for Fleisch-  
man,  
And his Near Yeast Relief!

## Professor Profanations

Everyone has heard about  
That sign in the cultured  
Library which read, "Only  
Low Talk Permitted  
Here."  
Well there is no such  
Sign in the Westminster library.  
But we have learned that there  
Might as well be one.  
**Pea Ess.**—Swearing isn't Greek even  
to the dumbest of students.

## A STORY

Once upon a time, a certain certain college professor, went to call on a widow who was a dress maker. Now this certain prof had no hair on his head, and we also might mention, the widow's husband was dead. This poor lady mourned for her dear spouse of yore, and mentioned his name to the prof b'er and o'er. The dear widow too, music did sing, and the prof's scaly old ears with dischords did ring. However one evening when the chatter did wain, the old girl played music, and did sing again. Now as we said her heart was always athrobbin', for her dear, dead hubby, whose first name was Robin. Well, you can rub people often, sometimes the wrong way, but too much is too much as the older folk say. Well this very nite, to our prof with no hair, she had the gand gall to sing Robin Adair. Had our prof had the roots he'd have blushed to the roots of his hair, but as it is, it went further, for no roots were there. So he jumped up and shouted, his shrill voice quite thin, "I know he had hair, but don't rub it in." With this he departed, his grievance to nurse, while the widow she laughed, till a blood vessel burst.

**There's a moral to this, little story sans bliss.**—When no hair, your head bedecks, there's no hope with the weaker sex.

Seeing as our dear adma mater does not permit the imbibing of intoxicating beverages, nor the sale thereof, we wonder if prey wasn't looking for a rum runner the other day when he stalked up to the track field.

**Slam**—It's better to be a professor's widow than his wife.  
**Big modern student question.**—Their Inn bill.

**Famous distance**—Longer than a Biology test.

Dean: "You had better board elsewhere."  
Co-ed: "Sure thing, I often had."

Dean: "Often had what?"  
Co-ed: "Had better board elsewhere."

Hillside Gail: "I've just been up to the Beauty shoppe."

Van House Ditto: "It must have been closed."

## UNK

## UNCLE JOE RETORTS

Uncle Joe Canon, whose biography, written at his own request by his secretary, L. W. Busbey, was published early in the fall by Henry Holt and Company, is the subject of most of the amusing anecdotes of American politics. Clinton Brainerd vouches for this one. Cannon was once accosted by a new member of the House who had just made his maiden speech. On being asked if he approved of it, Uncle Joe shifted his cigar to the other side of his mouth and answered judiciously, "You said many good things, and many new things." "Thank you, Mr. Speaker," said the new Representative. "But," continued the venerable Speaker, "the good things were not new and the new things weren't good."

## J. PLUVIUS FIGHTS FOR BETHANY BISONS

The great water bearer Jupiter Pluvius, Andy McDonald, and the Bethany graduate manager of recreation formed a varied form of the eternal triangle last Saturday morning when the last two personages mentioned consulted their pluviometers and fluviometers and decided that the Old Soak should monopolize the day's program. Incidentally the scheduled court engagement between the Blue and White racquet-tees and the Bison net team was made null and void until some sunny day during next year's vernal season.

The circumstances were equally as disappointing as the Great June Frost of 1859, but it must be realized that the troubled elements have halted a number of events lately. Major league ball teams have resorted to sight-seeing tours during the rain carnivals, and trans-atlantic flyers have padlocked their hangars until the fog banks fail. Horse-shoe pitching at the Kap estates, and volleyball in the T. U. O. lot have also been interrupted.

Observations reveal that "Duke" McDowell and his partners Bill Clark, Bill Shaeffer, Dick Robinson, "Hoot" Gibson, and "Smoke" Herriott are twitching at the biceps while they wait to twang their aces, lobs, and drives into the vicinity of collegiate opposition.

The truth of the matter is that the home opener between Westminster's galaxy of promising netmen and the Bethany College court representatives was canceled from the calendar due to the fact that Bethany makes only one spring excursion through this district,—and, of course, the inclement weather helped too.

## ALPHA SIGMA ALPHA INITIATION HELD MAY 10

In the Hillside, a week ago today, four girls were initiated into the Alpha Sigma Alpha debate fraternity. Florence Jenkins, Edith Round, Carol Clark, and June Schwartz were obliged to give an impromptu debate on the subject, "Resolved: That a centipede with horns suffers more than a giraffe with tonsillitis. After discussing this delightful subject, they received their pins.

Following the initiation the fraternity members enjoyed a banquet at Sunny Crest. Of the eighteen who were there, the honor guests were Dr. and Mrs. Wallace, Dr. and Mrs. Dawson, Mrs. Robertson, Mrs. McConagha, and Mr. Vance. Speeches were given by the three gentlemen.

The old members of Alpha Sigma Alpha are: Elizabeth McKnight, Isabel McConagha, Lois Reeher, Hazel Brush, Evelyn Winger, Phyllis Coley, Dorothy Wray, Lois Wagoner, Mary Sowerby.

## P. &amp; O. BUS LINE

## The Rover Boys at May Day

"Huzzah! Huzzah! May Day is here at last," yelled Sam Rover as he threw his freshman dink (color—green, style—jockey, guaranteed not to fade. The hat for all occasions. No. 15972, Sears Roebuck and Co.—adv) into the Little Neshannock river.

"And beautiful women to be seen dancing," added Tom, the fun loving Rover, and he felt a lump rise in his throat as he looked at some of the girls impersonating Chinese pagodas. Algernon, the campus who, being ill with a bad attack of room rent, Wherry Roughon Rats was substituted for him in the highland fling. After a second look, Tom never was convinced that the Dean could trust this substitute fullback even as furniture man at the Hillside.

"And we'll have Life Savers for breakfast every morning now that alumni are back," chimed in Dick, the oldest and most respected of the Rovers, partly because he could chew gum and Mail Pouch at the same time.

The folks from home arrived on the new Ford job at this juncture—junction—crossroads—or Great White Way.

"The Graduate Manager will find room for you in the overflow tents at the Delt house, and remember that the May Day imbroglio does not start until this afternoon," cautioned the Rovers as they turned their Meal Tickets over to Andy of the lion heart.

Just as the first dance was starting that afternoon, the boys saw a stranger distributing live mice around the throne of the Queen, and they immediately recognized the bully, Dan Baxter.

"What are you doing here?" they asked.

The bully lowered his head like a traveling jib crane on a hot summer day and confessed, "I was putting mice on the field to frighten the girls who are taking the part of Lion Tamers in the African episode.

"So that's your game," muttered the Rovers through their brand new set of false teeth. "A darn good idea anyway—hurrah for Baxter." At this demonstration of the Shaffer method of resuscitation Baxter admitted that he had been a cad but promised never to bother the Rovers again.

"Why don't you settle down," advised Dick, "or go into some good business such as shooting professors for overworked students who are poor marksmen? You ought to go a good business here during final exam week."

Baxter resolved that he would, but that evening he went crazy trying to read the name of a victrola record while it was playing. We meet them all again in the next entitled, "Pay Day in the Pool Room," or, "I'm Banking on You."

## To A Track Captain

Cupid sure withhold thy dart And let him tread the cinder path; For if it have a deadly aim, T'will drive him to the bridle path.

## FELT AND YARN IN DEMAND

WISCONSIN—Sixty-seven athletes were recently granted rewards by the Badger Athletic Council. Ten of these were major "W's" to the basketball squad. Twenty-four frosh got basketball numerals and twenty-one of these rated sweaters. Twelve minor letters were awarded in water polo, and five sets of class numerals.

## COLLEGIATE PURITANS ORGANIZE

McGILL—Students at McGill University have formed a "slow club" which is considerably slower than most of those in the United States. It is called the Society for the Suppression of Vice, and demands among other things the abolition of all college dances.

## OSTEOPATHY

The modern art and science of healing disease. Do you realize the opportunities offered in this profession?

## Entrance Requirements:

Approved four-year high school course (one college year of the sciences, physics, chemistry, and biology is an additional requirement in certain states).

## Length of Course:

Four years of nine months each.

## Internship:

### TWO MORE STUDENTS PASS SENIOR LIFE SAVING TEST

Catherine McClure and Dorothy Stunkard passed the Red Cross Senior Life Saving Test which was given here Saturday, May 14, by Jack Herbert of New Castle. Nick Costello and Eddie Guizer of New Castle assisted in giving the test. Passing the test enables the girls to wear the life saver's emblem.

### CHI OMEGAS DONATE \$25 TO LIBRARY FUND

Chi Omega fraternity has donated \$25. to the library. Miss Ailman has purchased with this sum the following books: Jane Austen (complete set); "Guides to Best Fiction in English," by Bakes; "Guide to Historical Fiction," by Baker.

Each of these books will have indicated in it the donor's name and the date of presentation.

### GIRLS' TENNIS

The tournament, of which most matches have been played off during the past two weeks, is rapidly nearing the finals. It was hoped that they would be reached this week but the weather made this impossible. The winners of the matches played so far are: McClure, Caldwell, Tebay, McFadden, and Boyd. Westminster's girl tennis champion will be determined this week.

### WESTMINSTER MEN OFFICIATE

Westminster men officiated at the Lawrence County Track meet held at Union High School, New Castle, last Saturday afternoon. This meet included all class B high schools of the county. The following men: Wesley-Rose, Ross Ellis, D. Williams, H. Anderson, Dave Myers, Leland Cooper, Clyde Myers, Perrine, Turvo, Kennedy, Hutchison, Delahunty, Stewart, Brown, Atwell, McMeekin, Trevaskis, C. Swisher, Orville Mertz made the trip.

### NEW PHI PI PHI CHAPTER AT NORTH CAROLINA STATE

The National Council of Phi Pi Phi announces the induction of Xi Chapter at North Carolina State College. This step inaugurates the fraternities plan of expansion in the south.

### MARRIAGE IS ANNOUNCED

The marriage of Margaret Alice Fraser and Ferdimore Edward Vogan, took place on May 12th. The maid of honor was Miss Ruth Fraser, and best man James Y. Jackson.

Mrs. Vogan was a member of Sigma Kappa, and Mr. Vogan a Kappa Phi-Lambda.

### SIGS ELECTS OFFICERS

At a recent meeting of the Alpha Sigma Chapter of Sigma Kappa, officers were elected for next year. They are: Thelma Warner, president; Lorena Garloch, vice president; Katherine Wiley, recording secretary; Hazel Brush, treasurer; Melene Winters, registrar; and Katherine Boobyer, Triangle correspondent.

LAWRENCE, KANS.—(IP)—It has been found that almost two miles of test tubes are used and broken annually by students and professors in the laboratories at the University of Kansas.

MORGANTOWN, W. VA.—(IP)—The highest grade made in the first semester for the present college year at West Virginia university was a freshman, it was announced last week. David B. Hexeter, '30 made an average of 96.07.

### Y. W. HEAR MRS. W. T. ANDERSON SPEAK

Mrs. W. F. Anderson addressed the Y. W. C. A. last Wednesday evening on the subject, "Why I Would Rather Be An American Girl than a Hindoo Girl." Mrs. Anderson was for many years a missionary in India, so her ideas were all the more gripping and intense for her having been a witness of the conditions she described.

Many were the strange, incongruous pictures of the lives and customs of the Hindoo people she drew for us. She outlined the life of a Hindoo girl from the time that she comes into the home, unwelcomed and unwanted, until the time of her marriage and removal to the home of her father-in-law. We caught a graphic picture of the poor little dark-skinned girls living their miserable restricted lives with no interests or outlook in life.

Startlingly strange did the lives of these girls appear contrasted with our own free, happy lives. In presenting this contrast, Mrs. Anderson succeeded in making us all feel thankful that we were students in Westminster College in our own United States, rather than pinning our lives away behind the veil of the Hindoo woman.

### DIRECTOR SEWALL EFFECTS EVERGREEN TRANSPLANTING

Westminster students during the past few weeks have been witnessing the transplanting of a hundred foot spruce tree. The tree which formerly was located just south of the "old Main" has been moved about thirty yards to the north east.

In order to perform this operation it was necessary to undermine the roots of the tree, build a platform under it, and raise it out of the ground. The tree on its platform was moved on rollers to its new location. The means of locomotion was supplied by three men using block and tackle. The tree was supported in its trip by guy ropes attached to the surrounding trees. The entire work was done by college employees. Work was retarded by the difficulty encountered in raising it, slipping back several times at its former resting place.

### INTERCOLLEGIATES

(Through Intercollegiate Press Association)

STANFORD UNIVERSITY, CAL.—(IP)—Anti-German propaganda, dropped from Allied airplanes over Germany during the war, has been secured for the Hoover War Library by Professor Lutz, of Stanford university, in his travels in Europe. The propaganda was prepared by a newspaper syndicate under the direction of Lord Northcliffe.

SOUTH HADLEY, MASS.—(IP)—Undergraduate poets from five large women's colleges met last week at Mount Holyoke college to read their own poems in an intercollegiate poetry contest. The colleges entered were: Bryn Mawr, Smith, Vassar, Wellesley and Mount Holyoke.

EUGENE, ORE.—(IP)—By a vote of 1329 to 386, the students at the University of Oregon snowed under the proposed amendment to the student government constitution which would have transferred control of the Oregon Daily Emerald's editorial policy from the editor of the student paper to the student council.

STANFORD UNIVERSITY, CAL.—(IP)—Henceforth violators of the honor code at Stanford university will be allowed no clemency. By action of the Men's Council, all breakers of the honor pledge will be asked to withdraw from the university.

MIDDLETOWN, CONN.—(IP)—Beginning with the class of 1931, graduates of Wesleyan university will be granted only A. B. degrees, the degrees of Bachelor of Science and Bachelor of Philosophy having been abolished for the future.

### GOOD COURSE ASSURED FOR NEXT YEARS LYCEUM

Next year's lecture course promises to be even better than the one enjoyed this year. The entire course is not definitely planned yet, but the announced list contains very interesting names. In October, Wherahiks Rawel, who has been called "the product of modern culture as contrasted with the primitive savagery of his native South Seas home," will be here. In November, Lew Sarett, the woodsman-poet, will give one of his wilderness talks which are so popular wherever he appears. In December, the play, "Lightnin'," will be presented by a New York Company. In February, the renowned Rabbi Stephen S. Wise, one of the eminent preachers and lecturers of the day, will speak. In March, Edwin M. Whitney, interpreter of plays, who pleased his Westminster audience so much this year with his presentation of "The Fortune Hunter," will be back again. Altogether, it seems that there is not a number on the course to be missed. There are to be seven numbers in all.

### Y. M. LEADER MAKES SECOND CAMPUS VISIT

Mr. Charles C. Noble, internal secretary of the national Y. M. C. A., spoke again to the members of Westminster's Y. M. on his second visit to the campus. His subject, chosen from a list supplied by some of the local association, was "The Availability of God." He cites as his God—"a loving spirit at the head of the universe who cares for all men equally; is conservative; and who cooperates with men, especially through Jesus." God is available as the personal opinion is accessible to God. Mr. Noble was graduated from Williams College and Union Seminary of New York City.

## Net Men Lose First Home Contest

### PANTHER STARS WIN ALL SETS

Westminster's varsity tennis crew lost its home opener to the University of Pittsburgh's netmen last Saturday, the latter team triumphing over the Blue and White 6-0 on the college courts.

In blazing their way to this love victory, the Blue and Gold blazened racqueteers donated the home team their first defeat of the season.

Bill Clark was the best performer for Westminster, while Dave O'Laughlin and Byron Baur starred for Pitt.

Westminster's racquet handlers were slow to warm up as was evidenced by their improved play in the doubles matches.

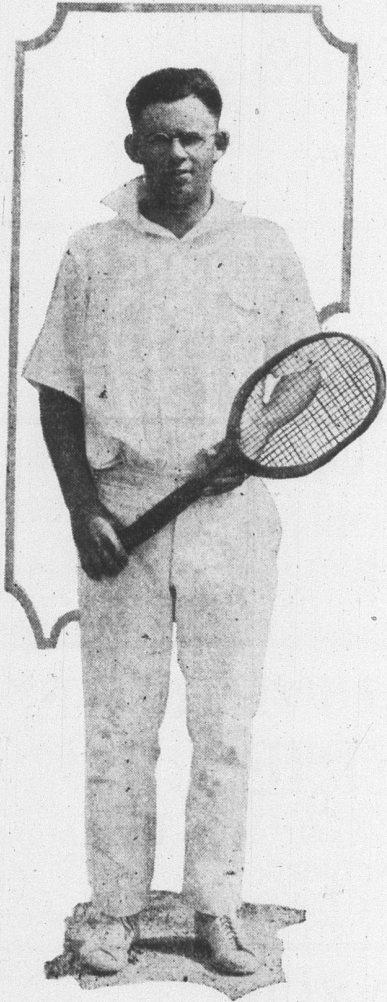

Following is a summary of the scoring:

D. O'Laughlin, Pitt, defeated W. Clark, Westminster 6-0, 6-2. B. Baur, Capt. Pitt, defeated W. Schaeffer, Westminster 6-1, 6-1. J. O'Laughlin, Pitt, defeated F. McDowell, Capt. Westminster 6-2, 6-0. H. Bourn, Pitt, defeated P. Gibson, Westminster 6-1, 6-2.

D. and J. O'Laughlin, Pitt, defeated W. Clark and W. Schaeffer, Westminster, 6-3, 6-2. B. Baur and H. C. Bourns, Pitt, defeated F. McDowell and P. Gibson, Westminster 7-5, 6-3.

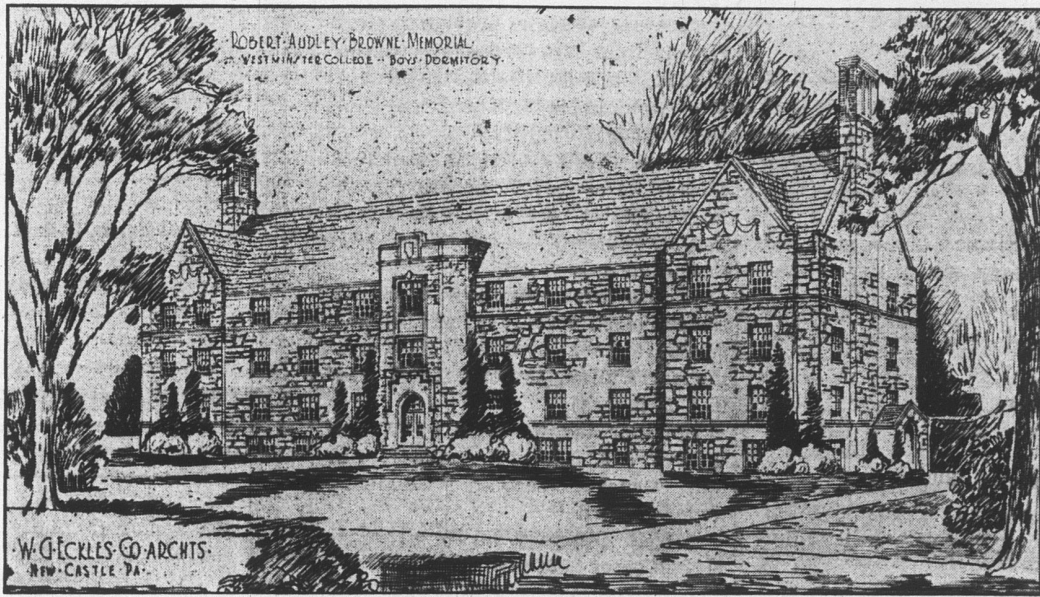

### WESTMINSTREL

Copies of the WESTMINSTREL may still be obtained from members of the board. More than 400 copies are still available for the coke-snatchers and their grand aunts from New Castle.

FRANCIS McDOWELL, '28

Hail the captain of the varsity tennis team! For two years a member of the Tri-State Conference championship team, the ever consistent "Iron Duke" has been an important cog in victories. This year "Tramp" has decided to win the championship again.

Architect's drawing of Robert Audley Browne Memorial men's dormitory, ground for which will be broken as part of Alumni Day program, Tuesday, June 7. The building will be of native stone and will harmonize with the "Old Main" memorial building in that Gothic doorways and gable wings will be of the same style as those on the new main building.

### ARGO OUT WEDNESDAY

Copies of the 1928 ARGO will be distributed to the student body tomorrow afternoon in the Argo room, third floor of Science Hall.

DANIEL KELSO, '28

Publication of a college yearbook involves, in these days, considerable higher finance. Kelso, business manager of the ARGO, is, therefore, familiar with the many phases of business connected with an annual, from selling hot dogs at games to collecting tickets at plays.

### INDIAN PRINCESS ON ARTIST COURSE

The final concert in the Artists' Courses of the Westminster School of Music will be given by the Princess Tsianina, a Cheekee Indian from Oklahoma, on Tuesday, June 7, at 8:30 p. m., in the United Presbyterian Church.

Special interest attaches to this concert for the reason that the Princess Tsianina is one of two popular American Indian concert singers, the other being the baritone Oskenton, a Mohawk chief. Both these artists possess beautiful and highly trained voices, and both prefer to interpret to white people the music of their own race. Tsianina devotes her whole program to Indian songs, dresses in native costume, and acts as well as sings. One critic has said that Tsianina "can bring her camp fire right into your concert hall and make you glow to her primitive song and story." Tsianina, as well as Oskenton, sang important parts in the opera Shanewis, by Charles Wakefield Cadman, who based his story upon incidents in the life of Tsianina herself.

### ARGO EDITORS

LUCILLE McCONAGHY, '28

The associate editor of the 1928 ARGO, Lucille McConaghy, has been an untiring worker to produce for the student body and the college yearbook worthy of the seventy-five years of Westminster's history. As director of the students making panels and organizing material, Lucille has performed a valuable service.

### WESTMINSTER COLLEGE PROGRAM

#### COMMENCEMENT WEEK 1927

Eastern Standard Time  
FRIDAY, MAY 27  
7:00 P. M.—Senior Sing. Old Main.  
SATURDAY, MAY 28  
4:30 P. M.—May Day. College Field.  
SATURDAY, JUNE 4  
1:30 P. M.—Track Meet. Thiel. Upper Field.  
2:00 P. M.—Tennis. Duquesne. College Courts.  
SABBATH, JUNE 5  
11:00 A. M.—Christian Associations Sermon. President John C. Hanley. U. P. Church.  
8:00 P. M.—Baccalaureate Sermon. President W. Charles Wallace. U. P. Church.  
MONDAY, JUNE 6  
10:00 A. M.—Closing Chapel. U. P. Church.  
3:30 P. M.—Baseball. College Field.  
TUESDAY, JUNE 7  
10:00 A. M.—Board of Trustees. Recital Hall.

1:30 P. M.—Alumni Business Meeting. U. P. Church.  
3:00 P. M.—Ground Breaking.  
3:30 P. M.—Senior Class Day. Community House.  
5:00 P. M.—Class and Fraternity Reunions.  
8:30 P. M.—Concert. Recital of Indian Songs, Princess Tsianina, Mezzo-Sop. U. P. Church.  
10:00 P. M.—Peace Pow-Wow. Campus.  
WEDNESDAY, JUNE 8  
9:00 A. M.—Athletic Council Meeting. Gymnasium.  
10:00 A. M.—Recital. Students of College of Music. U. P. Church.  
2:00 P. M.—Commencement. Address by the Rev. S. C. Gamble, D. D. Butler, Pa. U. P. Church.  
4:00 P. M.—Tennis. Alumni. College Courts.

### NO HOLCAD NEXT WEEK

Due to final examinations, the HOLCAD will not be issued next week. The next issue, the commencement number, will appear on June 7.

HALDEN WILLIAMS, '28

As editor-in-chief of the 1928 ARGO, Williams has proved that he has executive and editorial ability seldom surpassed among college students. The Diamond Jubilee ARGO, dedicated to the Robert Gracey Ferguson, will be distributed this week.

### EXAMS TO START TUESDAY MORNING

At 9:00 A. M. Tuesday morning, May 31, final exams will begin. Eight o'clock classes will be held Tuesday, nine o'clock classes on Wednesday, and so on, the one-forty-five classes coming on Saturday.

Monday, Wednesday, and Friday classes, Wednesday and Friday classes, and all four hour language classes will be held in the forenoon. Tuesday, Thursday, and Saturday classes, and Tuesday and Thursday classes will be held in the afternoon.

The morning exams will start at nine o'clock and close at twelve. The afternoon exams will begin at one-thirty and last until four-thirty. Exams not provided for on this schedule will be arranged by the instructor.

### PAYING PLAY

CALIFORNIA—The gross income from the past football season at the University of Southern California, totalled almost half a million dollars.

## Geneva Wins Track Meet Score 110-25

### WESTMINSTER GETS THREE FIRSTS

Running true to form the Geneva track team swamped the Westminsterites 110-25 in a dual track and field meet held at Reeves Stadium in Beaver Falls last Saturday afternoon. The Coverters captured first place in twelve of the events while the Blue and White "copped" but three. Butler, Geneva's colored ace, took a first place in the 100 yard, 220 yard, and 440 yard dashes; tying the Tri-State 100 yard record of 9 3/4 seconds. Thomas, Brown, Delahunty, and Hutchison proved to be the most outstanding of Coach Coleman's proteges. The Summary:

100-yard dash—Won by Butler, Geneva; Hartwell, Westminster, second; Lloyd, Geneva, third. Time: 9 3/4 %.

220-yard dash—Won by Butler, Geneva; Lloyd, Geneva, second; McKnight, Geneva third. Time: :22.

440-yard dash—Won by Butler, Geneva; McKnight, Geneva, second; E. Lockley, Geneva, third. Time: :50.

880-yard dash—Won by Piper, Geneva; Reed, Geneva, second; Allen, Westminster, third. Time: 2:06 %.

Mile run—Won by Blair, Geneva; Lockley, Geneva, second; Rose, Westminster, third. Time: 4:46 %.

Two-mile run—Won by Piper, Geneva; Kenst, Geneva, second; Rose, Westminster, third. Time: 10:40.

120-yard high hurdles—Won by Latham, Geneva; Ewing, Geneva. (Continued on Page 2)

JOSEPH DENNISON, '28

"Denny" has been chasing tennis since "Yes We Have No Bananas" balls for the varsity racqueteers ever was the popular song. As manager of last year's Tri-State championship team, Joe was so efficient that he was reappointed manager for this year.

## A NUSIANCE

Serenading in an art.—Yea, it is even a genteel art. Music is restful to the ear on a warm summer night after the routine of study. It is but natural that the co-eds should enjoy good serenades. It is more than natural that the townspeople in the near vicinity of the dormitory enjoy them also. However, when smoking, riotous laughter, loud talking, and rasping vocalizing are employed by self-styled "serenaders" at an early hour in the morning—Sunday included—on college property, it is deemed wise by all suffering listeners that these young men would kindly desist from their puerile state and act like human beings,—if not sensibly.

## BRICKS AND ROSES

Despite the fact that sufficient cartoons were lacking, that the cover design was not as appropriate as some thought it should be, and that others than those affiliated with those responsible were the objects of slams, the Westminster is to be congratulated.

The publishing and financing of such a project is indeed one of considerable size. The amount of work is enormous. First issues of all publications are the teachers.—The rest come easier. We should look over the faults that we see, and realize that the next issue will be a hundred fold better.

All indications are that the publication has been favorably received by everyone. There is no doubt as to the success of such a publication, if it be taken over by the college proper, and made representative of the student body.

## CO-EDUCATION DEFENDED

People of this world seem to think that whenever there is intermingling of the two sexes, there is bound to be trouble. Perhaps this idea is true, yet former governor of Kansas, and Dean of Journalism of the floating university, Henry J. Allen, has come to the aid of the younger generation. Allen admitted that the co-educational idea did not work so well. However he did state that he doubted if any average college of 450 students could show a higher standard of conduct.

Mr. Allen ridiculed the idea that there was romance in excess aboard the ship, but states that the foreign nations were not accustomed to the liberal American ideas. "All that happened," he said, "was that when we were in Japan twelve of the boy students made a spectacle of themselves in the Imperial Hotel by drinking too much saki. We sailed with 400 boys and 50 young women. All told, nine were sent back from Japan and three from other ports. I think that the stories which have been sent out were very much colored."

"The American youth derives great benefit from learning that the world is round," Mr. Allen said, "and he establishes contacts and friendships in other lands which develop an international viewpoint. Finally, he applies himself to work much better on ship-board, because there is no chance to cut classes, and he cannot visit college inns."

Another good co-educational institution—Marriage.—Minnie-sota Daily.

"All men are liars"—runs a proverb. The author must have been a dean of men.—Athenaeum (West Virginia).

It used to be polite to let a girl on a car first. Now it's a treat.—Denver Clarion.

How many sides are to a question depends on how many are interested in it.—University Daily Kansan.

## GENEVA WINS DUAL TRACK MEET SATURDAY

(Continued from Page 1)

second; Delahunty, Westminster, third. Time, :16.

220-yard low hurdles—Won by Lloyd, Geneva; Batham, Geneva, second; Ewing, Geneva, third. Time, :25 1/2.

Shotput—Won by Hubbard, Geneva (41 feet 6 3/4 inches); Cullen, Geneva, second (39 feet 4 inches); Merriman, Geneva, third (37 feet 5 1/2 inches).

Discus throw—Won by Hubbard, Geneva (126 feet 3 inches); Merriman, Geneva, second (115 feet 7 inches); Wilson, Geneva, third (112 feet 3 inches).

Javelin throw—Won by Friedman, Geneva (158 feet 10 1/2 inches); Merriman, Geneva, second (149 feet 10 inches); Cullen, Geneva, third (145 feet 8 inches).

Hammer throw—Won by Wilson, Geneva (123 feet 2 3/4 inches); Cullen, Geneva, second; Hubbard, Geneva, third.

Broad jump—Won by Thomas, Westminster (20 feet, 11 inches); Nevins, Geneva, second (20 feet 9 3/4 inches); Rau, Geneva, third (20 feet 9 3/4 inches).

High jump—Won by Brown, Westminster (5 feet 7 1/2 inches); Lathorn, Geneva, second; Baird, Geneva, third.

Pole vault—Won by Delahunty, Westminster, and Hutchison, Westminster, tied for first (11 feet); Duncan, Geneva, third (10 feet 6 inches.)

## P. AND O. BUS LINE

(How Do You Like The Scenery?)

## A REAL NEWS ITEM

A village parson's daughter eloped in her father's clothes. The next day the village newspaper came out with an account of the elopement headed—"Flees in Father's Pants."

## OUR WEEKLY PLAGARISMS AND ORIGINALS

### Tough Luck

To win the maid, the poet tries,  
And sometimes writes to Julia's eyes;  
She likes a verse, but, cruel whim,  
She still appears averse to him!

### L'Envoi

This life would be one grand, sweet song  
If other folks would say they're wrong.

### A Campus Orgy

Come, Thaliarchus, let us go  
And take a walk upon the campus,  
And give the girls the double—o,  
And let them, Thaliarchus, camp us!

### To Fraternity Kleagles

Oh Kleagles, teach freshmen, I pray,  
Whenever vain notions oppress them,  
And your rules they forget to obey—  
There's a much better way to impress them!

### To The Hillside Mailman

I have no doubt at all the Devil grins  
When Kruger's blamed for lost letters;  
Ye gods, forgive the mail department's sins  
That vex the poor mail getters!

### To A Roommate

Oh, Jim, you have my sympathy;  
It's very hard, I know it,  
To room with an exotic bird  
Who tries to be a poet.

### TO A CLASSMATE

Oh Donald, when I recollect  
The bumming trip we had one day,  
I nearly lose my self respect  
And plan to be a tramp foraye.

### To A Student Volunteer

Come, brother volunteer, let us go  
And take a look at heathen sinners,  
And give their queens the double—o,  
And let us sample all their dinners.

## OFFICERS OF THE 1929 ARGO

JAMES McQUISTON, '29  
Editor, 1929 ARGO

PHYLLIS COLEY, '29  
Associate Editor

HENRY BRENNEMAN, '29  
Business Manager

DONALD McCLURE, '28

In addition to what the ARGO says about McClure this week, he is president of the Y. M. C. A. for the coming year. "Don" has been a distance runner, a thespian, and a student thus far, and gives promise of more in the future.

#### LETTER MEN OF PAST SEASON RECEIVE AWARDS

In chapel last Thursday morning, Westminster men who had earned their letters in various sports were granted their awards by the college authorities. Fourth year awards were in the form of silver loving cups, third year were golden emblems of the sport, and first and second year men were given sweaters with letters attached.

The awards were made by President W. Charles Wallace, assisted by J. W. Coleman, director of athletics, and A. A. McDonald, graduate manager.

#### TAU GAMMA DELTA INITIATES NINE MEN

During the past week nine sophomore men were seen wearing mammoth pencils. On Thursday afternoon at four-thirty the same nine men were seen carrying paddles and going in the direction of Science Hall. Here they were introduced to the secrets of Tau Gamma Delta.

The men initiated were: James McQuiston, Henry Brenneman, Howard Wetzel, Ernest Griggs, Irving Mansell, Samuel Coleman, Byers King, John Cameron.

The new members have been active in Holcad and Argo work during the past two years and have been appointed to the staffs for the coming year.

#### CHESS SIR!

FRANKLIN and MARSHALL—Thirty-five entrants took part in a checker tournament in which Alexander Stein was victor. Edmer Coleman vanquished his opponents in the chess tournament. Octagonal silver charms were awarded in chapel to the winners.

CLARE SWISHER, '28

Behold the editor of the HOLCAD in all his intrepidity! "Kasey" has been shipping freight over the Sharpville so long that he uses shipping tags for calling cards. He doesn't know that we are running his picture in this issue, but we feel that he deserves recognition as one type of journalist—a kindred spirit with William Randolph Hearst!

SAMUEL COLMAN, '29

The freshman handbook, supplied to the incoming class by the Y. W. and Y. M. organizations, constitutes an important publication. The work of editing the book is sometimes a thankless and inconspicuous job in the athletic scheme of things which pervades the college atmosphere, but it is worth while. Colman has been elected editor of next year's frosh handbook.

#### PAY YOUR BILLS

All book store bills must be paid on or before May 28, 1927, or satisfactory arrangements made with owners with the approval of the Faculty Book store committee. Students failing to pay their bill or make arrangements will not be allowed to take examinations. Faculty Book Store Committee.

ORVIL MIRTZ, '28

As a cross country runner, a member of the track team, athletic editor of the 1928 ARGO, and vice president of the Y. M. C. A. for the coming year, Orvil has exhibited some of the many abilities which are stored away in his virile makeup.

#### TENNIS TEAM POINTS TO GENEVA MATCH

Despite the defeat suffered at the hands of Pitt Saturday, the Blue and White tennis hopes are still high. The remainder of the schedule shows Geneva, Duquesne and the Alumni to be the next court foes of the McDowell men. Geneva will be played Wednesday on the Covenanter's courts, Duquesne will be met June 6, at home, and the season's finale will be the match with the Alumni Wednesday, June 8.

While the Geneva match Wednesday holds plenty of interest to the Blue and White net fans, it is the Duquesne match two weeks off that will decide the Tri-state conference tennis title. The Geneva netmen are a unknown quantity but it is expected that the Westminster racqueteers, free from their "Pitt stage fright" will be easily able to take over Geneva's proteges. But the coming match with Duquesne is not to be passed over so lightly. The McDowell men had a tough time winning on the Bluff and it is certain that the University racqueteers led by Paul G. Sullivan will not disappoint in giving the local combine plenty of action.

The match with the Alumni team will be the season's finals for the Blue and White squad. However, this match will probably show as much good tennis as any before played. With Johnny Cummings and Herb Patterson leading the Alumni team no drab affair could result.

#### NO HOOKIE!

PRINCETON—After July 1, 1927, Princeton students will walk to classes. By action of the Board of Trustees, all student cars were banned at the University.

## CHAPEL BELLS

### PI ELECTION

Pi Rho Phi elects officers for coming year: President, Betty Glover; secretary, Mary Reed; Treasurer, Helen Hastings; correspondent, Gladys Bebout.

### VISITOR

Miss Ageola Burch, from Oakmont, visited Miss Sue Bryson at the "Van" House, during the weekend.

### TAU KAPPA ALPHA INITIATION

Initiation for Tau Kappa Alpha is to be held this evening, May 23. The initiates for this year are: Botsford, Colman, Chambers, Hamer, Thomas Mansell, William Maxwell.

### WESTMINSTREL MAKES

#### INITIAL BOW TO CAMPUS

Whozy, Willy's Westminstrel made a home run and three passes in Biology 16 when it captured the campus last Wednesday evening.

In making its initial bow to the public, WESTMINSTREL strained its obeisance tendon but retained its cover design intact, including the copy price.

The 32-page publication, printed in English, was the best bit of weather we have had in Lawrence County since quite a while or even before that.

Hamlet, Gantry, Westminster Professors, and eminent Greeks on the campus all fell under the onslaught of Sir Wild West—Minstrel, and the student body yells with cokes in its hand—"More!"

### Y. W. REMINISCES

Under the leadership of Helen McConaghy, the Seniors conducted a lively and interesting Y. W. meeting at the Hillside last Wednesday evening. The subject was "Reminiscences", and many were the comic, tragic, mirthful, and pathetic tales that were told.

Loyalty and affection for Old Westminster shone though all the reminiscences and inspired the undergraduates with the sense of the dearness of the college to them. The Seniors also led in some clever and original songs, appropriate to the occasion.

Dr. and Mrs. Love were present at the meeting and presented appeals for the prayer cards that are being published under the sponsorship of the Y. M. C. A.

DENVER, COLO.—(IP)—Dr. Heber Reece Harper, fourth chancellor of the University of Denver, has resigned his position to spend his time in doing research in Education. Dr. Harper came to Denver in 1922.

OBERLIN, OHIO.—(IP)—When eight juniors refused to accept nominations for the presidency of the student council of Oberlin college, and only one accepted, the student council called a special meeting of the undergraduates for the purpose of finding out if they still wanted student government. The students answered in the affirmative and called a new nominating assembly.

### HISTORICAL PAGEANT PRESENTED SATURDAY

Westminster's twenty-first May Day will be celebrated in Saturday, May 28. The pageant entitled "The Spirit of Westminster" will be presented by the student body, directed by the pageantry class under the supervision of Mrs. McConagha. The pageantry class under the supervision of Mrs. McConagha. The ticket sale is going splendidly, and an unusual crowd is expected. The attendance is former years has run to five or six thousand, and the fact that this is the Seventy-Fifth Anniversary year of Westminster ought to bring more spectators than ever before.

Former May Queens, with the exception of two or three, will have a part in the pageant. They will join in the procession and be seated near the throne; their presence will doubtless be an attraction to many alumni, as well as to present students.

The three hundred and seventy-five students taking part in this number include all the girls of the college, and many of the men. All the dancing has been coached by Miss Elizabeth Webb, who has made the production less of a task. Much credit is due to Miss Irons for work upon the costumes, and to Mr. Trotter for his help in the musical side of the performance. Of course the greatest responsibility rests upon Mrs. McConagha and her pageantry class, and to her and her students go the congratulations for the wonderful work they have been doing.

Orville Mirtz is filling the difficult position of Narrator. He will speak into a microphone connected with amplifiers on either side of the field. Hugh Gamble will represent his great-grandfather, William Dickey, one of the foremost founders of Westminster. A group of men students will sing the "Hymn" and Tell Me Why" directly after the crowning of the Queen.

The field will be slightly smaller than in former years, so that there will be a good view from every seat, and well-placed amplifiers will make the speaking parts and music distinct in all parts of the field.

The souvenir printed program on sale will contain a cast of characters, the names of the producing staff, a descriptions of former May Days, and all the speaking parts of "The Spirit of Westminster." It will be attractively printed and illustrated.

### EASTMINSTREL

"Here's a fellow patenting a contrivance to keep girls from falling out of hammocks. More machinery displacing men."—Exchange.

Dr. Quick's class in elementary undertaking is progressing quite purringly. The felines haven't raised a single scratch since cloves versus clothes has become the order of the day.

### COLES AND BRICKER ON THIS

If in this week of hurry and rush We frequently use  
The oil of relaxation,  
The gasoline of concentration;—  
Work our self-starters  
And keep our engines in order.  
We "Auto" pass.

ANN NONNYMIS

### CURING BASHFULNESS

HEIDELBERG.—At Heidelberg College, the co-eds are so bashful that the dean now women has recently announced a new plan to overcome this terrible affliction. Under the new plan, half the co-eds will dine once every two weeks at the men's hall, and half of the men will dine at the women's hall.

COLUMBUS, OHIO.—(IP)—The sun is good for ten trillion more years at its present rate of heat radiation, according to Professor Edmund S. Manson, head of the department of astronomy at Ohio State university. His opinion was expressed in reply to the statement of Enrique E. Trevine, president of the Mexican Astronomical Society, who recently declared that there will be no life on the earth two million years hence because the sun will have ceased to shine by that time.

### AUTO THIEVES STEAL PROFESSOR'S CAR

Auto thieves, who heretofore have confined their purloining to metropolitan environs, entered the local community last Sunday night, and in the blackness of the shadows, motored away in Miss Gertrude McCain's new Pierce-Arrow roadster.

The filching brigands had ample time to be beyond the limit of pursuit before the plagiarism was discovered. Immediately the professor of mathematics issued her call of succor to the police department of near-by cities. Miss McCain was assured by the officials of New Castle, Sharon, and Mercer that officers would be sent out promptly to scour the highways for the stolen car.

The night dragged on, but still no reports from the deputies of the law. When Miss McCain's distress was at its critical point, a frantic visit around her property revealed the coveted auto. Thus ends the thrilling experience of the dreadful thieves—may their tribe decrease.

### INSURING COLLEGE SPIRIT

CORNELL.—A million dollar life insurance endowment fund is the aim of Cornell University. An extensive campaign is under way in which every contract can be written for any amount, the school to be become the beneficiary. Harvard, Princeton, and Dartmouth have adopted the plan with success.

### May Day Pageant Attracts Many

#### ANNIVERSARY SPECTACLE RINGS MUCH PRAISE TO DIRECTOR

"The Spirit of Westminster"  
Declared Best Ever  
By Many

May pageantry at Westminster reached a new peak of achievement on Saturday, May 28 when "The Spirit of Westminster," a pageant written by a student class in pageantry and directed by Mrs. McConagha was presented on the college athletic field, delighting some 3000 friends of the college who came from all parts of the tri-state district to view the annual spectacle.

#### Weather Ideal

Weather conditions for the presentation were ideal. An early hour the stands erected about the outdoor stage began to fill, and when the siren sounded at 4:20 as a signal for the cast to appear, the stands were almost completely filled, while the hillsides surrounding were alive with their human audience.

An efficient amplifying system enabled the spectators in all corners of the field to hear distinctly each word of the narrator, Orvil Mirtz. A microphone on the piano made it simple for both the dancers and the audience to hear and interpret the music.

#### Historical Theme

From pioneer days of Neshannock valley, featuring a covered wagon, Indians and early settlers, to the recent days of the presidency of W. Charles Wallace, the whole panorama of Westminster's glorious history passed before the eyes of the enthusiastic crowd. Into this outline of history from 1852 to 1927 was woven the history of foreign countries which have influenced the trend of world affairs. Dances symbolic of the various lands and peoples added color to the scenes.

Helen McConagha, May Queen of 1926, took the part of "The Spirit of the old Westminster"; and Helen Hastings, May Queen of 1927, took the part of "The Spirit of the New Westminster."

The story unfolded in the pageant  
(Continued on Page 4)

### DENNISON MADE TENNIS MANAGER

Swisher Elected Track Manager;  
Letters Awarded

Eight men were awarded varsity track letters and six were given varsity tennis letters at the meeting of the faculty committee on athletics yesterday at noon. At the same time, Joseph Dennison was reelected manager of varsity tennis for the next year, making three successive managements for him. Clare Swisher, editor of the HOLCAD, was elected manager of varsity track.

The men who were granted varsity letters in track for the past season are: Delahunty, Hutchison, Hartwell, Rose, Thomas, H. Bucher, Brown, and William Maxwell, manager. The tennis men who were awarded letters are: McDowell, Clark, Shafer, P. Gibson, Robinson, and Joseph Dennison, manager.

### CLASS DAY EXERCISES THIS AFTERNOON AT 3:30

Seniors to Produce Vaudeville  
Centennial

This afternoon at 3:30 in the Community House the senior class will present its class day program in the form of a vaudeville centennial. Isabel McConagha is chairman of the committee which has made arrangements, and it is hoped that the regular program instead of a tabloid campus affair will add much to the occasion.

The cast of characters in the vaudeville is as follows:

Miss 1827—Helen Davidson  
Miss 1927—Dolly Cassidy

1. Bricker the Kicker ..... Brown Bricker
2. Feature picture "The Cannibal and His Skeleton" with vitaphone Mumbo Jumbo, King of the Cannibal Islands ..... Harry Newell
3. Tamataka, his daughter ..... Paul Jones
4. Cocobolo, the medicine man ..... Andrew Harmody
5. Edward Lansing Mortimer a retired living skeleton ..... Albert Berry
6. Scene—the Cannibal Islands
7. Hortensia, the Magic Doll ..... May Richards
8. The Daily Doesn't ..... Howard Logan and Harold Coles
9. The Oriole Music Makers ..... Mary Smith, Mary Braham, Margaret Monroe, Isabel McConagha, Lillian Wright.
10. Thirstin, the Magician, and company—Jess Cogley and Helen McConagha
11. Nancy and Monty, the Doughty Donors Nancy Miller and Paul Montgomery
12. Presentation of colors ..... Joseph Dickson
13. Acceptance for the freshmen ..... Robert Furst
14. Echoes of the Senior Sing

JAMES PATTERSON  
Salutatorian

### McCLURE ELECTED TO HIGH OFFICE

Donald McClure, president of the college Y. M. C. A. for the coming year, was elected president of the Western Pennsylvania Council of the Y. M. C. A. at the conference held at Geneva College two weeks ago. McClure was recently named to the national regional committee of the Y. M. C. A.

### Gov. J. S. Fisher To Be Given LL.D.

#### DR. GAMBLE TO GIVE COMMENCEMENT SPEECH

Seventy-five Seniors to Be Graduated  
At Jubilee Exercises

Dr. S. C. Gamble, class of 1901, pastor of the Second United Presbyterian church of Butler, will deliver the commencement address tomorrow afternoon in the United Presbyterian church.

At the commencement, the procession for which will form at the Music Conservatory at 1:30, Governor John S. Fisher of the Commonwealth of Pennsylvania will be given an honorary degree of Doctor of Laws.

Governor Fisher will arrive in town with his party just before noon

GOV. J. S. FISHER  
Guest of the College

tomorrow and will be a guest of the local Rotarians at a dinner in Hotel Neshannock. A detachment of six state troopers from the Butler barracks will form a guard of honor to the Governor during his stay in New Wilmington.

Seventy-five seniors, the largest class in the history of the college will be graduated at this, the Diamond Jubilee year commencement. Candidates for the degree of Bachelor of Arts are: Albert Berry, Ruth Blair, George Bolinger, Willa Boyd, Mary Braham, Elsie Braun, Brown Bricker, Arthur Calvin, Elizabeth Campbell, Philip Canon, Dolly Cass  
(Continued on Page 3)

### HARTWELL ELECTED TRACK CAPTAIN

"Billy" Hartwell, speedy dash man of Coach Coleman's cohorts was elected captain of the Westminster varsity track team for next year at a meeting of the lettermen held last night.

### CAPTAIN GAMBLE WINS TRI-STATE MEDAL

At the last chapel service held yesterday morning, Captain Hugh Gamble, valedictorian of the senior class, was awarded the Tri-State medal, symbolic of prowess in scholarship and athletics. It was the unanimous opinion of the faculty that Gamble best typifies the ideal combination of student and athlete, and upon the recommendation of the faculty was based the award.

### TENNIS TEAM WINS TRI-STATE TITLE

Third Successive Championship On  
Courts

Although all scheduled matches were not played, due to inclement weather, the varsity tennis team defeated each conference opponent once during the present season, clinching the Tri-State title for the third successive time.

#### Friday May 6 Duquesne at Pittsburgh

Westminster wins 4-3  
Clark and McDowell starred for Westminster in the singles; Schaeffer flashed the best form in the doubles matches.

#### Singles

Clark defeats Sullivan 6-4; 1-6; 6-2. Creighton defeats Shaeffer 6-4; 5-7; 6-4. McDowell defeats Calodi 6-4; 6-4. Phillpot defeats Gibson 6-4; 6-4. Okla defeats Robinson 7-5; 2-6; 8-6.

#### Doubles

Clark and Schaeffer defeat Sullivan and Phillpot 3-6; 7-5; 7-5. McDowell and Gibson defeat Okla and Creighton 2-6; 6-2; 6-4.

#### Saturday May 7: Bethany at Bethany

Westminster wins 7-0  
Clark continued his hard stroking from baseline and the net. Schaeffer hits his stride in defeating Kirby, as did Robinson and Gibson.

#### Singles

Clark defeats Ryan 6-3; 8-6. Schaeffer defeats Kirby 6-2; 6-1. McDowell defeats Mutchler 6-1; 9-7. Gibson defeats Runt 6-1; 6-2. Robinson defeats Cochran 9-7; 6-2.

#### Doubles

Clark and Schaeffer defeat Ryan and Mutchler 6-3; 6-1. McDowell and Gibson defeat Ward and Kirby 6-3; 6-2.

(Continued on Page 3)

HUGH GAMBLE  
Valedictorian

### CLASSICAL PRIZES AWARDED YESTERDAY

Prizes totalling \$75 for proficiency in classical studies were awarded yesterday morning at the last chapel service. Harry Baird, a member of the freshman class, was awarded \$25 in gold for the best work done in freshman Latin. Ruth Dinsmore, a sophomore, won the distinction of being awarded \$25 in gold for the best work done in first year Greek and also \$25 in gold for the best work done in sophomore Latin.

### Break Ground For Memorial Today

#### INITIAL MOVE TO BUILD BROWNE HALL TODAY

Building Committee Selects  
Contractor From  
Many Bidders

An important feature of the Diamond Jubilee of Westminster's history is the building program which will, within another year, give to the faculty and student body much needed facilities. First on the program of building is the Robert Audley Browne Memorial dormitory for men, ground for which will be broken this afternoon at 3 o'clock.

#### MANY BIDDERS

The building committee of the Board of Trustees, in special meeting last night, had to consider 27 bids for the building of Browne Hall. In all probability, the winning bidder will be announced at the alumni dinner today at noon.

Robert Audley Browne Hall, funds for which were subscribed by citizens of New Castle, will be of native stone like the United Presbyterian church and the proposed Old Main Memorial. It will conform in style to Old Main Memorial, and will be located on the south campus to the north east of the gymnasium. It is planned to have accommodations for 80 men, dormitory style.

#### OLD MAIN MEMORIAL

Early this morning the building committee met to consider bids on the building to replace Old Main, destroyed by fire on the morning of January 24. Here again, many contractors submitted figures in an effort to get the work of building the greater Westminster. More than 20 bids were in the hands of the committee last night. It is possible that the successful bidder for the building of Old Main Memorial will also be announced either today or tomorrow.

#### GOT A WESTMINSTREL?

If not you're not a Westminsterite. Westminster's newest publication may be purchased up town or from the editors at 35c per copy. It's worth it!

### DR. WALLACE SPEAKS AT BACCALAUREATE

The Ideal Hero, Christ, Held Up  
As Example To Follow

Painting a picture of the ideal hero in the colors of Jesus of Nazareth, Dr. W. Charles Wallace delivered a convincing sermon at the baccalaureate service in the United Presbyterian church on Sabbath evening.

Like Wordsworth's Happy Warrior, Dr. Wallace pointed out the fact that the ideal hero is not the one who fights with principalities, kingdoms, and physical opponents, but rather the one who fights against the things within.

Every nation, it was pointed out, has its national hero, its dragon slayer or great deliverer; but Christ was pictured as the dragon slayer and deliverer of all mankind. He was pictured as the ideal hero and champion because He had magnanimity, courage, sympathy, kindness, thoughtfulness, consideration.

## TO THE ALUMNI

An editorial in the HOLCAD, issue of May 10, has brought the desired results. Some alumni have actually reacted to it!

### FEW ALUMNI SUBSCRIBERS

Among other things mentioned was the fact that only "two or three alumni" subscribe to the HOLCAD, and that the paper therefore, should not attempt to cater to alumni interests. While the editorial in question was worded unfortunately, it had in it considerable common sense from the journalistic point of view.

### HOLCAD IMPROVED

Just why alumni of Westminster, or of any college for that matter, are not interested in reading college news is a dark mystery. Certainly the charge cannot be made that the alumni refuse to subscribe because the HOLCAD has not kept pace with the college. Many letters of congratulation have been received from alumni, newspaper men, and friends concerning the marked improvement made in the HOLCAD during the past two years.

### A CRITICISM

A letter received from an alumnus just last week says:

"There is something wrong if you have only 'two or three subscribers.' (THE FACTS OF THE MATTER ARE THAT WE HAVE MORE THAN 50 ALUMNI SUBSCRIBERS). The graduates of Westminster are just like the graduates of other schools. I have a deep interest in old Westminster, and I am sure other graduates have. There is not, however, the general interest that should exist, and I know of no better way to arouse a greater interest than through the publication of a college paper containing items of interest to alumni."

### WE AGREE

To which we agree—many of the graduates of Westminster are just like the graduates of other colleges—but we expect more from Westminster graduates, and we might add, we are gradually getting more interest and enthusiasm. BUT with only about 50 alumni subscribing to the HOLCAD, we have not been able to print very much news of interest to the general alumni body. It would be wasted effort, since not enough alumni would read it.

### REASONS AND REMEDIES

Even if we did find a column each week for alumni news, we should not have material with which to fill it. During the past year, 46 items concerning alumni and 174 items of interest have been published. WE HAVE RECEIVED BUT 12 items FROM ALUMNI. When, therefore, you see newspaper stories concerning graduates, when you know any news of alumni, please send it in, stating class of graduate mentioned, degrees and honors, positions, and other notes.

### WE PROMISE

For next year we promise alumni news just as often as we receive it from alumni. If we receive enough, an alumni column will be started. BUT WE NEED AT LEAST 200 ALUMNI SUBSCRIBERS. What are you going to do about it?

### CONGRATULATIONS

Mrs. Mary C. McConaghy, head of the Public Speaking department, and director of pageants at Westminster, is to be congratulated on her recent success. When one looks back, and remembers the weather conditions, the immense amount of work, and the lack of real cooperation by the students, on the project, we are fully able to appreciate Mrs. McConaghy's great efforts. The pageant this year was a great success, even though the large crowd of last year was not in evidence. The severest of critics, although saying that the dances were too long, as well as the entire pageant, have said that it was the best pageant ever presented at Westminster.

## THE SHARPSVILLE FREIGHT (Last run) PSSSSSSSTTTT

Westminster distance runners

Are the cat's milk.

Why?

Because they're always  
Getting lapped.

### WONDER

Oh the tears fallin' in bucketfuls,  
And the hankies are ringin' wet;  
You'd think that a dozen rain storms  
In the sky, had accidentally met.  
The people walk with heads bowed  
down,

Their faces are quite glum;  
Could think by all appearances,  
That the whole world had gone bum.

No, fokes, it aint a funeral  
Of these down east ones dear friend;  
Nor it aint the awful worry  
That the world is soon to end.  
The reason for the glumness,  
Of these kids you see about;  
The finals are all over,  
And the guys have all—flunked out.

### 100%

If the letter K signified the  
Lowest grade I could get,  
Said little Willie Tanke.  
I'm dog gone sure that  
My card would look like  
A Ku Klux membership blank.

### TWIN BED TIME STORIES

Once upon a time, little fokes, there was a young fella who went to a little college nine miles north of New Castle. Now this young fella was sure a ritzy kid. He got A's in all of his subjects, had a list of activities as big as a dormitory dean's grouch, and he did rate with the bims and how! Well as he was president of the student volunteers, every body thought that he would be a whiz in life. After four years of chapel and listening to neighborhood preachers giving talks that inspire, he graduated—and he didn't even have to argue with the office for his credits. He knew he'd succeed. Everybody was sure of it. He went out into the cool cool world just ready to grab old bull success by the horns and throw him. But some how little fokes, he just couldn't make it go. There was something the matter with him, and he knew it. Finally one day he got the truth from a kid. Brats always do tell the truth excepting when they're asleep or awake. He had Halawhosis! This means bad breath, little fokes, and it isn't liked nowadays. It used to be, Abie Lincoln had it, and they called their money the Lincoln cent after it—Anyhow he drank Blister-beam, and then how he did make things go. He sure was a wow—and how. Why now he's the great clothing magnate that we hear so much about! Little fokes, he's the haberdasher for the Sharpsville Railroad (no connection with Freight)—He handles the ties.

Moral: You can't make the right kind of a stink in the world with a bad breath.

Our idea of a good joke would have been to spade up the plot where ground is to be broken for the new dorm last night sometime.

### YOU NEED A BISS CAT

I just love  
Animal trackers  
Lisped the co-ed  
Coyly, as she oozed  
Her way into  
The mighty  
Hunters  
Arms.

Grad—"I bet that's Grace, the telephones operator."  
Alumnus—"What makes you think so?"

First inebriate—"I said, 'Hello,' and she wouldn't answer."

No freight—Crew has flunked out.  
Kasey.

## CHAPEL BELLS

### SIGMA KAPPA PLEDGES

Sigma Kappa fraternity announces the pledging of Frances Leohner of New Castle, and Margaret Lennig of New Castle. Both young ladies are members of the sophomore class.

### PHI PI PICNIC

The Phi Pi Phi fraternity held its annual picnic at Idora Park last Friday afternoon and evening. Professors Lutz and Graham of the faculty and Arthur Krikbride were the chaperones.

### DELTA PICNIC

Delta Phi Sigma held its annual picnic at Sandy Lake, Soneboro, last Friday afternoon and evening. Dr. and Mrs. E. B. Russell and Professor Gettman of the faculty were chaperones.

### SIGMA KAPPA ELECTIONS

Thelma Warner of New Castle was elected president of Sigma Kappa for the coming year at a meeting held two weeks ago. Lorena Garloch was elected vice president; Katherine Wiley, recording secretary; Hazel Brush, treasurer; Helene Winters, registrar; and Katherine Boobyer, triangle correspondent.

## JUBILEE ARGO MERITS PRAISE

Student Annual Distinctive  
In Design and  
Content

The 1928 ARGO which appeared on the campus May 24 is possibly the finest piece of journalistic work to be turned out at Westminster for many years. The book, which is sponsored by the Junior class, is full of new features which help to place it at the head of a long list of very successful publications.

The new book, dedicated to Doctor Robert Gracey Ferguson who for twenty-two years was president of Westminster, follows the theme of the seventy-fifth anniversary of the founding of the college. All of the title page drawings are after the fashion of spring bottom trousers and hoop skirts, and are in the colors of the school.

The several cartoons, as well as the feature section, are different from the usual novelties, and the use of the fraternity and sorority seals are unique.

All through the book, distinctive features show forth, and from cover to cover it shows good workmanship on the part of those who compiled it. The Seniors are set up in a more complete way, and the athletic panels and write ups are short and interesting. In the Greek section there is a marked improvement over anything else ever attempted in that line.

The new ARGO is quite complete, and is certainly worthy of representing Westminster.

# Hazing Abolished

## FACULTY DECISION ANNOUNCED MONDAY

According to a ruling of the faculty yesterday morning at the last chapel, hazing will not be countenanced by the faculty from now on. While the faculty was never in full agreement with hazing and while hazing was not officially sanctioned, there was, until this time a ruling to the effect that all initiation of freshmen should take place before a certain date in the fall.

The new ruling, the result of the work of a special faculty committee, has three clauses as follows:

1. The faculty does not recognize any rights on the part of Members of the student body to practice hazing.

2. The flag rush is abolished.

3. The Second Saturday of the fall semester shall be known as freshman "stunt" day.

It is probable that a joint meeting of students and faculty early in the fall will result in definite plans for the "stunt" day suggested by the faculty ruling.

## SUMMER CONFERENCE PLANS BEING MADE

August 5 to 12 are the dates set for the annual Missionary conference to be held in New Wilmington. This year will mark the twenty-second conference gathering of missionaries and young people. Samuel Shane, class of 1925, has been appointed manager, and plans are being made for the schedule of speakers and instructors in the various courses offered.

Dr. W. B. Anderson of Philadelphia will be the conference leader. Mr. Shane will have Donald McClure, Howard Wetzel, and John Smith of Ellwood City as his camp assistants.

## SEVENTEEN SENIORS SIGNED TO TEACH

Many Of Westminster Graduates  
Of This Year To Become  
Instructors

At least 17 members of the senior class at Westminster college have signed contracts to enter the teaching profession next year. Many other members of the class plan to follow suit but as yet have not signed on the dotted line.

Those who have definitely decided on their profession for next year are: Miss Mary Stewart of Freeport, at Freeport High; Jas. Patterson, of Mercer; at Mercer; Miss Nancy Miller of Butler; at Butler; Brown Bricker of North Braddock, at North Braddock; Miss Martha Wallace of Parnassus; at Parnassus; Harry Newell of Sharon, at Parnassus; Miss Elizabeth McKnight of Volant, at East Brook; Miss Helen McConaghy of New Castle, at New Castle; Miss Ma Sands of New Castle, at New Castle; Lloyd Shaner of Connellsville, at Masontown; Miss Dolly Cassidy of Burgettstown, at Burgettstown; William Wilt of Ligonier, at Ligonier; Paul Montgomery of New Castle, at Mt. Jackson; Miss Mary Braham of New Wilmington, at Sandy Lake; Miss Mary Smith of New Wilmington at Bessemer; Miss Willa Boyd of New Wilmington at Mt. Jackson; William Thomas of Farrell at Farrell, and Miss Margaret Glenn at Sharpsville.

## ALUMNI, ATTENTION!

We know that you are interested in Westminster. We know, too, that you mean to keep in touch with the old school. Won't you subscribe to the HOLCAD for the next year, starting with the first issue in September? Fill in this blank and mail it to the Business Manager immediately. Box 338, New Wilmington, Penna.

Please send the HOLCAD to .....

Address .....

for the next college year.

I enclose check for \$2.00  
Send me bill for \$2.00 later

GONE BUT NOT FORGOTTEN

## "SPIRIT OF WESTMINSTER" BRINGS PRAISE

(Continued from Page 1)  
was written by the class in pagentry, composed of Elizabeth Anderson, Nancy Miller, Isabel McConagha, and Mrs. McConagha, director. The entire direction of the pageant was in the hands of Mrs. McConagha who has directed Westminster's May celebrations since 1924.

### Word of Appreciation

In the midst of commencement week the events of a little more than a week ago are somewhat overshadowed. However, no one can forget so soon the exceedingly successful 1927 May Day pageant. Those whose names appeared on the pageant program have received the applause for this success. But, looking behind the scenes, we find that there are others who rendered invaluable assistance and who were not mentioned in the program.

Especially do Mrs. McConagha and her staff count themselves indebted to Jack Hulme, not only for his costume work before the pageant but also for the willing way in which he took over the thankless job of collecting the costumes after the pageant. The costume committee is also indebted to Mrs. James Graham for her voluminous work in that connection. The work of Professor Lutz on the field and that of Professor Graham on the business end also receives high commendation from the directress, Mrs. McConagha and those others who understand the inner workings of the pageant wish to thank most heartily Jack Hulme, Mrs. James Graham, Prof. Lutz, and Prof. Graham for the invaluable assistance rendered by them to the 1927 May Day pageant.

## RETAIN DRIBBLE IN BASKETBALL FOR NEXT YEAR

Enforcement of the new basketball rule, limiting the use of the dribble to one bounce, has been rescinded, and the dribble will remain in status quo until after the close of the 1927-28 season. This announcement was made by L. W. St. John, Ohio State University athletic director and chairman of the national basketball rules committee, May 18.

St. John's announcement followed a poll of the 20 members of the committee which showed a majority in favor of deferring enforcement of

the rule for a year, to give coaches, players, and officials a chance to make suggestions tending to work out some practical limitation of the dribble.

## NEW ARGOS ON SALE

Copies of the new 1928 ARGO may be obtained yet at \$4.00 each. This book is without a doubt the best of its kind ever published at Westminster. Show your school spirit and get one!

Beede's Squad Pointed Toward  
Tartan Game at YoungstownSOUTH HIGH STADIUM  
TO BE BATTLEFIELD  
SATURDAY

Local football wisecracks get their first concrete subject matter Saturday when Westminster grid aspirants take on the Carnegie Tech Tartans at the South High stadium, Youngstown. The game is sponsored by the Chamber of Commerce of that city.

Youngstown papers for the past three weeks have given the event wide publicity to make it memorable as the first collegiate football game for that city. Sport fans estimate that it will draw the largest crowd that city has ever had at a sport event. They will all turn out to see the performance of their native sons. Beede, Blue and White coach, and Hall, J. Smith, Machin, Fisher, and Ricey are aborigines of that clime. Sebastian, Tech quarterback is another favorite son.

The dopesters have it figured out to be a real game. It is a case of Tech system against Tech system. Beede's proteges have been intensively trained since September 1. Scarce an ounce of fat is in evidence lest it be on Sweet. About 25 men have withstood the rigors of training camp and scrimmage every day.

The squad is light; what it lacks in beef it must needs make up with intestinal fortitude to stay in the running. On the line have been Boone, center, Smith and Ayers; guards, Dombroski and Furno; tackles, Tweedy and Machin ends. In the backfield, Lauder and Hall, halves, Diable, quarter and McQuiston, full, have been the combination. Crowell, Kelley, and Krueger have been used on the line also. Campbell, Havrilla, and O'Donovan have been seen in the backfield.

The back field is average with Diable and Hall as ball toters, Lauder as interfeerer and McQuiston to pass and kick. A "hefty" fullback to coach the line has been the deficiency. The coaches figure that they have more so called intestinal fortitude in the line than they have had for same years.

HARRIERS REPORT  
TO COACH GRAHAM

Cross country runners numbering 13 answered the call of Coach R. X. Graham for candidates Friday afternoon at 4 o'clock. Of this number, five runners are members of the freshman class, and may show promise in the early trials. These men are Paul Quimby, Paul Infield, Elmer Myers, Bob Wallace and Alfred Johnston.

Coach Graham is counting upon the men who were members of last year's team to lead the pack. With another year's experience back of them it is hoped that they will form the basis upon which another championship team will be moulded as was the case two years ago. Included in this group are: W. Rose, O. Mirtz, D. Myers, R. Ellis, B. King, E. Anderson, A. Perrine and W. Turnbull.

Carnegie Tech leads the list of colleges which will be met this Fall. This race will be run over the Schenley Park course at Pittsburgh on Saturday, October 15.

## STUNT DAY

According to a ruling of the faculty last May, the traditional flag rush has been abolished. In its stead, a Freshman Stunt Day to take place Saturday morning at 9 o'clock will provide sophomores an opportunity to make the FROSH show their verdancy. All freshmen are required to be present.

## NOTICE FRESHMAN MEN

Freshmen, who are not athletes, but who are interested in athletics have unlimited opportunities to establish connections with sports by way of the managerial route. At the present time the country team needs assistant managers. PP—There is nothing to prevent any plebe with a spark of ambition and a willingness to work, from getting into one of these activities, and eventually securing a job, a letter, a prominence on the campus. Come on out freshmen and show some of your newly acquired Westminster spirit.

College Enrollment Is Near  
Five Hundred-Fifty Students

## TICKETS FOR GAME

Student tickets for the Carnegie-Westminster game at South High stadium, Youngstown, Saturday may be purchased at the college office. General admission and reserved seats are \$2, but students tickets in the cheering section are 50 cents.

NEW STUDENT NUMBER  
93 MEN AND 92  
WOMEN

College doors are open wide again and old and new students are busy acquainting themselves with things, new and old, on the campus.

More new students have been enrolled this year than ever before in the history of the college. Ninety-two new women and ninety-three new men have been registered to date of which number ten men and four women are upper-class students that have transferred from other colleges.

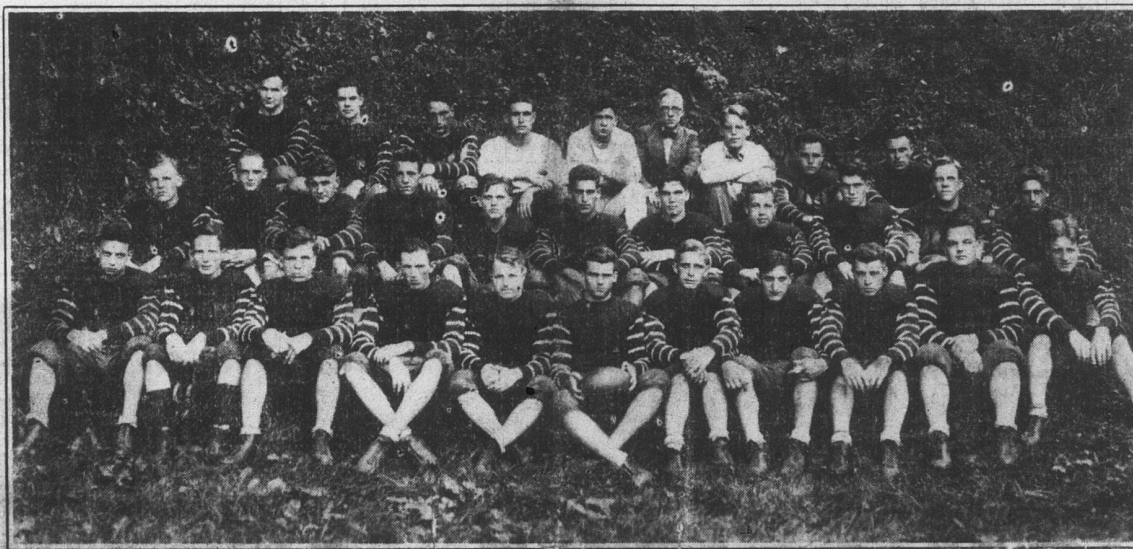

Westminster's fame is constantly spreading as several new states are represented in the freshman class. The total enrollment in the college is about five hundred and fifty.

To take care of more women students, the college has secured the Prather house, an additional dormitory. Mrs. James Graham is dean of the new house.

Men students have found some difficulty locating rooms in town, but by next year the Robert Audley Browne hall facilities will allow even more men to enter.

Many students had to be refused entrance during August, according to reports of the College office, because of lack of dormitory facilities.

Enrollment in the gymnasium last Wednesday and Thursday was carried on systematically. Many students expressed their appreciation of the new system over the procedure in vogue here for many years.

## VARSITY SQUAD

Front row, left to right: Krueger, Kelly, Dombrowski, Crowell, Hall, Lauder, Smith, Ayers, McQuiston, Sweet, Campbell.  
Middle row: Benninghoff, Dibble, Furno, Ricey, Cordes, Holzapfel, Armour, McCullough, Boone, Machin, Wrigley.  
Back row: Hoover, Fisher, Lawther, Beede, Hulme, McDonald, Bovard, Tweedle, Baird.  
Note: Bowen, O'Donovan, and Havrilla are not in the picture.

WHO'S WHO IS FIRST  
COLLEGE FUNCTION

The annual Who's Who, sponsored by the Y. M. C. A., and the Y. W. C. A. of the College, was held at 8:15 p. m. on Saturday evening, September 17, in the College Gym.

The Who's Who is for the purpose of introducing the new Freshmen to the rest of the college, and was the first college function of the year.

The students assembled at 8:15, and the usual procedure of introduction was carried out. The feature of the evening was a vocal selection by John Lowden, accompanied by Gladys Ziegler, and then the singing of the Westminster Hymn by all those present. Refreshments were then served and the evening was brought to a close.

The Who's Who is the customary opening college function, and is generally held on the first Saturday night after the opening of college.

FACULTY APPOINTS  
UPPER CLASS COMMITTEE

Appointments of the Upper Class Committee for this year have recently been made. This committee consists of: Howard Kelly, chairman, Betty Glover, Clare Swisher, Helene Winters, and Howard Hamer.

This committee has complete charge of regulating the relations between the Sophomores and Freshmen. A meeting will be held in conjunction with the faculty this week to decide on and formulate regulations for this year.

## INSTRUCTS AT JUNIATA

Dorothy Kirkbride, '25, has been appointed instructor in music at Juniata College.

## "JIMMY" LAUDER

Varsity Football Captain

"Jimmy" is playing his third year of football for Westminster in the capacity of half-back. His knowledge of football is equal to his hard and dependable playing.

## NOTICE FRESHMAN

All freshmen desiring to sign up for the HOLCAD staff will report at the Journalism lab in the Science Hall this afternoon between 1:00 and 1:30.

PLAN OF ATHLETICS  
CHANGED BY COLLEGE

A change has been made in the management of athletics at Westminster. By this change a full-time director of athletics has been dispensed with. Mr. John Lawther has been made faculty director of athletics; Jack Hulme has charge of swimming classes and gym work. He is to be assisted in this work by Miss Dorothy Stunkard. Andy McDonald has complete charge of the business alumni held the financial management. At the present time this has been transferred to the Board of Trustees which is directly responsible to the college. Employees by this system are directly responsible to and work directly for the college.

Y. M. WHAT'S WHAT  
HELD FRIDAY EVENING

Last Friday the men students of the college gathered in the Sunday school room of the U. P. church for the annual Fall What's What.

The house full of freshman were told of the many different fields of activity that they find on the campus.

Doctor Love gave the frosh a good straight to the shoulder talk. Oryille Mertz acted as chairman for the meeting. Student speakers who explained the What's What were King, Swisher, Kelly, Coleman, McQuiston, Kelso and McClure.

GRADUATE WORK  
IN EDUCATION

Prof. J. A. Shott announced last week that graduate courses in education would be offered each Saturday morning to school teachers this year.

EXPECT NEW BUILDINGS  
READY NEXT YEAR

Students returning to Westminster College for the Fall semester found two new buildings well under construction. The stone masons have already placed several feet of wall on both buildings.

In the June meeting of the Board of Trustees of the College contracts were awarded to the Smith & Bauman Company and to J. Clyde Gillfillan for the construction of the "Old Main" Memorial and the Robert Audley Browne Memorial respectively. On Alumni Day, June 7, W. E. Browne, son of Robert Audley Browne, broke sod for the new men's dorm. The following day after the commencement exercises Governor Fisher broke ground for the New Main Building.

Shortly after the two contractors began excavating. Work has progressed rapidly and it is the expectation of those in charge that the Browne Hall will be completed by the coming June and the Main Building will be ready for use by the opening of school next September.

Both buildings are of stone similar to that used in the construction of the U. P. Church. The "Old Main" memorial will include class rooms, college offices, and chapel. The Browne hall will provide sleeping and eating quarters for freshmen men.

## INSTRUCTS AT THIEL

Austin Cooley, former Westminster student, has accepted a position as instructor in French at Thiel College.

## HOW ABOUT IT?

Cheering at the varsity football games in the last few years has been what the modern slang man era would call "flat."—WHY? Of course there are many alibis as to the why of it, but an alibi is by no means a remedy to the situation.

There are seniors in this college that do not know the Westminster Hymn. There are seniors who do not know the various yells.—WHY? Simply because they were not forced to learn them, and they did not have sufficient initiative. Those who do want to learn the cheers and songs need training—those who will not learn them need the board of education applied, and training with the others.

The freshman year is the budding time. Save the freshman, and you save all.

We advocate song and cheer practise twice a week for all freshman under the guidance of the varsity leader. All freshman to sit in a body at the games. If this plan does not at least partially remedy it, an experiment will have been performed anyhow.

## A WORD TO THE FOOLISH

It would be a wise stroke of the mind for all freshman men to remember that the rules concerning the annual pranks of the sophomores are enforced to ease the way of the newcomers—not to preserve the diminishing lumber supply of our country.

The sophomores have obeyed these rules, and square treatment has been found at every hand by the frosh. However these same freshman painted their numerals in many conspicuous places—and on private property.

As a gentle hint, we will say that when the freshman start the ball rolling, the sophomores will stop it rolling as they have for decades in the past.

## MORE THAN AN ACTIVITY

Freshman co-eds and men will find the HOLCAD the best opportunity for journalistic training in all of the campus publications. The work is as interesting and fascinating as it is instructive.

To-day the profession of journalism ranks greater than ever before. Though you do not have journalism as your aim, the knowledge of its principles will do you no harm—Perhaps some good. It will at least enable you to appreciate the modern newspaper. Something that few can do.

"Most modern novels should be taken with a grain of salt."—Peter.

The biggest thing that is wrong with college students of to-day is their youth.—They'll get over it in time.

Co-ed's dresses will be worn shorter this year. Mother's will undoubtedly be worn longer.

An ancient Arab proverb says that wisdom is made up of ten things:—Nine of them are silence and the tenth is brevity.

Current newspapers attribute the cause of student suicides to excessive thing.—So far, the papers haven't been flooded with the reports of any faculty members committing suicide.

Get your subscription money to the circulation manager of the Westminster. Money is a medium. You may have "IT", but its no good with out that medium. Let your conscience be your guide.

## THE SHARPSVILLE FREIGHT

### LES MISERABLES

Each year at this time to the frosh of our nation, Dear Unk must give them some wise information.

Now last spring as you know, The faculty got dazed; And up and told the sophomores That it wasn't nice to haze. Of course the Y.M. boys all clapped, And cheered a lusty holler; But take a tip from me rite now, And don't trust them with a dollar.

Well anyhow I'm off the track, What I mean to say is this. Despite the rules of prexy Your first year won't be bliss.

A couple of weeks from now, When you have joined a frat, You'll be eating off the mantle, And you'll think that rule is flat. The sophs this year got lammed last year, The Juniors the year before; And because you'll escape it for awhile, You'll get lammed all the more.

No matter where you go to school, Despite the rules that's fell, The life of a freshman always was, And always will be H-----.

### OUR QUESTION BOX

Dear Unk  
Who first said, "Bind up the Testimony?"

Elizabeth Ford.  
Dear Liz—It was a rascally leathen zulu-lulu back in 1908 as he was tying a nice juicy missionary to the stake just a few hours before the noon time meal.

Unk.

It is rumored in the higher circles in New Wilmington that our Scotch graduate manager of athletics had a hope chest before he was married.—It was full of socks that needed to be darned.

1940—Did you go to Westminster?  
Ditto—No, but my bootlegger did.

Co-ed wonder: How many months till the fraternity dinner dances?

## The COACH

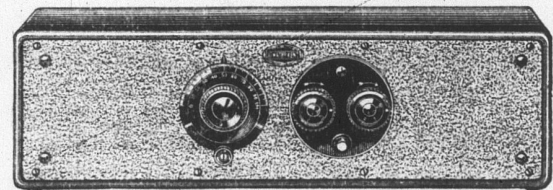

In the new Coach, Chevrolet again surpasses all former achievements in providing spectacular closed car values. With a new streamline body, finished in St. James Gray Duco, striped in Pistache Green—with a host of refinements that add to motoring comfort this splendid car stands supreme in its field.

Upholstery is in long-wearing Green Corduroy. Doors and windows are exceptionally wide—steel corner-posts extremely narrow. Appointments and equipment include textile-leather visor, Fisher VV one-piece windshield and automatic windshield wiper, rear-vision mirror, complete instrument panel with speedometer, ammeter, oil gauge and coincidental ignition and steering lock, remote control door handles, dome and dash lights, combination tail and stop light, gasoline guage, large 17-inch walnut-finished steering wheel, bullet-type head and cowl lamps, new air-plane metal radiator, improved tire carrier, new one-piece full-crown fenders, steel disc wheels and balloon tires.

## NEW FOOTBALL RULES FIND SEVERAL CHANGES

Six principal changes in football rules will go into effect with the commencement of the fall gridiron classics at the various colleges in the land. Considerable interest among the Blue and White followers, regarding the football rule changes, has already been shown, with the lid-lifting encounter with Carnegie Tech at Youngstown only a week ahead.

Important among the 1927 changes is the removal of goal posts from their former positions at the goal lines to the end lines 10 yards farther back. This action was taken by the football rules committee at its winter meeting when members agreed that it would avoid possible injuries and interference with plays, making the try for point after touchdown more difficult and giving teams reason to develop better kickers.

Among important changes is that which was amplified to prohibit the use of certain equipment which the committee felt might be dangerous.

In "shift" plays the new rules require that all players come to a complete stop for a period of approximately one second, and define how this period may be conveniently measured.

Another of the changes provides that in "huddle" plays a delay of more than 15 seconds may be termed prima facie evidence of unreasonable delay, and that no delay arising from any cause what soever shall continue more than two minutes.

To encourage greater freedom in handling the ball the rules have been amended so that the backward, or lateral pass, except those from the snapper-black will, if incomplete, become dead and no further play can be claimed as specified in the rules.

Scoring of touchdowns on "lucky breaks" coming from punts is to be eliminated by the ruling that when a ball kicked from scrimmage formation and simply touches or is "muffed" by a player of the receiving side before having come into his actual possession and control, the ball may be recovered by a player of the kicker's team as heretofore, but it may no longer be advanced beyond the point of recovery.

## FACULTY COMMITTEES ANNOUNCED FOR YEAR

Committees of the faculty as announced in chapel Friday morning by President Wallace are:

### COURSES OF STUDY:

Dean Freeman, Mr. Russell, Mr. Shott, Mr. Dawson, Mr. Quick, Mr. Swindler, Mr. Taylor.

### ATHLETICS:

Mr. McKee, Mr. Love, Dean Freeman, Mr. Swindler, Mr. Lutz.

### LIBRARY:

Miss McCain, Miss Ailman, Mr. Love, Mr. Vance, Miss Brown, Mr. McKee, Miss Stewart.

### PUBLICATIONS:

Mr. Dawson, Miss Doolittle, Mrs. Conrad, Mr. Graham, Mr. Lawther, Mr. Swindler, Mr. Gettman.

### LECTURES AND CONCERTS:

Dean Freeman, Mr. Bellinger, Mrs. Conrad.

### STUDENT FUNCTIONS:

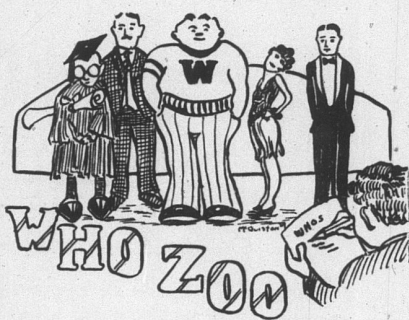

Mrs. Robertson, Dean Freeman.

### FACULTY CLASS ADVISORS:

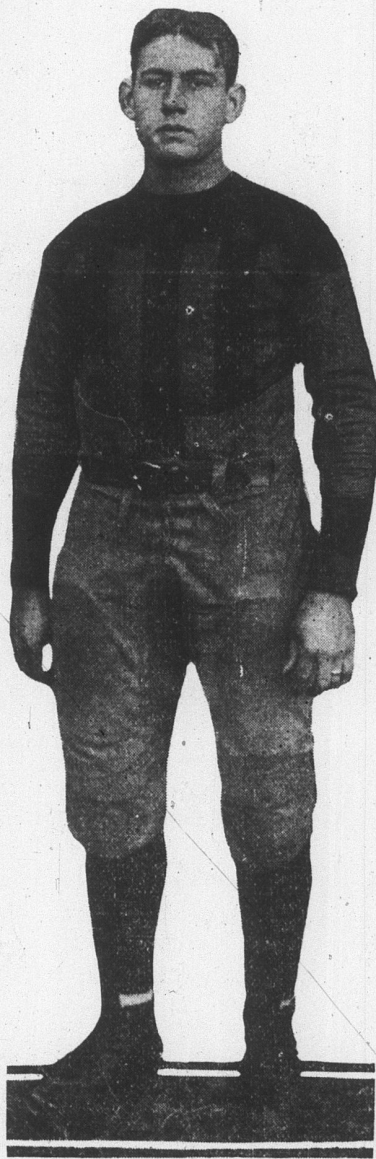

Seniors—Mr. Taylor, Mr. Russell, Mr. Shott, Mrs. Conrad.  
Juniors—Mr. Love, Miss McCain, Mr. Vance, Miss Brown.  
Sophomores—Mr. Quick, Mr. McKee, Miss Doolittle, Miss Ailman, Mr. Caughey, Mr. Lawther.

Freshmen—Mr. Dawson, Miss Stewart, Mr. Graham, Mr. Lutz, Mr. Farish, Mr. Gettman, Miss Robinson.

General Committee—Mr. Taylor, Mr. Love, Mr. Quick, Mr. Dawson, Dean Freeman.

Coolidge may "not choose to run" for president of the old U. S. A., but "Tramp" McDowell goes him one better, and did not choose to run for captain of the 1928 tennis team. Tramp captained the team to the Conference Championship last year, and "did not choose to run" for a successive year. He is a member of the student council and president of the senior class.

"DYKE" REEDE  
Varsity Football Coach

## FACULTY SPENDS PROFITABLE SUMMER

Westminster's students are guaranteed an interesting college year, judging from the fact that the members of the faculty have covered most of three continents during their vacations. Study, teaching, recreation, and some legitimate loafing have kept them all busy.

Dr. Wallace "stuck by the ship" all summer, staying in town to superintend the building. Dean Freeman spent the time in Santa Fe, Mexico, enjoying the delightful climate of the southwest. He did some fishing, but he says he didn't measure the longest fish he caught! Dr.

Russell, besides teaching history at Penn State and going to Vermont, saw some large trout at Belfont, but did not catch any. Another truthful fisherman! Dr. Quick was in Michigan all summer except for ten days in Washington, D. C. His vacation seems to have been a profitable one, for he classified and mounted various plants which he will have here on exhibition soon. Miss Stewart traveled from Canada to Mexico.

Dr. Love spent eight weeks in Florida, working in the woods, touring the country, and doing occasional platform work; one week in western North Carolina touring the mountains; and the remainder of the time in Washington, D. C.; eastern Pennsylvania and Pittsburgh.

Dr. Dawson toured Europe for two months with a party under the auspices of the Student Travel Club of New York. Mrs. Conrad, after returning from South America, spent some time at the Language School at Middlebury, Vermont, and was also in several New England towns, New York and Washington, D. C. Mr. Vance traveled in France, Italy, Switzerland, Germany, Holland, Belgium, England, Ireland and Scotland; but we have not yet been able to find out how he got from Montreal to New Wilmington.

Mr. Lutz studied under Prof. Picard of Lausanne University (Switzerland) and Harry N. Holmes, an alumnus of Westminster who is now the head of the Chemistry department at Oberlin. Mr. Caughey spent some time at Cleveland, Ohio, and attended a Conference of Bible Teachers at Silver Bay.

Dr. Bellinger divided his time between writing a book, working in the woods, and picking berries. In his woods, he made the startling discovery of two bushes of white blueberries. Albinos? Mr. Lawther did seven hours work at Pitt and took in all the base ball games to help the Pirates into first place. Mr. Gettman stepped into the "glorious adventure" of married life. Mr. Graham studied at the University of Wisconsin, but returned here in August to work on the News Bureau. Mr. McKee was at the University of Chicago. Miss Kagy attended the Chicago Music College where she took private violin lessons with Leon Sometini and class lessons with Leopold Auer.

Miss Mockell taught and studied organ at Chautauqua, and was also one of the two accompanists (the other being Harold Richey) and played with the New York Symphony. Mrs. McConagha taught at Muskingum Summer School. Miss Robinson spent three weeks in the Black Hills, and Miss Doolittle divided the time between Cedar Rapids and Spirit Lake, Iowa, and Chicago. Mr. Hulme taught swimming in the outdoor pool near town. Mr. McDonald used his time in "digging up" the Freshman class. Observe the result of his efforts.

PROGRAM

Corner-Stone Laying Old Main Memorial, August 6, 1927

Presiding—Dr. W. D. Irons, '75 McDonald, Penna.  
Master of Ceremony—President W. C. Wallace  
Marshall of Grounds—Mr. A. A. McDonald  
Ushers—Mr. Jack Hulme  
Boy Scout Troup, New Wil.  
Address—Mr. James A. Chambers, New Castle, Penna.

Corner-stone Laying by the Building Committee, Mr. T. A. Gilkey, Chairman, under direction Mr. Malcolm H. White, Superintendent of Construction.

PROGRAM

Band Concert . . . Bioudi's Band, New Castle, Penna.  
Singing—America  
Invocation—Dr. James K. Quay, Egypt  
Reading of Scripture—Rev J. Ralph Neale  
Introductory Remarks—President Wallace  
Address—Mr. Chambers  
Band

Depositing Documents in Box—President Wallace and Mr. White  
Setting of Box in Stone

Setting of Corner-stone by Committee, using silver trowel.  
Benediction—President Wallace  
Westminster Hymn—by College Students  
College Cheering

Decorations—Miss Caroline Jones, New Wilmington, Penna.

It is very noticeable that June is no longer the clearing season for marriages. The opening session finds three students with marriage licenses filled out, in addition to their registration cards.

"Sparky Connor" '30 (known to his wife as John), Clare Porter, '30, another well known personage of the campus, and Milo Root, a popular junior, are the men who will no longer be open to fair co-eds. Kenneth Garvin, a member of last year's graduating class has also settled down. The students extend to them their hearty congratulations and good will.

Seemingly the next building to rise on the campus will be an apartment house.

Miss Betty Tebay of Butler was accepted as a pledge last Friday afternoon to the Pi Rho Phi sorority. She is beginning her second semester.

Mr. and Mrs. A. A. McDonald headed the committee in charge of the faculty's corn roast held last Thursday afternoon at Silver Pool. This was the first professional outing of the year.

For those who may be skeptical we add that ham was served with the corn.

Activities for Freshmen were not wanting during the latter part of the last week. Wednesday night the Freshmen women were entertained by the Sophomores. On the following night the Juniors held an informal party in the gymnasium which was attended approximately by 125 girls.

Women of the faculty held a get-together party at the gym Friday evening for the co-eds of all classes. At the same time Freshmen men attended the 'What's What' meeting in the church sponsored by the Y. M. C. A.

Mrs. Graham, mother of Prof. R. X. Graham of the English department, has been appointed Dean of Prather House, the new freshman dorm.

The College Inn dispenses with credit; the Tavern dresses up in a new sign and Wall Street is racked by a gigantic merger.

Since Friday, machines have rapidly been replaced by wagons of the Amish Dutch. Will the Dept. of Streets remove their 'step' signs?

It is fortunate for the Freshmen that they were informed in the opening chapel why the siren is used as it is. We could not bear to see any of them trampled upon in a mad rush for exists.

The football squad has been running signals to the music of the Delt's phonograph. Coaches request that they omit 'blues' from their repertoire.

DYER WEDS

Miss Mabel J. Russell announces the marriage of her sister, Rachel Rae to Mr. E. Dwight Dyer on Tuesday, July 26, 1927 at Springfield, Massachusetts.

They are residing at 135 Cortland Ave, Highland Park, Michigan.

Meeting of Holcad staff at 1:15 to-morrow afternoon in the Journalism lab. in Science hall.

PLEDGE

Chi Omega announces the pledging of Miss Lois Jones.

WESTMINSTREL TO BE ON SALE AT TECH GAME

When May Day arrived last year, the students and friends of the college had a joyous surprise in the form of a new publication—humorous magazine edited by the undergraduates.

The staff of the WESTMINSTREL announces that it intends to publish the first number of this school year this week, to be distributed at the Tech game in Youngstown next Saturday. This first edition will be a football number with Douglas Anderson as editor, Wilbur Baldinger, associate; Graham Fithian, business manager; and Paul Gibson, circulation manager. The contributing staff consists of Wilson Botsford, Clare Swisher, Halden Williams, Elizabeth Glover, Elizabeth Edeburn, John Trevasakis, Muriel Irons, Eleanor Graham, Margaret Lennig, James McQuiston, Katherine Boobyer and Elizabeth Ralston.

The freshmen are urgently invited to write for the magazine and to struggle with the Rotarians of the county for advertisements. All those who wish to try for the editorial staff should see the editor, Anderson. Those interested in the business end should see the business manager, Fithian. There is also a call for amateur illustrators who should apply to one of the editors. Work on the Christmas number will begin soon after the publication of this issue.

Beside the football number, there will be three other issues before the end of the school year: one to appear at Christmas, another at Easter, and the third and last on May Day. The subscription for the four issues is \$1.25, with single copies at thirty-five cents, and three copies of any given number at one dollar. The Christmas number will be edited by Wilbur Baldinger.

CORNERSTONE EVENT  
HELD AUGUST 6

Old Main Memorial Event At Conference Instead Of Westminster Night

Heretofore, one of the most impressive events of the summer season in New Westminster has been the observance of Westminster night during Conference week.

This year instead of Westminster night an event of a different sort on the afternoon of August 6, with the main feature, the laying of the cornerstone of Old Main Memorial was held. Many alumni were seen on the campus, recalling memories of happy days spent there. Dr. Irons and Dr. Wallace presided. With them on the platform were many distinguished Lawrence County representatives, among whom was Judge Chamberlain, Attorney James A. Chambers, an alumnus of Westminster, as well as a member of the Lawrence County Bar, was the principal speaker for the occasion. Mr. Chambers said that even though the building is gone, there remains a lasting impression in the hearts of those who received their education within its walls.

The cornerstone, fashioned of Indiana limestone, was carved in Old English and Gothic letters. Within the cornerstone was placed a copper box in which were deposited documents descriptive of the buildings, as well as the history of the college students publications and the roster of the graduate and student body.

The cornerstone was laid under the direction of M. H. White, the supervising architect of the college. A silver trowel was used for the ceremony. Upon the face of the trowel was inscribed a summary of the occasion of the use of it. On the reverse side there appeared the names of the contractor, architect, and the men on the college building committee. The trowel is to be placed in the president's office.

The building committee is as follows: T. A. Gilkey, Chairman; J. A. Chambers, Reid Kennedy, G. T. Weingartner, H. T. Getty, R. E. English, and W. C. Wallace.

# A Ton of Coal Free!

## READ HOW TO GET IT

COME down to the store, or telephone, and let us enroll you as a member of the Heatrola Free Coal Club. The membership fee is only \$2.00, and this is applied on the purchase price of the Heatrola.

Thousands of people, all over the country, take advantage of this offer every year. The offer is for a limited period only—no free coal after August 20th.

If you don't know all about the Heatrola, now is the time to investigate. When you see what a beautiful heating plant it is and learn about its many exclusive features of construction, we know you will decide that this is the heating plant you want.

## Varsity Pointed To Buffalo Game

### Westminster Team Wins Praise For Game Fight With Carnegie

#### HEAVY TECH TEAM FINDS BEEDE'S TRIBE NO SETUP

Fighting desperately for the Blue and White, one of the gamest teams ever to represent Westminster went down to a glorious 25-0 defeat at the hands of a 20-pound heavier Carnegie Tech team at South High Stadium Saturday. Recollections of the days of McLaughry were vividly brought back to the Westminster fans present, as in the final quarter of the fray, Beede's blue-jerseyed stars literally outplayed the famous Tartan eleven, renowned for its last season's victory over the Irishmen of Notre Dame.

#### 15,000 See Game

As more than 15,000 fans jammed the South high stadium they saw the old story of a good big team fighting its very hardest to beat a good little team, enacted before them. And the good little team did put up a game battle with Machin, Dombroski, Smith, Boone, Ayers, Furno, Tweedle, Hall, Launder, McQuiston, Dible, Havrilla, O'Donovan, Campbell and Crowell playing the best football that has been shown by Blue and White teams for the past few years.

Playing stubborn determined football through the first quarter the Blue-jerseyed eleven held the Plaid machine scoreless with McQuiston easily holding his own with Harper in a punting duel. However in the second stanza the multiple weight of the Techites began to have its effect and with some fine passing

(Continued on Page 3)

#### FROSH DON IDIOTIC RAIMENT ONCE AGAIN

Co-eds Lose Beauty and Tough Luck, Say We

The latest city ordinance to be seen about town is the appearance of the Freshman Posters, which are not receiving the applause of the under classmen since they sell for two-bits. Every Freshman has to invest in one of these heirlooms or be embarrassed when he appears dressed in bad taste.

And "bad taste" means any manner except that designated on the posters.

Chapel yesterday morning had the appearance of a Red, meeting in Russia. Many of the Freshman girls like to wear red judging from the number of dresses to match the hairribbons. The boys look almost as dignified as Prexy himself, with their wing collars, red ties, however, are not usually worn by college presidents.

The upper classmen smile to see the absence of the "applied" and the drug store notices a slump in the sale of Coty's.

This is one place in the United States where cotton hose and upper-classmen reign supreme at least once a year.

But, Blessings on the little Freshies! Wait until next year and then—well, the upper-classmen are O. K. after all.

TEMPLE U.—Campus Kate says, "Strange people, these Frosh. One went to a Math class twice before he discovered it was Spanish."

#### FOOTBALL SCHEDULE

Oct. 1—Buffalo at Buffalo  
Oct. 8—St. Francis at New Wilmington  
Oct. 15 Allegheny at Meadville  
Oct. 22—Open  
Oct. 29—HOMECOMING DAY—Duquesne at New Wilmington  
Nov. 5—Waynesburg at Waynesburg  
Nov. 12—Thiel at Greenville

DR. GILBERT H. TAYLOR

Dr. Taylor is Chairman of General Faculty Committee of class advisers. This committee had charge of the freshman poster and stunt day arrangements.

#### FROSH HAND BOOK CONTAINS NEW DATA

Y Organization Complimented On New Book

The 1927-28 Y. M. and Y. W. Handbook which was presented to the Freshmen after chapel last Wednesday morning is more complete in the information it contains than any former handbook has been.

Its staff, consisting of Sam Colman, Phyllis Coley, Dorothy Wray, Margaret Allen, Elizabeth Edeburn, Wesley Rose, and Paul Campbell, has presented to the freshmen class the answer to almost every question which might arise concerning government, customs, and traditions of Westminster.

The book also tells about the fraternities and organizations of the campus, the various student publications, and gives school songs and yells. Besides these, there are some interesting "sayings to live by."

#### J. A. CHAMBERS, '00 NOMINATED JUDGE

At the Republican Primaries held in New Castle, September 20, James A. Chambers, a Westminster graduate, received the nomination for judge of Lawrence County.

Mr. Chambers, who graduated in the class of 1900, is a prominent attorney of New Castle. While in college he starred as a football man. At the present time his son, James Chambers, is a member of the sophomore class.

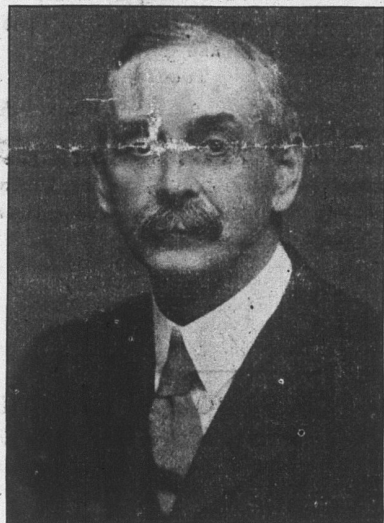

#### SIGMA KAPPA WINS SCHOLARSHIP CUP

As has been customary, at the beginning of each college year, the college recognizes and awards to the sorority or non-sorority group a silver loving cup as a symbol of their scholastic attainment the preceding year.

This is a means of stimulating interest in scholastic as well as social ideals into each college woman, whether a member of a sorority group or not, and success in receiving the cup for three successive years entitles the holder to its permanent retention.

Sigma Kappa has led the sorority group for three years and is now the owner of the cup. Scholarship is a worthy ideal and a goal set for each college student or group of students. Each group has displayed intense interest as the averages show. They are as follows:

Sigma Kappa	84.068%
Phi Delta Chi	83.697
Chi Omega	82.931
Pi Rho Phi	80.042
Alpha Gamma Delta	79.504
Non-sorority average	78.512
Sorority Average	82.068

J. A. SHOTT

Professor J. A. Shott, head of the Department of Psychology and Education is conducting numerous experiments in psychology.

Professor Shott was a member of the committee that revised the Pennsylvania school code several years ago.

#### PREXY AND ANDY AT SYNOD MEET

Dr. W. Chas Wallace, accompanied by Mr. A. A. McDonald, left yesterday morning for Pittsburgh to attend the annual meeting of the First Synod of the West, which will be in session two days, September 26 and 27.

The meeting will take place in the North United Presbyterian Church, located on Perrysville Avenue. This is one of the synods of the district which controls the college and Dr. Wallace will speak there in the interest of the institution which he represents.

Soon after his return from this session, Dr. Wallace will be joined by Dr. Freeman, Dr. Taylor, and Mr. McKee, who are to accompany him on a trip to Buffalo to attend the game held there Saturday afternoon.

The party is making the trip by automobile and leaves Friday night enroute for Westfield, where they intend to spend the night.

### Rotary Field, Buffalo, To Be Scene Of Saturday's Contest

#### CROSS COUNTRY SCHEDULE

October 8—Geneva at Beaver Falls  
October 15—Allegheny Meadville  
October 29—Geneva at New Wilmington  
November 5—Tech at Pittsburgh  
November 12—Thiel at Greenville

#### BLUE HOPES TO REPEAT VICTORY OF LAST YEAR

Now that the season's lid-lifting gridiron contest with Wally Steffen's Carnegie Tech eleven is an event for "post-mortem" comment, Coach "Dike" Beede ordered the resumption of practice yesterday, and the Westminster outfit is determined to chalk up its first victory of the season, next Saturday at Buffalo when they clash with the Buffalo University football aggregation on Rotary Field.

Despite the fact that the team was outweighed and the opponent of a more experienced eleven, the Blue and White proved itself a worthy foe for the Skibos last Saturday at Youngstown. The work of the new men on the squad was impressive, in fact, all of the Beede men that were in the encounter, acquitted themselves well.

Two men were injured in the week-end tilt. Captain Jimmy Launder sustained an injury to his knee, and Adrain Dible, who worked at the quarterback position Saturday, received a blow that caused an old bruise on his leg to give him trouble. However, the injuries are not serious, and both men will probably face the Buffalo Bison.

Last year the University of Buffalo invaded the home territory and were repulsed by a 38-0 count. The Blue and White team is expecting stiffer opposition in the return engagement, but with the same determined spirit that predominated last night's practice, they can come off victor in the approaching encounter.

#### CROSS COUNTRY TEAM READY FOR GENEVA MEET

Coach Graham's cross-country team is continuing in its daily practices making ready for its initial encounter with Geneva on October 8th. Good weather conditions have aided the men in getting into shape quickly and the prospect for a successful campaign seems bright.

The squad is increasing as several have been late in reporting. Among these are: Maxwell and Williams, two last year men.

Keen competition is expected in the inaugural but last years defeat at the hands of Geneva will doubtless be an incentive to the men to put forth their best efforts. Following this meet they will go to Meadville on October 15 where they will run against Allegheny.

All indications point to a successful season, as the present stock of material is good.

There are about a dozen men still on the squad. A cut is expected in a few days, however, which will limit the group to a possible seven or eight.

Wesley Rose captains the squad this year with Kasey Swisher as manager.

#### WESTMINSTREL COPIES STILL OBTAINABLE

Copies of the Westminster may still be obtained from members of the business and editorial staffs. Get yours now.

ALLEGHENY—550 students registered at Allegheny this fall, just 50 more than limit set by board.

## "OUR WORTHY CONTEMPORARY"

The HOLCAD takes this opportunity to express its appreciation for the publicity so generously donated by the WESTMINSTREL.

The HOLCAD, "Student Voice and Intelocutor for the Masses", is not in mourning over their "poignant bit of bad grammar," and thank the infant publication of the campus profusely for their poignant bit of bad manners and puerile conceit.

The "estimable HOLCAD" is really delighted to find such an "esthetic capacity" prevailing among the "good Minstrels." The literary gems of these adolescent geni are exquisitely excruciating. Hoi polloi, nux vomica, vox populi,—shoot two. Ho Ho.

P.P.—Ad infinitum.—In the jargon of the precocious garbage men of old—In promulgating your esoteric cogitations, or articulating your superficial sentimentalities or philosophical or psychological observations beware of platitudinous ponderosities and shun double entonnes. Always speak with coalescent conciseness, jejune babblement and asinine affectation.

Moral—None.

## IT APPLIES HERE, TOO

With the fraternity question the pre-eminent problem on the Colgate campus at the present time, it is only fitting that a word of advice be offered to the rushees, bewildered by the frantic round of luncheons, dinners, and tunks. In brief, use your head, be moderate, go slow. It is not so much the speed that counts but the steadiness. Do not rush blindly into a fraternity without considering carefully the character of the men who will be your brothers, the standing of the house upon the campus, and the financial demands which will come with membership.

To the freshmen who receive more than one bid: Weigh your various opportunities one against another and do not pledge yourself until you are certain that your decision is right. To the freshmen who receive only one bid: Don't grasp your single opportunity as a drowning man snatches at a straw, unless the fraternity which bids you comes up to your standards. It is better to be a member of no house that to join an uncongenial brotherhood. To the freshmen who do not receive bids: Have patience. Recognition will come if you prove yourself worthy.—Colgate Maroon.

A puglist is getting married. We wonder who his opponent is.

Man is 75% water, say scientists.—Not in college anyhow.

Chorous girls are healthy—They do stand a lot of exposure.

License tags under the cars would give the unfortunate pedestrians a chance to get the number.

Pledging will soon e here: Moses didn't have a monopoly on all bull rushes.

## THE SHARPSVILLE FREIGHT

### LES MISERABLES 11

No, there aint been  
A funeral—  
You've got another think;  
But I know that  
You are wondering  
Why this town is on  
The blink

Now the stores dont do  
No bizzness—  
The guys are shootin' snipes,  
Yes there's something wrong,  
And I'll tell you, yes I will  
By cripes.

First there was the foot  
Ball game—  
With the necessary smokes;  
The dinners too, the  
Collegiate hop with war  
Tax, and everybody's  
Broke.

"S'matter ole dear, you look bad?"  
"Feel rawten, got insomnia bad."  
"Hozzat?"  
"Woke up twice in chapel this morn-  
ing."

(add Question box)  
Deer Unk.  
Can oy utell me when the millen-  
ium will come?"

Jack Cass

Dear unmentionable.  
Yes, why didn't you ask me.  
Unkel.  
P.P. When Walter Shaffer starts  
giving away free hair cuts.

Dearest Unkel Kasey.  
Would it be too much exertion  
on the part of yourself to quote to  
me the best blank verse of this year,  
and tell me who wrote it?—Pretty,  
awful pretty please do.

Toodley-dont,  
Literary sallie.

Dear Miss.  
The prize blank verse of this year  
was written by your dear Unkle  
himself. Nothin could be wurse than  
it. Here it is.

## LETTERS FROM A COLLEGE BOY TO HIS PRESIDENT

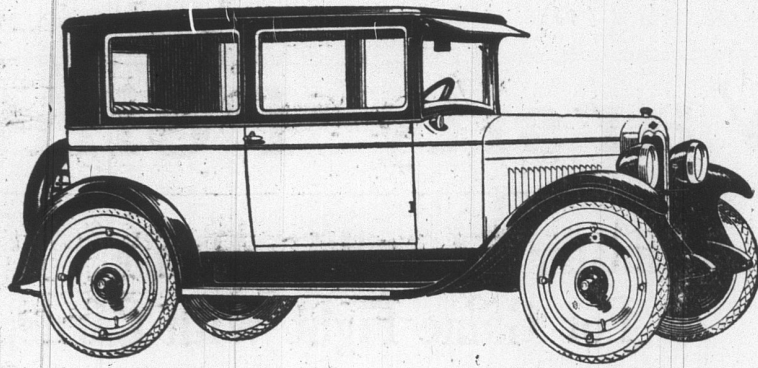

(Reprinted by permission)

The Farm  
July 32, 1927

Dear Dock.

Well dock, how in health are you? Life with me is just the same here on the farm, only a little different. The old man is still of the opinion that he can keep me cheaper at home than at school, but it's more nuisance. I've been lookin for a letter, but spose you're busy digging the cellar for the new business. You want to be sure and have a good cellar dock, for it'll only be a few years until bootlegging will be a legitimate course. Now in this here letter dock, I'm aimink to tell the truth, but I aint admittin that I wont make up a little teeny weeny bit. Personally I dont think a little make up would hurt you any how. Oh well, I was ugly myself this summer. I had my head shaved. All the neighbors in the next two counties said there was no flies. I knew where they were.—All on my head. Honest I was as bald headed as any barber in town. Oh well, its growing in now. A few weeks ago I looked like a demented musician, at least as bad a faculty member. I was at a funeral this summer. It was a college prof from out in Ohio some where. The preacher said, "here lies a professor and an honest man." I asked them how they could put two fellow in such a small grave. They kicked me out. I cant understand it yet. Well dock, as I said this is just a short note. I did know a good story to tell you about bald headed men getting into heaven, but its a dirty one, so I Ispose you know it.

S' long

## The COACH

In the new Coach, Chevrolet again surpasses all former achievements in providing spectacular closed car values. With a new streamline body, finished in St. James Gray Duco, striped in Pistache Green—with a host of refinements that add to motoring comfort this splendid car stands supreme in its field.

Upholstery is in long-wearing Green Corduroy. Doors and windows are exceptionally wide—steel corner-posts extremely narrow. Appointments and equipment include textile-leather visor, Fisher VV one-piece windshield and automatic windshield wiper, rear-vision mirror, complete instrument panel with speedometer, ammeter, oil gauge and coincidental ignition and steering lock, remote control door handles, dome and dash lights, combination tail and stop light, gasoline guage, large 17-inch walnut-finished steering wheel, bullet-type head and cowl lamps, new airplane metal radiator, improved tire carrier, new one-piece full-crown fenders, steel disc wheels and balloon tires.

HEADQUARTERS FOR  
COLLEGE SWEET MEATS

# WESTMINSTER SHOWS TO ADVANTAGE IN GAME

(Continued from Page 1)  
and line-plunging, the Carnegie eleven pushed their teammate Letzelter over for two touchdowns with Harpster tallying only one of the extra points. The half ended with Carnegie on the long end of a 13 to 0 score.

Early in the third quarter the Tartans again regained the ball after kicking off and Kennedy, a substitute, sophomore back, flashed around the end for two long runs putting the ball within the shadow of the Blue and White goal posts where the dependable Letzelter again bucked it over for the score. Harpster again missed the try for the extra point. But here for a few moments the Westminster eleven played such good football that the Tech team was helpless until the versatile Kennedy again came to their aid with his marvelous ability to run the ends.

## Westminster Comes Back

The Fourth period easily went to the Beede men when they upset tradition and the Carnegie team so well that the Techites were completely bewildered. With the new strength of O'Donovan, Havrilla, and Campbell in the backfield and Crowell on the line, Beede's eleven completely outplayed their opponents. The line plunging of O'Donovan, the defense and interference of Havrilla, and the tackling of Campbell were the high spots of Westminster's play in this period. But just a minute before the final whistle in the midst of the Blue and White come-back Shaughnessey, a Tech end, blocked Crowell's kick and raced with the ball about 20 yards to a touchdown. Harpster again missed the try for the extra point and a half minute later the game was over.

Mention of the team need not again be given except that now when accosted by any stranger the Westminster fan can say: Westminster has a Football Team.

## The Lineup:

Westminster 0 Carnegie Tech 25  
Tweedle ..... R.E. .... English  
Dombrowski ..... R.T. .... Schmit  
Smith ..... R.G. (Capt) Anderson  
Boone ..... C. .... Melzinger  
Ayers ..... L.G. .... Cowan  
Furno ..... L.T. .... Cooper  
Machin ..... L.E. .... Sweet  
Lauder (Capt) R.H. .... Stauffer  
Dible ..... L.H. .... Wirtenbirger  
McQuiston ..... F. .... Letzelter

Substitutions: Westminster, Havrilla for Lauder, Crowell for Tweedle, O'Donovan for McQuiston, Campbell for Dible, Carnegie: McClelland for Stauffer, Shaughnessey for Sweet, Harmon for Wirtenbirger, Kennedy for McClelland.

Touchdowns: Letzelter 3, Shaughnessey 1.

Referee—John Egan, Duquesne.  
Umpire—Slack, Pitt. Head linesman, Thomas, Ohio State.

## BIG SISTER PICNIC PROVES ENJOYABLE

If one can judge by the contented sighs of the Little Sisters, the picnic which the Big Sisters gave at Shaky Hollow Wednesday night, was a complete success.

Early in the evening the suggestive odors of hotdogs, coffee, and wood smoke filled the air in the immediate vicinity of the Hollow, while plump apple pies rested in rows on the grass.

Eleanor Hunter acted as chairman of the committee in charge of the "eats", the other members being Olive Hoffman and Mary Reed.

Betty Glover, in a clever reading, warned the Freshmen about the Bug-a-boo's who come at night. All were duly impressed and drew closer into the circle of fire-light. Lib Carnes and Norah French led the songs and yells, giving the Freshmen an opportunity to display their proficiency in singing the Westminster hymn.

## SORORITY PLEDGE

Alpha Gamma Delta announces the pledging of Myrl Dunlap on September twenty-third.

DE ORMAND McLAUGHRY

"Tus" McLaughry, Brown Coach, whose championship team started the whole sport world gossiping last year, is a Westminster grad.

"Tus" who was a gridiron star while in school, has started his team on another successful year by a high win Saturday.

## FROSH CAVORT

(Continued from Page 1)

From the Van House came another heterogeneous procession, it being a display of types. The chic tall Parisian, the large beautiful Andalusian, and the pretty little Oriental knew their lines but they couldn't compete with the good old yankee type in the red-checked table cloth knockers who won the show.

The Ep's parade under direction of Big Boy Harrison as showman must have made Barnum blush for shame in his grave. One man did not choose to run, but another man advertising B. V. D.'s insisted that he run.

The Robertson House personifying the intangibilities of the campus such as rules, art, co-education, studies, and sports showed the plight of the campus shiek. He was quite torn and rent by the struggles of each to capture him.

The Phi Pi gang contributed the 1928 model Ford. Noiseless engine, cuss'tim' built, snort model, and a rumble seat eliminating all waste space behind were features. All this comes for 350 simoleans F. O. B. (full 'o boloney) Volant.

The Hayes House ended the stunts with dramatizations of Mother Goose's best rhymes. All the characters assembled together and sang the Westminster Hymn, some in three-four, some in four-four, and some in two-by-four time. At least they knew the words. They then ed, each to his private domicile. ed, each to his private domicile..

## AND YET WE KICK AT A SECOND'S DELAY

In England, the telephone system is owned by the government and is operated through the postal department. If anyone in London desires to talk across the Channel, he must go to the central post office and make an appointment, possibly for the following day. He must then be on hand at the hour appointed to attend to the call.

What a contrast to our own privately owned telephone system! In our country anyone may place a call from his own home and in a few minutes talk with anyone in any part of the country, and even across the ocean to London in a few hours.

## THE CAMPUS HOUND

If all the dirt taken from ditches about the campus was laid end to end, it would completely fill all those holes if again replaced.

Some co-eds are frivolous, while others play tennis in their street shoes.

It has been said that truth is stranger than fiction. Last Thursday was by no means an exception. After all the business in Student Forum had been transacted there was a prompt motion for adjournment! And the weather outside wasn't so balmy, either.

Ever since a recent announcement in chapel concerning co-education at freshmen dormitories it has been noticeable that grass is again flourishing at aforesaid places. It deserved half a chance.

Everbody benefits by observation of a rule enforced. In this case less paint is worn off the front porches, the men save wear and tear on their trousers, and inmates have more of a chance to sit down without being forced to use the floor as a rocker.

Many long hours of hard work, many blisters and beads of honest sweat, much pulling and digging, besides much patience was used to move the ancient fir tree from its old stand near Science Hall to its latest position on the campus. And by all that is good, she is still alive, even if a trifle weak in the limbs. That is a great deal more than the average mother-in-law could stand.

Do you know why a chicken crosses the street? They figure just as pedestrians do—if they can safely make it without being hit by a machine then they are in good enough physical condition to make the return trip.

Every time a man spits tobacco juice (I say man not because I am prejudiced) but for the simple reason that girls, as a rule, do not do it) he leaves thousands of homeless orphans, in the form of microbes, behind him. It certainly is not fair to them or to society to be upon such a cold cruel world as this. As long as they are dependent on him it is only right that they return to his board and keep. Also all debts contracted by them during absence.

The New Wilmington Dept. of Parks and Alleys is contemplating the erection of a waiting station, sometime in the near future, at the corner of Waugh and New Castle Streets. It will be designed for the use of men students awaiting rides to New Castle during the winter months. We suggest that the cornerstone be engraved with "NO BUS STOP."

Day by day the verdure on the football field becomes thinner and more anemic looking. It is a shame that the boys practising football are allowed to wear those devastating spiked shoes. But after all, boys will be boys.

It was just lately that we heard of a woman who was administering proper punishment, during 'clean up' week, to a rug hung on the line in her back yard. Suddenly, but without malicious intentions, she stooped to pick up a piece of glass and the carpet beater!

When Old Main burned Westminster's name was spread abroad but we are now receiving publicity through our old "grads" and friends.

James Chambers of the graduating class of '95 of New Castle received the nomination of judge for Lawrence County on the Republican ticket.

Attorney O. C. Kent who is Marion Kent's father, also received the nomination of judge in Crawford County.

Mae Richards '25 of New Castle was a visitor at the Phi suite last Wednesday evening. She is a teacher of dramatics at Pollock Avenue School, New Castle.

John Strothard of Ashtabula, Ohio, has been accepted as a pledge to Phi Pi Phi fraternity. He was a student at Muskingum College last year.

Ho! all ye seekers of pleasure! Don't forget the Christian Endeavor party this week. Come! Bring your pal, see your gal, and we'll have a gala good time.

Bill Mansell, football captain of 1910, was a guest at Kappa Phi Lambda fraternity last week end. He is Y. M. C. A. Executive at Bradford.

Other visitors at Kappa Phi Lambda frat for the week end were: "Buz" Frazier of Pittsburgh, Butch Cannon of New Castle, Jesse Coley of Greenville.

Gladys Bebout, Mildred Mandick, Helen Hastings, visited with Isabel Campbell at her home in Youngstown over the week end.

George Wilson of Erie has been accepted as a pledge to Kappa Phi Lambda fraternity.

Among recent visitors at the Delt House have been Norman Igo of Youngstown and "Bill" Hinkson of New Castle.

From the number of Freshmen meetings after chapel, we judge that they will soon become acclimatized.

#### HOLD BIRTHDAY PARTY FOR FACULTY MEMBERS

A party in honor of the birthdays of Miss Albert Kagy, Miss Lois Doolittle, and Mr. Hunter D. Farish, all members of the College Faculty, was held Tuesday evening at Mrs. Brandon's on Market Street.

Those present were: Professors Gettmann, Vance, Lutz, Farish, and Graham and the Misses Ailman, Williams, Brown, Kagy, Robinson, Doolittle, and Mrs. Gettmann.

#### A. G. ELECT OFFICERS

Alpha Gamma Delta has elected the following officers for this year: Elizabeth Carnes, president; Florida Lindsay, secretary; Elizabeth Edeburn, treasurer.

#### ??? DO CO-EDS PREFER BLONDES ??? GENTLEMEN ANXIOUSLY AWAIT ANSWER

"Call me early mother, for I'm to be Queen of the May."

Just which one of the many fair co-eds in the junior class will be able to say this little squib next spring is doubtful.

Blonde? Brunette?—Which? The girls of the senior class will decide soon. Whether the gentlemen of the college prefer a blonde or not, the most charming girl in the junior class will be chosen by co-eds for this coveted position. Vox female populi.

The annual Westminster May pageant is one of beauty, as well as cultural and historical benefit, and

the May queen is the envied co-ed of co-eds far and near.

Somehow of late, there seems to be a growing partiality toward blondes. Just why, no one knows—not even the preferring gentlemen.

Among the most popular and charming of the junior co-eds that have been mentioned as possible successors to Miss Helen Hastings, last year's May Queen, are: Miss Hazel Toepfer, a brunette, and Misses Phyllis Coley, Dorothy Wray and Margaret Lennig, all of whom are blondes.

Do co-eds prefer blondes??? We shall see.

#### COLLEGIANS AID RED CROSS IN RELIEF

(Special to the Holcad)

Washington, D.C., Sept. 26—College men and women throughout the country played important parts the past year in the memorable Disaster Relief work conducted by the AMERICAN NATIONAL RED CROSS. It was a task calculated to appeal to collegians—the magnitude of it constituted a challenge. When one remembers that 600,000 persons were dependent at one time upon the Red Cross for food and shelter, the immensity of the job is apparent. In every community where the rising waters became a menace to life and property the under-graduates of the institutions in the locality marshalled themselves into a relief body. They took orders from the Red Cross directors on the scene and performed prodigies of service. Their intelligence, their courage and their untiring youth was an inspiration.

Not that the students deserve or expect special commendation. It was an emergency for the best in every citizen. Naturally the collegians were involved gloriously and in a manner befitting the best traditions of American scholastic life. Similar scenes were enacted throughout the country. While the Mississippi burst its levees twelve other catastrophes were reported in other States. Red Cross relief was promptly forthcoming. The past year was a trying one in practically all sections of the United States. Twenty-five states suffered disaster in some form during the past twelve-month. Flood, fire, cyclone and explosion followed one another with grim persistence. It was a period designed to try the patience and optimism of the bravest. But the American people won through—and the Red Cross served as the medium in every case.

The great universities accommodating thousands of young men made splendid progress the past year in teaching proficiency in water-rescue and swimming. The colleges conceded the pre-eminence of the Red Cross in fostering and developing water safety, swimming and first aid courses. The athletic programs of the universities were well adapted to specializing in this field. Yale turned out from 100 to 150 men trained in swimming and water-safety. Dartmouth was not far behind, while at West Point and Annapolis the poor swimmer was the glaring exception.

Swimming is frequently chosen as the winter sport in many colleges. From the indoor tanks the swimmers emerge to engage in summer activities, such as participation in Red Cross Life Saving Institutes held annually. The girls' colleges are just as keen as their brothers in acquiring water proficiency. Smith, Wheaton, Bryn Mawr and Western College hung up notable records the past year. The technical colleges avail themselves of other Red Cross instruction courses with gratifying results. The pulling power of these courses lies in their being essentially practical. They mean something to the possessor, not only in college but afterwards.

#### WESTMINSTER-TECH GAME STATISTICS

Forward passes:

Tech—Tried 12, completed 5, total gain 56 yards.

Westminster—Tried 3, completed 1, gain 6 yards.

Pnts:

Harpster (Tech) 5 for an average distance of 49½ yards.

McQuiston (West.) 9 for an average distance of 42 yards.

Crowell (West.) 2 for an average distance of 35. (One kick was blocked, resulting in a touch-down.)

First downs:

Tech—14

Westminster—3

Penalties:

Tech—5 for a total of 35 yards.

Westminster—1 for 5 yards.

Fumbles:

Westminster—5, recovered 5.

Tech—3, recovered 1.

Yardage gains:

Tech—216 yards. By forwards, 56

Line plays, 160.

Westminster—69. By forwards, 6.

# Westminster Routs Buffalo 41-3

## St. Francis Here Saturday For First Home Game Of Season

### SAINTS BOAST GOOD TEAM BEAT BETHANY SATURDAY

Westminster's victory over the University of Buffalo last Saturday by a 41-3 margin is not considered an overwhelming win by "Dyke" Beede, Blue and White mentor, and with the respected St. Francis eleven listed as the next foe, he intends to devote this week's practice sessions to improving the defects that cropped out in the week-end tilt with the Buffalo Bison.

On Saturday the Beede grid machine makes its first home appearance when it stacks up against the Loretta outfit, conquerors of Bethany last Saturday by a 3-0 score.

The Saints, who are a rangy and shifty aggregation this year, overcame a heavier outfit last Saturday when they defeated Bethany. The kicking was a feature of the St. Francis team's play.

The scheduled cross country meet with Geneva College at Beaver Falls this Saturday has had its location changed to New Wilmington and will be held in conjunction with the inauguration of the home grid schedule.

### PREXY PREACHES ON MORAL CULTURE

Speaking on "Moral Culture" at regular college Sabbath evening chapel service, Dr. W. Charles Wallace stated that many think satisfying the intellectual cravings of men will also provide for moral excellence. This idea, the president pointed out, has been proved fallacious many times in history.

Taking as his text the first chapter of Isaiah and the 17th verse, Dr. Wallace stressed the idea that we must learn to do well just as we learn in the classroom. Man can be described conveniently as a being who learns. The extent of the craving to learn is apparent today when the whole world seems to be going to school. The next step, said Dr. Wallace, is to develop the character of man so that his knowledge will be used rightly.

"Intellectual competence and moral excellence do not develop together," said the speaker. We must send the heart to school as well as the head. "Not infrequently," the speaker added, "we find that the heart of man is the most contemptible part of him."

"If we are to do well, we must learn how," Dr. Wallace continued. He then pointed out that in order to learn to do well we must first have a pattern and then we must practice. Jesus was held up as the pattern for those who would learn to do well.

Special music was provided by the College Choir under direction of Miss Ruby Guilliams of the Music Department. Miss Jessie Mochel was at the organ.

### Y. P. C. U. OFFICERS CHOSEN

Y. P. C. U. officers for the coming year were elected last week by the members of the society.

George Vogel was chosen president; Byers King, vice president; secretary, Catherine McClure; treasurer, James Chambers.

### PEP MEETING FRIDAY

In preparation for the St. Francis game, a pep meeting will be held Friday in the gymnasium. Every student should be on hand promptly. Freshmen, take notice.

DR. FRANZ BELLINGER

Dr. Bellinger, director of the Conservatory, is busy arranging the numbers for this year's Artist Course. Programs as good as last year's numbers are awaited.

### VARSITY TEAM LIGHT, BUT YOUTH PREVAILS

Statistics of the Blue and White football team show it to be rather light for a college aggregation. Averages for the first 20 men on the squad gives the backfield an average of 166 pounds; for the line the average is only 172 with Sweet carrying the most beef, 234 pounds.

There are four six-footers in the first 20 men, of whom Crowell is champion with a height of six feet and four inches. He also takes the lead in the size of his footwear taking an 12 shoe.

The team average in age is 20½ years with Machin topping the list with the advanced year of 26 to his credit.

There are no 10-second men on the squad but Hall and Dible lead the pack in fleetness. Kelly is the only senior among the first 20 grid-ders, while the junior class has a representation of seven men, the sophomores have a representation of nine, and the freshmen number three.

### PAN HELLENIC TEA HELD IN HILLSIDE PARLORS

Last Friday afternoon the Freshmen girls were entertained at a tea given by the Panhellenic Council in the Hillside parlors from two to five o'clock. There were 130 served during the course of the afternoon. In addition to the Freshmen girls, several faculty members as well as the patronesses of the various sororities were present. Those who poured were Mrs. C. B. Robertson, Mrs. Russell, Mrs. Dawson, Mrs. Swindler, Miss Stewart and Dr. McCain.

Mary Sowerby and Margaret McFate had charge of the serving committee and the general arrangements.

### CROSS COUNTRY TEAM TO MEET GENEVA HERE SATURDAY

Westminster's cross country season opens Saturday when the blue and white harriers run Geneva over the Fayette course.

Originally the meet was scheduled for Beaver Falls, but the Covenanters desired to make the change to New Wilmington.

In the tryout races held Thursday afternoon, the following qualified to represent Westminster in the first meet; Captain Rose, Mirtz, E. Myers, Perrine, King, D. Myers, and Anderson.

Last year the Geneva team defeated Westminster mainly through the excellent running of Sid and Elroy Lockley, two New Castle boys on Geneva's team.

The trials Thursday, brought to light three dark horses in the persons of Robert Wallace and E. Myers, freshmen, and Andy Perrine, sophomore.

Coach R. X. Graham expects the team to come through victoriously in the meet.

WILLIAM MAXWELL

Bill Maxwell, erstwhile assistant varsity trainer, manager of track and cross country teams, and general handy man at May pageants and dramatic performances has enlisted in the United States air service.

He is now located at the Chanute Field near Rantoul, Ill. He attended the Ohio State University's summer school before joining the aviation corps.

Bill was a member of Bells and Buskins and of the Delta Phi Sigma fraternity.

### Y. M. C. A. LISTENS TO REV. ROBERT MAXWELL

Rev. Robert Maxwell of India, a returned missionary with a long record of service, gave an interesting address to the College Y. M. C. A. at the weekly meeting held here in the Conservatory of Music, Wednesday night.

Rev. Maxwell is known to the residents of this section as a former football man at Princeton, and a resident of New Wilmington. He is home for a rest after a long period abroad and will return soon.

The meeting was in charge of Edwin Anderson, who also lead the devotional period. A good attendance was present including a number of the new men.

## Blue And White Starts Poorly Fumbles, Penalties Mar Game

### SEATS FOR GAME

All students are requested to sit in the middle block of seats in the south stands Saturday. Freshmen should be ready to put on special yells between the halves.

DR. J. A. SWINDLER

Dr. Swindler manages to keep himself busy as professor of physics and registrar, an invaluable service at Westminster and an important one.

### PREXY CONTINUES HIS ROUND OF ACTIVITIES

Dr. W. Charles Wallace, during the past week, has left his usual regime of college work to address assemblies in parts of Western Pennsylvania.

Dr. Wallace attended the annual meeting of the First Synod of the West in the Northside United Presbyterian Church of Pittsburgh on Wednesday. He there addressed the assembly in the interests of Westminster College.

Thursday, September 28, the president journeyed to Greenville where he spoke to the Kwanis Club.

Dr. Wallace, accompanied by Professor McKee, Dr. Taylor and Dean Freeman left for Buffalo Friday where they attended the game Saturday.

Tonight Dr. Wallace is delivering the address at the dedication of the First Presbyterian Church of Sharon, after driving from Pittsburgh where he attended the annual meeting of the Westminster Board of Trustees.

### Y. P. C. U. HOLDS PARTY IN CHURCH

Y. P. C. U. held their annual get-together party Friday evening in the U. P. Church basement.

About 100 students were present. Music was furnished by the Pi Phi Pi orchestra and the games were led by George Vogel.

Special features were interposed throughout the evening, the most outstanding being an impersonation by Skip Leohner and a vocal solo by Pitt's "Cap and Gown" man.

### VOTED MOST POPULAR IN HOME TOWN

Miss Victoria Luca, a co-ed of the Junior class was voted the most popular girl in her home town of Farrell this summer.

### BISONS NO MATCH FOR COACH BEEDE'S TITANS

After a number of fumbles which resulted in the only Buffalo score, a field goal, Westminster came back strong and romped away with a 41 to 3 victory over the University of Buffalo at Rotary Field, Buffalo, Saturday.

In the first part of the game the Bisons managed to hold Westminster in check aided by Westminster fumbles, and they scored their only points in the contest when Captain Ungerer drop-kicked a field goal from the 20-yard line, following Hall's fumble on the Westminster 30 and Moraato's run to the 10 yard marker.

### Westminster Wakes Up

In the latter part of the first period, after a fumble and an exchange of punts, Westminster had possession of the ball on her own 40. The second quarter saw an offensive which netted the first touchdown. Hall made 15 yards around left end, O'Donovan made first downs on a take and Lauder added three more. Hall went around right end to the Buffalo 18, O'Donovan went through the line for two. Hall made it first down on the Buffalo five yard mark and went over on the next play. This ended the scoring in the first half.

The Titan offensive was begun again in the second half and long end runs were made by Hall, who ran 63 yards for his, and Machin, who took in a 37 yard pass for his tally. In the six tries for extra points, McQuiston was successful in drop kicking all but the last. Campbell substituted for O'Donovan in the third quarter and succeeded in eluding half the Buffalo team in a 25 yard run for a touchdown a little later.

(Continued on Page 2)

### PAN HELLENIC MAKES NEW RUSHING RULES

Some of the women's rushing rules have been changed this year by the action of the sororities with the Pan Hellenic Council. Rushing began last Friday, September 30 following the announcement by Dr. Wallace during the chapel hour. The period of rushing will close with the beginning of Silent Period, November 11-14 inclusive. It was decided that there would be two rushing parties with an expenditure of \$25. Sunday rushing was approved. It was understood that there would be no "feeding" of Freshmen girls.

### VARSITY ENJOYS BUFFALO TRIP

Members of the varsity football squad were enthusiastic in their appreciation of the fine trip arranged by college authorities over the week end.

Immediately after the Bison game, the men were taken to Hotel Lennox, where they stayed Friday night and served a fine dinner. After dinner the squad left for Niagara Falls, staying at the Temperance House there.

## A WORD TO THE UNWISE

During the period of college life around, before, during, and after the autumnal equinox two great sports prevail; the one associated with whitewashed parallels, clashing cleats, and twittering tweets of the umpire's whistle, the other, although not conventionally labelled as a sport, yet deserving the moniker—rushing season. Each year it gets bigger and bullier. Each day the reenacting of the Cain carnage threatens as the brothers (?) bite their cuticles. Each hour the Spartan-elect gets swamped with brotherhood statistics and man-to-man comparisons.

Rushing is a great game! Like the Fuller brush game and the Florida land game, it takes a good man to sell a prospective customer. The rushees get more attention than Lindberg at Le Bourget airdrome. They are given cigarettes, chocolate bars, free air, and headaches by over largiloquent brothers who needs must enhance the membership roll of the Bon Ton frat to what it was in the days of 1852 (ask any alumni who tried one).

The pibes this year are a likely looking group. They are likely to do anything. Never since the days when they were semi-sophisticated Seniors in high school have they had so much attention. And if they knew their vitamins they would make the most of it all, for it will be the last time in their collegiate career that they will be the main stage attractions.

Here, would-be Greeks, is the low-down on this great fall classic: When you are being bid overlook the nonessentials like initiation fees, house bills, slush funds, dues, etc. Concentrate on the bigger things in fraternity life. Does the home have an instantaneous heater. Who is expected to buy tooth paste, talcum powder, and shaving cream for the chapter? How many men must shave in the same mirror for 8:00 o'clocks? Are the brothers gentlemen? This last interrogation is to test your tact—will power and to create a noble impression on the seasoned brothers.

Three silent cheers for rushing season. (Blah, blah, blah is the battle cry of the season). If only fraternities were as ideals as the members picture them to the yearlings Sir Thomas More's Utopia would be located in the immediate district.—W. B.

## SNAP IT UP!

With the advent of our first home game, Saturday, with St. Francis, it seems to a few far sighted students, that a little bit of coordinate cheering might not be out of season.

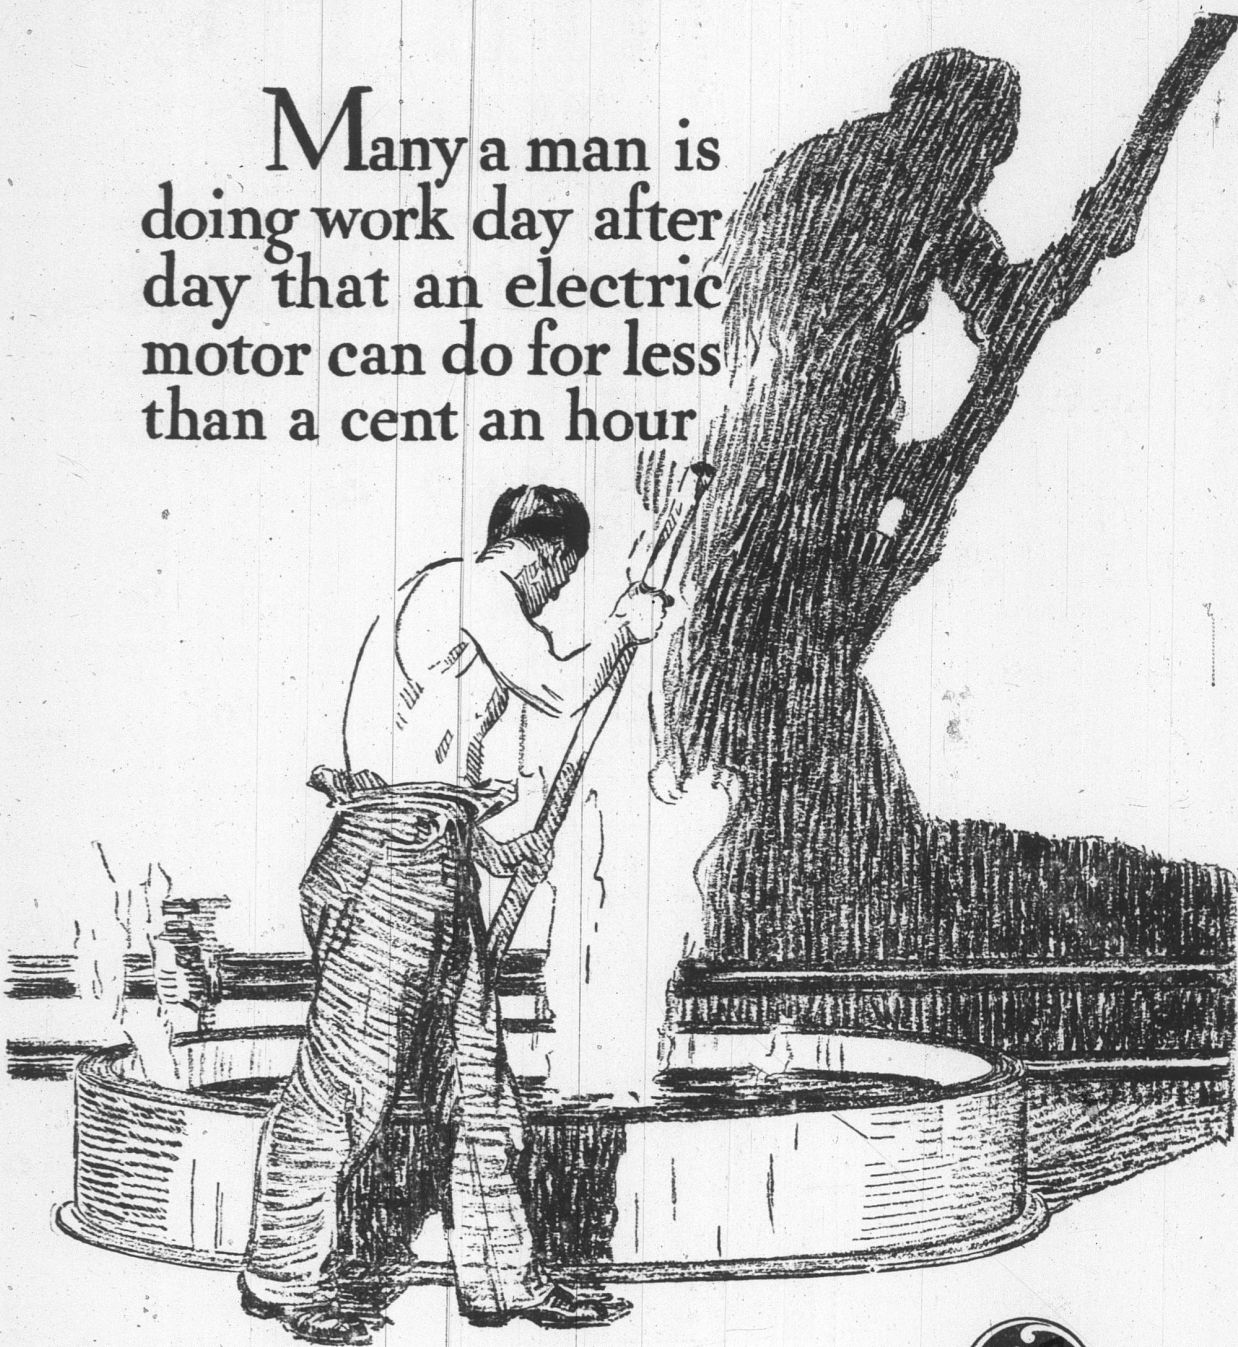

So runs each editorial before each athletic contest and just so much heed is paid to it. Strangely enough, for all the fine praise we received from the Tech game, and for the joy we seemed to get from hearing the Buffalo score Saturday—and for all the school spirit that floats around the campus, we have the poorest class of cheering in the entire state of Pennsylvania, not omitting second class high schools.

New students enter, fresh still with their H. S. enthusiasm, but after a first attempt at solo work, sink into the same lethargy that the upper classmen so indolently feel is sophistication.

And what can we do about it? We give you printed copies of the cheers, our cheer-leaders turn plenty of hand springs, our team will be walloping St. Francis.

Well why sit around in this bored, Sophomore state? Aren't you getting bored with it? Snap out of it for one game and see how it feels to be excited.—M. L.

Many a man is  
doing work day after  
day that an electric  
motor can do for less  
than a cent an hour

College men and women recognize electricity as one of the principal aids to progress in the factory, on the farm, and in the home.

Guided by human intelligence, electricity can do almost any job a man can do. From stirring to grinding, from lifting to pulling, there is a G-E motor specially adapted to any task.

# GENERAL ELECTRIC

GENERAL ELECTRIC COMPANY, SCHENECTADY, NEW YORK

## WESTMINSTER WINS 41-3

(Continued from Page 1)

Westminster made a total of 14 first downs to none for the Bisons, while Westminster drew three penalties for a total of 45 yards to none for the Bisons. Fumbles were numerous. Westminster fumbled 5 times all of which were recovered by Buffalo, while Buffalo fumbled twice and the United Presbyterians recovered in each case. The forward pass combination McQuiston to Machin worked well for gains of 27 and 37 yards respectively:

The lineup:  
Westminster Buffalo  
Machin L.E. Meyers  
Ayers L.G. Chamel  
Dombrowski L.T. Vowinkle  
Boone C. Barner  
Furno R.T. Gleason  
Smith R.G. Mamella  
Tweedie R.E. Smallenberger  
Hall Q.B. Ungerer  
O'Donovan F.B. Farris  
Lauder L.H.B. Moratto  
McQuiston R.H.B. De Witt  
Touchdowns: Westminster, Hall 2, Dible 2, Campbell, Machin. Buffalo Scoring: Ungerer, Field Goal. Points after touchdown, McQuiston 5 out of 6.

Substitutes: Havrilla for Tweedie, Campbell for McQuiston, Dible for Hall, McQuiston for Campbell, Tweedie for Havrilla, Krueger for Ayers, Crowell for Tweedie, Hall for Dible, Campbell for O'Donovan. Officials, Referee, Bezoni; Umpire, Timlin; Headlinesman, Sullivan.

Score by Periods:  
Westminster 0 7 14 20-41  
Buffalo 3 0 0 0-3

## THE ROVER BOYS

During the summer months the need of a sport column in the Holcad has deeply been felt by "Bee" Rover and "Pea" Rover, erstwhile members of A. M. Winfield's fictitious Rover boy lineage; culminating in this attempt on the part of the Rover boys, to maintain a wholesome sport section in the paper.

Speaking of football, several freshmen have already copped positions on the varsity squad. Boone, Tweedie, Matchin and Dible showed up well in both the Tech and Buffalo tilts.

"Babe" O'Donovan, better known as a Westminster basketball star, came to help train Beede's football proteges during the pre-season training session, impressed in the early workouts, and is now a first string backfield man.

"The Carnegie Tartan," the Plaid student weekly, in commenting on the Youngstown game said: "The expected overwhelming victory of the varsity over Westminster failed to materialize on Saturday, the first team being forced to work for those twenty-five points. Stiff opposition was met all the way from a smart, though light team which was a credit to its mentor, 'Dyke' Beede."

Prof. R. X. Graham, new coach of the Blue and White cross country squad and former captain of the Colgate University harriers, has introduced the Colgate system here. The team looks good under the new style of coaching, and will be in fine shape for the opening meet of the season with Geneva at New Wilmington this Saturday.

Westminster men, who faced Tech in the opener were outweighed 27 pounds to the man.

Among the new yearlings who is making good at Westminster is Louis Peresenyi, who as an understudy to Jack Hulme, varsity trainer, is quite adept with the arnica and tape in patching up Beede's gridders.

PREXY SPEAKS AT  
FIRST Y. W. MEETING

At the initial meeting of the Y. W. C. A. held in the auditorium of the U. P. Church on Wednesday September 28, President Wallace delivered his annual address explaining the rules governing woman students at Westminster.

"There is a time for everything," stated Dr. Wallace, "and when people are living together in a community life it is necessary that these times be specified in order to insure the best physical, mental and spiritual development."

Evelyn Winger, president of the Y. W. lead the devotions. She welcomed the freshmen into the activities of the organization.

An added feature of the evening was a violin solo played by John Lowden.

EXPERIMENTAL WORK IN  
DEPARTMENT OF EDUCATION

Professors Shott and Lawther of ment of experimental Psychology Education, are now carrying on a series of class room experiments.

At present the Oxford and modern college systems of study are being tested.

GIRLS SWIMMING CLASSES  
PROGRESSING UNDER HULME

Women's swimming classes, taught by Mr. Hulme, were organized and started on September 26. There are separate classes conducted for swimmers and non-swimmers, so that both may receive the needed attention. All classes have showed unusual interest in the work and already many of the non-swimmers are showing signs of strokes.

DR. CHARLES A. DAWSON

Dr. Dawson, head of the English department and chairman on the faculty committee on publications is also faculty chairman of the freshman advisory committee.

COLLEGE NEWS BUREAU  
WORKING EFFECTIVELY

In embarking on its seventy-sixth year of educational service, Westminster College, with plans of a new progressive era and a greater institution functioning, installed an expressive organ known as the Westminster News Bureau, formulated for the purpose of handling all the college newspaper publicity.

The news bureau which has its office on the third floor of the Science Hall, opposite the library, is under the direction of Prof. R. X. Graham and includes on its staff four student reporters, Orvil Mirtz, Henry Brenneman, Bud Mansell and Peter Botsford.

With the opening of the fall gridiron training camp in September, the news department started its operations, sending to the various papers in the district, daily news, feature, and pictorial accounts of the Blue and White's football development. At the present time the Westminster News Bureau sends local college news to sixteen newspapers including the New Castle News, Sharon News-Tele, Sharon Herald, Youngstown Vindicator, Youngstown Telegram, Pittsburgh Press, Pittsburgh Post-Gazette, Pittsburgh Sun-Tele, Meadville Daily Tribune, Butler Eagle, McKeesport Daily News, Braddock News Herald, Mercer Dispatch, Elizabeth Herald, Wilkesburg Progress, and Swissvale Home News. Weekly summary writeups are also sent into the New York Times.

During the month of September the news organization had 241 column inches printed in the New Castle News, Prof. Graham being credited with 91 column inches, Mansell with a total of 62 column inches, Botsford submitting 75 inches, Mirtz with five and one-half inches, and Brenneman with seven and one-half inches. The reason for the low total of the last two mentioned is due to the fact that Mirtz sends most of his news to the Sharon papers and Brenneman did not start his work with the bureau until September 15.

## INSTRUCTS AT ANN ARBOR

William E. Parker, a former student has accepted a position as Assistant head of the new department of Psychology and which has been installed at the University of Michigan.

Mr. Parker was a member of Delta Phi Sigma fraternity. His home is in New Castle.

## THE CAMPUS HOUND

There comes to our ears the sad story of the ever resourceful college boy getting a check from home and a letter from his girl all in the same mail. His new address is Polk, Pa.

A new movement has been launched by college boys and juvenile journalists to have typewriters remodeled. Since the Hunt & Peck system of fingering has found such universal approval it would be a great step forward for science if all future models of the machine had the keys in alphabetical order. How can one be efficient if one must hunt all over the keyboard to find the 'e'? Trying to spell "Melchizedek" on the modern typewriter is much the same as looking for a golf ball in a forest primeval.

In these days of violence and anarchy a man is not even safe in his home town. The other day as I was passing the Van House, perfectly at peace with all the world, there suddenly bounced upon me a bunch of girls who looked intent upon mischief. My first impression was that I had been taken for a bargain counter but they soon made it plain that they wished only a little game of "Farmer in the Dell." You guessed it, I was the farmer. But just then the dinner bell rang at the Thompson House and that ended that—suddenly.

One of our freshman representatives at the Inter-collegiate dance in Youngstown a week or so ago was overheard making complimentary remarks about the "Tux" worn by a certain member of the orchestra. This is the first we knew of Professor Lutz being a musician.

A recent newspaper article tells of the marriage of a W. C. T. U. leader to a bootleg king from Peoria. Their offspring will no doubt be second H. L. Menckins.

These new-fangled cigarette lighters are being constructed better every day. I was witness to one the other day which successfully became ignited going up hill. Some are even guaranteed for a week, which all ought to greatly influence the flint industry.

Cascade Park is closed for another winter. Guess we will have to have our dancing in the gymnasium now. (Note. Not an editorial)

Students must be praised for their undoubtedly fine cheering at the Tech game. Besides raising the roof off the stadium they nearly drowned out the whistle on the peanut vendor's cart. Keep it up; regardless of what some authorities say, yelling positively does not make one's lungs leathery.

Fraternity men should have no trouble finding wing collars for the coming annual parties. Freshman will sell them at less than cost.

Just as a suggestion, the red ties which are now so plentiful on the campus might be donated to the Sharpsville Freight for danger signals. Small boys are continually putting carpet tacks on the track, much to the embarrassment of the wrecking crew.

If Westminster was located in a hotter climate we might expect to find our campus covered with bread trees. Evidently the workmen either have good complexions or false teeth since none of them seem to believe in eating crusts.

In New Castle the other night I saw "What Price Glory" and was greatly disappointed in its hero, Captain Flagg. His vocabulary was not very well developed for a Marine; in fact, it consisted of about three words which he used constantly. A little variety would have been quite refreshing. It is too bad the director of the picture did not have a parrot on hand; it could have taken the part equally well.

### ANNOUNCES PLEDGES

Chi Omega announces the pledging of Mildred Somerlade, of Claysville, and Pearl Bolles of Bradford. Both girls are members of the class of '30.

Miss May Richards was a guest of the Pi Rho Phi sorority over the week end.

Misses Eleanor Gamble and Dorothy Wilson were visitors of the Chi Omega fraternity.

Robert Jewel of Sharon was a caller at the Delta Phi Sigma house Friday evening.

"Hen" Wettich, James Miller, "Hen" Stone and "Sam" Stewart motored to Buffalo to the game Saturday.

Miss Gladys Bebout is at her home convalescing from a recent illness.

### Freshmen

Pep meeting Friday nite. All freshmen will sing the Westminster Hymn at this meeting.

### Lutz Speaks on Chemistry

Professor J. George Lutz spoke on "Synthetic Chemistry" at the Rotary meeting in Hotel Neshannock last night.

### Sigma Kappa Fry

Friday evening the Sigma Kappa sorority held a ham fry and weiner roast at the stone quarry. Every member was able to be present.

Mrs. Robertson and Mrs. Graham were special guests of the girls.

Theta Upsilon Omega announces the pledging on September 16 of Adrian Dible of Verona, Pa., a member of the class of 1930, and of Frank Espy of Cambridge, Ohio, a member of the class of 1929, on September 28.

No farm being complete without a dog, brothers in T. U. O. have taken into its arm Stella, and have been removing fleas from their persons since. Stella is a by-product of the Buffalo game, making its public debut there.

### PHI PI PHI ENTERTAINS FACULTY AND FRESHMEN

Phi Pi Phi Fraternity of Westminster college held its second of a series of open house entertainments for the freshmen and faculty members, Wednesday night in the local chapter house.

The evening was taken up with music, a good social time and athletic contests. Refreshments were served at a late hour. The entertainment committee consisted of Chester S. McLean of Turtle Creek, William Heagen of Cannonsburg and Victor Scott of Connellsville.

The guest list included besides the students, Professors J. George Lutz, Robert X. Graham, Hunter D. Farish and Mr. Jack Hulme. Doc Hunter of West Middlesex was also a guest of the chapter.

### ??? WHO IS PRETTIEST CO-ED ??? SENIOR SAGES WILL DECIDE SOON.

"Well, gay Lothario, where doth thou cavort?"

"To see the fairest of the fair, beloved jester."

Who, yes, who is the prettiest co-ed in Westminster? Fellows have wondered—Co-eds have wondered. Some may know, yet again they may not know.

Anyhow the reverend sages of the student body are soon to decide just which co-ed in the school meets the approval of the eyes of the senior men and women.

The HOLCAD is preparing a ques-

tionnaire, in which the senior body will cast their vote as to whether blonde, brunette, or auburn really is the most beautiful.

Westminster may not have been so very prominent in athletics in the past few years, but they have always been rated as the school with the great number of keen looking co-eds.

Quite a reputation to be sure. But which one of the classy co-eds is to lead her cohorts for laurals will soon be told by the sagacious seniors.

### LEAVES

Anticipation dwells in Springtime's leaf  
Budding on trees with hope and gay surprise  
As if to try the mysteries of life.

Fulfillment shines in Summer's full-grown leaf  
Rejoicing in its rich maturity,  
Loving its life; the sun, the wind, the rain.

But Fall leaves have more beauty and more wealth.  
In retrospect, they live their lives again  
And mirror all past gayety in colour.

### ANOTHER OLD SONG

P—is for puns he pulls in chapel,  
R—is for the ring he doesn't wear;  
E—is for the Engine in his Buick,  
X—is for the interest in his money,  
E—is for his Elgin ticking loud;  
Put them all to-gether you've mis-spelled Prexie,  
A word to quiet any college crowd.

### FIVE TRACKS

Who pats the co-eds heads each day  
And tickles round their ears?  
Who fondles with their tresses short  
Without a quake or fear?  
Who gets their pennies one by one—  
Which help fill up his larder?  
Who is this shiek—this super shiek?  
Oh, why he's the local barber.

### THIS WEEKS THRILLER

#### OR THROWING THE BULL AT THE BUFFALO GAME

Durwinuz Wright of the Nu Knew Gnu house was standing at the corner of the cleanest alley in Buffalo waiting for a ride to Erie on the first leg of his flight back to New Wilmington.

He could feel the pangs of hunger gnawing at the very roots of his mesenteries. He had no money. But he was used to it. He did however have a dime.

Poor Darwinuz. Here he had travelled far and wide, and didn't have a souvenir of the game to take back home, and he had promised his lousy bim that he'd fetch her a dream of a souvenir.

He falls to his knees, as an idea hits him square on the cerebrum or some other fool place.

Quickly our hero regains his equilibrium. He goes into the store near by with his grimy paws clutched round the 1912 dime. He'd take home a real souvenir of Buffalo. He'd take her two, and outdo his very self.

Five minutes later he was back on the corner. He was gazing fondly at his souvenirs. He held them to the light—they shone, they glistened.

He had two Buffalo nickles.

This weeks Freight goes to the freshman who thot a frosh was the same as an upper classman since hazing was abolished.

### SHARPSVILLE FREIGHT

(Lindy's famous ride.)

Co-edstalklikethistinelooks.

### THOTS OF A NUT

Yes, fame is great  
The poets say—  
At least that's what  
They tell us;  
Lindberg seemed to think  
So too— And other  
Famous fellows.

But note the smoke  
Of your cigarette—  
As up in the air  
It goes;  
The higher it gets—  
The same as you—  
The crookeder it grows.

No, fur coats are not the thing in glee club circles this year. Eddie guessed it.

## Dr. H. H. Donaldson Elected President of Board of Trustees

### OTHER MEMBERS TAKE PLACES ON TRUSTEE BOARD

Meeting in the Wm. Penn Hotel, Pittsburgh, last Tuesday, October 4, the Board of Trustees of the college held their annual session to discuss important business relative to the college and to elect new officers. Dr. Wallace represented the faculty of the institution at this meeting.

After the routine matters on hand had been disposed of, the board welcomed several new and illustrious members to their ranks. Three men, the Hon. George T. Weingartner, state senator from New Castle, Attorney Roy Neville of Sharon and Attorney R. K. Aiken of New Castle were elected by the board, the first two for a regular office term of four years and the latter to fill a vacancy. The alumni association also chose a new representative by electing the Hon. T. C. Cochran of Mercer, a member of Congress, to fill a vacancy left in the governing body by the death of James P. Whitla.

Undoubtedly the most interesting part of the meeting came with the election of officers for the corporation. Dr. H. H. Donaldson M.D., of Pittsburgh, was chosen as president with Dr. J. C. Kistler '86 of Ben Avon taking the office of vice president. The secretary's chair went to John E. McCalmont '00, of Pittsburgh, and D. W. McNaughton '81, also of Pittsburgh, was chosen to the office of treasurer.

Following the election of officers and some other business the annual session of 1927 was adjourned.

### McDOWELL RE-ELECTED SENIOR PRESIDENT

At a meeting of the senior class held last Wednesday after chapel, the officers for the year were elected. Two senior men were elected to serve, while three co-eds were elected to office.

The choice for the presidency went to Francis McDowell who has been president of the class for the last two years.

Miss Evelyn Winger was elected vice-president, while the office of secretary is to be filled by Miss Grace Doolittle, who came to Westminster last year from Coe College.

Donald McClure who was last year's class treasurer was re-elected.

### LET'S GO

Meadville is close enough for all students. Bum, pay for, or steal a ride Saturday.

### SHERWOOD EDDY HERE THIS WEEK

Y. M. C. A. Arranges Meetings For Thursday and Friday

Officials of the College Y. M. C. announced Friday that Sherwood Eddy, world famous Y. M. C. A. worker, will be on the Westminster campus next Thursday and Friday.

Mr. Eddy will speak at the regular chapel service Thursday morning and again at a mass meeting in the United Presbyterian church Thursday evening. In addition to his speaking engagements, Mr. Eddy will have personal conferences with a number of men on the campus during the day.

On Friday morning, Mr. Eddy will again speak at the college chapel service, and Friday evening there will be a banquet at the United Presbyterian church for all men of the college at which Mr. Eddy will be the principal speaker. The committee in charge of arrangements includes Donald McClure, Francis McDowell and Sam Colman.

### CAMPUS ACTIVITIES SUBJECT AT Y. W.

"The other side of college life" was revealed to the freshmen at the Y. W. meeting held Wednesday evening in the Hillside living rooms.

Dot Nevin had charge and spoke briefly of the educational value of college activities and the friends gained by entering into them. She urged all the freshmen to join the Y. W. and uphold Westminster's 100% membership record.

Lucille McConaghy gave a brief review of the Psi Nu, an honorary literary fraternity to which the editors and associate-editors of the school publications are eligible. The dramatic society "Bells and Buskins" was discussed by Norah French.

The duties and privileges of the Alpha Sigma Alpha, an honorary fraternity for women debaters were presented by Carol Clark. Cora Williams and Helen Hastings described the women's sports and how varsity letters may be earned. Betty Glover spoke about the student council, the college ruling body.

### GENEVA HARRIERS LOSE TO WESTMINSTER BY 22-33 SCORE

No longer do the Geneva harriers, 1926 Tri-State Conference champions, flout the victory gonfalon in defiance, for Coach R. X. Graham's proteges romped over the Fayette five and one-half mile course last Saturday in a dual meet with the Covenanters and came off victors in the overland race by a 22-33 score. The winning time was 31 minutes flat.

Orvil Mirtz crossed the finish line first in the fine time of 31 minutes. He was followed closely by Captain "Wes" Rose, who finished a few seconds later. Rose and Mirtz set the pace and led the field for the entire distance, giving Sid Lockley, Geneva flash, plenty of competition. Mirtz and Rose, in finishing winner and runner-up, were but a few feet

apart at the tape. They were followed by Lockley and Dwight Piper of Geneva. Next in order came David and Elmer Myers of the Blue and White outfit, taking fifth and sixth places respectively. John Piper, another Covenanter runner, finished seventh, and King, Westminster, came in eighth. Bob Wallace and Ross Ellis, of the Graham squad took ninth and tenth positions. Doak and Kenst, the last two to score for Geneva, placed twelfth and thirteenth.

This triumph in the opening engagement of the season has encouraged Coach R. X. Graham and his "hill and dale" trotters to believe that Allegheny can be beaten when they are met in Meadville next Saturday as a preliminary to the Allegheny-Westminster grid encounter.

FRANCIS McDOWELL

Senior Class President

Many men are president of their class for one year, fewer regain the honor the second year, while a very, very few gain the honor of being president of their class for three consecutive years.

"Tramp" is now starting on his third year of guiding the class of '28 on to higher things.

He has been active on the campus since his advent back in 1924. In addition to his duties as class president, he was tennis captain last year, a three year member of the student council, a member of the Men's glee club, and president of Delta Phi Sigma fraternity.

### HOMECOMING DAY AT ALLEGHENY TO BE FEATURE

With statistics crediting the Westminster grid machine with one victory and two defeats in the games to date, Coach "Dyke" Beede's men are anxious to commence a winning streak in the forthcoming games on their grid-iron calendar. However, considerable improvement will have to be made in the play of the Blue and White outfit if they expect to start their victory climb this Saturday when they oppose "Mel" Merritt's Allegheny College eleven on Montgomery Field at Meadville, Pa.

Merritt's Blue and Gold clad aggregation have not been victors in their encounters so far this season, being defeated by St. Bonaventure two weeks ago at Meadville by a 6-0 count. Last Saturday the Methodist team traveled to Haver, N. H., where they succumbed to Dartmouth by a 38-7 score. The Allegheny team is not to be underrated, however, for they have met defeat at the hands of two very strong adversaries.

Coach Merritt, a former Dartmouth man who is employing the Dartmouth system of coaching at Meadville, has a nicely balanced team, and his club is not weak this season, despite wholesale losses by graduation and classroom failure. Dave Behrhorst, Avalon lad, plays center and is captain of the eleven. It was Behrhorst, who last Saturday accounted for Allegheny's only touchdown against Dartmouth when he ran 65 yards after intercepting a pass. Billings and Cober are the veteran guards on the Blue and Gold outfit. Beals and Davis, who tip the scales at 180, are the Allegheny tackle selections. Slaven and Hughes, juniors, are the ends. In the Methodist's backfield are Lusk and Moon at the halves, Charley White at quarter, and Forbes at fullback.

## Drop-Kick In First Quarter Is Only Score of Game

### BEAT ALLEGHENY!

We have defeated Allegheny before. We can do it again. This year is as good as any for the trick. A cheering student body and a fighting team can do it if they want to.

### FROSH BEWAIL LOSS OF COLOR

Ribbons and Neckties Brought Cheer Says Frosh Writer

We, the freshmen, hereby do declare unto the sophomores, and upper classmen our numerous sorrows.

First, that we are going to miss the dear little red neckties and hair ribbons. They have helped so in putting on that bright little touch of color so necessary in these fall days. Also because of the saving on our supply of hair-pins and neckties.

Then too, we are going to miss the combination of white socks versus black stockings, the effect is so pleasing, when on dates. (A regular study in black and white!)

We appreciate your generosity in allowing us to wear the "green" for the rest of the year. In with its other assets it keeps us warm.

In closing, we wish to express our gratitude to the person who printed so few of the posters.

As ever—, The Freshman class.

### DR. WALLACE SPEAKS AT PHILADELPHIA

Prexy Busy Traveling In Interests Of College

This week promises to be a busy one for our president and his Buick. Tomorrow evening, October 12, Dr. Wallace attends a reception tendered by the Rotarians of the 33rd district at the Fort Pitt Hotel, Pittsburgh, for Charles F. Uhl, district governor of the Rotary Club.

Following this he leaves for Philadelphia to address the synod of New York Thursday morning at their meeting in the Woodlawn Avenue U. P. church. That afternoon he will spend with his son, Charles A. Wallace, '26, who has just begun his second year in the University of Pennsylvania law school.

### DR. IRONS, '75 DIES AT HIS HOME; WAS MEMBER OF BOARD 40 YEARS

The Rev. Dr. William Dixon Irons '75, pastor of the First United Presbyterian Church of McDonald for 48 years, died of pneumonia at his home in McDonald last Wednesday afternoon, October 5.

Ever since leaving college he has been active in the work of his alma mater, Westminster College, where he graduated in 1875. For more than 40 years. Dr. Irons has been a member of the Board of Trustees of the college and last August presided at the corner stone laying of the new Memorial Hall.

He was born near Sheffield, Beaver county, and taught school for many years. In 1875 he graduated from Westminster and entered the Allegheny Theological Seminary, receiving his degree there in 1880.

### WESTMINSTER FUMBLES AGAIN PROVE DOWNFALL

Mixing an overhead attack with straight football and Westminster's fumbles, St. Francis college grid team defeated Beede's Blue and White eleven 3-0 Saturday afternoon. A field goal in the first period by Kunzler, St. Francis quarterback, marked the defeat of the Blue-jerseyed team. Kunzler kicked the ball over from the 30 yard line after his team mates McLister and Smith had carried the ball to the Westminster 20-yard marker.

Though marred by fumbles, the play of the Titan team was at times brilliant and threatened the Loretta goal line. However, except in the last quarter, Westminster seemed to lack the punch to carry the ball down the field.

"Jiggs" Havrilla, again playing regular for the Blue and White team, bore the brunt of the St. Francis offense and starred for the Titan outfit. Machin also played a good game at end, and Holzappel, substitute back, also flashed form in carrying the ball and showed remarkably good head work at times. His punting in the final period was the best of the game. The St. Francis boys that caused most of the trouble were Kunzler, the drop-kicking quarterback; McLister, the heavy half; and Joynt, the fullback.

As in the Carnegie Tech and Buffalo tilts, Beede's team did not wake up until the final periods of the game. (Continued on Page 4)

### STUDENTS ASSIGNED CHAPEL SEATS

Following the custom of former years, chapel seats have been assigned during the last few days. Certain sections of the church auditorium are to be occupied by the students of the different classes. The Senior, special students, and faculty occupy the two wings on the right and left of the auditorium. The Freshman occupy the center front; the Sophomores are seated between the Freshmen and the Juniors, the latter being seated in the rear of the building. Compulsory chapel began yesterday. Students are permitted one chapel cut a week which means that chapel cut cannot be accumulated from one week to another.

## NOTICE WESTMINSTERITES

Saturday's game brought to light the same old characteristics of all Westminster football games. The lack of moral support from the rooters and the absence of real co-operation with the varsity cheer leader and his assistants.

The campus organ of Bucknell printed an editorial recently which applies to the situation at our own Alma Mater.

"At the University of Illinois, it is a custom that the spectators at all games remain until the final whistle blows, out of courtesy to the players, no matter what the score may be.

A glaring example of the violation of all the rules of sportsmanship and football etiquette was that of last Saturday's game between Susquehanna and Bucknell when at least half of the spectators left the stands before the game was over. Not only does this show a lack of support for Bucknell's team, but it also shows discourtesy to the members of the athletic teams of other colleges who come here to engage in athletic contests.

Football games seldom continue for more than two hours, so it is not an imposition on anyone to wait until the final whistle has been blown.

Why not be as faithful followers of Bucknell as the students of Illinois are of the University of Illinois? Don't leave the stands until the Alma Mater has been sung at the end of the game."

## THINK IT OVER

In a very short time the freshman men and women will have an opportunity to join the various fraternities and sororities on the campus. They must decide on one organization. Once they have joined, they are bound to this one organization for the remainder of their school career.

It is a serious step. Every man should be weighed. Do not join an organization simply because there is one person there that you like. You must associate with every individual in the organization.

The organization that you join means what you will be in your later life. Decisions made hastily will warrant you nothing. You have plenty of time to decide. Fraternities that "throw dirt" on other organizations should be cut from your list. Any organization that stands out does not have to slam others to get new men.

We reiterate. It is a serious step. THINK.

Freshmen men and women who persist in not wearing their dinks and armbands will bear in mind that the Upper-Class committee is not an honorary organization.

How can we expect a winning team? There were fewer people at the pep meeting the other night than were at the daily chapel service before compulsory attendance was enforced.

Divorce:—Another splendid co-educational institution on the rocks.

## LIGHT-HEADED MEN PREVAIL; FEW GIRLS

Girls, if you happen to prefer blond Appollos, you are not so unfortunate as your preferring brothers, for although the blond nordics on the campus are outnumbered by the Latins, it is by no means so overwhelming a ratio as in the case of the co-eds of the institution. It is a question though, if the co-eds agree with the campus shieks in their preference for flaxen hair and blue eyes. In many instances the Navarro and Moreno types are idols in the college girl's eyes. However, if your patent leather haired hero "hands you the atmosphere," console yourself with the old adage, "red and true—"

"For a broken heart there's another boy,

For bad brown eyes try blue;

For the boy that is gone, there's another one,

He's the antidote for you."

If the gentlemen of Westminster prefer blondes, they are out of luck unless they bestir themselves and make an early selection. Boys, blondes on this campus are at a premium. Believe it or not, they are outnumbered almost three to one by their dusky haired sisters. Perhaps there is room in your mind for controversy as to the respective merits of blondes and brunettes, or mayhap the "prefer red," have already been monopolized by the more fortunate of the collegians. If such is your predicament, it would be well to follow the advice of one cheerful Westminster sophisticate, whose solution is:

"I have a sweetheart in every dorm

Girls that are beauties of every form

Blue eyed in Prather; brown eyed in Van,

Black eyed in Hayes, where they're all full of pep.

A Flaxen haired maiden in Thompson is mine.

With Hillside girls I rate high

Over me in the dorms—

Every girl fights and storms—

You too, can do this if you try.

## UNCLE KASEY SIDE-TRACKS SHARPSVILLE FREIGHT

The famed Sharpsville Freight column has disappeared into the realms of memory. For over three years the column has graced the pages of the HOLCAD, but is to be no more for the simple reason that Kasey Swisher, present editor of campus organ, has decided to rest.

The stuff in the Freight in the past few years has been copied by college humorous publications all over the country. Every Sunday night, Kasey used to sit in his room and poke good natured absurdities at the students, faculty, and townspeople. He then typewrote them, and they were carried to the print shop for the final touches before they reached the eyes of the town.

MISS JESSIE MOCKEL

Miss Jessie Mockel, Dean of the School of Music will again direct the Mep's Glee Club this year.

Miss Mockel directed the organization last year, and a very successful club, was the result.

## TITAN TACTICS

by  
THE ROVER BOYS

This week's "casus belli" for the Westminster grid machine is Allegheny's Blue and Gold clad eleven, coached by the methodical "Mel" Merritt, who has introduced the Dartmouth style of play into this district.

The setto with the Allegheny outfit, is to be the feature of Allegheny College's Home-Coming day program, and with Beede's men anxious to add another victory to their "games abroad column," wholesome entertainment will be afforded the Methodist alumni body.

Allegheny's football mentor is much the same type of leader as our own "Dyke" Beede. Merritt is a quiet and cultured man and his football players reflect the character of their coach. (Would that this stock would increase).

Two of last week's practices for the Blue and White aggregation were held on a soaked field in steady drizzles. It was the first opportunity for the squad to handle a wet ball and they did so with the minimum of fumbling.

Coach R. X. Graham's harriers face a tough adversary this Saturday when they meet the Allegheny cross country team on the latter's course. Word comes from the Methodist's quarters that a large squad is attending the spirited workouts. Six veterans are back to compete for varsity positions and eight new men answered Moach Hammett's practice announcement.

Mirtz, in breezing over the tape first in the meet with the Covenant harriers Saturday, completed the five and one-half mile Fayette course in 31 minutes flat. Captain "Wes" Rose was right on his heels finishing second in 31.3 minutes.

"Jiggs" Havrilla played a bang-up game Saturday in the backfield. Time and again he sifted through the Saints' interference to nail runners with jarring tackles.

"Steve" Holzapfel played heady ball in the Loretto encounter—his punt after fumbling the ball on the pass back from center is worthy of mention.

## HEAR SHERWOOD EDDY!

Sherwood Eddy, world-known Y. M. C. A. worker, author, and speaker extra-ordinary, will honor Westminster with a visit here Thursday and Friday of this week. Men students on the campus should grasp this opportunity of hearing one who has been a force to be reckoned with in the shaping of the opinion of the whole world since the World War.

Mr. Eddy is well acquainted with world conditions, having traveled in every country on the globe a number of times. He started his Y. M. C. A. work as secretary of the organization in India, was later appointed secretary for all Asia, and has, for the last 10 years, been a member of the International Committee of the Young Men's Christian Association.

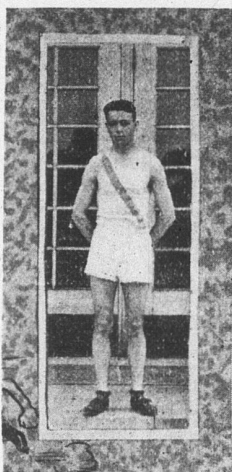

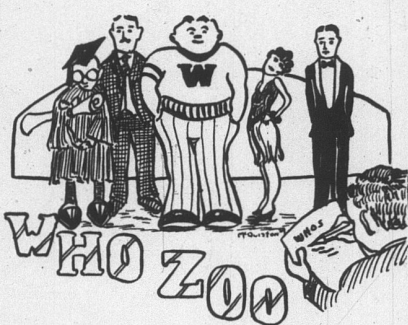

He was graduated from Yale, received the M.A. degree from Yale, and received the LL.D. degree from Wooster. Mr. Eddy's 10 books and hundreds of magazine articles are well known to everyone who has studied modern world problems.

## LUTZ FALLS; CUT SEVERELY

Professor J. George Lutz was cut badly about the head when he fell after the game Saturday.

"Prof" was running to catch up to a group of fellows, and accidentally tripped on the curb.

He was cut severely, but medical attention enables him to resume classes this week.

LEADS FIELD

Orvil Mirtz, captain of last year's cross country team, who lead the field Saturday in the Westminster-Geneva race, traveling the five and one-half mile course in 31 minutes, just a few seconds ahead of Captain "Wes" Rose. Rose and Mirtz are considered the cream of the Conference distance runners.

STAFF POSITIONS  
ASSIGNED FOR ARGO

In a recent meeting of the junior crew, the good ship, Argo, weighed anchor for the season of 1928. Even members of the literary and art staffs were assigned to the following positions:

Sport Editor	Irving Mansell
Literary Editor	Helene Winters
Activities Editor	Margaret Young
Snap Editor	Ross Ellis
Fraternity Editor	Margaret Adams
Junior Editor	Elizabeth Edeburn
Senior Editor	Harriett Jolley
Chronologist	Margaret Lennig
Assistant Literary Editor	Dorothy Wray
Assistant Snap Editor	Francis Loehner
Assistant Chronologist	Margaret Sampson

The present Art department is somewhat handicapped by the failure of the Art Editor, Howard Wetzel, to return this year. However, certain talented members of the active staff and a few capable sophomores and freshmen in the Auxiliary ranks are surmounting the difficulty in a competent manner.

The photographer from White's Studio, New York City, will be here to take student pictures during the latter part of this month. It will be impossible for this representative of a studio, which operates on an extensive scale to waste time with dilatory students who fail to appear on schedule. This photographer will have only an allotted amount of time to spend here, so appear at the scheduled appointment or you want get your picture in the year book.

SHOTT, LUTZ TO  
ATTEND DEDICATION

Wittenberg College, Springfield, Ohio, has, through its departments of chemistry and psychology, extended an invitation to Westminster to send representatives of these two departments to the dedication of the new Wittenberg Chemistry-Psychology building, October 21.

It is probable that Professor J. A. Shott, head of the department of psychology and education; and Professor J. George Lutz, instructor in chemistry, will represent Westminster at the dedication.

## THE CAMPUS HOUND

A Pittsburgh paper tells about a clerk in the city hall who refused \$100 for his work during the recent elections. This country needs more men like that, for instance Mr. Vane of Philadelphia.

People go to no end of trouble to improve their looks. Due to this, plastic surgery, for instance, has become a profession of no mean proportions. But I think the honors go, in this case, to a very popular man-about-town who is prominent in the news bureau. In removing superfluous hair from his nose with a match he scorched that member so badly that it is now likened unto a headlight. We suggest that in the future he use "Neet" the painless way.

Although he does not boast a uniform, the new town cop makes sure that he is recognized by having a large pistol swinging at his hip in plain view. The mad dog season is over but seems to hold no significance whatever.

Here's one for Mrs. Fulton. One of her illustrious waiters at the Thompson House was tipped 13 cents last week by a group of freshmen girls. It is said that he who got tipped is a very superstitious man, but in this case he threw all caution to the winds and picked up the money. We talk much about the social advantage a college education is supposed to give us and it is beginning to look as if there was something to it after all. Co-eds have now learned when to tip, but not the proper amount. For the benefit of the waiter we remind them of the "10% of the bill" precedent.

Baseball is over at last and we should now be able to conscientiously apply ourselves to football for the rest of the season. Which reminds me of the fact that at the game last Saturday an uninterested spectator counted but ninety freshmen in the smoke dance between halves. That means fifty or more were just supporters—holding the stands up.

We are greatly interested in the freshman who attempted to make away with the St. Francis banner after the game. But it is a long story and we would do well to look at all sides of the case. It seems that a slightly inebriated St. Francis rooster "borrowed" our hero's dink to take back as a souvenir and he, not to be outdone, took the banner in his clutches and departed.

Well, it's this way: there is an equal amount of tradition back of both the dink and the banner so things are even on that score. But the dink cost \$1.50 and the banner practically nothing! So our sympathies, economically speaking, are with the freshman, who lost both.

It is refreshingly funny to watch the effect of the new danger light up at the end of New Castle Street. Many times there has been a string of machines brought to a standstill to await the turning of the green light. That light is orange only and orange it will remain. I think drivers are expecting too much of the signal for a small town.

One can walk up and down the streets on a Saturday night and not find anyone in sight, but at five minutes of ten all paths are suddenly filled to overflowing with young couples. It's much like an automobile wreck in some out of the way place; the minutes the crash occurs people are seen coming in all directions. Where do they come from?

The dance at the hotel last Saturday night was not what might be called a howling success, but it shows promises of a future. I think every student is school agrees that the idea is a good one, and the principle fair and square. Perhaps, with the proper stimulus, it can be carried farther. We wish the manager success.

—Breery

### Student Married

"Bob" Patterson, popular young man in the Junior class, failed to return to school from a visit on last week-end. From word received Saturday it was learned that he has been married since 1924. He is living in Cleveland.

### Kappa Phi Lambda

Kappa Phi Lambda wishes to announce the pledging of Gibson Armstrong, '30, who transferred from Allegheny College this fall.

### Alpha Gam

Tuesday evening, the Alpha Gams held a ham and weiner fry at McLaughry's stone quarry. Special guests included Mrs. Robertson and Mrs. Russell. Geraldine Turk, Mae Sands, Jean Aiken and Bernice Brothers, alumnae of the fraternity, were present and spent the remainder of the evening in the Alpha Gam suite.

### Phi Delta Chi

Phi Delta Chi wishes to announce the pledging on October seventh of Betty Ferrall, Canton, Ohio, and Sue Bryson, Aakmont, Pa.

### MARRIAGE ANNOUNCEMENT

Mr. and Mrs. C. J. Klumph announce the marriage of their daughter, Miss Gladys Klumph to James G. McKelvey of Ligonier, Pa.

Mr. McKelvey was a graduate of Westminster in the class of 1927. He was a member of Kappa Phi Lambda fraternity.

### A PORTRAIT

An old, old man he was, with snow-white hair  
And kindly eyes that never showed despair.  
His face was wrinkled; and his shoulders, bent,  
And all about him showed his life was spent.

Yet in those kindly eyes there dwells a fire  
That age and hardships never seemed to dim;  
And everywhere his faltering footsteps led  
The world seemed brighter all because of him.

His day was done, his history was made;  
The sun of life gone down, he dwelt in shade.  
But still the memory of joyous life was his to strengthen others in the strife.

### A Philanthropist

Sidney was only seventeen, but he had the air of seventy. Sauntering down the Strand, he took out a cigarette, only to find he had no matches. So he made for a tobacconist and asked for a light.

"We don't give matches away," he was told, rather rudely, by the man behind the counter. "We sell them."

"How much?" asked Sidney.  
"A penny a box."

Sidney paid up and lit his cigarette with dangerous calm. He put the matches back on the counter.  
"Look here," he said coldly, "when next a gentleman asks for a light in this shop, kindly give him one of my matches."—Answers—London.

## ENGLISH SINGERS HERE OCTOBER 27

One of the unusual events of the past two seasons in the musical world was the coming to America of the English Singers, who have captured critics and laymen alike. This group, consisting of six highly trained musicians, Mesdames Mann, Corson, and Berger and Messrs. Stone, Notley, and Kelly, were first brought to this country by Mrs. F. S. Coolidge of Washington to participate in a Chamber Music Festival. They aroused such enthusiasm in the capital that, at the close of the program, the audience rose to its feet to shout and applaud, and to demand further numbers.

Other cities have only echoed and reaffirmed the verdict of Washington. The critic of the New York World said that "their tone production was a revelation. Not only was the volume remarkable in itself for only six voices, but the range was from the deep diapason of a great organ to the delicate pipings of the instrument. The melting voices of the group singing in the middle register seemed almost perfection for ensemble singing." The Evening Telegram noted that "the large audience unconditionally surrendered" to these charming singers; and the Post commented on "the precision of attack, the beauty and purity of their happily blended tones." The Times, usually conservative, began its critique by saying that the performance "justified superlatives."

Under the auspices of the Westminster School of Music this notable group of singers will be heard in the Community House on the evening of October 27th, at 8:15 o'clock.

## CO-EDS BATTLE FOR TENNIS CHAMPIONSHIP

The annual girls' tennis tournament which is the custom each fall has been in full swing the last few days. The competition this year is exceptionally stiff with 22 candidates participating. In the first play-offs the winners are Martha McMurray, Cora Williams, Kitty McClure, Ruth McCormick, Margaret Young, Edith Caldwell, and Jean Boyd won by a default from Miss McMath.

The object of the tournament is to determine probable varsity material with an idea of furnishing clean outdoor sport competition for the women students. At present Westminster has no inter-collegiate competitive sports for women and the women students are trying hard to have that privilege granted them.

Those competing in the tournament are: Jane Macrum, Jean Carter, Ruth McCormick, Helen Petrie, Jean Boyd, Elizabeth Ralston, Betty Tebay, "Rusty" Work, "Sunny" Norris, Alice Neill, Gladys Ott, Kitty McClure, Margaret Young, Edith Caldwell, Eleanor Warner, Margaret Brickley, Cora Williams, Martha McMurray, Lois Wagoner, McMath, Robinson and Stewart.

### Results of Play-Offs:

Ruth McCormick defeated Helen Petrie, 6-3, 5-7, 6-4. Jane Macrum defeated Jean Carter, 6-0, 6-2. Elizabeth Ralston defeated Gladys Ott, 6-0, 6-0. Margaret Young defeated Alice Neill, 6-1, 6-1. Edith Caldwell defeated Lois Wagoner 6-2, 6-2. M. McMurray defeated Margaret Brickley 6-4, 1-6, 6-4. Cora Williams defeated "Rusty" Work 6-2, 6-3. "Kitty" McClure defeated Morris 3-6, 6-4, 6-2.

Tweedie	R. E.	Abels
Hall	Q.	Kunzler
Havrilla	L. H.	Smith
Lauder	R. H.	McLister
O'Donovan	F.	Joynt

### Substitutions:

Westminster: Dible for Hall, Sweet for Ayers, Holzapfel for O'Donovan, Ayers for Sweet, Kelly for Machin, McQuiston for Havrilla, Crowell for Tweedie, and Hall for Dible.

St. Francis: Saloney for Steele, Brune for Smith, White for Slatniski, Smith for Brufo, Billèdeux for Boyle, and Roetzel for Abels.

Officials: Referee—Baird, Penn State

Umpire—Quailey, Pitt.

Head Linesman—Dewar, Pitt.

Ass't Head Linesman—Calhoun, Westminster.

## McDOWELL LEADS

### Y. M. C. A. MEETING

Francis McDowell led the Y. M. meeting Wednesday evening in the Conservatory. There was a good attendance though but few freshmen were present.

An excellent year is ahead for results in Christian work under the supervision of the Y. M. Preparations are being made for the coming of Sherwood Eddy to Westminster's campus on October 13-14. A New Wilmington "Hi Y Club" will be organized this year. Deputation committees are to be sent to New Castle and the surrounding communities.

These plans give evidence that the Y. M. is broadening its scope of usefulness, and that it is an organization which the freshman men will find worth while.

## Dr. Sherwood Eddy Spends Two Days At Westminster

### BANQUET FRIDAY ENDS VISIT HERE

Men of the college gathered in the parlors of the United Presbyterian church Friday evening at the annual Y. M. C. A. banquet to hear Sherwood Eddy in his last address.

Dr. Eddy, after spending Thursday and Friday as a guest of the college, closed his visit here by speaking about the reality of religion and of God in a man's life.

Dr. W. Charles Wallace, speaking for the college, told of Dr. Eddy start in Y. M. C. A. work and welcomed him.

#### Thursday Chapel

In one of the most interesting talks of the year, Doctor Sherwood Eddy revealed to the students his ideas of the touchstones of life, religion, and a clean conscience, at the regular chapel service Thursday.

"The Honor System in school is not the only way of judging a man's character," said Dr. Eddy, the real questions are: "Are you clean? Are you straight? There are two fundamental tests of character, two desires that must be safeguarded; the one love; the other hunger."

Dr. Eddy opened up a new status of ideas for those of us who might have been in doubt. In his talk of the evening, he discussed "Applied Christianity."

Several of his own experiences in the slums of the metropolis of New York made his point very clear and set us to thinking whether or not we are living up to fraternal love.

An optional meeting was held Thursday evening for all who were interested in discussing freely with him the "Challenge of the World Situation."

#### Friday Chapel

Another stirring talk opened paths of new thoughts on "Religion as a Testimony." The vital question was "Can you still believe in Religion?" at the Friday chapel service.

Dr. Eddy has just come back from India where he was engaged in mission work. His talks were very interesting and should help to bring out the best in the character of each student at Westminster.

KASEY SWISHER  
Manager of Varsity Cross Country

#### A TIP TO THE PLEBES

Rushing season—the only time a freshman is given just cause for swelling of the head.

### ALLEGHENY WINS IN CROSS COUNTRY

#### Strange Course Misleads Blue and White

Scratched and wily eyed, Westminster's cross country outfit returned from their Allegheny invasion with the first defeat of the season marked down in their record book, when Coach R. X. Graham's proteges succumbed to the Allegheny harriers 23-32 on the four and three-quarter mile course at Meadville, last Saturday afternoon. The setback at the hands of the Methodists by no means indicates poor running, for the Blue and White squad tried valiantly to emerge from the brambles and thicket quickly. However, numerous members of the United Presbyterian squad, lost the way, running little side races with Brer Rabbit in the underbrush before appearing on the home stretch.

Minnie, an Allegheny runner, was the first to cross the finish tape. He was seconded by another of Coach Hammett's lads, Bentley by moniker. Orvil Mirtz, the first Westminster entrant to finish, breezed across the finish line third, and he was followed by Capt. Wes Rose. Wlycoff of Allegheny, who came in fifth, was given plenty of competition by Byers King of the Graham aggregation running close at his heels.

### SOPHOMORES ELECT OFFICERS FOR YEAR

Bradley Evans was elected president of the sophomore class yesterday in one of the most closely contested elections in the history of the school. Three contestants, Evans Groezinger, and Wallace ran neck and neck until the final ballot was cast, which won the election.

At the same time, Cora Williams was elected vice president, Mary Tea secretary and Chester McLean treasurer.

### HOMECOMING DAY SATURDAY, OCT. 29

#### Westminster-Duquesne Game Is Feature

October 29 will be the annual home-coming day at Westminster. The feature of the day will be the football game, Westminster versus Duquesne.

There will be no classes, but a special chapel service is to be held on Saturday morning. After this service the sororities and fraternities will have receptions for their alumni at their respective suites and houses.

In the evening, a pep and general get-together meeting will be staged in the gymnasium.

The cross country race which was to have taken place has been canceled, the return engagement with Geneva being run this Saturday at Beaver Falls.

COLGATE—Stillman Hall, a new men's dormitory built on colonial styles, was opened to 100 members of the freshman class.

R. E. ENGLISH

### R. E. ENGLISH GIVEN SABBATH SCHOOL HONOR

R. E. English of Grove City, a member of the Westminster Board of Trustees, was signally honored at the State Sabbath School Convention in New Castle last week by being elected 4th Vice President of the organization.

Mr. English is connected with the Bessemer Gas Engine Co. of Grove City and has been active in Sabbath School and church work for many years.

From the Westminster angle, he has been a constant source of aid to the college, giving of his time freely to the institution.

Mr. English is chairman of the committee of the Board of Trustees financing the building of Old Main Memorial.

PROF. R. X. GRAHAM  
Coach of Varsity Cross Country

### WESTMINSTER TEAM POINTS TO DUKE GAME

After a tough game at Allegheny Saturday the Blue and White grid-ders will enjoy a rest as no game is scheduled for next Saturday. However it is expected that Beede and Lawther will run them through hard drills in order to make sure of a victory against the Dukes on Homecoming Day.

The game with Duquesne on October 29 is the big game of the season and though the score board shows the two teams to be evenly matched there is always a bunch of tricks that goes with the Notre Dame style of play that coach Layden is installing at Duquesne.

## Teams Battle On Even Terms In Nip-and-Tuck Game

#### A TIP TO THE PLEBES

Rushing season—one of the many times a freshman should use his head.

### McQUISTON NAMED JUNIOR PRESIDENT

#### McFate, Winters and Baldinger Win Other Offices

James McQuiston was re-elected class president by the members of the Juniors Class at their annual election of officers which was held last Wednesday. McQuiston, who is a popular student on the campus, is active in both journalistic and athletic circles. Besides being class president, McQuiston is editor-in-chief of the Argo; associate editor of the Holcad; and is a varsity letter man in basketball, tennis, and football. He is also a member of the Tau Gamma Delta, honorary journalistic fraternity and Phi Pi Phi.

The other class officers elected were: Miss Margaret McFate, vice-president, who is a member of the Alpha Gamma Delta fraternity; Miss Helene Winters, secretary, a member of the editorial board of the Argo and a member of the Sigma Kappa. Wilbur Baldinger was elected treasurer. He is active in journalistic work, being editor of the Westminster and a member of the Argo editorial board, as well as being a member of the Theta Upsilon Omega.

### "GLEAM" SERVICE IMPRESSES Y. W. C. A.

Sixty-five new members were added to the Y. W. C. A. enrollment on Wednesday evening. The traditional candle service made the meeting one of unforgettable loveliness.

Two vocal selections were sung by the girls' quartette. John Lowden's violin solo expressed in music the sentiment of the evening.

Evelyn Winger's reading of the Legend of Light was followed by the candle-lighting ceremony. Chime music was played softly on the organ as the new members mounted the platform one by one to light their small candles from the tall, white candle representing Christ, the Light of the World. The Cabinet officers led the recessional as the girls' quartette sang the Y. W. song "Follow the Gleam."

### SORORITY RUSHING SEASON PROGRESSES

Sorority rushing season is with us again and once more it brings all the strife, contention and woe that one can imagine between the various sororities. It is particularly noticeable this year when it is plain to be seen that all the sororities seem to be rushing the same girls.

At chapel, Ruth sits with the Alpha Gamma Delta girls. She goes to the pep meeting with the Pi Rho Phi girls. The Sigma Kappa girls take her to Sherwood Eddy's lecture, after which she goes to the Chi Omega suite. The Phi Delta Chi girls have invited her to a party and she accepts with many promises to the other sororities for later dates.

### BLUE AND WHITE AIR ATTACK CONSTANT MENACE

Unearthing a spirit of grit and gameness that made them indomitable throughout the encounter, the Blue and White of Westminster invaded the Allegheny College ballfield at Meadville last Saturday and battled the Methodist eleven to a scoreless tie in one of the most thrilling games this season. It was Allegheny's Homecoming Day and their alumni were treated to a truly great sport spectacle for the fracas was a gruelling struggle between two intrepid and clean foes. The good sportsmanship that permeated the entire game gave the followers of both institutions justification for their "hey-day of the blood."

The teams were almost evenly matched for though the Beede men possessed a backfield punch and an offensive line that netted frequent gains, "Mel" Merritt's Blue and Gold evens evinced an ability to connect unexpectedly on short line lunges and to display a fine defense. Fumbles marred the chances of both outfits to score when they worked the pigskin within the danger zone.

In the opening quarter the two teams resorted to line bucks and end skirmishes, but due to frequent fumbling neither eleven made any threatening advances. McQuiston's educated toe gave the Blue and White an edge over the Meadville lads in the exchange of punts in the opening chapter. The game took on a spectacular aspect near the close of the initial quarter when Westminster opened up its aerial attack. Tweedie, playing right end spearing a long pass from McQuiston on the 55 yard line and racing to the 16 yard line before being stopped.

In the next quarter Westminster used its baffling forward passing attack more frequently, several good gains resulting. Allegheny put up a good defensive game in this stanza, but their attempts to cut through the Presbyterian's forward wall were repulsed. Clean, hard tackling was a feature of the game, "Jiggs" Havrilla, Blue and White halfback jarred the opposition with smashing tackles, while Furno, Boone, and

## HAIL, ALLEGHENY!

Again Westminster stands up to give a long yell to Allegheny. Good sportsmanship such as was exhibited at the football game Saturday will go a long way toward creating college relations. The influence upon non-partisan spectators is wholesome. The effect upon the rival student bodies is broadening. The reaction by members of the contesting teams in conducive to good will.

Both teams played hard and well. Neither really deserved to win. It was a fifty-fifty proposition. But, when the final whistle blew and the referee tossed the coin to ascertain the winner of the ball, Allegheny won the toss—and then gave the ball to Westminster. This "beau geste" came as a fitting climax to a game marked by splendid sportsmanship.

## PASS THE LAUREL

When a man does a job well, it does not do him any harm to tell him of it if he is sane. Often the recognition of a man's achievement will spur him on to better things. We proffer then the following bouquets this week to four of our number who deserve even more than mere words can tell.

## TO PREXY

Often when the rush of daily classes, assignments, and activities are over and we have an opportunity to weigh some of those in authority, we think sanely of the skipper who guides the ship.

A discouraging and oftentimes thankless job it is to run a college. A busy, bothered, nerve-racking existence it is. But an important and essential job it is.

More than this, there should be encouragement in the fact that out of your vision has grown and is growing that greater Westminster which, at times, you alone can see.

And above this, the fact that students, faculty, and alumni place in you the highest measure of confidence should give you, if you ever have time to think of it, at least a glow of satisfaction because of a job well done every day.

## TO R. E. ENGLISH

Another honor has come to another Westminster man in the election of R. E. English of Grove City to the vice presidency of the State Sabbath School Association.

Mr. English has been untiring in his efforts for all good causes. Included among them is his Alma Mater—Westminster.

As an alumnus, Mr. English has epitomized the saying that a good alumnus is merely the devoted son of a good mother.

## TO BEEDE AND LAWTHER

Yes, "Dyke" and "Johnnie," we are glad. Glad for your sakes as well as for the sake of the varsity men and old Westminster. We appreciate the hard work which you have given and we, too, glory in the fact that it showed itself in the Allegheny game.

We are with you—and with the boys—win or lose. But, and we are convinced of this, if the men play the remaining games as they did the Allegheny contest, there might be even more to be proud of—victories!

## REGULATIONS FOR RUSHING SEASON

- (1) The rotation of Freshmen among the various Clubs will conclude on Thursday, October 20, at the noon meal. After the noon meal on Thursday, October 20, Freshmen will make their own eating arrangements, said arrangement to be elsewhere than at the Clubs or Fraternities until such time as Freshman is pledged by any Club or Fraternity;
- (2) The regulation as to pre-pledging courtesies will carry through the Rushing season, meaning that all courtesies to Freshmen be extended within New Wilmington, no Freshman to receive social entertainment in any Club or Fraternity House, and that no Club or Fraternity be instrumental in entertaining any Freshman outside of houses;
- (3) Rushing period shall be divided as follows—  
A bidding time,  
A silent time, and  
A pledging time;
- (4) The bidding time begins Thursday, October 20, at 2:00 P. M., ending at 2:00 P. M., Friday, October 21, on the understanding that no Freshman be entertained in any way by any organization for longer than one-half hour, and that reappointment may be made at intervals of two and one-half hours, classes and laboratories must not be disturbed during "bidding time";
- (5) No approach shall be made by anyone to any Freshman with intent to make appointment prior to 2:00 P. M., Thursday, October 20;
- (6) Silent period begins at 2:00 P. M., Friday, October 21, ending at 7:45 A. M., Saturday, October 22, at which time pledging will begin, Rushing Season ending at midnight Saturday night;
- (7) During the silent period, no organization shall approach a candidate or be instrumental in having any person do so.  
By order of Inter-Fraternity Council.

## ENGLISH SINGERS

HERE OCTOBER 21

The English Singers, a group consisting of six artists, three men and three women, sit at ease about a table and offer their program without accompaniment. The performance seems almost to be improvised, so informal is their manner and so spontaneous their art. They open their part books and sing old English madrigals, motets, masses and folk-songs, many of which are composed according to the polyphonic school, each voice tracing its own melody, perhaps emerging for a moment into a kind of shaded prominence, but all blending and contributing to a charming and entirely melodious ensemble.

Among other things, these delightful singers have proved that the English language is singable. Their diction is of itself a lesson in beauty of enunciation. Not only each voice, but the words of the music are important, determining the character of the rhythm. The Singers have proved also that there is still a wealth of English vocal music that is practically unknown in America; and, best of all, they offer a standard of performance and interpretation which should be of the greatest value to all music-lovers and performers of this generation.

The concert by these distinguished artists will be given in the Community House under the auspices of the Westminster School of Music on the evening of October 27, at 8:15 o'clock.

## TITAN TACTICS

by  
THE ROVER BOYS

Again "Jiggs" Havrilla stars for the Blue and White. This time he played a leading role in stopping the Methodists. "Jiggs" has already been mentioned as one of those mythical Tri-state backfield men.

"Miz" Dart, former Westminster football star and rated as an All American tackle is at present coaching an independent team.

Allegheny sportsmanship is always with us. After Saturday's game a coin was tossed to determine who should keep the ball. Allegheny won the toss. Westminster has the ball. "Nuff Sed."

Another former Westminster gridder who is still following the pigskin game is "Shorty" McRoberts who is at present a member of the Niles pro team.

The brambles and briars run into by our cross country team on the supposed Meadville course may temper our conception of the Methodist fair play. However, it is said that such things are common.

It does not seem out of place to insert here a little tribute to the team for their play in the encounter with the Blue and Gold. We honor them all, and we should have had a holiday (Don't let "Prexy" know that we're griping).

Fumbles are still with us. Read the account of the game on page 1.

"Hickory" Hetra and "Billy" Thomas are still playing basketball. They are now signed up with the Farrell high school faculty team.

What's the difference between athletics and physical education? Answer will be given by any freshman or sophomore.

But why all the griping about taking physical training. If anybody works for the students, Jack Hulme does. The Rover Boys agree that any course under Jack is a pleasure.

Let's beat Duquesne on Home coming day. We will get a holiday then.

Westminster and Duquesne are evenly matched grid teams for St. Francis beat Bethany 3-0, Duquesne and Bethany tied 7-7, and the St. Francis eleven cleaned on Westminster 3-0. Therefore the score of the Titan-Duke tilt should read 7-7.

Moon was the only Allegheny backfield man to play in every quarter of Saturday's game. elly, Westminster acting captain, also fought the entire game. Both Moon and Kelly worked with the Rover Boys on bridge 2029 this summer. Congratulate coaches "Pea" and "Bee."

Scotchmen are lacking on the Titan football squad. Such an observation was made at Meadville Saturday when all members of the squad tipped the waitress at the dinner following the game.

PREXY SPEAKS ON  
LIFE AS CHANNEL

Think of Self as Channel for Expression Of Christ's Will

Taking as his text the sixth verse of the third chapter of Acts, Dr. W. Charles Wallace gave an unusually stimulating sermon at the regular chapel service Sabbath evening in the United Presbyterian church.

Pointing out the fact that the disciples healed the lame man "In the name of Jesus of Nazareth," Dr. Wallace showed how each must think of himself as a power or as a channel for the expression of the power of Jesus. "He ventures on the highest level who thinks of his life as a channel for the expression of Jesus," said Dr. Wallace.

Any task, no matter how insignificant, can be done in the name of Jesus, continued the President; and all the good in the world is but the presence of God expressing himself through the channels of the lives of men.

In his search for nobleness, man tries to identify himself with others who have similar aims. This idea of unity, Dr. Wallace showed, is usually concerned with uniformity rather than with diversity. Living one's life as a channel for the expression of God's will does not mean that the individuality will suffer, for unity in Christ is the unity of individuals in their separate and distinct tasks all consecrated to the doing of God's will.

CO-ED TENNIS CHAMP STILL  
REMAINS UNCHOSEN

Competition in the girls' tennis tournament is very keen. If there is fair weather the semifinal and final matches will be played off this week.

Between rains several matches were played off last week. Martha MacMurray defeated Elizabeth Ralston 6-4, 6-3. Edith Caldwell defeated Margaret Young 7-5, 6-4. Betty Tebay defeated Cora Williams, 6-3, 6-2. Kitty McClure defeated L. Stewart 3-6, 7-5, 6-3.

Those who are still in the race are: Kitty McClure, Edith Caldwell, Martha MacMurray, Betty Tebay, Jean Boyd and Ruth McCormick.

Doubtless it will be of interest to these girls to know that action is being taken by the Y. W. to negotiate with the proper officials for girls varsity tennis. The fact that not much expense would be involved should be in the girls' favor.

## THE CAMPUS HOUND

If you want to try something good for your breakfast menu take a stab at pancakes made from Swan's cake flour. The student cook at a fraternity house attempted it a short while ago and nearly lost his standing. He also ruined a good turner.

Much ado has been made about the necessity of having all the freshmen attend pep meetings; the upper-class committee is seeing to it that they appear. But who is going to get the rest of the student body enthused? Unless the cheer leaders serve ice cream and cake the gallant upper classmen see no attraction in the party.

Ode to the girl who insists on snoring while the rest of the dorm is being serenaded.

(Owing to publishers negligence the ode has been omitted).

Note of interest: No one was left in town last Saturday afternoon but the mayor and Billy the meat boy. Someone says our team has rotten support.

Andy McDonald was seen last Saturday running up and down the sidelines stroking Westminster's latest tradition—a half dollar, not a dog. That should quiet those skeptics who say that it went toward buying a new straw hat during the summer.

It is now the open season on chestnuts. Speak for yourself, John!

Drawn faces and sleepless nights are just ahead for pledging season is at hand. Statistics show that Trevor Hogue sells more soothing syrup this time of year than he does "cokes" and it is no wonder. The pity of it is that the poor misled freshmen don't realize that this is the only time in their entire school career that they are shown so much attention with good intention!

The girls at the Prather house are not as modest as most of us thought. With quite a braggard's air they made it known to the campus that they comprised the children's division of the convention. If actions speak louder than words, as they are generally supposed to do, there was no need whatever for he banner.

This guy Havrilla should be "razed" out of school; he missed a tackle in last Saturday's game.

They have a clever way of going about things up at Allegheny. During the cross country race the officials had to give individual directions to each visiting runner because the course was not marked out. Most of the men found that the easiest way to get around was to follow an Allegheny man but Mirtz, true to style, decided to step out on his own. On being told to turn to the left he ran into a bramble patch and was badly mangled. When he returned to the course the officials apologized profusely, saying that they meant he was to turn to the right.

The gas company is in town laying pipe. From the way some of them smell there are a lot more around the campus that could well be laid away under a few feet of earth. Girls say that some pipes are vile, while the rest are used to blow bubbles.

There hasn't been an organ grinder or blind man in town yet this fall. We cosmopolitans miss them beyond words.

The Hebrew Society of New Wilmington is contemplating the building of a new 14 story edifice in which to hold their meeting.

### Phi Pi Phi Notes

Another stag was held Wednesday evening at the Phi Pi Phi house. Members of the faculty, freshmen, and alumni were guests.

"Billy" Thomas, class of '27, is a frequent visitor here.

Finding school work not enough recreation the boys at the Phi Pi Phi house formed a football team and last night defeated a picked town team 13-7 on the college field. Vogel starred for the college lads.

### Visits Delts

Bruce Furlong, ex '30, of Mt. Union College was a week end guest at the Delt House.

### Kaps Honor Chambers

In view of the fact that James A. Chambers, of the class of '00 and a member of Kappa Phi Lambda, recently won the Republican nomination for the judgeship of Lawrence County, in the primary election, an informal smoker was tendered him as a means of congratulation by the Kappa Phi Lambda at the fraternity house last Wednesday at 9:00 p. m.

### "PREXY" WALLACE

#### ATTENDS MEETINGS

Dr. Wallace returned last Friday from Philadelphia where he attended the annual meeting of the synod of New York. While there he was entertained at a luncheon party held at the Hotel Pennsylvania by a group of Westminster alumni now in the University of Pennsylvania law school. Ted Littell '95, Joe McFate '26, Charles Wallace '26, son of Dr. Wallace, and Frank Morretti '27, were the hosts.

Next Monday he leaves for Washington, Pa., to attend a meeting of the Senate of Pittsburgh where he will speak in the interest of the college, Tuesday afternoon. The senate will be in session for two days, October 17 and 18, in the First U. P. church of Washington. The pastor of this church, Dr. Hubert Ferguson, is a son of the late Robert Gracey Ferguson, for many years president of Westminster college.

### PROFESSORS LUTZ AND SHOTT ATTEND DEDICATION

Wittenberg College, Springfield, Ohio, has, through its departments of chemistry and psychology, extended an invitation to Westminster to send representatives of these two departments to the dedication of the new Wittenberg Chemistry-Psychology building, October 21.

Professor J. A. Shott, head of the department of psychology and education; and Professor J. George Lutz, instructor in chemistry, will represent Westminster at the dedication, leaving here Thursday afternoon by auto.

Among the noted psychologists who will be present are: Pillsbury of Michigan, Jastrow of Wisconsin, MacDougall of Duke, Gault of Northwestern, Hollingworth of Columbia, Dunlap of John Hopkins, and Stratton of California.

### TITANS TIE METHODISTS

(Continued from Page 1)  
Kelly were making the going tough for Allegheny on the line. The half ended with the ball in Allegheny's possession mid-field.

At the opening of the last half, Allegheny appeared to have rejuvenated, taking advantage of a Westminster fumble and starting a drive down the field. They were checked, however, and Westminster kicked the ball out of the danger area. It was now time for the Blue and White to start their bombardment of passes, end runs, and short thrusts at the line forming their attack. McQuiston's forward to Hall in the third period was good for 18 yards. When Allegheny stopped the advance of the Beedemen, a fumble gave the ball to Westminster. Here again the air route aided, Kelly taking a nice pass from McQuiston for 22 yards and first down. Allegheny soon got possession of the ball, only to have Hall intercept a pass and stave off the Methodist advance. Havrilla, Hall, and Dible running alternately with the ball for gains.

In the last quarter, after Havrilla, Dible, and Hall had advanced the ball to the 40 yard mark, McQuiston tried a field goal, but it went wide of the uprights. Allegheny threatened when a forward pass, from Merritt's outfit, and the game ended as McQuiston threw a long pass to Hall for a 15-yard gain.

## Cross Country Team Wins Over Geneva Harriers 21-34

### MIRTZ AND ROSE CROSS FINISH LINE FIRST

Coach R. X. Graham's cross country team completely routed Geneva Saturday over the Covenanters' home course when the Blue and white runners placed six men to win by a 21-34 score. Orvil Mirtz and Captain Wesley Rose finished first and second, negotiating the four and three-quarter mile course of hills in 29 minutes and 25 seconds.

Kenst and Dwight Piper of Geneva were pushed at the finish by King, but placed third and fourth. Following King in fifth place came Ellis, Wallace, and Elmer Myers, all of Westminster.

This victory practically clinches the Tri-State Conference championship for Westminster. A victory over Thiel at Greenville on November 12 will bring the conference cup to the Blue and White.

The finish:  
Westminster 1-2-5-6-7-21  
Geneva 3-4-8-9-10-34

### GRANDFATHER OF "BABE" O'DONOVAN TO RECAST BELL

An incident in connection with the recasting of the "Old Main" bell of interest to Westminster folks was brought to light last night when it was learned that John O'Donovan, grandfather of "Babe" O'Donovan of the sophomore class will have charge of recasting the bell.

Mr. O'Donovan is superintendent of the foundry of the Edgar Thomson Steel Works of the Carnegie Steel Co. at Braddock. He will have charge of remoulding the bell from a pattern made in the works.

When recast and mounted on a new trunion, the bell will be shipped here and placed high in the Gothic memorial tower of Old Main Memorial.

**NORTHWESTERN UNIVERSITY.**—At Northwestern university, students must present pass-ports bearing portraits of their owners, for admittance to football games; this is done to prevent students from selling their reservations.

WILLIAM BLAKELY  
Varsity Cheerleader

### TAU GAMMA DELTA

All members of Tau Gamma Delta are requested to meet in the journalism laboratory this afternoon at 1:20.

### ENGLISH SINGERS HERE THURSDAY

The appearance of the English Singers, who are to be here on the evening of October 27 at the Community House under supervision of the Westminster School of Music, has been one of the unique and highly interesting events of the musical world during the past two seasons. The sacred numbers are of exquisite beauty, while the secular songs have all the gaiety and spontaneous charm of the Elizabethans at their best.

Not only on account of their virtuosity and skill are the English Singers admired, but also for the picturesqueness of their appearance. The ladies wear gowns appropriate to the period in which the madrigals were commonly composed and sung, in charming colors of rose, pink, heliotrope, and geranium.

The titles of the songs give some idea of the naive quality of the compositions: "The Turtle Dove," "John Come Kiss Me Now," "The Silver Swan," "O Softly Singing Lute," "The Dark-eyed Sailor," and a comparatively modern setting of Burns' poem "Ca' the Yowes." The art of the singers is no less phenomenal in sacred motets than in the secular songs, for they render the fine examples of contrapuntal ecclesiastical music with infinite skill.

After their first concert the critic of the New York Times wrote: "Word and tone were nobly mated, and if any were present who had not realized the strength and the beauty of the glorious English tongue they could not but recognize it on this occasion."

### HARRIER CAPTAIN NOT SUPERSTITIOUS

Geneva Harriers Succumb to Jinx  
Of New Jerseys

In direct contradiction to the old superstition of the big bad jinx of number "thirteen," Captain "Wes" Rose ran to take an easy second place in the Geneva meet at Beaver Falls last Saturday with bad luck digits on his back. When Coach R. X. was passing out the numbers, Mirtz, got "twelve" and Rose took thirteen because he didn't care. When the runners lined up it looked as if it were "just too bad" for "Cap Wes," but no—, he killed the jinx—y' como!

But Geneva new jerseys seemed to play them a mean trick, for when the boys from "the little school down the river" came in the new jerseys were conspicuous by their well known, and hackneyed absence. Orvil Mirtz, who didn't do a thing, but place first, was heard to advise the boys from Geneva that the wise thing to do was to walk all over the beautiful jerseys and not to wash them for the season. "Incidentally Mirtz ought to know!"

**TEMPLE UNIVERSITY.**—The Music Department of Temple University has developed a symphony orchestra. —Temple University News.

WESLEY ROSE

Captain of Cross Country

### DUKES HAVE STRONG TEAM UNDER LAYDEN

This week end portends to be one of the most momentous weeks of October so far as followers of Westminster's gridiron cause are concerned for their Blue and White jerseyed favorites are involved in the renewal of combat with a traditional rival. Duquesne University on the college field this Saturday as the featuring event of the annual Home Coming Day program.

The annual battle between the scarlet clad Dukes and "Dyke" Beede's warriors has come to be one of the most important games on the football calendars of the district as victory or loss for either eleven gives sport fans in this locality a working basis for speculation on the ranking of the teams in the Tri-State Conference. The Dukes, coached by Elmer Layden, formerly one of Notre Dame's football flashes, are sure to test the United Presbyterians to the limit, and mentors Beede and Lawther are overlooking nothing in their effort to prime the squad for the contest.

To date the Layden coached aggregation have played five games, wing two, ending another with the final score a tie, and meeting with defeat twice. St. Bonaventure conquered the Dukes by a 13-0 score; the Layden outfit retaliated with an overwhelming win over Broadus, 33-0; then met disaster when they played Geneva, losing 20-0; battled Bethany to a 7-7 tie two weeks back; and last Saturday edged an 8-7 triumph over Thiel College.

The Smoky City university, despite the mediocre record in the games thus far played, are worthy of respect. Their defensive line play is steady, with Vernon, Libby, Kirby, and Dufford forming the main sinew of the forward wall. In the backfield, Shelton, visitor's right halfback, has made an impressive showing by his shifty running and adept punting. Benedict, who plays left halfback for the Carbon City institution, is another of Layden's best ball carriers.

Last year the Blue and White invaded Duquesne's quarters and were handed a 13-0 setback. Westminster is eager to avenge the defeat, but win or lose, the visitors will be shown a real battle—cleanly fought by clean players.

## Duquesne Here Saturday For Home Coming Day

### HOLCAD MEETING

Members of the editorial board of the Holcad and all freshmen competitors should report at 1:20 today for assignments.

### SIXTY-SEVEN MEN PLEGDED TO DATE

### Fraternities Take In Unprecedented Number

The annual pledging season for freshman men ended Saturday morning. Approximately seventy men were pledged to the five fraternities on the campus.

The rushing period of this year has found a greater amount of competition present, and there will be no men pledged next year from the present indications.

Next year, it is expected that the new Robert Audley Browne men's dorm will be ready to house near one hundred men. The pledging of the new men will probably not begin until the close of the school year. Out of ninety freshman men, about eighty-five were eligible for pledging. This leaves practically no non-fraternity group. The pledges of the various organizations are:

### Delta Phi Sigma

Jack Lewis, New Wilmington; Emmet Tweedy, Turtle Creek; Leon Hildebrand, Canton, Ohio; George Noble, McKees Rocks; Rogers McCreery, Jamestown; Kenneth Miller, Swissvale; Thomas Cameron, Sharon; Harry Alford, New Castle; Hugh Chapen, New Wilmington; Russell Boone, Turtle Creek; Ernest Machan, Youngstown, Ohio; Louis Peresyni, Turtle Creek; Herbert Miller, Rutherford, New Jersey; James Mayor, Union City, New Jersey; Paul Quimby, Sharon; Dale Mullen, New Castle; Raymond Marshall, Jamestown; Robert Wallace, Carnegie.

### Kappa Phi Lambda

Sydney Guest, Butler; Joseph Harrison, Butler; Kenneth Baird, Butler; Freeman Hall, Butler; William Gamble, Butler; Rueben Kennedy, Evans City; William Armour, Sharon; Robert Graham, Mercer.

### Epsilon Theta Pi

Richard Liston, Dayton, Donald Lias, Dayton; Alfred Milford, Butler; Stanley Pollard, New Castle; Graham Patterson, New Castle; Elmer Meyers, Sharon; Russell Hethune, Cenrona, David Young, Bradford.

(Continued on Page 4)

### SORORITIES CONTINUE TO RUSH FROSH

One more week of school is gone, which brings all closer to Thanksgiving and the bidding season of the sororities. Even now the rivalry is very keen due to the limited number of girls that are being rushed.

Parties are the order of the season. Bound by a hard and fast rule, as to the expense, each group of girls does its utmost to give the Freshmen guests the best time they have had on the campus. Originality and cleverness flourish.

A word to the Freshmen—it is a pleasant, self-satisfied time now but in a couple of weeks it will be a hectic time for all concerned.

### MANY ALUMNI EXPECTED BACK FOR THE WEEK END

Saturday will find New Wilmington the Mecca for hundreds of alumni and former students who plan to return to the annual homecoming celebration and incidentally to a Westminster victory over Duquesne.

Already a large number of grads have signified their intentions of returning, and officials are making plans for one of the largest celebrations in years.

There will be no classes Saturday, but a special chapel service at 11 o'clock in the morning will bring the undergraduates, alumni, and friends together.

It is possible that a tour of inspection will be made some time during the day. The work of stone masons, brick layers, carpenters, and steel workers will, it is thought, give alumni no little sense of pride in the growing Westminster.

But—and we mean this—the event which will also make alumni proud will be the Duquesne football game on the College Field at 2:30. Here Beede's "fighting" Blue and White machine will give Elmer Layden's Dukes all the opposition they will need for one afternoon.

In the evening, a general get-together will be held in the gymnasium followed by fraternity and sorority reunions in the fraternity houses and dormitory suites.

### EDMUND HELLER TELLS OF AFRICA

Following Edmund Heller "through Africa with Roosevelt," students and towns-people enjoyed last night the first number of this year's lecture course. Mr. Heller, who is one of the greatest naturalists and travelers of the present, and who has penetrated into almost unknown parts of Asia, Africa, Australia, North and South America, told of his experiences in an interesting way. The pictures he showed not only helped to explain his adventures, but were enjoyed also for their own sake.

## HOW ABOUT IT?

"How did you like the Westminster spirit at the game last Saturday? Did you note how well organized their cheering was? Every student was wholeheartedly behind their team and as for their cheer leaders, they were certainly capable of suggesting the proper capers at the right moments of the game to stimulate the highest enthusiasm both among the players and the spectators.

Can you say that much for Allegheny? Hardly! The game was played here on our own field with the entire student body present and then our rooters failed to make as much of an impression as those of Westminster. Do YOU think our alumni were favorably impressed?

Westminster came up here on a strange field and showed up our school spirit. Can Allegheny do the same when we go to Grove City next Saturday? Let's try it and note the results. Every Alleghenian be at the game and CHEER. And, cheer-leaders, PLAY YOUR GAME as CHEERLEADERS and not as spectators."—Allegheny Campus.

## THE PLEBIAN VIEW POINT

LITTLE IS HEARD THESE DAYS OF THE SECOND ISSUE OF THE WESTMINSTREL. Seemingly this baby publication has cut its own throat by its zeal for radicalism in the guise of pretentious originality. Possibly the committee on college publications knows more about it. Is this not as it should be?

CERTAINLY THE HIGH STANDARD OF MORAL CONDUCT at which Westminster has always aimed does not warrant a publication of the nature of the properly termed "Uncensored number," the last issue of the Westminster.

PROGRESS IS TO BE DESIRED OF COURSE. Up-to-date campus publications should be encouraged in Westminster as in other colleges, but the situation in other colleges is not representative of conditions here, in our school which has always been respected for its high type of youngmanhood and womanhood.

THERE IS A VAST DIFFERENCE BETWEEN WIT AND FORCED HUMOR, especially when the latter relies largely on suggestiveness for its appeal.

MUST WE BE MODERN (AS THE WORD HAS BEEN INTERPRETED BY "FLAMING YOUTH" OF TODAY)? Must we follow the vile precedent set up by other schools who believe that daring jokes and "wise-cracks" of double interpretation typify the present day student?

IS SUCH PROCEDURE JUST? Is it fair to the number of earnest, sincere members of the student body and to the Alumni who are trying to keep the standards of their Alma Mater as high as possible?

LET US HOPE THAT THE NEXT ISSUE OF THE WESTMINSTREL WILL MORE TRULY REPRESENT THE BLUE AND WHITE.

—A Freshman

## TO GENEVA

The fine treatment accorded the Westminster cross country team at Geneva is another indication of ideal college relations.

The Covenanters were excellent hosts, providing refreshments after the meet, tickets to the football game, and the most hospitable consideration in every way.

## WESTMINSTER MEN AT WITTENBURG

Professors Shott and Lutz attended conferences on psychology and chemistry at the dedication of the new Chemistry-Psychology building, which took place on Friday, October 21 at Wittenburg college, Springfield, Ohio.

The conferences began Thursday and ended Saturday noon. On Friday evening a banquet was given to celebrate the dedication. Edwin E. Slosson, director of science at Washington, D.C. spoke on "The Human Side of Chemistry" and Joseph Jastrow, professor emeritus of psychology at the University of Wisconsin, spoke on "Lo! The Psychologist."

On Thursday morning there was an inspection of the new edifice. Of this Professor Lutz said, "I only wish I could see such a beautiful building on Westminster's campus. It is three stories high and will accommodate three hundred and fifty chemists."

About one hundred and fifty chemists and two hundred psychologists attended the conference. Three outstanding addresses which the chemists heard were, Prof. E. C. Franklin of Stanford University on "The Ammonia System of Compounds," H. N. Holmes of Oberlin, an alumnus of Westminster, on "The Place of Research in College" and Prof. W. D. Hawkins of the University of Chicago on "Cosmic Chemistry."

At the convention of physiologists, Morton Prince, an eminent psychologist, 73 years of age, addressed the assembly on "Emotions as Energy." Dr. Margaret Washburn talked on the "Motor Theory of Thinking" and Walter B. Cannon of Harvard Medical school on, "The Physical Basis of Fear." Dr. Cannon is the author of a book on fear and other related subjects.

Professor Shott stated that the consensus of opinion was that there were more eminent psychologists assembled at this meeting than had ever met together before in this country.

## TRAIN WRECK ON SHARPPY—ONE HURT

Disaster overtook the 6:10, a fast train of the Sharpsville railroad, last Tuesday morning at 9:15 or 9:23 o'clock (The engineer and fireman are still arguing whether an Ingersoll or an Eagin keeps better time.)

the fact that the engineer, evidently of Scotch descent, saw a nickel lying on the track ahead and applied the brakes too suddenly. Others have

Mystery surrounds the cause of the accident. Some attribute it to rumored that the brakeman and the conductor were fighting over who should punch the passenger's ticket and carelessly stood on one side of the car and unbalanced the train. However, we have heard from a reliable source that the actual cause of the accident was neither of these, but that the engineer had been caught red handed dealing from the bottom of the deck. In addition to this, his heart flush contained two aces. As punishment he was made to walk behind and assist on the uphill grades while the deputy flagman manned the throttle. The sixty-two year old deputy, the youngest on the crew, was inexperienced, only having been employed for thirty-one years, and, being naturally of a reckless disposition, opened the throttle and sent the flyer roaring along at top speed, so that the deposed engineer was forced into a dog-trot to keep up. Tearing around a bend at the dizzy speed, of seven miles per hour, the Sharpy left the rails and plunged into an adjoining cow pasture. According to the latest report the cow is still alive.

HARVARD UNIVER.—A plan to shorten the school term at Harvard University at least two months has been taken under advisement.

STANFORD UNIVER.—The students who are working their way through Stanford University receive free text books.

## TITAN TACTICS

by  
THE ROVER BOYS

Future opponents on Westminster's grid schedule are continuing their fights for games in the win column. Duquesne barely edged a triumph over Thiel last Friday when the Dukes were credited with an 8-7 victory. Katy Easterday's Waynesburg outfit outplayed Geneva, except for a few minutes in the opening quarter, only to bow to the Covenanters, 12-6. The important thing to note is the fact that these games were won and lost by close decisions, and the Blue and White team must meet some tough foes ere the curtain is rung down on their gridiron fortunes this season.

Orvil Mirtz and Captain "Wes" Rose, scenic scurrying stars on Coach Graham's cross country team, again enacted the Damon and Pyrrhus trotting act, finishing first and second respectively in the meet with Geneva at Beaver Falls last Saturday. The original twin running event occurred against the same foe on the home course a few weeks ago.

Remarking about cross country leads us to comment on the treatment handed Graham's proteges by Geneva. Beside being snowed the lay of the course prior to the meet and given tickets to the Geneva-Waynesburg football tangle, the visiting team's appetite was appeased, hot chocolate and sandwiches being offered to the men after the meet. Good stuff!

"Ted" Buckley, for four years varsity quarterback on Westminster's football team and member of the class of '16, has recently been enroled as an arbiter for district grid combats. Last Saturday he was head-lineman at the Grove City-Allegheny game.

The fall sport is getting clean each year—Syracuse University has adopted a white pigskin for use in their games this season. The purpose is to make the grid sport more interesting for fans along the sidelines.

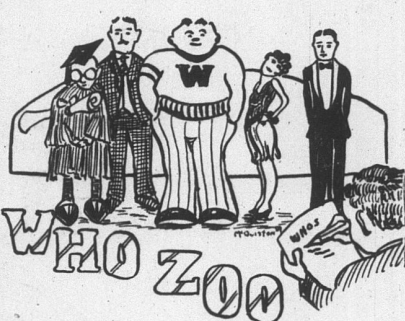

Allengheny's class of '31 were out en masse to contest with the Blue and White and they showed to advantage in a snake dance between halves. The Methodist frosh formed in a double line through which the varsity dashed on the way from the dressing quarters to the field to start the second half. How about our own yearlings innovating something similar this Saturday by lining up the same way at the upper end of the college field just before the last half starts?

Coach Graham's men need only to defeat the Thiel College harriers on November 12 to clinch Tri-State Conference cross country honors and bring the symbolic cup to rest on the shelves of our trophy room.

The jinx still stalks the territory about Brown University. "Tuss" McLaughry, former grid star at Westminster and present football mentor at Brown, saw his team defeated by Lebanon Valley 13-12 last Saturday.

The "Collyer's Selections" idea of picking the winners has extended to the local community. According to a floating rumor, the New Wilmington prophets, dopesters, and curb coaches cede Beede's men a slight edge in the Home Coming Day game with the Dukes.

Word comes from Carnegie Tech that their cross country prospects are very bright this year. Under the tutelage of Coach Guy Halferty, 23 men, including three letter men, are striving for varsity positions. Westminster's harriers meet Tech in Pittsburgh on November 5.

A. A. McDONALD

Busy graduate manager who is already at work on his basketball and football schedules for the coming year. Andy reports, that no less than 15 colleges are seeking places on the 1928 "grid" schedule.

The basketball schedule will include eighteen games.

## AN OUSTER EPIC

Syracuse N. Y. (By New Student Service)—Sue was not the "Syacus type," and 'there had been rumors,' so Miss Beatrice Anthony, almost a year ago, was asked politely to withdraw from the university. She did, but not content with the meager explanation offered her by Syracuse deans and assistant deans, she took the matter to court and thereby started an interesting bit of litigation that is far from ended.

The university, ordered by a supreme court justice's decision to reinstate the banished student who wasn't the "type", has made ready for extended combat. With no more explanation than it offered when it took its first step in the ouster epic, it has entered on appeal from the decision in Miss Anthony's favor. Hostilities, now adjourned, will recommence probably in January.

When Miss Anthony could get no more explanation than the curt "not the type" for her summary dismissal she appealed to the court. The university, however, was not inclined to expend on its original statement, seeking refuge and authority in the pledge, acknowledging attendance to be a "privilege and not a right," which all Syracuse students must sign.

The court thought otherwise, and Justice Edward N. Smith declared the pledge void and without legality, and the university, as a semi-public institution, without authority in dismissing without stating the cause. With one judicial stroke great rejoicing was brought to many students and great sorrow to many deans.

But the university is tenacious. From chancellor Charles W. Fling down to the merest official flunkie, the university's right to unqualified dismissals is still a matter of firm faith, despite Judge Smith to the contrary. So the fight goes on, and in the meantime Miss Anthony, rudely separated from her educational career at the beginning of the senior year, awaits the final word from on high.

## PEOPLE WE ALL "NO"

How d'ye think your new topcoat would look with my suit?

You're just the type of fellow that would fit in at our fraternity.

## CAMPUS HOUND

The "Community Chest" for helpless humanity should be instituted in American schools to aid broken-down and broke college lads. Charity could be put to no better advantage than that.

Thoughts while strolling down the railroad tracks—coeducation and co-education.

The Thompson House girls are on the rampage again. They tipped the waiter last week and found that the service did not come up to the standard expected and therefore, attempted, upon these grounds, to drown the poor unfortunate with a pail of water as he was leaving. Unadulterated reciprocity seems to be their motto.

It is a pity rushing season can't be staged every month. We could have more exams as an accompaniment.

Speaking of baseball, why don't the "wet socks" in school band together and get in the big leagues?

We hear that the children's division of the campus are going out Halloween night to ring door bells and soap windows. The latter would be appropriate.

Banana skins, so the Devil says, have been the downfall of many a good man.

The weather is always a topic of interest in all localities so we may safely say that if it continues to rain like it did last week Westminster will soon be able to support a crew.

Now that rushing season is over we have nothing big to look forward to until the time for the faculty dance tendered to students rolls around. In other words, it will be a dead year.

Things we hear about: The Scotchman who used sausage casings for an inner tube.

Street cleaners in Venice are on a strike because the municipal bounty for alley cats has been lowered. Which brings up the question of whether the Bridge of Sighs really does.

The cook at one of the dorms recently found that she could conserve on food by having the waiters set the table with pie plates at dinner. The girls ate sparingly of the regular courses in order that they might enjoy their dessert, but the point is that the pie was served at the evening meal. Another good way would be to let them prepare their own meals.

Noted medicos say that President Harding's death was due partly to an excess of hand shaking. Lillies for the freshmen.

—Breery

## Y. W. C. A. HEARS FROM DELEGATES

Eaglesmere delegates presented a short but very picturesque program at the Y. W. on Wednesday evening. The delegates sat about a glowing campfire and related their experiences. Pioneer costumes and the original covered wagon gave an old-time atmosphere to the evenings entertainment. Elizabeth Ralston began the account of last summer's conference by telling about the trip to the camp site. Emma Ochiltree continued the narrative with a delineation of the speakers and their messages. Interesting comments were given by Mary Sowersby upon the religious attitude manifested at the camp. Cora Williams described the athletic and social events which filled all the recreation hours.

Eaglesmere songs completed the Y. W. program.

### SIGMA KAPPA ENTERTAIN FROSH

Last Friday evening the Sigma Kappa Sorority entertained with an October Party at the Senior Lodge, which was attractively dressed up in autumn foliage. Dancing and games were the features of the entertainment. During the latter part of the evening, refreshments were served.

Of the thirty-three guests present, special guests included: Mrs. Wallace, Mrs. Robertson, Mrs. Dawson, Mrs. Graham and Mrs. McKim. Miss Alice Forrest and Miss Evelyn Mitchell, both of New Castle, were the only out-of-town members of the sorority who attended the party.

#### Alpha Gam

Saturday evening, October 22 the Alpha Gams held an old-fashioned Halloween party at Eastover, the home of Mrs. Elmer Russell who is patroness of the sorority. A feature program provided entertainment for the guests.

#### Phi Delta Chi

Phi Delta Chi held its first rushing party, a Pirate party, on Tuesday evening at the home of Helen and Dorothy Reese. A treasure hunt sent the Pirates scurrying in all directions to see who might be the fortunate one.

Mrs. James Swindler, patroness of the sorority, Mrs. Robertson, Mrs. Wallace, and Miss Grace Doolittle were special guests.

#### Delt Pledge

Delta Phi Sigma announces the pledging of Robert Wilson, a member of the junior class, Wilson's home is in Chicago, Ill.

#### ALUMNUS MOVES

Mrs. L. R. Blanchard, '94, who while at Westminster was known as Sara Etta Johnston, has moved to Washington, D. C. where Mr. Blanchard is chief of the Division of Accessions in the Library of Congress. The Blanchard address after November 1 will be 3811 S. Street, N.W., Washington, D.C.

### TAU GAMMA DELTA TO SEND MEN TO OHIO CONVENTION

President Daniel Kelso of Tau Gamma Delta, local honorary journalism fraternity, received an invitation yesterday for representatives of the Westminster organization to attend the national convention of Pi Delta Epsilon at Ohio State November 11 and 12.

Tau Gamma Delta is petitioning Pi Delta Epsilon, national honorary journalism fraternity, for a chapter at Westminster.

The invitation received yesterday is taken as an indication of favor toward the local petition.

They say that "a kiss" shortens the natural life by one year—most of our freshmen girls should be at least 60 by the time the sororities have pledged.

Since serenades from the popular fraternity men are not forthcoming the Prather House has installed one of its members to sing the occupants to sleep.

### 67 FRESHMEN PLEDGED

#### SIREENS

By Chick and Me  
Well—now that the Freshmen are all settled we can ease up on our work. What are freshmen for, anyhow?

On Saturday we play the Dukes, which might be a good time to wise the out-of-state freshmen that Duquesne is not Du-quiz-ny.

We wonder how many upper-class men know the first names of the pledges? Four out of five don't have "it."

"That Old Pal of Mine" by the gym force, brings to mind the boxing classes, saddle horses, and knickers. "I wonder who's dancing with you tonite?"

According to the odds in the exchange department, "Old Golds" will soon put Denver out of business.

According to an unofficial statistics 870,613 hand shakes were indulged in by the men of the college in the past few days. And who cares?

Did you notice the work out that Andy's half dollar got at Meadville? Really it was brutal.

Speaking of the Waner brothers how about Rose and Mirtz?

The ideal situation is cutting a class to find that the prof had suffered from the same inhibition.

In addition to brotherly love for all man kind, how about a little sisterly affection?

Then again—It is better to have loved and lost, far better.

Our idea of laziness is a thug who waits for the morning paper to see how much he got.

Just the kind that of girl that the men forget. Her name was Jessimestia Farthamovichiskolosky.

### START MOVEMENT TO GET FLAGS FOR HOMECOMING DAY

Local supporters of the college started a movement this week to purchase blue and white flags to be placed on the curbs Homecoming day.

If the plan goes through, pennant-shaped flags of blue and white wool will give a real college town atmosphere to the day. They will be used at all home games next year.

## Duquesne Spoils Home Coming 10-0

### Largest Home Coming Day In History Of Westminster

#### ALUMNI PARTY IN GYM CLOSES EVENTFUL OCCASION

With perfect weather conditions prevailing the alumni of the school joined hands with faculty, students and friends to make the annual home coming day last Saturday one of the largest and most successful in the history of Westminster.

Many of the visitors arrived on Friday in time to attend the pep meeting held at the gymnasium that evening in anticipation of the Westminster-Duquesne game.

Chapel exercises were held in the U. P. church auditorium at 11:30 o'clock Saturday morning. Rev. James Blackwood of Cleveland, member of the board of trustees, read the scripture and lead the opening prayer. Dr. Wallace gave a speech of welcome to the visitors and explained the building activity about the campus. Preceded by A. A. McDonald, graduate manager, then presented the last year athletic awards. The following were the recipients: Third year tennis awards, Francis McDowell, Paul Gibson; second year tennis award, Joseph Dennison, mgr.; first year tennis awards, William Clark, William Shaffer; third year track awards, Edward Brown, William Maxwell, mgr.; William Hartwell; second year track awards, Henry Bucher, Walter Hutchinson, Wesley Rose, William Thomas; first year award, Kenneth Delehanty.

The chapel exercises were closed with the singing of the Westminster Hymn.

The kick-off of the Westminster-Duquesne football game was scheduled for 2:30. The crowd was swelled considerably by a large number of Duquesne rooters who had made the trip from Pittsburgh. Between halves freshmen men and women formed a W and gave some school yells and sang the Westminster Hymn. A snake dance also contributed to the entertainment.

Doors of the various fraternity houses were open to alumni during the day and large banners, "Beat Duquesne" and "Welcome Alumni," bedecked the grounds.

In the evening an informal party was held under the auspices of the local Westminster Alumni Association. Reed Veazey of Cleveland presided. (Continued on Page 4)

#### BUY NEW SHOES

Heavy soled shoes will be great help to you when bumping to the Waynesburg game this Saturday. If you can't afford shoes buy a tire and ride but get there at all costs.

#### ENGLISH SINGERS PLEASE AUDIENCE

##### Westminsterites Given Treat By Six Artists

The concert of The English Singers last Thursday evening gave great pleasure to an audience which packed the Community House.

With refreshing simplicity and informality this group of three ladies and three men rendered a delightfully intimate and unfamiliar repertoire of motets, madrigals, conzonets and folk songs in a way that, to many of us, is an unforgettable experience. Although the program was entirely contrapuntal and mostly given a cappella, yet it was enjoyed even by those who call themselves unmusical.

It is hardly possible to describe the art of these amazing visitors, their uncannily perfect ensemble, the beauty and variety of their nuances, their incredibly true intonations, their restraint, their pathos, their intelligence and humor; but the whole may be summed up in the words of a New York critic, who wrote: "They sing as a string quartet ought to play."

The Wassail Song and the Duets and Trios were particularly enjoyed, and the singers were not permitted to rest from their labors until they had repeated various numbers on their list and added others.

Altogether the concert was such an unalloyed treat that it is to be hoped the administration may be able to bring the English Singers to New Wilmington again.

#### DELAHUNTY CHOSEN FROSH PRESIDENT

At a meeting of the freshman class on last Wednesday, Kenneth Delahanty, basket ball flash who to Westminster from Kiski at the second semester last year, was elected president. "Del," as he is popularly known, carried the election by a majority which was probably unprecedented by any class election in the past history of the school.

Miss Mary Purvis of Butler was elected to the office of vice-president, at the same time, while the choice of secretary went to Paul Quimby of Sharon. Herbert Miller of Rutherford, New Jersey, was elected treasurer.

Memphis—During the Birmingham-Southern grid game, Lorin King, star for Southern University, arose to find everyone of his opponents sprawling on the ground. Lorin was in a panic. His orders had been to get his man, and if not his man some man. He was about to give up when he noticed the feeble form of the referee. King gave chase and downed him inside of ten yards. The referee's remarks are censored.

#### WE CAN BEAT WAYNESBURG!

HARRIERS, BEAT TECH

DANIEL KELSO  
Pres. Tau Gamma Delta

#### SAYS FULLBACK TO FULLBACK

When "Dyke" Beede's team met Elmer Layden's team Saturday, memories of the 1924 Carnegie Tech-Notre Dame game at Forbes Field came back to sport followers.

In this game, which Rockne's Riders won 40-19, "Dyke" Beede, playing fullback for Tech, raced to two touchdowns, while Elmer Layden, playing fullback for Notre Dame, did not figure in the scoring.

Now the rival fullbacks are rival coaches in the same district.

#### VARSITY HAS TOUGH GAME FOR SATURDAY

##### Waynesburg Yellow Jackets Have Powerful Team

With five games out of the way and two remaining to be played the Beede men have turned their efforts to fitting themselves for the struggle with Waynesburg this Saturday.

With the greater part of the schedule behind them the Westminster team is letting nothing stand in the way of preparation for "Katy" Easterdays gridders. The men are on the field daily trying to fit themselves to avenge the 14-3 defeat of last year at the hands of the Washington county team.

Waynesburg's present team, with its weight and speed, is sure to cause plenty of trouble and the advantage of playing on their home field should make them even stronger.

With the impressive showing against Geneva two weeks ago, when they practically outplayed the Covenanters, it is certain that the Westminster team will not have much in their favor when the game starts. In fact, dopesters give the Yellow Jackets a two touchdown advantage over the Blue and White.

#### FUTURE HOLCAD REPORTERS

Competition for positions on the Holcad staff is very keen this year. Embryo talent is expected to blossom forth from some of the following: Emily McMurray, Dorothy Miller, Virginia Duff, Lauretta Fox, Edith McBane, Katherine Agnew, Margaret Auld, Elizabeth English, Margaret Zimmerly, Ruth Demlar, Jean Carter, Betty Veazey, Sunny Norris, Margaret Guy, Earnest Machin, James Mayor, Conwell Dague, Fred Williams, J. W. Stout-hand, George Noble, James Stewart.

### Field Goal and Touch Down Wins For Scarlet Team

#### HOLCAD MEETING

Members of the editorial staff of the Holcad and all freshmen candidates are to report in the Journalism laboratory tomorrow at 1:20 for assignments.

#### HARRIERS POINT TO TECH MEET

##### Hope To Defeat Tartans In Race Saturday

Coach R. X. Graham's cross country team, after a week end with no scheduled meet, started yesterday in its final workouts for the Carnegie Tech meet, next Saturday morning on the Schenley Park course in Pittsburgh.

The Westminster harriers are conceded a good chance of winning over their strong competitor, as they have been showing excellent form in late meets. Dopesters believe the competition will be most keen and Tech is conceded the advantage because the race is to be run over the home course. Two years ago, the United Presbyterians journeyed to Pittsburgh and won the decision in a close contest 27 to 28 which was run over this same famous bridge path. Are they strong enough to repeat this brilliant victory this year? Westminster backers say they are.

The squad, however, is weakened somewhat by the loss of David Myers, a member of last year's team, who has not been working out with the runners due to illness, and the loss of Robert Wallace, yearling star, may be keenly felt, who is out with an infected foot. Since Wallace has been a consistent placer for Westminster this year, his absence may cause the loss of the meet.

#### DR. VINCENT PLACED ON TRUSTEE BOARD

Dr. George Vincent has been elected by the synod of the United Presbyterian Church of Pittsburgh to take the place left vacant on the Board of Trustees by the recent death of Dr. Irons.

Dr. Vincent was graduated from Westminster in the class of 1904, entering the theological seminary soon afterward. On the completion of his course, he accepted the pastorate of the Shadyside United Presbyterian Church and has served in the post for many years.

Dr. Vincent's interest in the college has been steady, showing itself by his faithful service and willingness to do anything he can for his Alma Mater. The term for which Dr. Irons had been elected to serve expired shortly before his death. Owing to this, Dr. Vincent will serve the full term of four years, from 1927 to 1931.

A peculiar incident in relation to the election of Dr. Vincent on the board of trustees of Westminster college is the fact that his grandfather was the first president of the institution in 1852.

#### Not In The Curriculum

Middletown, Conn.—In a recent speech before the college assembly, President J. L. McConaughy of Wesleyan College, Middletown, Conn., declared that hazing must be abolished at that institution. He maintains that freshmen come to college to study and not to run errands for the upperclassmen.

#### BLUE AND WHITE LACKS REAL SCORING PUNCH

Lacking most of the alertness which featured its play in the Allegheny game more than a week ago, the Westminster football team was defeated 10-0 Saturday by Elmer Layden's Duquesne team. The game which was hard fought throughout, was marked by frequent aerial attacks on the part of both teams. Neither team had much advantage in ground gaining, each getting nine first downs.

After pushing the ball up the field late in the second period, Donnelly, Duke halfback, kicked a goal from placement. And in the final quarter of the game the "breaks" again favored the Duquesne team when Shelton intercepted a Westminster pass and raced 60 yards to the Blue and White seven yard line. Here the Blue-jerseyed team held but were unable to break up McCarthy's short pass over the goal line to Dufford on the last down. Donnelly kicked the goal for the extra point.

Westminster missed a chance to score when she fumbled over Duquesne's goal line late in the fourth quarter. Dombrowski, Hall, Furno, Sweet, and McQuiston played well for the Blue and White, while Donnelly, Murphy, and Shelton starred for the Duquesne combine.

Duquesne kicked off to McQuiston who threw a lateral pass to Hall advancing the ball to Westminster's 20-yard line. After an ineffectual attempt to gain McQuiston punted and in the first part of the initial period the ball saw sawed back and forth with frequent forward passes marking the play. After a short punting duel between McQuiston and McCarthy the first quarter ended with a pass which gained 15 yards for the Blue and White team, McQuiston to Tweedie.

#### Dukes Get Field Goal

Westminster started the second period with another completed forward pass, McQuiston to Crowell for eight yards. Soon, however, Lally of Duquesne intercepted a Westminster pass and gave the Dukes possession of the ball, but (Continued on Page 4)

## IN REPLY TO A DIATRIBE

In a bit of Holcad writing marked particularly by its mixed metaphors and abuse of upper case letters in bold face, an anonymous campus moralist has expressed his repugnance for the Westminster.

The editors of that publication submit to the accusation that Westminster writing is 'forced humor', since that is a matter of personal opinion, and bow humbly to the columnist's classification of them with the 'flaming youth of to-day'. They rather question the 'radicalism in the guise of pretentious originality' the youthful Brisbane accuses them of, but prefer to regard that as somewhat unpleasant banter.

There are other implications in the editorial, however, that the editors can discover no justification for, and while they are not at all alarmed by the comments of the embryonic Comstock, they feel they should attempt to relieve the writer of the weight of misinformation that seems to cause him discomfort.

The Westminster, editorial comment to the contrary notwithstanding, is no an Academy theater house organ. The Uncensored number was prepared by a staff tentatively appointed by the faculty publications committee. If it does not 'truly represent the blue and white' the number is the work of what the publications committee considered a representative group of Westminster students.

With the exception of pages 31 and 32, which had not been written at the time, the proofs of the Uncensored number were approved by a member of the publications committee. Before the number was placed on sale, it was again submitted to the committee, and save for one insertion on Page 8, it was again approved. The Uncensored number was accordingly uncensored in name only.

The Westminster editors insist they are not reincarnations of Boccaccio and Rabelais. They are merely schoolboys with a puerile desire to write and to have a convenient medium for that writing.

And now, Walter, two lemon cokes, please.

—Wilbur H. Baldinger  
—Douglas M. Anderson

## THANKS

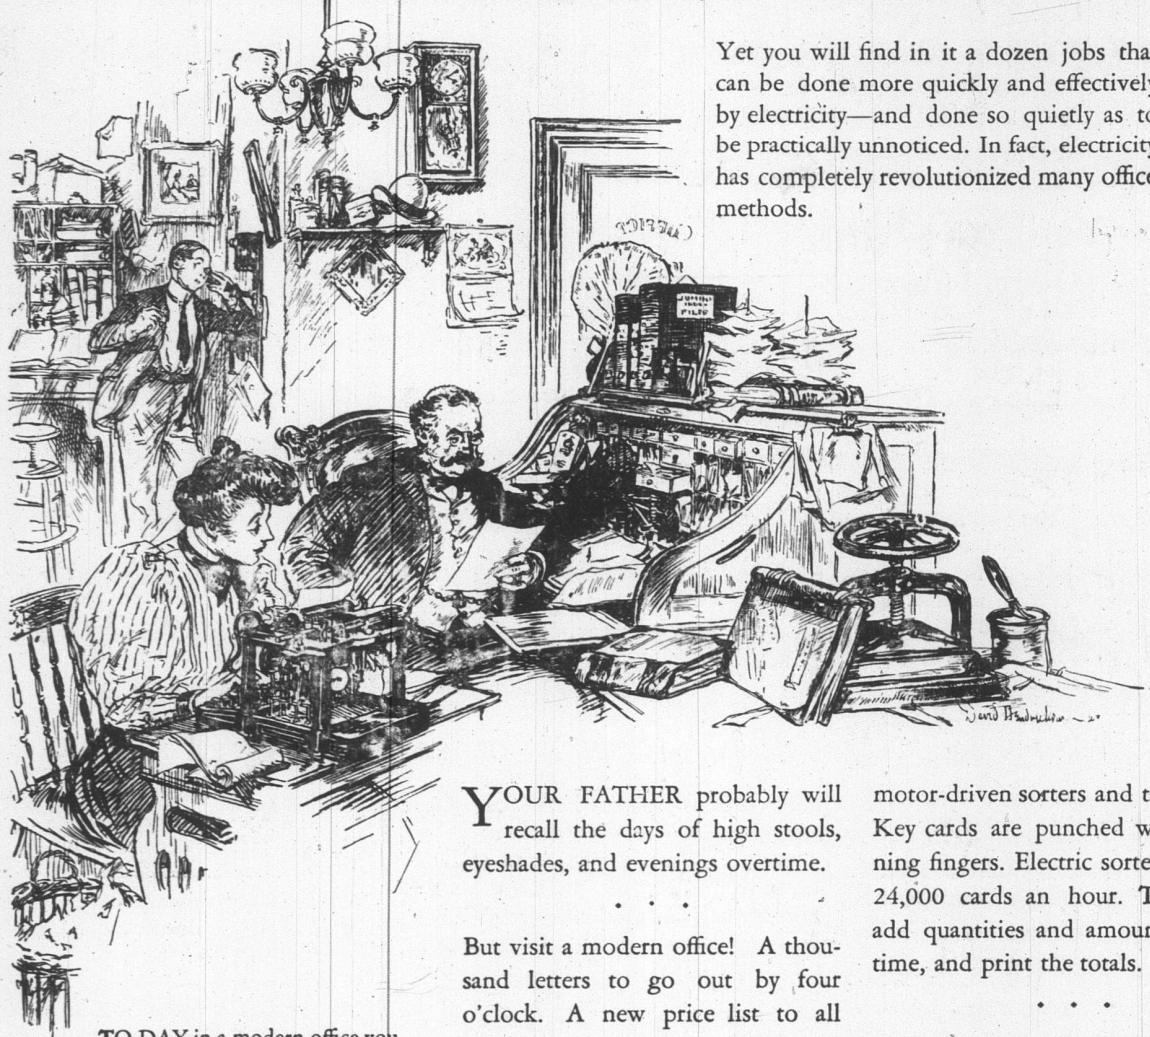

From alumni and student body unanimously come expressions of appreciation for the festivities ending Home Coming Day. The score of the Duke game was the only fly in the proverbial ointment, but the evening's entertainment was unalloyed with anything save pleasure.

The occasion was adeptly introduced, decorously observed, and keenly enjoyed. In this enjoyment we hope the faculty detected the thanks of the student-body for allowing us a privilege so long denied to Westminster students. We tried to show by our behavior that we appreciated the fact that we had been granted a favor which had no precedent in the annals of Westminster.

The smallest part of the pleasure afforded was due to the students. The majority of the thanks goes to Doctor Wallace for consenting to a dance under the discreet chaperonage of the members of the faculty. Dean Freeman and Mrs. Robertson also come in for a large share of the thanks. It will be a long time before we shall be able adequately to express our gratitude to the fullest.

# How will your office look?

Not like this, of course

Yet you will find in it a dozen jobs that can be done more quickly and effectively by electricity—and done so quietly as to be practically unnoticed. In fact, electricity has completely revolutionized many office methods.

YOUR FATHER probably will recall the days of high stools, eyeshades, and evenings overtime.

But visit a modern office! A thousand letters to go out by four o'clock. A new price list to all customers in to-night's mail, without fail. Enter electricity. Two or three people turn switches, and the finished letters come out of an ingenious machine. Another motion and they are sealed and stamped. Only electricity could get that job done.

Here's a statistical job. The reports are in; thousands of figures to analyze. Looks like overtime for fifty clerks. "Certainly not," answers electricity, as a button starts the

motor-driven sorters and tabulators. Key cards are punched with lightning fingers. Electric sorters devour 24,000 cards an hour. Tabulators add quantities and amounts in jig time, and print the totals.

Go to almost any bank today. Hand in your account book. Click, click, click, goes the electric book-keeping machine and back comes the book to you. Five operations performed in that brief moment. Everybody saves time,—you, the clerk, the bank,—when electricity is the book-keeper.

In the office of to-morrow you will find "electrical fingers" doing more work than even to-day.

This familiar mark appears on many electrical products, including motors that drive time- and labor-saving office machines.

# GENERAL ELECTRIC

GENERAL ELECTRIC COMPANY, SCHENECTADY, NEW YORK

## KELSO AND SWISHER TO ATTEND MEETING

Named Delegates to Pi Delta Epsilon Convention

In response to the recently tendered invitation from Pi Delta Epsilon, national honorary journalism fraternity, extending the privilege of sending representatives of Westminster's fourth estate, Tau Gamma Delta, to attend the national convention of the first mentioned organization at Ohio State University on November 11 and 12, the Westminster journalism fraternity with unanimous accord acknowledged the proposal, selecting Daniel Kelso and Claire Swisher as delegates.

Both of Westminster's representatives are prominent in journalistic activities. "Dan" Kelso, business manager of the 1928 Argo, is president of Tau Gamma Delta. "Kasey" Swisher, feature editor of last year's Argo, is the present editor-in-chief of the Holcad.

Interest and comment concerning the invitation is at full tide now, as Tau Gamma Delta is petitioning Pi Delta Epsilon for a chapter at Westminster. The recently proffered invitation is taken as an indication of favor toward the local petition.

By

## THE ROVER BOYS

Westminster can beat Duquesne in football, but it is tough to have to wait another year to show it.

## WE CAN BEAT WAYNESBURG!

And the referee and umpire handled the game well despite the boos of the stands.

After the big turnout at the game we would suppose that "Andy" will have plenty of half dollars to rub at the Waynesburg game next Saturday.

## HARRIERS, BEAT TECH

Both Waynesburg and Tiel, Westminster's next opponents, lost their games Saturday by big scores. Every little ray of hope helps.

It's too bad that Tweedie, Crowell, and Hall couldn't have caught a few more passes Saturday. They did well though.

## WE CAN BEAT WAYNESBURG!

Carnegie Tech cross country team lost to the Geneva harriers last week. Coach Graham's team beat Geneva twice and meets Tech next Saturday. Another ray of hope.

In commenting on Saturday's tilt it may be said that the Blue and White interference was not so good. Hall had to shake off eleven Duquesne men to gain any ground at all. He starred for the Titans.

## HARRIERS, BEAT TECH

"Good ole Dombey" Sweet and Joe Furno also showed up well against the Dukes. McQuiston's punts and passes helped too.

Because the distance race with Tech will be held in the morning next Saturday, coach Graham ran his men around the Fayette course last Saturday to accustom them to the early workouts.

Clarey, Goldstrohm, and Hetra were a few of former Blue and White Athletes who were here for homecoming day.

## WE CAN BEAT WAYNESBURG!

The cheers were much better at the Duke game. Both the cheerleaders and the students are to be congratulated.

The "Argo" is to be pitied. They lost a lot of their profits when a basket of hot dogs was overturned and immediately picked up again by the New Wilmington urchins.

Dogged play was marked in Saturday's play by some of the fans who noticed Bill Hartwell's airedale following up the Duquesne team late in the second period.

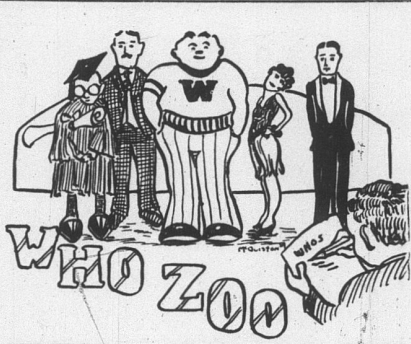

Murphy, the Duquesne quarterback, congratulated the blue-jerseyed lads on their play after the game. "Nuf Sed".

The Rover lost on the Duquesne game, but they are betting the same way against Waynesburg next Saturday. Yes, we'll sign off.

BETTY TEBAY FINALIST  
IN GIRLS' TENNIS

The girls' fall tennis tournament, which has had many set-backs on account of the conditions of the courts, has ended with Betty Tebay of the Van Orsdell House the winner. Betty, drawing a bye in the preliminaries, reached the semifinals after defeating Williams, McClure, and Boyd. Edith Caldwell, the other semi-finalist, defeated Wagoner, Young, and McCormick. The last match was exciting if not brilliant, Tebay winning 6-4, 12-14, 6-3.

## WE CAN BEAT WAYNESBURG!

MRS. MARY C. McCONAGHA

Mrs. McConagha has been head of the Department of Public Speaking since 1923.

She is a graduate of the National School of Oratory, University of Chicago, and in addition to her teaching, has played an important part on the Lectures and Concerts committee of the faculty.

GIRLS' RUSHING RULES  
ANNOUNCED BY PAN  
HELLENIC COUNCIL

Now that the fellows have had their fates revealed, attention centers upon the sorority rushing season. This period will close with the Silent Period, November 11-14.

The following rules have been chosen by the Pan Hellenic Council to govern the rushing season:

1. Rushing events shall be limited to three social functions. Social functions being defined as closed sorority entertainment with Freshmen.
2. Rushing shall begin on Friday, September 30, and continue until the Silent Period, November 11-14.
3. In order to be eligible to be pledged to any sorority a girl shall have passed in one semester twelve academic hours with a "C" grade in every subject, in addition to her entrance requirement.
4. Closed bidding shall be the form of invitation used. Some disinterested persons shall have charge.
5. No sorority shall later tell a girl whether or not said sorority gave her a bid.
6. Expenditures for the rushing events shall not exceed twenty-five dollars (\$25.00).
7. The Inter-Sorority Council shall arrange an inter sorority tea early in the year for all Freshmen girls. Another tea shall be held after the new girls have been pledged.
8. The seniors of the inter-sorority council shall be free members during the silent period. A free member shall not go to the room of a Freshman or approach a Freshman on any reason whatsoever but may answer any question a Freshman desires to ask.
9. No Freshman girl except legacies whose sisters are in school, shall stay over night with a sorority girl, nor shall any sorority girl stay with any Freshman girl.
10. Feeding of Freshmen is prohibited, except when they come unexpectedly, uninvited into the room and then they shall be offered the courtesies extended to any unexpected guest.
11. Freshmen shall not go on ham frys, etc. with sorority girls even if they do pay their own way.
12. During silent period no sorority alumnae may talk to Freshman girls.

## THE CAPMUS HOUND

There are several students on the campus who are already overcut in two or more subjects. They should be reminded of the old Westminster tradition that students should attend classes in which they are scheduled.

The University of Texas owns several oil wells which are making up the endowment fund of the school and rapidly making it one of the richest in the land. Westminster might buy stock in a couple of gold mines to good advantage.

A few of our prominent men-about-town recently hit upon a most novel idea. They have prospects of establishing a dating bureau for men who are too busy to be bothered trying to get the dorms by telephone early in the evening. If this plan is put on a working basis the busiest man of the organization will no doubt be the claim agent.

Things we hear about: The ambitious gentleman who ties all the leaves to his trees so he won't have to rake the lawn in the fall.

Last Friday night the Adrian football team, while housed at the hotel, awoke to find themselves minus nine complete football uniforms and other incidentals. Even for the Halloween season that was a pretty fair sized haul. Perhaps freshmen and sophomores may be now able to enter into their coming contest well equipped.

A college boy's room: An authorized museum of signs and pennants.

Our compliments to the Argo. From all appearances at last Saturday's game it should be at least a financial success, judging from the size of hot dogs sold. A man was seen to purchase one of these formidable "red hots" and upon opening found it to contain a puny piece of meat about the size of a lead pencil stub.

However, credit where credit is due. The dog was completely surrounded by a most enormous quantity of mustard.

It is perfectly safe to say that there were many alumni who returned to their Alma Mater last Saturday with gladdened hearts. In less than one year our school has been subject to stupendous changes, and changes which are bringing about a resuscitation of old spirit in both alumni and students. Correctly was it said in chapel lately that "we have nothing of which to be ashamed."

Large buildings on a large campus, higher scholastic rating and now, hand in hand with this, a new form of wholesome entertainment. I firmly believe that student's appreciation of the high compliment paid them last Saturday night was better expressed in their faces and actions at the time than in all the editorials and resolutions that will be written in weeks to come.

Candy and ice cream vendors at the game Saturday were given the most careful attention. Did you notice that a cashier accompanied them every step they took?

Those who planned the new campus had great foresight as an observer on the football field will gather when looking at the new men's dormitory. An imposing structure, it forms a striking picture when outlined against the clear blue sky. Who knows, perhaps it will some day overlook a stadium.

—Breery

Northwestern—The discovery of the will of a hobo, Edward Summers, who died a few months ago in a Chicago charity hospital, brought to light the fact that he had left \$40,000 to act as a loan fund for students of law and medicine at Northwestern University.

### Phi Delta Chi

Phi Delta Chi held a luncheon at the New Castle Field Club on Monday, October 24, to honor Mrs. Ada McDowell Smith of Memphis Tenn. Yellow pompons centered the tables. Covers were laid for 26. Special guests included Dr. and Mrs. Wallace, Dr. and Mrs. Swindler, Mrs. Smith, Mrs. Robertson, Miss Helen Cotton, of New Castle and Miss Grace Darling Doolittle.

### Chi Omega

Bowery Janes and Johns enjoyed an evening at the Cardinal and Straw Tavern (commonly known as the Cummings House) last Wednesday. All decorations were a la Bowery, and the bar proved very popular.

### Pi Rho Phi

The Pi Rho Phi sorority held a 10 o'clock luncheon at the Neshamock Hotel, Saturday. Among the alumnae present were: Mrs. Clyde Gillilan, Mrs. James McLaughry, Mrs. C. C. Adams, Mary Long Cleland, Mary Whiteman Offutt, Louise Dickson, Grace Welsh, Ann McBride, Alfidine McClester, Mrs. Glenn Lockhart, Mary Beatty, Margaret McBeth, Mary Stuart, Mary McLaughry, Dorothy Roll, Grace Jones, and Mae Richards.

### Phi Delta Chi

Among the visitors at the Phi Delta Chi suite over Homecoming Day were the Misses Louise Smith, Margaret Tucker, Sara Louise Gough, Margaret Allen, Ina Tucker, Ruth Hamilton, Marion Reeher and Margaret Reeher.

### Alpha Gamma Delta

An Alumni meeting was held in the Alpha Gamma Delta suite on Saturday afternoon at one o'clock. Miss Mary North, president of the Alumni Association, had charge of the meeting. Among the alumnae present were: Mrs. Klinesmith, Mrs. Dixon, Mrs. George Sands, Dorothy Wise, Alice Douthett, Mary Lou Paff, Gertrude Paff, Elizabeth Miller and Mrs. Hazel Phipps Arnold.

### Sigma Kappa

The Sigma Kappa Sorority announces the pledging of Miss Dorothy Kirkbride, and the initiation of Miss Frances Lochner, Miss Margaret Lennig and Miss Dorothy Kirkbride which took place Friday, October 28.

Sigma Kappa held a formal banquet Saturday evening in the Hillside dining room. Many alumnae of the college and of the chapter were present. Miss Alice Neff of Chi chapter was a special guest. Covers were laid for 28. Among the visitors were: Mrs. Frank Black and Misses Rebecca Gibson, Alice Forrest, Francelia Osborne, Mabel Wallace, Ruth Thompson, Grace Sawhill, Nancy Miller, Janet Elias, Dolly Cassidy, Betty Jones, Katherine King, Winona Blackwood and Gladys Nord.

### Beating Father Time

### DUKES WIN (Continued from Page 1)

after a 15-yard penalty they were forced to punt. Westminster ran the ball to Duquesne's 35 yard line where McQuiston tried a drop kick. It failed and the ball was given to the Dukes on their 20 yard line. Here they started a march up the field where, aided with a penalty of 15 yardson Westminster, they marched to within scoring distance. After being held near the goal line Donelli kicked over a field goal with Murphy holding the ball for the placement kick.

#### Second Half Hectic

McQuiston kicked off to start the third period. The Dukes tried straight football but were forced to punt. Again in this period the play developed into a forward passing and punting duel with McQuiston, McCarthy, and Donelli playing the leading roles. Westminster held the ball on her 35 yard line at the end of the third quarter.

The thrilling fourth stanza of the game was opened by a five yard penalty to the Dukes, a first down for Westminster, and then a 32 yard pass for another Westminster first down, McQuiston to Tweedie. Hall lost seven yards on an end run and then caught a 15-yard pass thrown by McQuiston. Here the Dukes got the main break of the game when Shelton intercepted a Westminster pass and raced 60 yards with it to Westminster's seven-yard line. Again the Dukes got the breaks. After being held for three downs on the Westminster seven-yard line, McCarthy, Duke quarterback, passed to Duffard over the Westminster goal line, Donelli kicking the extra point.

Donelli kicked off for Duquesne, and Westminster marched up the field to the Duke 5 yard marker where they fumbled over the goal line to give Duquesne the ball on their own 20 yard line. After a short punting duel, the game ended with the ball in Duquesne's possession at midfield.

### Carnegie Tech Defeats Harriers Over Long Schenly Park Course

#### MUDDY COURSE MAKES GOING ROUGH AND TREACHEROUS

Running over the muddy Schenly Park six and one-quarter mile course Saturday morning, the Carnegie Tech cross country team nosed out the Westminster harriers by a final score of 30-25 when the Tartan distance men bunched their runners in the middle of the pack at the end of the gruelling race.

Crawford, Carnegie flash, finished the course first, negotiating the distance in 30 minutes, 20 and 1/4 seconds. He was pushed during the entire race by Captain Wesley Rose of the United Presbyterians, who finished second in 30 minutes and 38 seconds, and by Orvil Mirtz, last year's captain at Westminster, who finished one second after Captain Rose.

Tech took fourth, fifth, and sixth places when Campbell, McNair, and Hobe carried the Tartan colors across the finish line. King of Westminster and Wallace, another U. P. runner, finished in a dead heat for seventh place. They were followed closely by Hubbard and Leslie of Tech. Ellis, the last man to place for Westminster was accorded tenth place.

The fact that the last runner finished only one minute and 46 seconds after the winner gives some indication of the good running on the part of the entire pack. While Westminster was picked to win the race, the Carnegie runners deserved their hard-earned victory. The failure of the Westminster fifth, sixth, and seventh place runners to keep out in the lead cost the Blue and White the victory.

#### Summary:

Tech	1	4	5	6	9-25
Westminster	2	3	7	8	10-30

#### DEBATERS PREPARE FOR CLASS BATTLE

Frosh-Sophs Debate Tryouts To Be Held This Week

The initial announcement for candidates to compete for places on the Westminster freshmen and sophomore debate teams was answered by 15 aspirants. The class teams will meet in their traditional battle on the week preceding the Thanksgiving vacation. Last Thursday when the call was issued, the candidates for positions on the teams were given their preliminary instruction concerning the tryouts that will be held in the near future.

Among the freshmen who answered the inaugural call and who will prepare speeches on the subject, "Resolved: That the United States government should supervise the development of water power projects in the United States," are: Harold Guy, Elmer O'Neill, Chester Wilkinson, Robert Graham, William Armour, Kenneth Baird, Russell Dague, Harold Boyce, Fred Williams, and Detrich Cordes.

Five sophomores are out to defend the honors of their class in the impending contest. The list includes Norman Shenk, Paul Campbell, Kenneth Dyer, Earl Hamilton and David Wallace.

The purpose of the debate between the lower classmen, sponsored by Tau Kappa Alpha, Westminster's debate fraternity, is to locate new men for the varsity forensics team which meets other college teams in competitive debates later in the season.

#### DRAMATIC CLUB NAMES OFFICERS

New officers for Bells and Buskins, the Westminster Dramatic club were elected at a meeting held here last night. Leland Cooper was elected president; Orvil Mirtz was elected business manager and Norah French treasurer.

There were also elected to the club seven new members who will immediately take part in the new plays that are being rehearsed prior to presentation by the organization. The new members are: Miss Eleanor Hutchison, Miss Lucille Bennett, Miss Phyllis Coley, Fred Clemens, William Hutchison, Elmer Myers and Harold Boyce.

Bells and Buskins was organized last year and has already become a strong dramatic club. Last year it put on several plays that were very successful and this year the organization expects to enjoy an even more successful season than it did last year. The local Community House has been secured by the club for the presentation of their plays.

#### NOTICE SOPHOMORE MEN!

All Sophomores are requested to report to the college field at 4:30 p. m. today for football practice. It is important that everyone come out.

ALEX McNAUGHTER  
Manager of Varsity Basketball  
which will be in limelight soon.

#### "BEAT THIEL" IS AIM OF TEAM SATURDAY

Strong Lutheran Team to Be Tartar For Blue and White

Surprising many of the grid sages when they invaded enemy quarters last Saturday battling the strong Waynesburg College eleven to a scoreless tie amid snow flurries and on the swells of billows of mud, Westminster's football stalwarts are now anticipating the coming week end tilt with Thiel College on the latter's field at Greenville.

This game with the Lutheran institution on Saturday will mark the termination of the Blue and White's football fortunes for 1927. Despite the fact that the annual battle with Waynesburg is in the record files, as an engagement that was predicted as likely to prove the most strenuous and toughest on the calendar, "Dyke" Beede's team are by no means situated to enjoy a trip to St. Moritz as there is still that climaxing game with Thiel.

Placing two major college football teams on their schedule this season, the Holleran coached outfit have met defeat at the hands of both Pittsburgh and Carnegie Tech. Thiel succumbed to Tech, 40-6, and lost to Pitt by a 48-0 score. However both of these opponents are considered as devastating clubs as any in the country, and victory was not expected by the Greenvillers. Since those defeats Thiel encountered Waynesburg, fighting to a scoreless tie. Duquesne was barely able to get the advantage a few weeks ago when they edged an 8-7 triumph over Thiel. Last Saturday the Lutherans completely outplayed Allegheny College, winning by a 2-0 margin.

Berkman, left half-back for the Lutherans and Myers, fullback carry Thiel's offense, passing, kicking, and running in a manner that has caused considerable comment by fans in the district. Their defensive line play is impressive, Holleran having built a formidable defense about Dimperio, left tackle; Packard, left guard; and Blisston, right tackle.

The Greenville mentor has developed a powerful running attack which consists chiefly of line slices and off-tackle thrusts. This method of ground gaining was the feature of Thiel's game against Allegheny last Saturday.

Bitter rivalry exists between Westminster and Thiel, and a hard fought game with both aggregations determined will be the program this Saturday when they clash in the Blue and White's grid finale.

### Beede's Team Plays Jackets To Standstill On Muddy Field

#### BE AT THIEL

To the students—Greenville is just as far away as your interests in a victory. It is next door if you determine to follow the team and cheer the men to victory!

#### DR. WALLACE ATTENDS FUNERAL OF STEWART

Prominent Member of Class Of '69 Buried In Cleveland

Dr. W. Charles Wallace and several members of the faculty of Westminster college left here today to attend the funeral of James William Stewart, an alumnus of Westminster who died at his home in Cleveland Sunday. Mr. Stewart was very prominent in Cleveland as an attorney but for the last few years was retired.

Since his graduation from Westminster in 1869 Mr. Stewart had been an active alumnus of the college returning regularly to the college every year for home-coming day and again at the commencement season. This year Mr. Stewart did not come back to the school because he was at the time of the home-coming celebration confined to his bed.

Beside his A. B. degree which he received at Westminster, Mr. Stewart was also honored with A. M. and L.L.O. degrees conferred upon him by other schools.

Westminster people mourn his passing as one of the most willing and active alumni that the school has ever had, and Dr. Wallace and members of the faculty are attending the funeral in Cleveland today to confer the final honor that he has so well merited at the hands of Westminster.

#### MIRTZ ADDRESSES Y. M. C. A. MEETING

On Wednesday evening the discussion period of the Y. M. C. A. was turned over to Orvil Mirtz who told of his work as a Sunday School Missionary during the past summer. Mirtz spent his time about Cedar Creek, Tenn., working among the "moonshiners" of that district. His headquarters was at the Cedar Creek School where his mother is matron of the boy's dormitory. Mirtz's talk was illustrated by some fifty photographs which he took during the summer.

Wilbur Simons who graduated two years ago from Washington and Lee University is the speaker for the next meeting. Simon's was a star end on that university's football team. He is to speak on the subject of "The Ideal's of Christ."

#### STANDARDS FOR ACTION IS SUBJECT OF Y. W. C. A.

Arguments, pro and con, were the order of the evening at Y. W. last Wednesday when the subject, "Standards for Action" was discussed.

The fairly representative audience was divided into groups. Each group debated sub-topics including "Cheating," "Motives for Action," "Sabbath Observance" and "The Motives For Coming To College." Very lively arguments were presented in the groups and later summed up by the leader in the general meeting.

#### WHOLE TEAM STARS AS EASTERDAY'S TRIBE IS STOPPED

Leaping away from the Duquesne game mediocrity, the Westminster college football team played true Blue and White football in tying the Waynesburg college football team 0-0 at College Park, Waynesburg, Saturday afternoon. Ankle-deep in the yellow clay which gave the heavy Yellow jacket team a decided advantage, Beede's team stubbornly held the Easterday machine, and at one point seriously threatened the Waynesburg goal line.

Waynesburg threatened to score several times on the diminutive Blue and White combine, but Beede's well-trained line always held near their own goal line. Holzapfel averted defeat for the Blue jerseyed team when he tackled Frank from behind on the Westminster 10 yard line. The whole Westminster line played well, Havrilla and Hall starred in the Westminster offensive. Holzapfel and Lauder bolstered the secondary defense, and the punting of McQuiston baffled the Waynesburg attack.

As in the Allegheny tilt, the whole Blue and White team played as a team for the glory of Westminster.

#### Holzapfel, Kelley Avert Score

Waynesburg kicked off to Furno, who carried the ball to Westminster's 35-yard line. Here Waynesburg held the Blue and White team and Holzapfel punted to Frank on the Yellow jacket 38-yard line. Easterday's machine then marched up the field, scoring two first downs with Frank crashing off tackle, Frank, raced around end on a beautiful run to Westminster's 10-yard line where he was tackled by Holzapfel. Waynesburg failed to put the ball over the Blue and White goal line for the score when their fumble was recovered by Kelly, on his own seven-yard line. Holzapfel punted to about midfield for Westminster. The quarter ended as Waynesburg started another drive for the United Presbyterian goal line.

#### Westminster Threatens

Frank repeatedly plunged through the line for the Jackets bringing the ball to the Westminster five-yard

## APPRECIATION OF HIGH CLASS ENTERTAINMENT

The English Singers, who two weeks ago presented such an excellent program in their concert, taught us as students a life lesson. Their extraordinary display of talent was noticeably appreciated on the part of the audience—it made the listeners look above themselves for a little while.

It is probable that if a vote were taken, the Westminster students would agree that this high type of entertainment contributes largely to one's education and culture.

Someone has said that if a man would lift another, he must stand on higher ground.

After leaving college are we going to be content with merely the mediocre, or are we going to use our influence to promote the appreciation of such high class entertainment as that presented by the English Singers?

No more could be expected from college students than to see them affect a change in society from the indifferent to the highly appreciative, and thus raise the general mind of humanity and promote one's education and culture.

## ALUMNI SUPPORT "THE HOLCAD"

Alumni subscriptions for the Holcad for this year are coming in rather slowly. To date 19 subscriptions have been received while last year there were about 50 regular subscribers. The business board is working hard to raise this subscription list by sending out sample papers to alumni who are not subscribing along with application blanks. A goal of 200 alumni subscribers has been set and is needed so the Holcad can be improved in size.

ALUMNI, DON'T YOU WANT TO SUPPORT YOUR COLLEGE PAPER, AS WELL AS TO KEEP IN TOUCH WITH THE OLD SCHOOL AND ITS HAPPENINGS? IF SO, SEND IN YOUR SUBSCRIPTION FOR THE HOLCAD TO THE BUSINESS MANAGER OF THE PAPER.

## WHY PATRONIZE OUR ADVERTISERS

Each year the advertising boards find increasing difficulty in procuring any cooperation between some of the merchants of the surrounding section and Westminster publications. There are several explanations, among which two are outstanding: first, rental for advertising space in the college publications is relatively expensive in proportion to the frequency with which the advertising matter is published; and second, because many of the students buy elsewhere, the advertising seems to be of little value to the advertiser. To sum up the matter, Westminster students are not properly supporting their publications, because they do not support the advertisers to whom so much is owed for the existence of these publications.

The matter is of vital importance: Do we as Westminster students consider our publications to be of enough value to us that we shall be willing to take some interest in the men who, at considerable expense, are advertising merchandise and services to help us as well as themselves?

STUDENTS, SPEND A LITTLE MORE TIME READING OVER OUR ADVERTISEMENTS, DISCOVER WHO OUR ADVERTISERS ARE, AND THEN PATRONIZE THEM, RATHER THAN OTHERS WHO DO NOT CHOOSE TO TAKE AN INTEREST IN WESTMINSTER—H. B.

## TITAN TATICS

### THE ROVER BOYS

"Vengeance is better when it is eaten cold".....If the snow flurries, slush, and mud that marked the surroundings of the Blue and White last Saturday continue to make up the local color, then Westminster will be all set to live up to that expression when they attempt to settle that 7-6 Thiel defeat of last year.

To place the glory laurels on any individual for performance in the clash with Waynesburg Saturday would not be doing justice to the team. As "Andy" McDonald dispatched the outcome, "They all played a whale of a game in a sea of mud."

Boone, Sweet, Furno, Dombrowski and Kelly played well, time and again puncturing the opponent's line to nail the Waynesburg backs behind their own line of scrimmage.

In the second play of the game Saturday with Easterday's eleven, Gerry Sweet, huge Westminster guard, had one of his front teeth knocked out. A noticeable aggressiveness was displayed by Sweet throughout the remainder of the game, due probably to that incident.

Speaking of bicuspid reminds us that the athletes of the college have originated a "Toothless Club." The present roster includes Joe Smith, Jack Lewis, Emmet Tweedie and Marsh Fisher. Sweet's initiation ceremony will be announced soon.

McQuiston's adept punting prevented the Yellowjackets from penetrating the scoring zone often during the contest. Kicking a soggy pigskin 50 yards is no cinch, yet "Jimmy" with his sympathetic ear, did that very thing against Waynesburg.

Referring to the backfield leads us to comment on the stellar work of Hall, Havrilla and Holzappel. Hall's end skirmishes, Havrilla's line plunging and Holzappel's great tackling featured the play of the Blue and White.

The Carnegie Tech-Westminster cross country meet did not get under way until 11:30 a. m. on Saturday owing to the fact that Pitt and Syracuse were using the same course for their meet.

Mrtz and Rose were congratulated by Guy Halferty, Skibbo cross country coach, following the meet. Halferty stated that the above mentioned Westminster harriers are two of the best cross country men ever produced in this district. Nuf Ced.

The Graham-coached in losing to Tech 30-25 were barely nosed out. The Tartan distance men bunched their runners in the middle of the pack at the end of the grueling race. The fact that the last runner finished only one minute and 46 seconds after the winner gives some indication of the competition.

The Blue and White harriers were accorded fine hospitality at the Beta Theta Pi, Pi Kappa Alpha, and Kappa Sigma fraternity houses during their Pittsburgh trip.

Berkman, left halfback for Thiel, will bear notice this Saturday. Beside being an adept ball carrier, he can kick well, and has fine ability to fathom opponent's plays.

See you at Thiel!

William Greer, Paul Freed, Joe Smith, Glen O'Donovan, Douglas Anderson, "Jiggs" Havrilla and Howard Kelly attended the services at the Swissvale Presbyterian church last Sunday with Broadway Rose, a Westminster alumnus.

YALE RECORD—A roommate is a person who never has anything of his own and who designates all your possessions with the word our.

### DEAN ROBERTSON ATTENDS CONFERENCE

Mrs. C. B. Robertson, dean of women, returned yesterday after attending the seventh annual meeting of the Pennsylvania Association of Deans of Women at Harrisburg, Pa., on November 5th. Mrs. Robertson has been dean at Westminster since 1923.

Sectional conferences were held, which were followed by the business session. Special addresses were made by Mrs. Mary Loerch, Dean of the California State Normal School, and Rev. John Chamberlain Ward, Bishop of the Erie Diocese.

At the business meeting Mrs. Brand Blanchard of Swathmore College was elected president of the association for the ensuing year. She succeeds Miss Florence May Kunkel of the State Teachers College at Edinboro, Pa., retiring president.

### DR. TAYLOR SHOWS MUCH IMPROVEMENT

Dr. Gilbert A. Taylor of the department of ancient languages, was suddenly stricken with appendicitis or kindred trouble on last Tuesday evening, and after reporting to Dr. Smyser of New Wilmington was taken to the Shenango Valley Hospital of New Castle in an ambulance which was called for the purpose. Dr. Taylor's classes have been discontinued until he recovers or some arrangements can be made to take care of his classes.

The news of Dr. Taylor's illness was received here with deep regret, and the latest news which states that he is much improved is welcomed here by both the students and faculty. It is believed that an operation can be avoided by use of local treatment.

Westminster tenders to Dr. Taylor her sympathy, and wishes to express to him her wishes, that he will rapidly recover, and be back at his work in the near future.

### GRAHAM TO ATTEND BUCKNELL CONFERENCE

Annual State Educational Conference to Hear Talk On Journalism

Prof. R. X. Graham will leave next Friday for Lewisburg, Pennsylvania, where he speaks Saturday morning to the annual State Educational Conference at Bucknell University. "Journalism as an aid to Self-Expression," will be the topic of Prof. Graham's lecture.

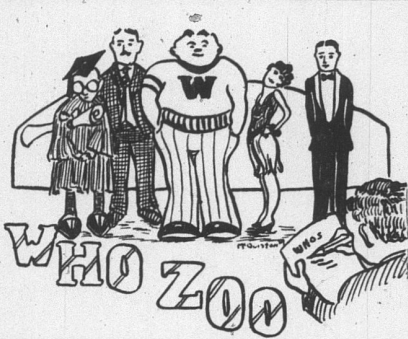

This Convention is one held yearly of all Normal School and High School instructors.

Miss Mirian Wendler, of Williamsport High School, and Dr. Orton Lome, head of Department of English Studies in the Pennsylvania Department of Public Instruction will be other speakers of the convention.

#### Hacking Back To Health

Chicago—A prominent professor of the University of Chicago, whose name is withheld, and whose health was ruined by his close academic work, spent the past summer in New York City as a taxi driver. He left this week for his university classes, much improved in health, taxi officials stated.

MISS BETTY GLOVER

Miss Glover has been very active about the campus during her college career. She is a member of the Pi Rho Phi Sorority, a member of the Psi-Nu, Honorary Women's Journalistic Fraternity, a member of the Argo Staff of '28. She also takes various leading roles in plays put on by the Bells and Buskins and is an associate editor on the Holcad Staff.

### FAMOUS IMPERSONATOR TO COME HERE NOV. 14

Sidney Langdon, the clever impersonator of great literary men is to come here on Nov. 14.

Sidney Langdon's impersonations of Mark Twain, Poe, Longfellow and other noted literary men have won approval from all audiences.

"He completely loses own identity, assumes a new role and quotes from the works of the genius impersonated."

Other well-known people who are on the lecture course this year are: Rabbi Stephen S. Wise, of the Free Synagogue Pulpit in New York and John Van Druten, popular British playwright and lecturer.

Van Druten has been in America only since the latter part of 1926. He is the author of "Young Woodley" but besides this, it is said of him that "audiences come to know a young man who, along with a boyish appeal, an alert intelligence, a fresh enthusiasm, and a sense of humor, also possessed sound learning, mature judgment, an artistic viewpoint, literary background, poise, presence and charm of speech which established him as a personage; a lecturer and a platform personality distinctly worth while."

Of Lew Saret, the Christian Science Monitor says that from poverty "he has gloriously emerged with a heart full of compassion and love, lyric with his gift of song" and that "as a poet of the American Indian he stands alone."

Rabbi Wise scarcely needs an introduction, so widely is his name known. His Synagogue "is a house of worship where Jews and Christians mingle alike and where any man may worship according to the dictates of his own conscience."

"Lightnin'," a play, will be presented by a New York Company in December.

#### NOTICE—CO-EDS

Silent Period for the Rushing of Freshmen women begins at 8 o'clock Friday, November 11 and ends at 8 o'clock Monday, November 14.

### COLLEGE NEWS BUREAU ENLARGES ACTIVITIES

If column inches, vignette cuts, and streamer heads are open sesame to the advances of journalism toward the pinnacle of success, then Westminster's new bureau is well above the timber line on the upward trail. During the two months of its existence, the Westminster News Bureau, installed as a publicity medium for the college, has contributed more than 5,000 column inches of news, over a hundred pictures, and proportional share of headlines to the various newspapers of the district.

This Blue and White news organization directed by Professor R. X. Graham and including on its staff four student reporters, Henry Breneman, Bud Mansell, Petey Botsford and George Noble, sends in College news stories, cuts, and feature write-ups to 40 papers. The range of this contributed publicity extends from the weekly newspapers of the smaller towns to the pages of the metropolitan dailies.

To be more specific, a survey of the material submitted to the New Castle News alone shows that 456 column inches of news and free sport publicity were printed in this New Castle daily during the month of October. This is an increase of 215 column inches, over the total space used last month in the News when the bureau furnished 241 inches of material.

With such noticeable progress in the functioning of this publicity organ it can be readily realized that Westminster is keeping abreast with the rapid journalistic advances.

### UPTON CLOSE GIVES TALK ON FAR EAST

Outstanding Authority on Asia Discusses Conditions

Upton Close, otherwise known as Josef Washington Hall, the outstanding American authority on Asia, presented an interesting talk about China and conditions in the far east at the church last night.

Mr. Close was well qualified to lecture on this subject, having spent ten years of his life as a young man in China, holding the positions of journalist, secret investigator for our Diplomatic Service, Counsellor for the "Student Revolution which saved China from being sold by traitors," Chief of Foreign Affairs on the Dictators staff, and editor of a Peking newspaper.

His evident knowledge of the subject made the talk worth while to everyone.

### GETTMANN DIRECTING PLAY "THE VALIANT"

Work along dramatic lines has begun again this year. The Bells and Buskins have been organized and rehearsal for a play "The Valiant" being held. Professor Royal A. Gettmann is ably directing the play practices. Leading parts will be taken by Elmer Myers and Anna Dickson.

Some good material for future dramatic work has been found among the newly acquired members and Prof. Gettmann is planning some interesting entertainments for the future.

### PSI-NU FRATERNITY INITIATION HELD

Psi Nu, the honorary women's journalism organization, held a special initiation and banquet, last Thursday night, at the Senior Lodge at 8 o'clock. Seven women students who have become prominent in journalistic circles of the college were initiated: Margaret Young, Margaret Lennig, Harriett Jolley, Phyllis Coley, Margaret Adams, Elizabeth Edeburn and Helene Winters.

The initiation was in charge of the installing officers: Lucille McConaghy, Ruth Moore and Dorothy Nevin. After the formal initiation a banquet was given in honor of the new members.

The journalistic activities of the young ladies who received membership are: Margaret Young, a department editor of the Argo; Margaret Lennig, an associate editor of the Holcad and chronologist of the Argo; Harriett Jolley, department editor of the Argo; Phyllis Coley, the associate editor of the Argo, member of the Westminster staff and a reporter of the Holcad; Margaret Adams, a department editor of the Argo; Elizabeth Edeburn, department editor of the Argo and a member of the Westminster staff; and Helene Winter, a department editor of the Argo.

### DR. DAWSON SPEAKS AT HIGH SCHOOL

Dr. Charles A. Dawson, head of the English Department, delivered an address on the subject "Doorways and Arches," before the students of New Castle Senior High School, last Thursday morning at Chapel exercises.

Dr. Dawson was well received, and spoke of Westminster's highly developed machinery of education.

#### Week-end Visitors

Miss Adele Rose and Isabel Campbell spent the week end as guests of Mildred Mankedick of Gfeggs, Pa.

Miss Peg Andrews spent the week end at her home in Beaver.

Misses Thelma Brush and Dorothy Fraelich of Carnegie were guests of Hazel Brush.

Miss Thelma Warner spent the week end at Princeton.

Misses Anne Monroe and Mildred Lawson were in Pittsburgh on Saturday.

Miss Mildred Somerlade attended the Pitt-W. and J. game last Saturday.

#### Alpha Gamma Delta

The Alpha Gamma Delta Sorority entertained at a bridge luncheon in the home of Mrs. E. B. Russell on Saturday afternoon. Among those present were Mrs. W. C. Wallace, Miss Dorothy Dawson, Mrs. Robertson and Mrs. E. B. Russell.

#### GIRLS' ATHLETICS

A committee, under the direction of the Y. W. C. A., is working out a system of awards for girls' athletics. The three sports: basket ball, swimming, and tennis will be inter-class. It is hoped that there will be much class rivalry.

### FRIESELL NAMED TRI-STATE HEAD

Dr. Harry Edmund Friesell, dean of the school of dentistry at the University of Pittsburgh was elected commissioner of the Tri-State conference at a meeting of conference members held on Tuesday, Nov. 1, 1927 in the Fort Pitt Hotel.

Dr. Friesell, if he accepts the position, will succeed Cheser L. Smith, who held the commission since the inauguration of the league a few years ago.

John Holohan, manager of athletics at Duquesne University was chosen publicity manager of the league. He will be in charge of all publicity matters in the future.

A faculty representative and the graduate manager of athletics of every school in the conference was present. Westminster's representatives were Dr. Chas. Wallace and graduate manager of athletics A. A. McDonald.

The members of the league arranged grid games for next season, which was the final matter of league affairs that was transacted. The meeting was adjourned to meet again on Thursday, November 10, 1927.

### UNDER CLASSMEN PREPARE FOR BATTLE

Freshmen and Sophomore football men who are not training on the college varsity grid squad are at present busy practicing every day for the Freshmen-Sophomore football game which is to be held after the varsity season.

Recently the freshmen class challenged the sophomores to meet them on the gridiron and the present groups of men who are now practicing every evening below the gymnasium are training as a result of the sophomore acceptance of this challenge.

The freshman-sophomore football games is an annual affair and is usually played the first Friday afternoon after the close of the varsity football season. Varsity equipment is issued to the men on both the teams and there is a real hard-fought game played.

Last year the frosh won the game 6-0, but it is doubtful if they can repeat again this fall.

COLGATE UNIVERSITY—Colgate now has a symphony orchestra which according to arrangements is to play at each chapel service. The orchestra appeared on its initial program October 18, and was met with much enthusiasm.

WITTENBURG COLLEGE—Something new in international intercollegiate debates will be inaugurated here on December 1, when the co-ed debating team of Wittenburg college will meet a debating team made up of a Welshman, a Scotchman and an Englishman.

WASHBURN COLLEGE—Taking advantage of the fact that they outnumbered the men in the class two to one, the women in the class of 1928, Washburn College, elected co-eds to every office in the class elections.

### ATHLETES RULE

We read about the sweaty athlete in the novels who is the shiek of the campus and high tenor in the college glee club. However, in actual practise, we rarely find this to be true.

The election held by the freshman class of Westminster brings to light the fact that three of the four class offices are filled by boys, and that these three young men are hoicing down positions on the varsity athletic teams.

Kenneth Delahunty, newly elected president of the plebes, is an outstanding forward in the Tri-State basket ball realm. He also holds a track letter for pole vaulting. Paul Quimby is a member of the Westminster cross country team; while Miller, even though he entered school late, is on the varsity football squad.

### JACKETS HOLD BLUE

(Continued from Page 1)

line but here the Beede-coached team held Easterday's heavy gridders and McQuiston, substituting for Holzapfel, kicked the ball to midfield. Waynesburg was again held for downs on the Westminster 20-yard line, and McQuiston got off a long punt that carried over Frank's head to the Yellow Jacket's 15-yard line. Waynesburg was forced to punt to Hall. Havrilla plunged through the line for 11 yards, but the United Presbyterian team fumbled before making much ground. Waynesburg was again forced to punt and Toline got off a bad kick that rolled outside on the Blue and White 37-yard line. Here the Westminster team took new life and scored two first downs with Havrilla and Hall carrying the ball. The first half ended with Westminster in a position to score on the Yellow Jacket five-yard line.

#### McQuiston's Punts Gain

Halzapfel substituted for McQuiston at the beginning of the second half and kicked off for Beede's combine. For most of the third quarter the ball see sawed back and forth between the two 40-yard lines. Near the end of the quarter Ellstrom went in for Frank, and showed plenty of form knifing through the Westminster line making two first downs for the Easterday team. McQuiston went in for Holzapfel and punted for the Westminster team at the end of the third period.

The first of the last period developed into a punting duel between McQuiston and Ellstrom with Westminster gaining about 10 yards on the exchange of punts. Neither team showed a decided punch in the last period which was shortened by agreement, and the play see sawed back and forth until the end of the game. A Westminster fumble gave Waynesburg the ball on their own 40-yard line as the final whistle blew.

#### The summary:

<b>Westminster</b>	<b>Waynesburg</b>
Kelley	L.E. Williams
Domsrowski	L.T. Smith
Sweet	L.G. Decker
Boone	C. McCurdy
Smith	R.G. Watkins

## Westminster Upsets Lutherans 25-12

Harriers Win Conference Title  
With Easy Victory Over ThielMIRTZ AND ROSE RUN  
OVER FINISH LINE  
TOGETHER

Triumphing away to a decisive 18-37 triumph over the Thiel College harriers last Saturday in the terminating meet of the season, Westminster's cross country outfit clinched their claims for the Tri-State Conference cross country championship and will be awarded the silver trophy symbol of supremacy in this sport offered by the above mentioned athletic league. By virtue of their fine showings against Geneva College, last year's champs who were twice defeated by the Blue and White, their commendable running against Carnegie Tech and Allegheny, coupled with the victory over the Lutheran team last week end, the United Presbyterians, under the tutelage of Coach H. A. Graham, can be proud of their season's record.

There was no doubt as to the probable outcome of the meet with Thiel Saturday, once the competing teams left the starting mark for the Blue and White took the lead, kept their men well buttressed in the front, and had reserve napetus for the drive at the finish.

Captain "Wes" Rose and Orva Mirtz, last year's leader, again starred for Westminster, completing the grueling run over the five mile Greenville course in a dead heat for first position honors. In tying for first place, Rose and Mirtz finished the race in 28 minutes, 11 and a fraction seconds.

Thiel took third place when Donnell carried the Lutheran colors across the finish tape 200 yards behind the winners, negotiating the course in 28 minutes and 54 seconds. Westminster took the next six places, making the victory for the Blue and White certain. Byers King, Westminster, crossed the finish line fourth. He was followed soon by Bob Wallace, who in finishing fifth for Westminster completed the distance in 29 minutes and 43 seconds. Elmer Myers, Ross Ellis, Edwin (Continued on Page 4)

JOURNALISTS PRESENT  
TAU GAM PETITION

Westminster Given  
Favorable Consideration;  
Action Next Year

Clare Swisher, editor of the Holcad, and Daniel Kelso, business manager of last year's Argo, returned Sunday from Columbus, Ohio, where they attended the three-day convention of Pi Delta Epsilon, honorary journalistic fraternity. These two delegates presented the petition of Tau Gamma Delta, the local honorary journalistic fraternity, to the membership committee of the national fraternity.

No chapters were admitted this year to Pi Delta Epsilon. Westminster's petition was looked upon favorably, and is "tabled" for first action at the convention next year, at which time new chapters will be admitted.

The two Westminster delegates were given equal privileges and all entertainment that was given to delegates from Pi Delta Epsilon chapters. "Treated royally," was the statement of the two representatives. Next year's Pi Delta Epsilon convention will be held at Atlanta, Georgia.

## NOTICE—UPPERCLASSMEN

All questionnaires for Argo data are to be handed in today. Make activity lists complete if you want your list to be correct in the year book.

DR. FREISELL ACCEPTS  
CONFERENCE POST

Will Direct Tri-State Athletics Into New Era

Dr. Harry E. Freisell, who was recently elected head of the Tri-State Conference, announced his acceptance of the position at the meeting of the organization last Thursday morning in the Fort Pitt Hotel, Pittsburgh.

Dr. Freisell is dean of the University of Pittsburgh Dental school and has been prominent as a member of the athletic council of the university. Dr. Freisell takes the place of Chester L. Smith former conference commissioner.

DR. H. E. FREISELL

Important business was transacted at the conference meeting Thursday. A committee was appointed to draw up a new constitution for the organization, stressing particularly the eligibility clause. This committee is composed of three members: A. A. McDonald of Westminster, A. C. Edgcomb of Geneva, and F. R. Nuss of Bethany.

The new constitution will be presented for action at the December meeting.

Y. W. C. A. ELECTS  
FRESH CABINET

Under the topic "What Constitutes Peace," different types were discussed at the Y. W. meeting on Wednesday evening. Personal, social, and international peace were the subjects of the numerous opinions given.

Each year the Y. W. elects a group of girls from the Freshman class to serve as an auxiliary organization to aid the Cabinet members in their work. At last Wednesday's meeting the following girls were chosen for the membership: Jean Carter, Loretta Fox, Katherine Edgar, Virginia Duff, Mary Lou Braham, Lois Davenport, Elizabeth Pollock, Margaret Young, Irene Haney, Katherine Agnew, Emma Bryce, and Sunny Norris.

## ARGO PICTURES

The editors of the Argo wish to announce that if students cannot keep appointments for pictures they should let the photograph editor know.

WAS HE THIEL'S  
WET BLANKET

## "JIGGS" HAVRILLA

Along with 10 other Westminster stalwarts who refused to respect "advance dope" in Saturday's game was "Jiggs" whose height of football ability was exhibited to Thiel's sorrow.

On both offense and defense, "Jiggs" was a thorn in the side of Holleran's lads, and, as the News Bureau predicted, was a "wet blanket" for Thiel's hopes.

SORORITIES PLEDGE  
TWENTY-FOUR GIRLS

Pledging Ceremonies Held  
Yesterday Morning and  
Afternoon

Twenty-four girls were pledged by the five women's sororities yesterday in the first early pledging season under the new Pan-Hellenic rules.

Of this number, Alpha Gamma pledged eight; Phi Delta Chi, six; Sigma Kappa, four; and Chi Omega and Pi Rho Phi, three each.

## Alpha Gamma Delta

Mary Lou Braham, Butler; Mary Purvis, Butler; Harriet Martin, New Castle; Hazel Bergland, New Castle; Florence McMath, Buffalo, N. Y.; Alice Norris, Cleveland, O.; Betty Veazey, Cleveland, O.; and Eleanor Hutchison, New Castle.

## Phi Delta Chi

Elizabeth Pollock, Erie; Elizabeth English, Erie; Jean Carter, Pittsburgh; Irene Haney, Sharon; Catherine Agnew, Dormont; and Hildreth Walton, East Brook.

## Pi Rho Phi

Martha Byers, Mercer; Ruth Board, Sharon; Ada Miller, New Castle.

## Chi Omega

Margaret Smith, New Wilmington; Margaret Young, Pittsburgh; Margaret Crooks, Boston, Mass.

## Sigma Kappa

Ruth Kopanski, Bradford; Ethel Robinson, Connelville; Helen McKim, Union City, N. J.; Jessie McClelland, Butler.

Season Ended With Thrilling  
Victory Over Thiel Huskies

## HOLCAD MEETING

Every member of the editorial board of the Holcad is requested to be present at the meeting tomorrow at 1:20 in the journalism laboratory.

ARGO DEDICATED  
TO DR. R. J. LOVE

Junior Class Honors Popular Instructor At Class Election

In accordance with the regular custom of dedicating the yearbook to some honored person connected with the school the Junior class has unanimously decided to have the 1928 yearbook bear the name of Doctor R. J. Love, Professor of Bible.

Doctor Love has been a member of the faculty since 1921 and has won the respect and admiration of everyone connected with the school. Graduating with the degree of

DR. R. J. LOVE

Bachelor of Arts from Westminster college in 1885, Doctor Love then attended the Pittsburgh Theological Seminary and graduated in 1888. He received the degree of Doctor of Philosophy from Westminster college in 1894. Since then he held positions as instructor of history and pedagogy at Knoxville college and principal of the Oakland school of Pittsburgh.

In addition to his regular duties as Professor, Doctor Love has taken an important part in activities about the school. He teaches the Young Men's Bible Class and is active in Y. M. C. A. work. Being an author, as well as a teacher, Doctor Love has included in his writings such works as "Isaiah and his Prophecy," "Notes on the Psalms," and "Is the Bible the Word of God?"

ARTISTS KNOWN HERE  
HONORED BY PRESS

Two of the four prize winners in the Victor-Press-Stanley Talent Hunt conducted to find the best qualified persons to make test records for the Victor Talking Machine Co., were Miss Alta Shultz and Norval Brelos well known as former Westminster artists.

Miss Shultz took part in many difficult oratorios during her prolonged stay at Westminster; and Mr. Brelos, who attended the Eastman School of Music in Rochester also, was for a time director of the Westminster Conservatory of Music.

Both artists are being congratulated by their Westminster admirers.

SPOIL HOMECOMING DAY  
WITH BRILLIANT  
VICTORY

Releasing an attack and punch that matched their energized spirits, Westminster's football team swept forward to a 25-12 victory over the blue and gold jerseyed grid eleven of Thiel College last Saturday at Packard Field, Greenville, in a thrilling, hard fought game that marked the close of gridiron activities for the Blue and White this season. It was a game replete with thrills and an exhibition of grit that will long be remembered by the enthusiastic partisan fans who cheered to the echo as the powerful Holleran coached machine fell, bewildered before the determined and battery of the United Presbyterians.

Westminster scored in every quarter of the encounter, straight football being instrumental in producing the tallies, while Thiel's scoring, confined to the third period when the Lutherans garnered twelve points, was largely due to a spectacular aerial attack. The first quarter saw the Blue and White start immediate action toward their victory drive. The forward line cut the enemy defense and early in the initial frame Havrilla lunged the ball over the mark for the first touchdown. In the second period Westminster continued their severe rushes, plunging the ball forward to the five yard line where Holzapfel pushed through for the second touchdown and then made good the try for the extra point.

(Continued on Page 4)

FACULTY RECITAL  
TUESDAY EVENING

The Misses Kagy and Mockel will give their customary Fall recital on Tuesday, November 22nd, at 8:15 p. m. in the Community House.

The program is made up of classical as well as modern compositions, and is well balanced. The opening number, a Chaconne in G minor with figured bass, by Vitali, is an excellent example of violin music of the 17th century. It is held in such high esteem that it is often played by eminent virtuosos. Schubert's song "Hark! Hark! the Lark" is so well known that Spaulding's arrangement for the violin will be of especial interest.

Miss Mockel's selections for piano are favorites which are sure to please everybody.

## PROGRAM

Chaconne in G minor	Vitali-Auer
Miss Kagy	
Largo	Bach-St. Saens
Rondo No. 1	Mozart
Miss Mockel	
Slavonic Dance in E minor	
	Dvorak-Kreisler
Hungarian Dance in F minor	
	Brahms-Kreisler
Hark! Hark! The Lark	
	Schubert-Spaulding
Introduction and Tarantelle	
	Sarasate
Miss Kagy	
Gavotte, op. 49 No. 3	Glazounov
Three Preludes, No. 7, No. 20,	
No. 22	Chopin
Polonaise, op. 26 No. 1	Chopin
Miss Mockel	
Accompanist	Miss Mockel

## "DEBATE PARTICIPATION"

Participation in college debate brings certain material rewards which at first seem most important. The debater becomes known to his classmates as a leader on the campus. The annual trip gives the pleasures of travel and new acquaintances.

Every college student, however, has certain desires which effort in public debate will help him fulfill. He wants to have:

1. A quick and forceful mind.
2. Self-confidence.

3. Ability to win the approval of others.

A debater learns to discard vague reasoning, see clearly both sides of a question, and present his beliefs convincingly. The intensive research work leads to new knowledge which the student would not derive from his regular college course.

Through preparation for his speeches and frequent appearance before an audience bring self-assurance to a debater. He soon learns that the audience is sympathetically inclined and anxious for his success.

Every successful man is confronted sometime in his career with opportunities to speak before an audience. If he has had college training in public debate, he will be able to win support for his enterprise. He has learned how to present his beliefs to the best advantage.

Debating has certain material advantages during a student's college life, but the benefits of most importance are evident after graduation.

## THE PIN GAME

What is this pin game, anyway?

Word comes from the University of Nebraska, that one sorority there is quite disturbed over the fact that three of its members do not have some man's fraternity pin.

They seem to feel that a dearth of pins indicates a lack of the desired rush. The impression given was that any woman would snatch the first bit of Greek metal shoved into her face, rather than go unpinned.

It would be interesting to gather similar data concerning the percentage of sorority women at the University of Kansas who have some man's pin linked with their own. For it is known that in several houses, the woman who is "different" is the one who wears no fraternity pin.

Now, statistics are heart-rending things. More interesting material might be gathered concerning the number of pins each so-called engaged woman has worn during her career on the campus, and also how many other women have at one time worn the pins which are now "out" on some fair young thing.

In college circles, an engagement, and an engagement to be married, are often considered two entirely different things. The former is merely an engagement to date each other exclusively, until one or the other tires of the arrangement, and then the engagement is off.

Every day or so, the word goes around that some couple has "broken up," and that he has his pin back. The campus smiles, and interestedly watches to see where the pin will go to rest. And so the game goes on.—Daily Kansan.

## TITAN TACTICS

BY

## THE ROVER BOYS

The Rover Boys want to congratulate Holzappel, Havrilla, Hall, Lauder, Boone, Sweet, Smith, Furno, Dombrowski, Kelly, and Tweedie on the brand of football they played at Greenville, Saturday. We are proud of the team.

Macain and Krueger also should share in the laurels. There wasn't any individual plays in Saturday's game. Westminster won.

And we can't forget the cross-country team (not the cross country men as "Johnny" Lawther suggested) Mirtz, Rose, King, and the others brought to Westminster the Tri-State Conference trophy by virtue of their win over Thiel Saturday. This cup is now the permanent property of Westminster. Again congratulations are in order.

And now the subject of bonfires and holidays is brought up. The Rover Boys spurn neither.

Now maybe the big, bad photographer will leave our coach alone. Last week he insisted that it was improper form for "Dyke" Beede to wear his baseball cap for a football picture. But the coach showed his disregard of form when he smiled at the demands of the photographer. And the cap is a part of the coach.

Dombrowski was missed for a little while after the Waynesburg game. But he came around later eating some of the three pounds of raw cranberries he had purchased. We suggest that raw cranberries be included as part of the training table next season.

How about forming a tumbler's act here. From the antics "Andy" went through on the sidelines at Packard Park, Saturday, he would make a good candidate. And there are others too.

Speaking about action at the game, the Rover Boys noticed that one of the teams was using questionable tactic throughout. But why bring that up.

There have been a lot of "ifs", "why didn't they's", "They should have's", "So and so should have been in that game", etc, floating around the campus. We have a good team and always did have. That means something in this colyum for the Rover Boys lost money on one game.

Honest we saw coach Beede smile. It is too bad the photographer wasn't at the game.

Big time punters have nothing on the Westminster gridders. In Saturday's game Holzappel got off a 70 yard punt and averaged about 50 yards in all of his kicks.

The Pittsburgh papers say that Thiel was asleep when Westminster scored her last touchdown. They might have added that the Lutheran boys were asleep most of the rest of the game also, or better still, that they might just have well have been asleep for they couldn't stop Beede's team no matter how well they played.

Westminster has now spoiled three homecoming days, Allegheny, Waynesburg, and Thiel. Revenge is sweet.

"Andy" gave his lucky halfdollar a vacation, and it had not returned in time for Saturday's game. Maybe it was grateful and worked without "Andy's" caresses.

According to reports basketball season begins today. The Rover Boys are grateful for it was feared that when football season was over colyum.

Kelly played an exceptionally good game Saturday. You know the Rover Boys have quite a paternal feeling for "Red" because he worked beside Pea and Bee on bridge 1029 this there would be nothing to put in the summer.

Holzappel, Hall and Havrilla also starred but there is no sense in

bringing that up for none of the boys could have played better than they did against the Lutherans.

Rumor has it that Westminster plays Grove City in basketball this season. Now is the time to point to that game.

The colyum has to be filled whether there is enough to write about or not. Don't read this for it is in here for filler. Count off? Why want do you mean? Allright, We'll shut up.

# J. W. STEWART '69 BURIED LAST WEEK IN CLEVELAND

Alumnus Was Figure of State And National Importance

James W. Stewart, alumnus of the class of '69 and a leader in Cleveland civic life for nearly fifty years as the associate of Senator Mark A. Hanna, Harris Creech, and John G. White, died at his Cleveland home, late Saturday night November 5 after six weeks of illness. He was 79.

Mr. Stewart was born in Mercer County, Pennsylvania, and attended the public schools there and later Westminster College, during which time he was a popular member of the class of '69 and affiliated with the Kappa Phi Lambda fraternity. He later attended Princeton Theological Seminary. He held honorary degrees from Westminster and Monmouth Colleges. Mr. Stewart always supported the administration of Westminster College, and aided greatly in its development.

He went to Cleveland in 1875 to study law and was admitted to the bar just half a century ago. He was associated with John G. White, president of the Cleveland Public Library Board, and Thomas L. Johnson in the practice of law in the early years before his interests turned to banking and real estate.

As lawyer and banker, real estate pioneer and godfather of the lake front improvement program and the zoning system, Mr. Stewart was a salient figure in the rise of Cleveland from a small town with men of slight repute to the city of big men. He was the sponsor of the lake front project forty years ago and had watched his dream of a great shore line begin to take shape in City Manager William Hopkin's Edgewater and Gordon Park bulkheads.

As organizer, president and chairman of the board of the old Garfield Savings Bank, Mr. Stewart organized one of the first, if not the first branch bank system, in the United States and his plan was soon adopted throughout the land.

Mr. Stewart's political career carried him to the Ohio Senate in 1903 for a single term and he was a leader in the stirring fight to choose Mark Hanna's successor in the senate. In that battle, he opposed the candidacy of Myron T. Herrick, and his efforts were generally accredited as the cause of Herrick's defeat. At the time, Warren G. Harding was lieutenant governor of Ohio, and a friendship formed during those years brought the late president to Mr. Stewart's office whenever he visited Cleveland.

The loss of Mr. Stewart is sincerely felt, for he was not only a prominent national figure, but he always kept close to his heart the memories of his education at Westminster.

## SIMMONS SPEAKS ON PROHIBITION AT CHAPEL HOUR

Mr. Wilbur Simmons who graduated from Washington and Lee University last year, was the speaker in the chapel service last Wednesday.

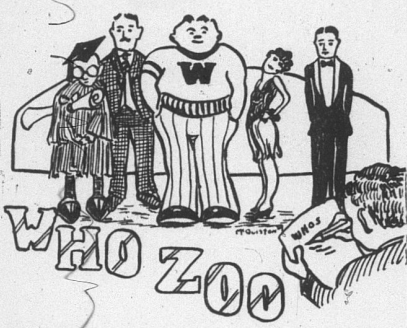

Mr. Simmons is the field secretary of the Inter-collegiate Prohibition League. For the last two months he has been traveling through the States from one college to another presenting the principles and plans of the league to students.

His purpose, as revealed in his talk in chapel, is to enlist interest and to stimulate thought upon this vital question of prohibition legislation.

## SENIOR INVITATION COMMITTEE APPOINTED

Frances McDowell, president of the senior class appointed recently the invitation committee which will function this year.

This committee composed of Clare Swisher, chairman, Elizabeth Glover, Evelyn Winger, Daniel Kelso and Herman King have already started working and have selected a beautiful cover design for the blue suede book which will be used. There will be two kinds of invitations for the seniors to choose from.

LUCILLE McCONAGHY

Among the members of the senior class we have Lucille, a competent and thorough student, assistant editor of last year's Argo, a member of Psi Nu Journalistic fraternity, and a member of Alpha Gamma Delta.

## GRAHAM SPEAKS ON JOURNALISM

Claims Subject Cannot Be Learned From Textbooks

Speaking on the subject "Journalism as an aid to self-expression" at the educational conference at Bucknell University Saturday morning, Prof. R. X. Graham said that journalism cannot be learned from textbooks.

"The daily newspaper and the print shops should be the student's book" said the speaker. "What graduates of college courses in journalism need is six months' work on a small paper. Here high-flown theories will be supplanted by practical knowledge based on experience."

According to Mr. Graham, journalism still offers a joy akin to that of the old-time craftsman's pride in his work. "Seeing one's work in print is one of the few means of self-expression which we have in this machine age," said Professor Graham in closing.

## MISS STEWART DIRECTS DRIVE

MISS ELIZABETH STEWART  
Popular Instructor Leads Community Chest Teams

Miss Elizabeth Stewart, acting head of the modern language department, was general chairman of the soliciting teams for the New Wilmington Community Chest yesterday.

The drive to raise \$2500 for local welfare, health, and recreation work was, according to reports last night, a success.

## COLLEGE CELEBRATES FOOTBALL VICTORY

Bonfire Held Last Night On Athletic Field

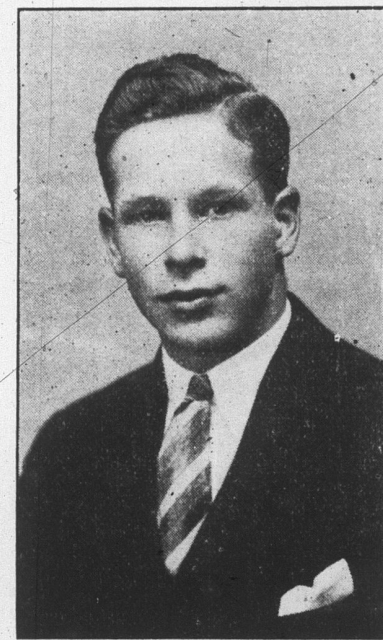

Westminster College students, faculty, alumni, and followers were given another opportunity to express their exuberant spirits that came into prominence last Saturday afternoon when the Blue and White football aggregation invaded Thiel College to triumph over the Lutherans 25-12 in one of the most thrilling games of the season, last night at a bonfire celebration on the college field. The victory over Thiel last Saturday, which marked the close of the gridiron season for another year coupled with the thrilling cross country win in which the Blue and White clinched the symbolic trophy of superiority in that sport offered by the Tri-State Conference gave Westminsterites just cause for their joyous attitude.

Under the persuasive guidance of the sophomore class the freshman were sent skirmishing for bonfire material Monday and judging from the lumber, barrels, boxes, logs, and brush toted to the spot of the conflagration a heated celebration was in store.

As seen from the slope of the hills flanking the college athletic field the event was a scene of picturesque hilarity with the songs, cheers, and impromptu speeches from the returned victors, supplying the Alma Mater touch to the luminous exhibition of excitement.

The bonfire celebration which commenced at the close of the Sydney Langdon Artist's Course number, will long be remembered by those who witnessed it. It was a wonderful gathering and the Blue and White has justification for releasing their sentiments for Westminster completed one of its most successful grid seasons, winning two games, tying two, and meeting defeat three times, while the Graham coached harriers won the Tri-State Conference championship.

## LEADS Y. M. DEPUTATION

DONALD McCLURE  
President of the Y. M. C. A.

A new phase of Y. M. C. A. activity at Westminster is deputation work. Teams under the leadership of McClure, Mirtz, Anderson and Colman will visit and conduct meetings for Hi-Y clubs in this section.

The program will be cosmopolitan in nature, and will afford students the opportunity for service along the line in which they are most talented.

## ARMISTICE DAY SERVICE HELD

Regular chapel services Friday, Armistice Day, was devoted to observance of the country wide memorial to the soldier dead.

Dr. R. J. Love addressed the assembly with a fitting speech in which he revealed the importance of this great day, and claimed that in our materialistic daily life we have lost the significance of the day.

### Sigma Kappa Party

The Alpha Sigma Chapter of the Sigma Kappa Women's Fraternity of Westminster held a formal evening party at the home of Mrs. Charles A. Dawson in New Wilmington on Thursday night at 8 p. m.

The decorations were carried out in the fraternity colors of Maroon and lavender. The favors were pink roses. Guests of the fraternity were: Mrs. W. Charles Wallace of New Wilmington, and Mrs. James Graham, dean of women of the Prather House. Alumni members and out-of-town members who were present included Miss Evelyn Mitchell of New Castle, Miss Nancy Miller '27 of Butler, Miss Alice Forrest '25 of New Castle, Miss Rebecca Gibson and Miss Gladys Nord of New Wilmington.

The committee in charge of the party consisted of Miss Ruth E. Fraser, Miss Eleanor Warner, Miss Carol Clark and Miss Katherine Boobyer.

### Pi Rho Party

Pi Rho Phi sorority held an evening party last Thursday evening at 8 p. m. at the home of Miss Gertrude L. McCain, patroness of the sorority.

The sorority colors red and black were carried out in the symbol of the cross of hearts. Special lighting effects were designed by using red candles tied with black bows or tulle. The favors were corsages of American Beauty roses and china boudoir ornaments.

The guests present were Miss Grace Sankey of New Castle, Miss Lucille Clark, Mrs. W. Charles Wallace, and Mrs. J. McLaughry of New Wilmington. The committee on arrangements included Miss Helen Hastings, Miss Phyllis Coley, Miss Ernestine Gieckler and Mary Allis Hastings.

### Chi Omega

Omicron Gamma chapter of Chi Omega gave its second rushing party at Hotel Neshannock last Wednesday night when it entertained at a dinner party.

The committee in charge consisted of Mary Sowerby, Lois Wagoner, Dorothy Wray and Helen Shoaf. Miss Elizabeth Stewart, patroness, was the faculty member present.

### FROSH-SOPH GAME SET FOR FRIDAY

Rival coaches who are also team mates and room mates will try to outsmart one another Friday when "Jiggs" Havrilla's sophomores face "Red" Kelley's frosh on the college field.

The traditional underclass game promises to be one of the best in years. The fact that hazing has been abolished should result in more football and less spite.

Motto on my wall;  
It pleases me.

### WESTMINSTER UPSETS TOUTED LUTHERANS

(Continued from Page 1)

Employing the same tactics in the third stanza, the Beede coached aggregation worked the ball into the scoring area, and after a pretty 15 yard pass from Havrilla to Tweedie, Hall scampered around the end seven yards for Westminster's third score. Then Thiel became the aggressor, staging an apparent comeback, a long pass from Berkman to Mitchell giving the Lutherans their first touchdown when the latter raced 40 yards to score. Berkman shortly afterward went over for Thiel's second and final touchdown when Thiel recovered a Westminster fumble on the Blue and White's 20 yard line. With the end of the game only two minutes ahead, Holzapfel taking the ball on his own 45 yard line, dodged two enemy tacklers, shook off several other opponents, and ran 55 yards for the fourth Westminster touchdown exhibiting the most spectacular open field running of the game. Westminster scored 21 first downs to 11 for Thiel.

#### Line Plunges Effective

Westminster received the initial kick-off. Holzapfel, Westminster quarterback returning the ball to his own 35 yard line. The Blue and White failed to gain being forced to kick out of danger. Tweedie was down under the punt and dropped Berkman in his tracks. Thiel made a hasty kick. Holzapfel was ready for it and carried it back to his 45 yard line. Under the severe rushes and knifing runs off tackle by Havrilla, Hall, and Holzapfel the team made three first downs, paving the way for Havrilla's plunge for the first score. The remainder of the first quarter witnessed a see-saw game across the parallels. Thiel threatened once during this frame, manoeuvring the ball to the Westminster 10 yard line, but they were unable to gain farther.

#### Westminster Again Scores

Berkman threw a forward over the Westminster goal line and the Blue and White was given the ball on the 20 yard line. Havrilla and Holzapfel pushed ahead for gains, and Lauder speared a pretty pass from Havrilla for 12 additional yards. Hall skirted the end for 15 yards on the next play. Havrilla hit center for first down. Hall advanced the ball to the five yard line on two plays and Holzapfel hit off tackle for the second score, kicking between the uprights for the extra point. Thiel opened up an aerial attack, a 20 yard throw, Berkman to Schilling, featuring their attempt to reach the scoring zone. Kelly caught Holzapfel's pass near the end of the quarter and made 8 yards, following which Hall went around end for first down. Westminster fumbled on the Thiel 20 yard line and Thiel recovered, marking the end of the half.

#### Hall Makes Touchdown

Westminster again received the kick-off and following a series of forward passes, off tackle plays, and line plunges, again brought the pigskin near the danger territory. Tweedie caught a 15 yard pass from Havrilla and put the ball on the 28 yard line. Hall swept the oval around end for Westminster's third touchdown. Here Thiel made the most spectacular stand of the day for they fought more bitterly than before. Berkman threw a pass to Mitchell, who dashed 45 yards to a touchdown. A Westminster fumble was pounced upon by Dimperio of Thiel and after a mixed attack of passes and line bucks, Berkman went through center for a touchdown. Kelly blocked the try for point.

#### Holzapfel Scores On 55 Yard Run

The last stanza was marked by another desperate attempt on the part of Thiel to even the count, a forward passing game developing. Kelly intercepted a pass from Berkman at the 43 yard mark and on the next play Holzapfel made the prettiest run of the game, dashing through left tackle, past the secondary defense, and over the goal line for the final touchdown. Berkman quarreled with Boone of Westminster near the close of the game and

### A MILE OF TAPE

If placed end to end, the adhesive tape used during the present season in the college gymnasium would reach from goal post to goal post on the football field just 12 times and then back to the 50-yard mark. Or, in the exact figures, approximately 1500 yards of tape were used to tape or brace the legs, arms, and backs of the 40 men on the varsity squads of the college.

Jack Hulme, trainer of varsity teams, has estimated that from the first day of training season almost a mile of tape has been used, which is an average of 90 feet per day and 27 inches per man per day. These statistics are based upon figures of amount of tape used for both football and cross country men.

### HARRIERS WIN

(Continued from Page 1)

Anderson, and David Myers, all of the Graham coached squad raced over the course to take sixth, seventh, eighth, and ninth position respectively. Bubeck, of Thiel, came in tenth. Kunkle and Dickson, also of Thiel, crossed the finish line in eleventh and twelfth places.

The smooth running of the Blue and White stars, Rose and Mirtz, and the ability of the other Westminster runners to collect near the front of the pack made the eventual outcome evident at the start as the harriers began the ascent over the half mile hill that flanks the course just beyond the starting mark.

The summary:  
Westminster . . . . . 1-2-4-5-6-18  
Thiel . . . . . 3-7-8-10-37

both were sent off the field. The game ended in a field with Thiel again attempting to complete forward passes.

The individual stars for Thiel were Berkman, for his fine passing, and his generalship; Mitchell for his great running; Blisston and Dimperio for their work at defense.

For Westminster—individual selections would probably do little justice to the team spirit that made the victory possible. In the backfield, Holzapfel shone in his broken field running and his fine punting; Havrilla for his uncanny ability to plunge for first downs through the line and his bearcat attitude on defense; Hall for his clever skirmishes. In the line, Kelly for his alertness in following the ball; Dombroski, Furno, Tweedie, Boone, Smith, and Sweet for their all-round play.

Summary of last Saturday's game:

Westminster	Thiel
Tweedie . . . . . R.E. . . . .	Dufford
Furno . . . . . R.T. . . . .	Blisston
Sweet . . . . . R.G. . . . .	Lattimore
Boone . . . . . C. . . . .	Zundel
Smith . . . . . L.T. . . . .	Packard
Dombroski . . . . . L.T. . . . .	Dimperio
Kelly . . . . . L.E. . . . .	Suscavish
Holzapfel . . . . . Q. . . . .	Berkman
Hall . . . . . R.H. . . . .	Mitchell
Lauder . . . . . L.H. . . . .	Shilling
Havrilla . . . . . F. . . . .	Myers

Score by periods:  
Westminster . . . 6 7 6 6—25  
Thiel . . . . . 0 0 12 0—12

Scoring: Touchdowns—Westminster—Havrilla, Hall, Holzapfel (2). Thiel—Berkman, Mitchell. Tries for point—Holzapfel.

Substitution: Westminster—Machin for Kelly; Krueger for Boone. Thiel—Leonard for Lattimore, Patterson for Myers, Mayher for Blisston, Montie for Zundel, Kurtz for Suscavish, Blisston for Mayher, Mayher for Blisston, Myers for Shilling, Powell for Berkman.

Officials: Referee—Baird, Penn State; Umpire—Cadigan, Syracuse; Head Linesman—Qualley, Pitt.

Alpha Kappa Alpha Sorority  
Recognized By College OfficeMAKES SIXTH WOMEN'S  
ORGANIZATION  
ON CAMPUS

Alpha Kappa Alpha, Westminster's sixth women's fraternity, organized October 24, was formally recognized by the College last Wednesday, November 16, at the regular chapel service by Dr. W. Charles Wallace.

Officers elected for the groups are: President, Elma Robinson; Vice President, Sarah Patterson; Treasurer, Eleanor Hunter; Recording Secretary, Anne Thompson; Corresponding Secretary, Mary McGeech.

The pin of the new fraternity is two Alphas joined with a Kappa superimposed upon them. Colors of the organization are Buff and Blue.

The aim of the organization, according to statements of founders, is "to promote friendships, democracy, Christian ideals, and to strive for the attainment of the highest ideals of Westminster Womanhood."

Members of Alpha Kappa Alpha are: Elma Robinson, Eleanor Hunter, Anne Thompson, Mary McGeech, Sarah Patterson, Edna Shorts, Margaret Patterson, Lois Scott, Dorris Cook, Anne Marie Montgomery, Blanche Miller, Martha Gilfillin and Mabel Kirk.

Pledges announced yesterday include two sophomores and three freshmen: Martha McMurray, '30; Emily McMurray, '30; Elizabeth Lauder, '31; Emma Bryce, '31; and Virginia Duff, '31.

CO-ED ATHLETES  
ANSWER Y. W. CALL

Thursday's practice, in spite of damp weather conditions, saw some thirty girls out for practice.

Some of the probable freshmen basketball material is "Happy" Ott, Martha Byers, Alice Neal, Florence McMath, Sunny Norris, Peg Young and Mary Scott. The sophomores presented some of their victorious freshmen squad last year: Betty Tebay, forward, Ruth Lewis, Cora Williams, Kitty McClure and Edith Boreland.

The class manager who was elected unanimously because of her experience in coaching and drilling, is Ruth Lewis.

The girls are reminded that unless this activity is enthusiastically backed up it will be dropped from the college list.

ALPHA GAM PRESIDENT  
SPENDS SABBATH HERE

Alpha Gamma Delta fraternity was very honored, when they entertained Miss Louise Leonard, president of the national Pan-Hellenic fraternities and of the Alpha Gamma Delta fraternity, at a breakfast in the Hillside, Sabbath.

Miss Leonard whose home is in New York City, returned with Dorothy Nevin, who has been in Pittsburgh for the past week "practice teaching."

The Sigma Kappa's, Pi Rho Phi's and Chi Omega's called at the suite and Miss Leonard expressed the opinion that she hoped she would see them all again.

One of the alumnae guests who stayed over night to visit with Miss Leonard was Miss Mary North who is President of the Alumnae and teaches in Aspinwall.

## PHOTOGRAPHS

Try to get your picture taken for the Argo before you leave tomorrow. Proofs on all pictures will be back two weeks after pictures are taken. Orders may be made then.

FACULTY RECITAL  
TO BE GIVEN TONIGHT

A feature of the program to be presented at the recital of Miss Kagy and Miss Mockel this evening at 8:15 p. m. in the Community House is the arrangement of the "Largo" by Bach-St. Saens, played by Miss Mockel.

This recital by these two members of the Conservatory faculty is an annual event. The ability of the two performers is so widely recognized that no mention need be made of it. Miss Mockel has been Dean of Conservatory for three years, and during that time has given many praiseworthy performances. Miss Kagy is professor of violin and is equally well-known.

Included in the program are examples of both modern and classical music. One selection that will be greeted with enthusiasm by college music lovers is the Schubert-Spaulling arrangement of "Hark! Hark! The Lark."

PHI PI PHI BANQUET  
WEDNESDAY EVENING

Beginning the annual banquets which the men's fraternities give each year in honor of their lady friends, the Phi Pi Phi Fraternity will hold its annual affair at the Ohio Hotel of Youngstown tomorrow evening at 6:30 o'clock.

Following the reception which will be held from 6:30 to 7 o'clock on the Mezzanine floor, the banquet is scheduled to begin immediately. The affair will be formal, and a large number of alumni beside the regular fraternity members and pledges have signified their intentions of attending. Donald McClure, president of the Nu chapter at Westminster, will be the toastmaster of the occasion.

The committee in charge of arrangements consists of: Leland Cooper, chairman, Ernest A. Griggs, Thomas Mansell, Horace W. Morrison, James McQuiston and David Wallace.

Faculty members who will chaperon the affair as guests of the fraternity are: Dr. and Mrs. W. Charles Wallace, Dr. Charles Freeman, dean of the college, and Mrs. C. B. Robertson, dean of women.

SMITH SPEAKS AT  
Y. M. C. A. MEETING

Last Wednesday George K. Smith, National Student Secretary, under the direction of the Middle Atlantic Council of the Y. M. C. A. spent the day about the Westminster campus. Mr. Smith is a young man, having graduated from the University of Georgia in the class of '26 and held popular appeal for the students of the school.

A brief address at the 11 o'clock chapel exercises served as a hint on his method of address at the Y. M. C. A. meeting. In this address Mr. Smith put forth some new and sparkling thoughts on an old subject. His subject was "Christ's Standard of greatness."

AWARDS MADE IN  
VARSITY FOOTBALL  
AND CROSS COUNTRY

Fourteen Gridders, Five Harriers Given Letters

Meeting last Monday evening, the Faculty Athletic Committee acted upon the following matters:

(1) They being eligible under the regulations the following members of 1927 football squad were awarded varsity letters—

Lauder, Hall, McQuiston, Dible, Machin, Tweedy, Dombrowski, Furno, Sweet, Smith, Ayers, Boone, Harrilla, Max Bovard, student manager

Upon the recommendation of the Head Coach and in appreciation of his character and playing Howard L. Kelly was awarded varsity football letter under the provision Article 8, Section 1, of Regulations of Athletic Recognition and Award.

William Lewis was appointed student manager of football for the season of 1928.

(2) They being eligible under the regulations the following members of the Cross Country team 1927 were awarded minor varsity recognition under the regulations—

Rose, Mirtz, King, Wallace, E. Myers.

(3) Responding to the proposal of the Y. W. C. A. to sponsor basketball, swimming and tennis for women students the proposal is approved with appreciation upon the understanding reference is to intramural activities organized on the inter-class basis and upon the condition that reasonable expense be borne by the College, detail of administering the proposal to be worked out through the Office of the Director of Athletics and Physical Education.

ALBERT TAKING  
ARGO PICTURES

Mr. R. A. Albert of the White Studios of New York has been taking pictures for The Argo at the rate of 60 a day. He will discontinue sittings after this evening, and will return about December 10, at which time his assistant will take orders for those who wish to buy pictures.

All group pictures—teams, glee clubs, orchestra, etc.—will have a special background in the new Argo.

The Argo has been fortunate in obtaining the services of the White Studio which is the second largest in the United States.

RECESS BEGINS  
TOMORROW AT FOUR

Thanksgiving recess begins Wednesday, classes closing at 4 o'clock.

This is the first vacation from classes this year, excepting the half-holidays on Frosh stunt day and alumni day, and also of the victory proclaimed because of the victory over Thiel.

Vacation closes Monday, November 28, at 4:30. Classes will be resumed on Tuesday.

MUSICAL SELECTIONS  
ENLIVEN Y. W. MEETING

The meeting of the Y. W. C. A. proved to be an interesting program of musical selections, and a discussion on "A Thanksgiving Dinner," lead by Hazel Brush.

Miss Ruth Fraser started the evening by a vocal selection, "If Winter Comes", with Eleanor Warner as her accompanist. A talented violinist freshman girl was discovered when Pearl Garbrick played the "Minuet in G" by Beethoven.

After a brief description of Thanksgiving and what it meant in the old Puritan days, Miss Agnes Keach, was accompanied on the piano by Gladys Zeigler, and sang "The Indian Love Call."

A clever Thanksgiving menu that caused many salivary glands to wobble by Gladys Zeigler, and sang, most delicious food was discussed.

Helen Hastings read the official girls' basketball rules and announced that basketball practice for freshmen would be on Thursdays from 3 o'clock to 4 o'clock and sophomores from 4 to 5, junior and senior practice on Friday at the same hours.

Hazel Brush concluded the meeting with the reminder, that, "She hoped we would all enjoy our Thanksgiving and would think of our forefathers and all that that day meant to them."

LECTURE ON ART  
GIVEN BY DAWSON

At three o'clock every Friday afternoon for the weeks between Thanksgiving and Christmas vacations. Dr. Charles A. Dawson head of the English department, will give a series of lectures on Renaissance architecture, art, and literature.

Dr. Dawson delivered the first of this series last Friday afternoon in the Chemistry lecture room in the Science Hall. Advantage was taken of the new equipment of the department to present slides illustrating the topics discussed.

While the lectures are primarily supplementary to the Renaissance history course offered by Mr. Farish, and the Chaucer course under Dr. Dawson, anyone interested in the subject is invited to attend.

DELTS GIVE "STAG"  
IN HONOR OF FURNO

Members of Delta Phi Sigma fraternity will hold a "Stag" tonight in the fraternity house in honor of Joseph Furno, captain-elect of the football team for next year. Joe played in the line-up against Thiel Nov. 12 when Westminster triumphed over the Blue and Gold by a 25-12 score.

At the same time, the 17 men recently pladged to the fraternity will be honored. A number of faculty members have been invited to the "stag" party which will assume the form of a Thanksgiving meeting, the men separating tomorrow for the Thanksgiving recess.

LEADING COLLEGES IN  
DISTRICT ON  
CARD

Graduate Manager A. A. McDonald announced yesterday that Westminster's basketball team will meet all the leading college quintets in the district this year in a schedule consisting of 17 games, nine of which will be played on the home court.

Starting the season with a hard game with Grove City at the Ketter gymnasium in Grove City, Coach Lawther's Titans will be extended to the limit to make as good a showing as made last year.

The loss of Gamble, lanky center on last year's team, is a serious blow to Westminster's chances. This cool-headed stalwart was one of the reasons for last year's success, and his place will be hard to fill. While an enthusiastic group of men are working out with Coach Lawther, too much idle talk about another successful year is apt to give the general public the idea that the Titans will have an easy time.

To dispel such ideas, the complete schedule follows: January 6, Grove City, away; January 11, Geneva at home; January 14, Thiel at home; January 17, Allegheny, away; January 21, Alumni at home; January 28, Bethany at home; January 31, Duquesne, away.

February 1, St. Francis, away; February 11, St. Francis at home; February 13, Waynesburg, away; February 18, Allegheny at home; February 25, Waynesburg at home; February 28, Duquesne at home; March 2, Thiel away, March 8, Geneva, away; March 10, Grove City at home.

JOE FURNO ELECTED  
FOOTBALL CAPTAIN

At a meeting of the 14 letter men, held last Tuesday, Joseph Furno of Elizabeth, was elected captain of the 1928 football team.

Furno, who has been on the squad for three years, plays at guard and was one of Coach Beede's "iron men." This year he played every minute of every game throughout the season.

Furno, though he has been on the squad since he entered, has never qualified for a letter till this year. The other years he missed the varsity award by the margin of one quarter.

Furno is a member of the Junior class, and is a member of Delta Phi Sigma fraternity.

EX-GRIDIRON CAPTAIN  
ADDRESSES BOY SCOUTS

On Tuesday night, November 15th, at the Boro building, Jimmie Lauder spoke to the Boy Scouts of New Wilmington on "The Value of Athletics."

He stated that athletics prepare youth to take up the reins of command and leadership. The first essential of a good leader is one who can obey; for to command, one must be able to obey. In athletics, one unsatisfied player who does not do his full duty can spoil all the work of the remainder of his teammates.

While in athletics a boy is developed above all else physically, his mental and moral aspects are always bettered by necessity to think and good sportsmanship.

## PLACARDS NOT WANTED

Westminster students have so far shown an admirable co-operation with the faculty in keeping the college buildings free from signs and placards which are supposedly funny. The author or authors of the vandalism to which the Prather House, freshman women's dormitory, was subjected are not known. The thing that is unintelligible to us is that any person in any way connected with the college should so wish to deface the college property. The different fraternity houses take pride in keeping their buildings free from such things as have made their appearance on the walls of the Prather House. Why cannot the girls living in the houses take the same attitude?—R. F.

## ANOTHER?

October 16 is far in the past now, and has become a faded but pleasant memory. Wouldn't it be possible to convert our reminiscences into realities, by a repetition of the feature event of our Home Coming Day program?

We have a College Orchestra which could furnish music in true Paul Whiteman style, thus eliminating any financial objections.

The decorous conduct of the students was apparent during the progress of initial event of this kind, and should be a big factor in gaining official recognition of our plea for a Christmas dance in the gymnasium preceding our departure for vacation.

## DEFINITIONS

A campus is a place where professors may take a daily stroll without danger of apprehension for shipment to the nearest asylum.

A study table is a piece of dusty furniture.

A fraternity house is a structure containing a decrepit victrola and 25 broken chairs.

A collegiate car is one that is used most while standing still.

A sorority house is an edifice housing those felines who have no fence to fight on.—Wisconsin Daily Cardinal

## THE GIRLS LEFT OUT

Women's fraternities having made their choices and bid the usual number of freshmen, it comes to mind that a number of girls are necessarily being left out. And far from being a new situation, it is as old as fraternities and sororities.

The wise freshmen will realize that not all the achievements and opportunities for advancement are bound up in a Greek-letter pin. Secret societies are pleasant and often entail a great number of advantages, but not all of them.

There are good people, and there are prominent people, and handsome people, and lovable people, who swear allegiance neither to Alpha, Beta, Gamma, nor Delta. And, all popular opinions to the contrary, there are people who refuse, and consistently refuse, to affiliate in this manner.—George Washington Hatchet.

## TITAN TACTICS by THE ROVER BOYS

Football at Westminster has expired for another year. No verbal tribute can express the commendation due the Blue and White team. We're proud of them all!

Winning two games, tying two, and losing three, Westminster's grid eleven amassed an aggregate score of 66 points against the opponents' 53.

Emulating leads us to suggest a "magna cum laude" for the Blue and White harriers, new, Tri-State cross country champs. With Captain "Wes" Rose and Orvil Mirtz forming the nucleus, the Graham-coached outfit has won the respect of the whole district.

News of the selection of Joe Furno to lead the football team for next year was favorably received by all who had any contact with the team this year. Furno played a stellar role in several encounters and is deserving of the honor accorded him.

Basketball now holds the focus of the sport lens. Thirty-one candidates started training last week, following Coach Lawther's try-out announcement.

The managerial game seems to run parallel to the floor sport in attractiveness. Fourteen student managers including, one senior, four juniors, two sophomores, and seven freshmen are taking care of the wants of the players this year. "Service guaranteed" should make a good placard for Andy's department now.

Among the veterans from last year's basketball combination who are now in uniform are: Captain Tudor Lewis, Ayres, Connor, Crowell, Delahunty, W. Lewis, McCullough, McQuiston, and O'Donovan.

Armour, Cordes, Fisher, and Holzapfel, freshman members of the football squad this season, are also engaging in the nightly basketball drills.

Basketball haberdashery, as indicated by the apparel worn by aspirants for the varsity squad, favors vivid color display this season. In fact, the whole color spectrum can be seen any night on the college court. Red Crowell swings about the floor in green trunks, Marsh Fisher flits beneath the hoop in orange strides, while several on the squad are trying to impersonate "the crimson tide."

According to reports, Jack Hulme's swimming proteges will have a fine calendar this season. The tentative schedule includes two meets with Thiel, two with Allegheny, and one with Carnegie Tech. Think it over, natators, the team will need you this year.

With the frosh-soph mud duel ending in a deadlock that oft quoted shipwreck phrase, "Every man for himself," can be warbled by local gridiron warriors now, as each participant in the class battle Saturday had to scrape the loam from his own uniform.

A Rhode Island newspaper correspondent asks for objections to staging a world series for the football championship each year. We extend to him the privilege of submitting this year's schedule.

Alonzo Stagg, famous mentor of Chicago University has written a good book on football and the historical part is particularly interesting. From it we find that football so disturbed the peace in London in 1314 that Edward II forbade it by "royal ukase." But there was an improvement by 1602, for one Carew reports of the finish of a game: "You shall see them retiring home as from a picked battle, bones broken and out of joint, yet all in good play and never is the coroner troubled for the matter."

BUCKNELL—The employment bureau of the Y. W. C. A. at Bucknell has opened a gift shop where co-eds may exhibit and sell their handicraft. The Y. W. receives 10 per cent of the sales price of the various articles to defray general expenses.

## OLD BRICK HOUSE ON CAMPUS HAS LONG HISTORY

Last week announcement was made in one of the metropolitan dailies concerning the Charles M. Schwab mansion, a show place on Riverside Drive, being offered for sale at the exorbitant sum of \$30,000,000. Reflection on such a notice leads one to focus his imagination to grasp the tradition, glamour and fineness that must abound in such a dwelling. Yet we here at Westminster need not regulate our vision to such a distance for everyday we pass among the shadows of buildings that have the self same significance if searched for. Amid the littleness and detail of college we can detect the Genius of life, the old cunning Proteus nestling beside us.

On Orchard Street that skirts the north edge of the Blue and White campus, a stone's throw from the Science Hall, stands forsaken a two-story dwelling with grimy, grey, smoke-stained walls and only gaping holes for sashes...since its dereliction a haven for zealous co-educators, in former years the Pomeroy estate. The history connected with this drab looking structure now college property, dates back to the Civil War time when it was owned by the Dickey family. It was sold by William J. Gamble, grandfather of the valedictorian Hugh Gamble, who inherited it by marriage with one of the Dickey heirs, to James Pomeroy in 1882. Mr. Pomeroy, a descendant of an old French family serving in the Civil War as a private of the 100th regiment, Company B, Pennsylvania Volunteers and later as lieutenant of a troop in the South, lived there until 1901. Since that time five families have made their abode there including: McCowans, McFarlands, Igos, Professor J. O. Campbell—formerly an instructor of history and economics at Westminster—and Perry Sewall. Since its last occupancy seven years ago it has been left to take on its present grim, sombre state.

But all this is merely chronicle you say—wherein lies the beauty? Each life that has come to make acquaintance with that hollow shell has had its unwritten story enfolded in the mute walls of that dwelling. Nothing but fallen plaster, flapping wall paper, barren lath, faded cigarette butts, a hairpin are there now. The cold winds whistles through its ribs, that muteness is yet indeed symbolical. Cannot you visualize that home at its best, with well-kept lawn, budding apple blossoms, cyringa buds dripping with fragrance—all indistinct-vague-yet beautiful? Perhaps some lovers trod the way with shaking knees and leaping heart. Perhaps some adolescent dreamed of pirate isles in a jewelled main during one of the secret meetings of the Pathfinder Club. Do you see the poetry of everyday life? Do you try?

## CLASS GRID TEAMS IN SCORELESS TIE

On a field that was deep with mud, and on a day that was far from being warm, the teams of the two lower classes met in their annual football game on the college field last Friday to play to a scoreless tie. The game had all the pep and fight that is characteristic of the inter-class struggles. All through the game there was hardly a time that one team had an advantage over the other, for through the game the teams seemed to be very evenly matched.

The game was marked by the punters of both teams, and some of the line bucking was not so bad. The lines of both teams held well when it was necessary. On the whole the game was typical of the inter-class games that are played at Westminster.

PHYLLIS COLEY

"Phyl" is associate editor of the Argo this year. She is a member of Pi Rho Phi sorority, Alpha Sigma Alpha, women's honorary debate fraternity, Psi Nu, women's honorary journalistic fraternity, a member of the Pen-Hellenic Council, and of Bells and Buskins besides being a reporter on the Holcad staff. "Phyl" has always taken a live interest in women's athletics; she won a letter on the last varsity girl's basketball team during her freshman year, and was on her class team last year.

## REV. STEWART, '12 VISITS IN TOWN

Rev. J. K. Stewart, who graduated from Westminster with the class of 1912, visited in New Wilmington yesterday.

After his graduation from Pittsburgh Theological Seminary, Rev. Stewart was engaged in religious work in Pittsburgh for a few years. At the present time he is pastor of the United Presbyterian church at Beverly Hills, California.

His new charge in California is noted for its connection with the town made famous by Will Rogers, its traveling-mayor.

Rev. Stewart married Margaret Carnes, a graduate of Westminster in the same class and a sister of Elizabeth Carnes.

## LARGE SQUAD OUT FOR BASKETBALL

Coach Johnnie Lawther's court aspirants numbered more than 35 during the regular practice sessions this week, although not one seemed to fit the shoes left vacant by Hugh Gamble, last year's calculating leader.

With the first game slated with Grove City's premier outfit but a little over a month away, Lawther has his hands full.

Recess periods will necessarily cut into the training program so that, literally speaking, the Titans have but three weeks of practice before they open the season with the Grovers.

Coach Lawther has made it plain that no positions on the varsity are "cinched," and that he will be unable to ascertain the starting line-up against Grove City until resumption of practice during the Christmas recess.

MONMOUTH—Sororities at Monmouth topped fraternities in scholarships last year according to a recent article in the Monmouth Oracle.

## UPTON CLOSE PRAISES COLLEGE PRESS SHOP

Whole sheafs of mail will greet you if you publicly say something in favor of some college football team or against it. The different partisan proclamations supporting the "home team" is a boost for the U. S. post office business. If you say Pumpkin Center is great, the people from Providence, R. I., to Tonopah Junction, Nevada will make off-tackle slants for the nearest mail box, all gratefully shipping in evidence for rebuttal. Characteristic perhaps? At any rate here is some information that may interest you.

Mr. Upton Close, world famous lecturer, scholar, gentleman, and journalist, during his recent visitation at Westminster had occasion to desire his tuxedo pressed prior to his address to the students of the Blue and White institution. The College Press Shop extended their service and the job of pressing was so masterful that Mr. Close wrote the testimonial reprinted below as a token of appreciation:

Nov. 7, 1927

Mgrs. College Press Shop  
New Wilmington, Penna.

Dear Sirs:

I sincerely recommend the work of your establishment to anyone who may wish to deal with you in the future. It was very satisfactory and I extend to you my good will and hearty support.

Very cordially yours,  
UPTON CLOSE

## GENEVA WINS CONFERENCE TITLE

For the third time Geneva College, coached by Bo McMillin, won the Tri-State Conference title by winning four of its league contests.

Bethany and Westminster finished in a tie for third place, each winning one, losing one and tying a like number. Both teams played only three games. Waynesburg finished its most disastrous season, winning one game. The Yellowjackets lost two and tied two. Thiel failed to triumph in a league contest losing three and tying one. The final standing follows:

	Games	W.	L.	Tied	Pct.
Geneva	4	4	0	0	1.000
Duquesne	5	2	2	1	.500
Bethany	3	1	1	1	.500
Westminster	3	1	1	1	.500
Waynesburg	5	1	2	2	.333
Thiel	4	0	3	1	.000

## PLEBE FORENSIC TEAM SELECTED

Freshmen debate try-outs were held Wednesday evening November 23. Seven freshmen responded to the call of Tau Kappa Alpha, which, each year, sponsors inter-class forensics between the two under classes.

Dr. Dawson and Dr. Russell judged the speeches of the candidates, who delivered five minute constructive speeches and three minute rebuttals on the proposition, "Resolved that the United States government should own and operate all water power projections in the United States."

Four of the competing freshmen succeeded in making the freshman team. The four men who will represent the first-year class in the annual inter-class debate are: Harold Guy, Alfred Milford, Charles McCormick, and Harry Boyce.

## CRUEL GRIDDERS!

Westminster had her homecoming day marred by a loss in football and straight-away sought vengeance. Disappointed alumni left their stands at Allegheny, Waynesburg, and Thiel after seeing the teams of their Alma Maters repulsed by the Titans. An eye for an eye!

## Hatless Gridders Taboo On Meehan's N. Y. U. Grid Team

Not a single hatless sheik is to be found among the forty men comprising the current season's football squad of the New York University, the team that is battling its way to the highest honors among the football teams of the east. An iron-clad rule—"Keep your hat on!"—has been issued by Chick Meehan, who as coach for the N. Y. U. men, has been largely responsible for the remarkable football history made by that organization.

Chick has met and overcome all sorts of baffling conditions in his trying work as coach, first for the Syracuse eleven, and in the past three years, for N. Y. U. But this year there developed something new to his experience. In mid-season, with his men in the best condition, members of the squad began reporting sick. Several minor colds—a most unusual ailment among men at the peak of physical fitness—handicapped the work of training. Then Frank Briante, who to date holds the yardage record of all eastern teams, had to take to his bed. Next day little Dud Hormell, track champ, and speediest of half-backs, turned up with a cold.

A good coach has to be doctor, lawyer, detective, father, mother and executioner, so Chick looked into it. What he located was nothing wrong with the course of training, but rather something new in conduct outside of training hours. Some of the men, having observed college youngsters flirting with the fad of appearing on the street with nothing on the head but a slick hair-comb, had thoughtlessly done like-wise. The result, of course, was an epidemic of coughs and sneezes.

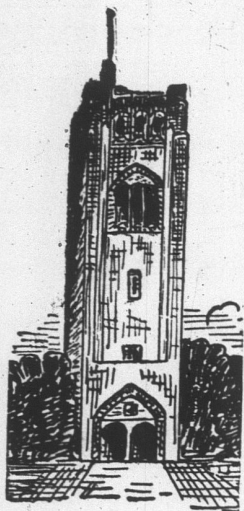

At the next football meeting, the bomb was exploded. Said Chick, "Any sane and adult person, who wants to keep his health, ought to know enough to wear a hat out of

doors. If these other lads want to plaster themselves with bear's-grease and look like comic-strip sheiks, we can't stop them. But you can't do it and stay on this team!"

Now, at the door of training quarters, as the men go out, burly Charles Porter, and his diminutive assistant, John Williams, are stationed to keep a fishy eye on the heads of those who pass. Any man without a hat "catches h—".

Charlie Porter, who also has a national reputation for keeping football aspirants in perfect shape, elaborated on Chick Meehan's remarks. "It's not that Chick is a crank on the subject," said Porter. "It's simply common medical knowledge that a man who spends his time partly indoors and partly out, needs some sort of head covering, when he gets into the open. The head under its layer of hair is kept sensitive to changes of temperature. The head perspires very quickly in an ordinary room. You don't notice it because the hair absorbs the perspiration. But when you get into the colder air, the scalp is chilled by the cold, and speedy evaporation chills it still more. The surface blood-vessels contract, and the blood is congested in the deeper parts—and soon there is trouble in the nose, throat and bronchial tubes. The result is colds, catarrhal conditions and sometimes pneumonia."

In playing the tied game with Colgate, one of the most formidable teams in the east, in the contest on October 29, N. Y. U. is well on its way to attain the unbeaten record that was missed last year in the final game against Nebraska. The organization has still to meet Penn State, Carnegie Tech., Allegheny and Nebraska, but with Colgate's contest safely passed, Chick Meehan feels confident that his men have the best possible chance of final victory.

## Chapel Bells

### Sigma Kap Party

After the pledging of Ruth Kopanski, Helen McKim, Jessie McClelland, and Ethel Robinson, on last Tuesday evening, the Sigma Kappa sorority entertained with a party in honor of the new pledges. Games and music were enjoyed and refreshments were served. Mrs. Graham and Miss Alice Forrest were the only guests present.

### Chi Omega

Hilarity was the continuous event of the evening at the Community House last Friday, when the Chi Omegas entertained their pledges. Bridge, dancing, eating and general nonsense were indulged in as long as the party lasted.

### Phi Delta Chi

Hamburgs, hot dogs, and pumpkin pies were devoured with much gusto at the stone quarry Tuesday evening when Phi Delta Chi entertained their pledges. Cora Williams, Frances Bleakley, Margaret Guy, Margaret Brinkley, Jane Macrum and Katie Dick had charge.

### THREE ACT PLAY

Members of the Y. W. C. A. are working on "The Charm School"—a three-act play which will be given the week-end before the Christmas vacation.

Practices are being held every evening, in the Hillside, under the very capable direction of Miss Betty Glover, a member of the dramatic club.

The cast has been carefully selected thus assuring an excellent performance of this delightful comedy. Miss Lois Wagoner and Miss Sarah Hemple comprise the publicity committee.

CAMBRIDGE, MASS.—The college men must be protected! This at least is the opinion of the Cambridge police force, which has started a drive to put an end to flappers driving sport cars picking up college men in this city. In the past few weeks three women have been arrested for accosting strangers while only one man has suffered for this mistake.

## Basketball Squad Resumes Drills In Preparation For Grover Game

### HARD SCHEDULE FACES TITAN TEAM

Pointing to the January 6 game at Grove City, the Blue and White basketball squad resumed practice today. Though it is probable that the Titan team will run through a few practice games before the Grover quintet is played, still the blue-jerseyed ball-tossers will have to extend themselves to the limit to stave off a Crimson defeat.

While Coach Lawther has four of last season's five lettermen back on the squad and a wealth of new material, he is not ignoring the reputed strength of the Grove City combine, and it is probable that he will call the squad back to school early in the Christmas recess.

Although Captain Tudor Lewis, Bill Crowell, and Charles Ayers are still exhibiting the brand of basketball that characterized their play on last season's star combine, the reputed greater strength of other conference teams is making somewhat of a Gil Dobie of the Blue and White coach.

But with the aforementioned stars, and Delahunty, O'Donovan, McQuiston, Holzappel, Stewart, Witherspoon, Clark, and other new men showing up well in the practice sessions, many of the Westminster fans expect a victory over the Crimson rival.

### McDONALD HELPS PLAN NEW ATHLETIC CODE

Graduate Manager A. A. McDonald spent last Tuesday in Pittsburgh where, as a member of the Tri-State Conference constitution committee, he helped frame a new code to govern eligibility, officials, and athletic relations between members of the district organization.

The report of the committee, composed of McDonald, of Westminster, Edgcomb of Geneva, and Nuss of Bethany, will be submitted to the Conference at the regular December meeting.

### FOOTBALL BANQUET NEXT MONDAY NIGHT

Graduate Manager McDonald announced yesterday that the annual football banquet will be held in the H. L. Side, Monday, December 5.

### HARRIERS SCORE SUCCESSFUL SEASON

Thanksgiving day witnessed the dropping of the curtain on football as the dominant sport attraction for another season and it also marked the close of cross country activities in this sector for the year. Westminster can be pleased with the showing of its representatives in both of these fall sports. The fine record of the Blue and White grid team wherein the Beede coached eleven ended action with two victories, two deadlocks, and three defeats continues to receive citations, but little is known of the Westminster cross country team which worked its way to the championship of the district.

A bit of retrospection reveals that in winning the silver trophy in the overland sport the Blue and White harriers triumphed in three starts and lost two meets. During the season the Graham tutored runners defeated Geneva twice by the respective scores of 22-33 and 21-34, won handily from Thiel 18-37, lost to Carnegie Tech 30-25, and were edged out by Allegheny 32-23.

In achieving the supremacy of the Tri-State Conference the United Presbyterian runners had a total score for the season of 123 against their opponents' 152. Calculating the total distance run by the Westminster team it is found that they flitted over 26 miles of scenery.

Captain "Wes" Rose and Orvil Mirtz, the nucleate force of the outfit, have a great record for the season. Captain Rose was tied for first once, placed second three times, and fourth once. Mirtz finished in first (Continued on Last Page)

### C. W. DUFF, '22 LEAVES FOR MISSION FIELD

Rev. Clarence W. Duff, '22, left recently for Abyssinia where he will be engaged in missionary work under the foreign board of the United Presbyterian church.

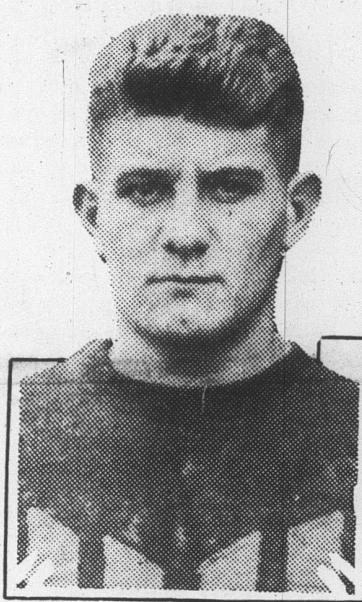

Rev. Mr. Duff will land at London where he will be joined by a party of nine who will accompany him to the foreign field.

### CAPTAIN

JAMES LAUDER, '29

### CAPTAIN-ELECT

JOSEPH FURNO, '29

### GRID AND TRACK SCHEDULES PENDING

Westminster's 1928 football schedule and next spring's track card are completed and will be voted on at the meeting of the Athletic Committee some time this week according to information from the graduate manager's office.

### VARSITY TRAINER

JACK HULME

Beside acting as varsity trainer for the grid team in the fall, Jack coaches the Blue and White swimming team, is head gymnasium instructor, and is scout master of the local Boy Scout troop. His salient points of character can not be estimated for he has a personality acceptable to all. The swimming classes under Jack are a pleasure, his unique method of handling the swimmers attracting both sexes.

## Football Team Ends Season With Third Place In District Conference

### BEAT GROVE CITY

With the basketball game against Grove City College scheduled for January 6, athletic relations between the Blue and the Crimson are to be again renewed. The slogan "Beat Grove City" will now ring out again loudest of all cries on the Westminster campus.

### ASSISTANT COACH

JOHN LAWThER, '19

### PHI PI PHI BANQUET ACCLAIMED SUCCESS

Wednesday evening at the Hotel Ohio, the annual banquet and dance of Nu Chapter, Phi Pi Phi fraternity was given. Because of late arrivals the banquet did not begin until 7:00 o'clock.

After an excellent dinner, toasts were given by different members of the fraternity and "Prexy" Wallace. Though he complained of the short allowance of time allotted to him for his toast Dr. Wallace gave in his toast "To Fraternities" some thought producing ideas about college fraternal organizations.

Other toasts were made as follows: George Vogel, "To the Ladies"; and William Thomas, "To Westminster"; Donald McClure, president of the organization, acted as toastmaster.

After the banquet, the fraternity men and their lady friends danced until 12:00 o'clock.

Faculty members who were present at the banquet were: Dr. and Mrs. W. Charles Wallace, Dr. Charles Freeman, and Mrs. C. B. Robertson.

The committee which was responsible for the success of the banquet included: Leland Cooper, chairman, Ernest Griggs, Thomas Mansell, James McQuiston, Horace Morrison, and David Wallace.

### BYERS KING-ELECTED X-COUNTRY CAPTAIN

At an election of varsity cross country letter men held in the gymnasium last Tuesday afternoon before the squad picture was taken, Byers King, member of the junior class, was elected captain for the coming year.

King has been a consistent worker on track and cross country squads ever since entering college and justly deserves the honor of leading next year's harriers.

The new captain is assistant business manager of the Holcad, on the staff of the Argo, and is a member of Delta Phi Sigma.

### TEAM FINDS ITSELF IN FINAL GAMES

Winning two games, tying two, and losing three, Westminster experienced its best football season of recent year. The two wins were over Buffalo University to the tune of 41-3, and over Thiel College 25-12. Scoreless ties were chalked up with Allegheny College at Meadville on October 15, and with Waynesburg College at Waynesburg on November 5. After a hard tussle with St. Francis college gridders on the home field, Westminster succumbed by the score of 3-0, when a beautiful field goal decided the contest. The other defeats were administered by Carnegie Tech at Youngstown where Westminster lost by a score of 25-0, and the Dukes on Homecoming Day by a 10-0 score on the home field.

The opening game at Youngstown with Carnegie Tech saw Beede's light team stubbornly resisting the attack of a heavier and more experienced Tartan eleven. The Blue and White, while not outclassed, was unable to get within scoring distance. However, the green team showed much promise and a very determined attitude which was gratifying to the fans. The Plaid succeeded in putting over four touchdowns although every yard of the ground gained was hotly contested. The final result was 25-0 in favor of the Steffen-coached machine.

Buffalo University was next tackled, on October 1 at Rotary Field, Buffalo, N. Y. After a number of fumbles which resulted in the only Bison score, a field goal, Westminster came back strong and romped away with a 41 to 3 victory. Buffalo's only score was a drop-kick from the 20-yard line for a field goal made by Captain Ungerer, following O'Donovan's fumble on the Westminster 30 and Morato's run to the 10-yard marker.

On October 8, St. Francis College was met the first home game. Mixing an overhead attack with straight football and Westminster fumbles, St. Francis college grid team defeated Beede's Blue and White machine 3-0. The only score (Continued on Last Page)

## THE EDUCATIONAL JUGGERNAUTS

Our instructors tell us that for each hour of class recitation we should apply ourselves diligently for two hours in the quiet of our private study or in the library.

The plan of attack is fair enough in appearance, but certain of the professors persist in assigning enough work to occupy more time than is prescribed. Not content with the regular routine assignments and weekly outside work, they require textbooks, term papers, and even additional research work in their particular study.

Seemingly these assigning automatons cannot realize that a student may be so unfortunate as to be enrolled in many courses presided over by hardened professors of the above mentioned type.

We are willing to admit that they mean well, and that they desire to see knowledge prevailing and ignorance driven away and abashed forever. But when they are perpetually delaiming about the contagious laziness of students, they cannot seem to realize the fact that their uncompromising assignments are responsible for the seeming dereliction of the students. Their world of sluggards has no existence in reality.

These instructors who arrogate to their courses superior importance should view their subjects in the light of their relation to other courses in the curriculum.

## WHY EDITORIALS?

After the big game writeup is safely on the front page, after the cuts of the big men on the campus are headed, after the fraternity banquet has been placed in a commanding position, after all the sorority gossip has been put in "Chapel Bells," and after the remainder of the paper has been set up, the editor begins to think about the editorials. The time is about 10:00 p. m. when the editor frantically searches the copy files for editorials, finds nothing but the usual, "Welcome Back Students" or "Joyful Vacation," and finally writes the editorial column himself using ten point type to help fill up the space.

Probably the various editors are to be commended on their ingenuity in writing the editorial column, the column that is supposed to exhibit the brains of the paper, themselves, but the wise men of the college, the "perusers" of Roget's Thesaurus or Webster's Intercollegiate Dictionary, do not think that such efforts are worthy.

In fact, some of these wise men of the campus make decided comments about the failure of the editorial column to show the brains of the paper or of the college.

Many remedies may be suggested for the lack of editorial intelligence, but if the present attempts seem unworthy there are really only two alternatives. One is to discontinue the column, the other is to have the sagacious of the campus write for the brain column of the paper.

## THE NEW REGIME

The Women's basketball at Westminster bids fair to engage in a really successful season this year. Heretofore women's athletics at the Blue and White institution have been a minus quantity. This new attempt at sports equalization deserves backing, at least by the women of the college.

## TITAN TACTICS by THE ROVER BOYS

With the rapid approach of basketball season Westminster seems as well stocked with good material as any of the other Tri-State teams. The men with whom coach Lawther expects to form this year's team are:

Captain Tudor Lewis who played guard last year, was picked for a guard position on both the mythical Tri-State and Tri-State Conference teams, and who was the highest point scorer on the Titan quint.

"Sparky" Connors who was picked as a forward on last year's mythical Tri-State Conference team and who played "heady" basketball all season.

"Bill" Crowell who is another of last year's five lettermen and who thrilled the fans from time to time with his shots from under the basket.

"Chuck" Ayers who is another of the 1926-27 lettermen still in school and who played well at guard all last season.

Kenneth Delahunty who appeared on the Blue and White floor at the beginning of the second semester last year and who flashed wonderful shooting ability. Ken is a good man and will probably be seen in action for the Blue-jerseyed quintet this year.

"Babe" O'Donovan who also appeared second semester last year for the first time on the Westminster floor and who also showed ability in the closing games of last season.

"Jim" McQuiston who missed earning a letter last year by only one half. Jim plays at guard and plays "Heads-up" basketball. He was a big factor in the Westminster victory over Geneva last year.

"Bill" Lewis who is a diminutive forward from Turtle Creek, but who is fast and who has already played for the Blue and White varsity.

Then there is "Tubby" McCullough, a forward, Sam Stewart, a center, and Henry Wettich, a forward.

Among the new material that reported for practice this year there are some very promising candidates. Norman Holzapfel was a star forward on the Blairsville '27 team. John Waterspoon also starred at forward in high school. Bill Clark plays basketball as well as tennis and he starred on the championship Tri-State Conference tennis team last year.

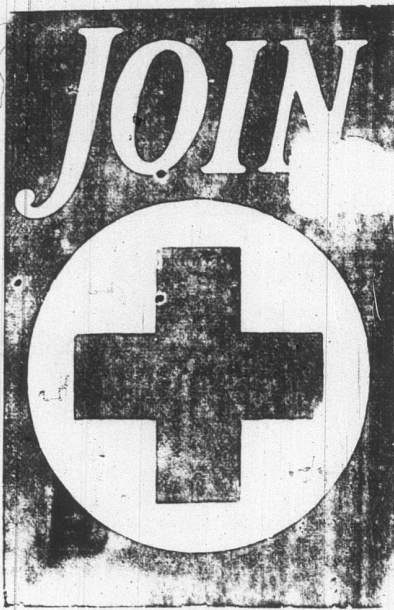

"Bud" Armour, Frank Colegrove, Jimmy Mayer, Marshall Fisher, and Adrian Dible also have been showing up well in practice.

It only seems fair to congratulate Byers King, our new cross country captain. "Bud" has been working on various squads since his freshman year and has given to Westminster fans a wonderful display of what the gangster calls "guts." We congratulate our new harrier captain on his pluck but the gangster seems to more accurately express what we want to say.

While speaking of cross-country Mirtz and Rose naturally are called to mind. In the cross-country statistics Mirtz has three firsts and two thirds, Rose has one first, three seconds, and one third. "Nuff Sed"

Statistics also say that the harriers have covered 26 miles in meets during the season.

Though the sport has not been started yet this year for the sake of variety in the column and for the sake of Westminster it might be said that Westminster supports a swimming team. Here's a chance for non-basketball athletes.

DISTANCE ACE

ORVIL MIRTZ, '28

### COMMUNITY SING LED BY MISS GUILLIAMS

Miss Ruby L. Guilliams, teacher of public school music in the Conservatory, started a project last week to build up community "sings" for New Wilmington. Judging by the initial effort, the new project met with favor on the part of the townspeople and it is probable that the plan will be made a permanent activity in connection with Westminster's endeavor to serve the local community.

ONLY GRADUATE

Howard Keily, '28

### AN EXEMPLARY EXECUTIVE

ITHACA—Reviewing the registration lists at Cornell it is discovered that President Alfred Atkinson, of the University of Montana, who is taking his sabbatical leave, is a student at the University. The president is studying the Administrative methods of Cornell, as well as its manner of handling freshmen. At the same time he is pursuing a course in plant breeding.

### MAY QUEEN VOTE TO BE CAST SOON

Election of May Queen by the girls of the junior class will take place soon according to the annual custom.

As usual, Westminster has a large number of fair co-eds in the junior class so the competition will again be keen.

### PHOTOGRAPHER AGAIN TAKES ARGO PICTURES

Mr. Albert, photographer from White's Studio, New York City, is again in town to complete the photographing of students for the Argo.

In all probability, the schedule of sittings for Wednesday will be announced today.

### TANK TEAM PLANS PRACTICE SOON

Coach Jack Hulme's swimming team will have five meets this winter. Practice sessions will be held immediately following the Christmas recess.

### MIRTZ AND ROSE LOST TO BLUE

Finishing in a dead heat for first place at Thiel three weeks ago Orvil Mirtz and Wesley Rose ran their last cross country race for the Blue and White. Both of the harrier stars are seniors in academic standing.

 Dr. George Vincent, member of the Board of Trustees and a graduate of the class of '04, is a former Rhodes scholar. Dr. Vincent won this educational honor at the close of his work at the Pittsburgh Theological Seminary, attending Oxford University.

HARRIERS SCORE  
SUCCESSFUL SEASON

(Continued from First Page)  
 position twice, was tied for that place once, and came in third twice. Captain-elect King, E. Myers, Bob Wallace, D. Myers, and Ellis also have commendable records and showed ability to bunch at the finish of the races.

The loss of "Wes" Rose and Orvil Mirtz by process of graduation will be greatly felt as these two runners were of "the cream of the district." It will be necessary for Coach Graham to unearth some new material if the championship is to continue at Westminster. However the showing of the entire squad, including the freshman runners, was meritorious and the Colgate style of coaching has proved its merit as a developer of distance men.

JAMES GORDON NEVIN  
DIES IN ELIZABETH

Alumni and students will be saddened to hear of the death of James Gordon Nevin, '05, at his home in Elizabeth last Monday November 21.

Mr. Nevin was a well-known attorney in Elizabeth for a number of years following his graduation from Westminster.

The funeral was held in Elizabeth, Thursday afternoon at 2 o'clock.

## CLEATS JOIN CHORUS

CHICAGO—Charles B. Sikes, former halfback luminary at Michigan University, has signed a contract to sing during the coming season with the Chicago Civic Opera Company.

FOOTBALL TEAM ENDS  
SEASON IN THIRD PLACE

(Continued from First Page)  
 was a field goal in the first quarter by Kunzler, St. Francis quarterback. The playing of the home team was brilliant at times although marred by fumbles. However, except in the last quarter the Blue and White seemed to lack the punch to put the ball over the goal line. "Jiggs" Havrilla, bore the brunt of the St. Francis offense and was the star of the Westminster outfit.

Allegheny College was next met at Meadville. This was a nip-and-tuck affair with the Blue and White showing a spirit of grit and gameness that made them indomitable throughout the contest. It was Allegheny's Homecoming Day and their alumni were treated to a truly great sport spectacle, for the fracas was a grueling struggle between two intrepid and clean foes. Good sportsmanship was shown throughout the contest, and the followers of both teams felt a justification even though neither could claim a victory, as the game ended in a scoreless tie.

Homecoming Day on October 29 was spoiled for Westminster by a Duke victory, 10 to 0. The team seemed to lack the alertness which featured its play in the Allegheny game. Elmer Layden's Duquesne team out-played Beede's Blue and White team at times. Aerial attacks were resorted to by both teams, and each team was about equal in ground-gaining ability, as nine first downs were registered by each. Duquesne's only touchdown came as the result of a 60-yard run by Shelton, who intercepted a Westminster pass and carried the ball to the Blue and White seven-yard line.

Leaping away from the Duquesne game mediocrity, the Westminster football eleven played true Blue and White football in tying the Waynesburg College team at College Park, Waynesburg, on November 5 by the score of 0-0. Ankle deep in the yellow clay which gave the heavy Yellow jacket gridders a decided advantage, Beede's team stubbornly held the Easterday machine, and seriously threatened the Waynesburg goal line twice.

The football season of 1927 ended with a thrilling victory over Thiel College at Greenville on November 12. Another Homecoming Day was spoiled when Westminster romped away with a 25-12 victory. The Blue and Gold jerseyed eleven of Thiel was swept aside by a determined attack and punch which marked the energized spirits of a Westminster eleven that finally found itself. It was a game replete with thrills and an exhibition of grit that will long be remembered by the fans who cheered to the echo as the Holleran-coached machine was over-powered by the determined battery of the United Presbyterians.

For the first time in the last eight years, Westminster evaded the "cellar" in the Tri-State Conference race, finishing with a 500 per cent aver-

## BASKETBALL NOW!

Captain Tudor Lewis, '30

The final standing is as follows:

	Games	W.	L.	T.	Pct.
Geneva	4	4	0	0	1.000
Duquesne	5	2	2	1	.500
Westminster	3	1	1	1	.500
Bethany	3	1	1	1	.500
Waynesburg	5	1	2	2	.333
Thiel	4	0	3	1	.000

## CONGRATULATIONS COACH

Not much has been said about the coach who put out our 1927 championship cross-country team. His name is Robert X. Graham.

## Butler Y. M. C. A. Five Defeated 51-25

### Slippery Rock Teachers Here Thursday For First Basketball of Season

#### PEDAGOGS HAVE FAST AND EXPERIENCED TEAM

Westminster College will play the Slippery Rock Teachers College in the College Gym at 8:00 o'clock, Thursday night.

Slippery Rock, who won the Normal School Championships last year, has a team that is easily of college caliber, and should give the Blue and White team plenty to think about.

In all probability Coach John Lawther will start the team that started at Butler Y. M. C. A. last Saturday night. This team is composed of Captain Tudor Lewis, John "Sparky" Connor, Kenneth "Skats" Delahunty, Thomas McMeekin and Glen "Babe" O'Donovan.

It is very likely that other men on the squad will break into the game this time, for the experience they will get will be of value. These men are William Crowell, Charles Ayres, William Armor, Marsh Fisher and Norman Holzapfel.

The games being played are in preparation for the opening game on the schedule which is with Grove City. For this game the team will travel to Grove City on January 6, to play in the Ketter gymnasium.

#### PHI DELTS ANNOUNCE CHRISTMAS PARTY

Plans have been completed for the Christmas party of the Phi Delta Chi Sorority of Westminster which will be held this year on Thursday night, December 15, in the sorority suite of the Hillside dormitory.

An old fashioned country school Christmas program will be a special feature of the affair. Everyone expecting a present from Santa must participate in the program. A Christmas tree and Santa's grab bag will also add to the gaiety of the affair.

The general committee consists of: Dorothy Hildebrand of Canton, Ohio, Anna Munro of Farrell, Jane Macrum of Oakmont, and Katherine Dick of Pittsburgh. The pledges of the sorority who will be assistants of the party committee are: Irene Haney of Sharon, Betty English and Elizabeth Pollock of Erie, Jean Carter of Pittsburgh, Hildreth Walton of Eastbrook and Catherine Agnew of Dormont.

Special guests invited are Mrs. J. A. Swindler of New Wilmington, who is the club patroness, and Miss Grace Doolittle of Cedar Rapids, Iowa.

#### Attorney Roy Neville Praised By Sport Scribe

"All college look to certain men as faithful alumni, and Westminster college looks with gratitude to Attorney Roy Neville of Sharon, who from the time he was graduated has given his best efforts to his alma mater.

"Since its beginning the Sharon man has been president of the Westminster Athletic Council. It was in this capacity that Attorney Neville presided at the football banquet early last week.

"Neville has stuck to the Blue and White through very lean years and now that Westminster seems to be on the up grade, he may feel well rewarded for his labors."

—Cy Lyman in The Sharon Herald

#### Delta Phi Sigma To Hold Banquet In Youngstown

The annual formal dinner dance of the Delta Phi Sigma fraternity will be held at the Youngstown Country Club, Friday evening December sixteenth. The activities will start at 7:00 o'clock and continue through 12 o'clock p. m. The Night Hawk orchestra from Butler will furnish the music for the evening. A large number of alumni, members, and pledges are scheduled for the occasion.

Frances McDowell, president of the fraternity will act as toastmaster at the banquet. The committee having charge of the arrangements are as follows: Joseph Dennison, chairman; Gordon Mack, Eric Groezinger and Richard Robinson.

The members of the faculty, who are guests of the fraternity and acting as chaperons are: Dr. and Mrs. C. A. Dawson, Miss Jessie L. Mockel, and Prof. R. X. Graham.

#### "LIGHTNIN'" PRESENTED BY SPRAGUE PLAYERS

"Lightnin'" the three act play presented last Tuesday evening as a number on the Lecture Course was a huge success. Every member of the Sprague Players performed in his best manner, but Lightnin' Bill Jones was the favorite character, who, in his fits of drunkenness, alternated by serious spells, created much laughter by his droll humor and thus kept the audience amused during the entire play.

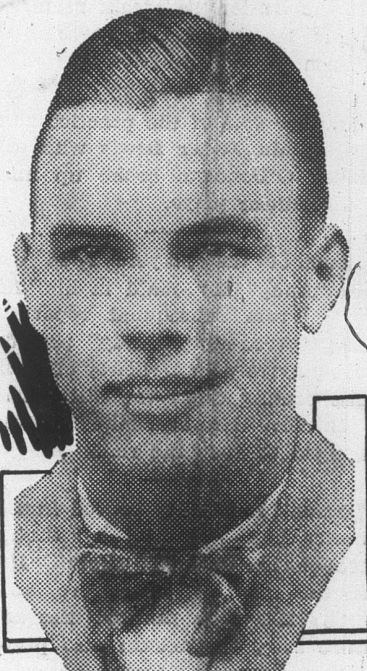

His wife and daughter Mildred had a hard time getting along, and attempted to make a living from the business which their small hotel, situated on the state line between California and Nevada, brought them. Divorcees were often among their guests, and Mrs. Davis, a dancer, was indeed a lively one. Judge Townsend, a busy, blustery sort of court, found Mrs. Davis very likeable, and she decided to give marriage a second trial.

Raymond Thomas, a slick young lawyer tried his best to cheat Mrs. Jones out of her property and reap the benefits of her hard labors. He would probably have done this, had it not been for Lightnin' Bill himself, who up until this time had been considered quite a joke. He was not so easy to deal with in this matter, however, and would not sign his name to anything but his own opinions. Backing him up, as his lawyer, was John Marvin, a young friend of Bill, in whom he had the greatest confidence. At a trial, John tied Raymond Thomas' hands behind his back and proved him a swindler. 'Lightnin' Bill's friends had never been thought worthy of consideration in family circles before, but this time the character of John Marvin won for him the admiration of Lightnin's family in general, and the love of Lightnin's daughter, Mildred.

Lightnin' Bill and his wife decided to take life easy from now on, with John as their household lawyer.

BOSTON UNIVERSITY—Commercial aviation was granted a place on the curriculum of a Business College for the first time when Boston University college of Business Administration, its evening division, began a course in "Aviation in Industry."

#### 1928 GRID MANAGER

WILLIAM LEWIS

#### ZIMMER HARPISTS PLEASE AUDIENCE

Among musical offerings, a concert given by three harpists is unique; but the program given by the Zimmer Harp Trio in the United Presbyterian Church last Thursday evening proved to be more than that. Indeed it was a great success, full of variety and spirit, and revealing unsuspected possibilities in the instruments.

There were transcriptions of fine old favorites, such as Bach's "My Heart Ever Faithful", and an imitative rendering of a Music Box piece, by Miss Zimmer alone; a fine Fantasia and several shorter pieces by the Trio; and an Impromptu for two harps. Mr. Losavio, the Italian tenor, gave the Aria from L'Elisir d'Amore and other numbers with considerable gusto and enthusiasm.

It was a constant surprise to the listener to discover how sonorous and full-bodied a tone these artists were able to produce with instruments which are usually considered auxiliary, and what a fine background they offer a singer.

Besides the numbers mentioned above, the Minuet by Mozart and the Marche a la Turque by Beethoven were especially enjoyed. Mr. Losavio and also the Trio were obliged to add a number of encores to the program.

#### LEADS TEAM THURSDAY

CAPTAIN TUDOR LEWIS

### Blue and White Tossers Play Fast But Ragged Ball In Practice Tilt

#### Kappa Phi Lambda To Give Banquet At Castleton

Members of Kappa Phi Lambda fraternity recently announced that final arrangements for their annual dinner dance have been completed. This year the festival will take place Friday evening, December 16, in the ball room of the newly opened Hotel Castleton in New Castle and will follow much the plan of previous dances held by the fraternity.

Music is to be furnished by Dugan's Rainbow Terrace Orchestra, the same one that played for the 1926 dance, and which is heralded as being one of the best orchestras in this section. This group of musicians, 10 in number, give regular radio programs from station WMBW, Youngstown, and carry their own entertainers.

Guests of the fraternity will be Dr. and Mrs. W. C. Wallace, Mrs. C. B. Robertson, Dr. Charles Freeman, and Mr. and Mrs. E. B. Russell, all members of the faculty.

The committee on arrangements for the dance is comprised of Mack Krueger, chairman; Clare Porter, Sidney Guest, and Brad Evans.

#### "CHARM SCHOOL" IS PRESENTED BY Y. W.

One of the best presentations of this year was witnessed last Friday in the Community House when the Y. W. C. A. presented "The Charm School."

A novel idea of how to conduct a girls' boarding school was introduced by Phyllis Coley "Austin Bevan" who acquired for the evening, a very masculine voice and masculine attire. Elise Benedotte, in the well known person of Elizabeth Edeburn, changes the young man's idea on how to conduct a school, with the concerted efforts of "Sally Boyd," Carol Clark, who succeeds in enmeshing twins, "Im Simpkins," Frances Loehner, "Tim Simpkins," Margaret Lennig. A rival in the person of George Boyd alias Mildred Lawson, makes the enterprising young "Austin Bevans" realize that he loves Elise. Ruth Lewis' characterization of the wealthy uncle furnishes plenty of local color when Elise forsakes the school because of her love for Austin Bevans. Miss Hayes, Elizabeth Carnes, and Miss Curtis Helen Sankey carried their parts well as the dignified old maid matrons of the school.

Proper boarding house atmosphere was furnished by Jane McKnown, Jane McCrumb, Isabel Campbell, Helen Hastings, Ellen Styche and Agnes Keach.

Everything is righted when Austin Bevans relinquishes his claim to the uncle, Homer Johns because he has fallen in love with Elise Benedotte. Miss Hayes betrays herself by becoming a siren in the last act and induces Homer Johns to bequeath the school to her.

Some clever interludes were presented by Eleanor Hutchison, Florence Wright, Hazel Bergland, and Harriet Martin.

The accompanist, coach, stage manager and publicity agents are to be congratulated on the success of the play. This play is more to be commended because it was entirely in the hands of the students.

#### TEAM PLAY OF TITANS PROVES GOOD AT TIMES

On Saturday night Coach "Johnny" Lawther's basketball players traveled to Butler and handed the Y. M. C. A. there a 51-25 defeat. The playing was fast but ragged on the part of Westminster. Spasms of fair teamwork brought victory to the Titans. If the Titans can play as they did at times during the first pre-season tilt, Coach John Lawther will have a fair club in the conference race.

No stars were in evidence for Westminster, the team playing well together and the success of the initial tilt coming from dashes of teamwork which bewildered the Butler team, composed of former prep school and college stars.

For the Butler Y. M. C. A. Bernlohr, former Capitol University star who was captain and all-state forward for three years at the Ohio Institution; Wise, former Allegheny star; Kofford, former Allegheny captain; and Barnett, erstwhile Slippery Rock flash were good and a constant treat. Only the spasmodic flashes of the Blue and White team were able to stem the attack of these college stars of former years.

(Continued on Page 4)

#### R. E. ENGLISH HEADS GROVE CITY BOARD

#### Westminster Trustee Made President Of Grove City Schools

R. E. English, member of the Westminster Board of Trustees, was re-elected president of the Grove City school board at a meeting held in the high school of that town last Tuesday evening.

Mr. English is a vice president of the State Sabbath School association, is connected with the Boy Scouts, Rotary Club, and many other organizations in addition to being a well known banker of Mercer County.

#### SOPHOMORE GIRLS BEAT FROSH 16-9

Scheduled practices have marked the program for girl's basketball the past week. Each class has had a fair representation at practices. The interest taken promises an excellent outlook for girl's athletics in Westminster.

One of the features of the athletic program was the game between the girls of the Sophomore and Freshmen classes which was played on Saturday afternoon. After a hard fought game the Sophomores succeeded in winning over the Freshmen by a score of 16-9. The Seniors and Juniors will play on Tuesday afternoon.

#### BELLS AND BUSKINS PLAN MORE PLAYS

Professor R. A. Gettmann announces that the Bells and Buskins will present another program some time during January. The plays have not yet been decided upon, but considering the type of program given December 1, when they presented "The Valiant" and "The Boor", everyone anticipates another evening of enjoyment.

## AN OPEN ROAD

Life is a search for power, yet how many of us divert from that beckoning course to enter the rustling jungle of vanity and duplicity where strange menacing enemies, in sleek stripings, lie on the branching limbs overhead, as we desperately labor to find the coveted temple of recognition. We are the product of time—an improving product. As the first gray streaks of dawn mystically stretched the sky limits evolving from the black night of living things, man's task was conquest over the elements. The period when man's diaphram glistened with the sweat of bludgeon conquests has gone. The present age is one of mental combat.

Our campus life today is but a yeasty skit of what life really is. The student, an experimenting artist, believes that he achieves his greatest success when he plays over the head of his audience. Some look on another's acts as despicable and in such a light would have their ignorance seem judgment. Some are never without differences, and in such a spirit construe the text of life as a proof-reader corrects galley errors. Some are wise by signs. No, the goal will not be reached by evasion. The notions that we were doubtful of, that we left on the bank as we splashed in the public pond we find and recognize as the most important. It is possible to get back on the main road again—to be one's self, a gentleman, free from blatancy.

—P.B.

## SELFISH OR NARROW?

Soon after the fall term of college opens, the students are presented with lecture and artist's course tickets, and a long story is printed in the HOLCAD to the effect that these affairs are college functions and should be attended by all the students. The dates for each course are announced thus far ahead of time so that we will be sure to keep those evenings open to attend the affair. Time passes on; one or two lectures or concerts are presented to an audience of appreciative students. Then comes Thanksgiving recess, and we go home to return to three weeks of Christmas activities before leaving school for the holidays. The trouble is that those three weeks are considered by the members of the faculty as the correct moment to give tests of every sort and description. Two lectures in one week find the attendance falling off. Why? Because the students who have paid for and would like to attend the affairs must stay at home to study for tests the next day. These tests are not the kind for which we can prepare by a couple of hour's work; they cover the work of the entire semester up to that point. When asked why we did not attend the lecture, we must say that we had a test the next day; when we go to the lecture and are not adequately prepared for the test, we are told that we should have stayed at home to study for it. Why should we stay at home when we pay for our entertainments months ahead of time? Have we not the same right to enjoy ourselves as those who do not have tests?

## PROFESSIONAL!

We learn on unimpeachable authority that a certain group of amateur athletes have been offered free board for life at the training-table of their home organization. A new road has been built into their home town by which they alone may enter it. The most expensive sculptor of their time have been engaged to perpetuate their forms, and the most esteemed poets to record their achievements in deathless verse.

## TITAN TACTICS

by  
THE ROVER BOYS

Saturday evening marked the first flash of basketball from the Titan players. In this practice contest the Blue basketballers showed up fairly well, but marred their play from time to time with unnecessary rough tactics. Conner starred on the offense and defense for the Westminster team.

Certain of the Westminster fans who watched the Blue players defeat the Butler "Y" team remarked on the beauty of the Westminster uniform.

Another star of the practice game was captain Tudor Lewis who with "Babe" O'Donovan broke up many of the Butler plays.

Some of the players rode over with "Andy" McDonald in his "flivver." From subsequent reports it was gathered that "Andy" provided these players with a variety of thrills while coming down the hill outside of Butler. However the "flivver" managed to keep the road.

"Skats" Delahunty proved himself a better thriller than "Andy" though. Through his delayed shots "Del" had the fans on their feet many times. His work marked him as a future star. McMeekin also played well at forward. Coach Lawther failed to substitute any men throughout the contest.

One casualty marked the tilt, but it was not serious. Through a mix-up of the signals by the Blue and White players, Conner was kicked in the stomach and knocked out for a minute in the second half. Trainer Jack Hulme fixed up the star center and he continued to play for the remainder of the game.

"Andy" treated the players to the extent of seventy-five cents after Saturday's contest. Most of Lawther's men took advantage of this offer.

The first practice game was of interest to others in collegiate circles beside the Westminster fans. Scouts from Grove City, Allegheny, Thiel, and Slippery Rock took notes during the tilt.

Wrestling is gradually gaining prominence over boxing with Westminster students. On the wrestling team recently started by Jack Hulme "Chappy" Boone, Emmet Tyeddie, and "Shorty" Martin have been starring.

Coach Lawther took nine men to Butler, but failed to use four of them. Holzapfel, Crowell, Ayers, and Armour did not get in the game.

After the Christmas vacation, swimming will probably start. Jack Hulme will coach the team and it is expected that several places will be open as a few of last year's stars failed to return to school. Jack is a square coach and he overlooks no one who has the least potentialities. There's your chance freshmen.

Another practice game for the Blue Titans has been scheduled for this Thursday on the home floor. It is thought that coach Lawther will use more "subs" in this contest with the Slippery Rock school.

It seems only fair to give the girls some room in this column, but the Rover Boys are not allowed within shouting distance of the gym when the young ladies practice. And it is reputed that no male fans are allowed at their games. We're sorry, but we can't put down what we don't see.

But we can express the prevalent campus opinion about the new system of athletics being installed for the Westminster girls. It seems to be a good system in theory, and we hope it functions smoothly despite the fact that it is very exclusive.

Merry Christmas, etc.,  
from The Rover Boys

### Westminster Men Get Honorable Mention

Two Westminster players receive honorable mention on the Pittsburgh Sun-Telegraph All District College Grid selections.

"Dutch" Machin and "Johnny" Hall two former South High players received honorable mention on the All-District team selected by the Pittsburgh Sun-Telegraph.

"Dutch", playing his first year for Westminster, was selected as one of the outstanding ends of the district, while Johnny Hall, playing his second year, was given a similar honor in the selection of backs.

On the first team there were selected seven Pitt players, two Carnegie Tech players, and two Wash-Jeff men.

Hall is a member of the sophomore class, while Machin is a member of the freshmen class. Both men are members of Delta Phi Sigma fraternity.

### AULD HONORED AT OHIO SCHOOL

Former Student Elected President  
Of Le Cercle Francais  
At Oberlin

Robert A. Auld, of New Wilmington, a former student of Westminster was elected recently to the presidency of the Le Cercle Francais at Oberlin College.

"Bob", as he was known on the campus, attended Westminster his first three years. Then taught a year at the New Wilmington high school, and just this year entered Oberlin to take up special work in romance languages.

While attending Westminster, Mr. Auld was a member of the college orchestra, and was pianist for the Men's Glee Club. He was a member and former officer of Delta Phi Sigma fraternity.

### WESTMINSTER MEN ON FACULTY TEAM

Farrell High's faculty basketball team ran wild against the Maroons the other day winning by the score of 85-15. The "profs", after the first few minutes of play, dropped them in from all angles.

On the faculty team were William Thomas, and John "Hickory" Hetra, former Westminster men. Thomas was a member of an Intra Mural basketball team while Hetra was captain of the varsity team his senior year. In the game Thomas scored 18 field goals and Hetra scored 14 of the two pointers. Both men were members of the Phi Pi Phi fraternity.

### HULME'S RESCUES GO UNTHANKED

In more than 150 rescues that he has made, Coach Hulme says that he has been thanked only once. It is a good sign that human nature at Westminster is a little better than the ordinary, because this one case of gratitude was a Westminster fellow.

In all Jack's rescues he was the one to see the victim and his attention was not called to it by others.

### ALPHA GAM PLEDGES GIVE MEMBERS PARTY

Alpha Gamma Delta pledges conducted a party for the sorority last night at the home of Mrs. Mercer on Market street. The affair was in the form of a Christmas party with a tree and everything. Each person got a gift from the tree—there was no Santa Claus.

Miss Eleanor Hutchison acted as hostess and the food was prepared by Misses Harriet Martin, Hazel Bergeland, Mary Lou Braham, and Florence McMath. Decorations were made by Misses Betty Veazey, Mary Purvis, Mary Purvis and "Sunny" Norris.

COLLEGE OF THE PACIFIC—Moving pictures are being used to create interest in the school. "It is used to educate men and women for an active part in practical life."

### COLLEGE QUARTERLY OUT AFTER CHRISTMAS

President Wallace of Westminster announced that the October-December issue of the Westminster Quarterly will be out Christmas week. The quarterly will be placed in the hands of the students when they return after Christmas vacation on January 3.

This number will contain as its special aim the Annual President's Report of the college. The faculty committee on publication consisting of: Charles A. Dawson, R. X. Graham, Mrs. Sara Conrad, Miss Lois Doolittle, Royal A. Gettmann, John D. Lawther, and James A. Swindler are busily at work in getting out this number of the quarterly. The college office is also co-operating in making the number a success.

These quarterlies are a valuable addition to the college catalogue and set forth important facts and happenings that are not dealt with in such detail in the regular college catalogue. During the past year five such issues were printed and presented to the students. Four of them were of regular issue and a special issue was made on the plans of "Old Main Memorial" that contained valuable historical happenings of the events surrounding the new building program and the recasting and preserving of the Old Main bell. These pamphlets put up with a permanent binding will become more and more valuable as time goes on among Westminster adherents.

### DR. DAWSON GIVES THIRD OF LECTURES

Dr. Charles A. Dawson, head of the English Department gave an illustrated lecture on Renaissance Sculpturing at 3:30 o'clock last Friday afternoon in the Science Hall of the College.

Dr. Dawson is giving these lectures to help the students to appreciate art and to give them an idea of its development. His talks are illustrated by pictures, snapshots, and prints which are reproduced on a screen by a projector machine.

His lecture dealt with the introduction of Renaissance sculpturing and showed the change from the mere decoration of buildings in the 12th and 13th centuries to a real independent art development in the 15th and 16th centuries. The lectures will be continued after the Christmas vacation.

### FURNO PICKED ALL DISTRICT TACKLE

Joseph Furno, captain-elect of the 1928 Westminster football team, has been selected as "All District" tackle by the mentors of Thiel's football team.

Furno was the only man from Westminster to place on this team. It was composed of four Geneva men, three Waynesburg men, two Thiel men, and one man from both Duquesne and Westminster.

### BIBLE CLASS HAS CHRISTMAS SERVICE

The Girls' Bible Class enjoyed a special Christmas program Sabbath morning, December 9. The meeting was led by Mary McGeoch, president of the class. After a Christmas carol from Margaret Ochiltree, Evelyn Winger spoke on "The Christmas Tree"—the history of its race in Christmas lore—and Mary Allis Hastings answered the question "Is There a Santa Claus?" with a discussion of the Christmas spirit. A short story entitled "Frankincense and Myrrh" was read by Cora Williams. The program closed with greetings from the teacher, Mrs. Maxwell.

### PAGE NOTRE DAME!

COLGATE—With nine schools on its 1928 schedule, Colgate is playing four inter-sectional clashes. Its inter-sectional contests consist of games with Vanderbilt at Nashville on October 6, Virginia Polytechnical Institute at home on October 20, and Wabash at home on November 3.

### The Barber Of The Vill' Waxes Socratic With Cub

Local Tonsorial Artist Claims Men  
Worse Than Women  
In Chair

"In the barber chair girls are not more self-conscious than men," declares Walter Shaffer, local exponent of the barbering art. Walter has been making a close study of the actions of his female patrons for the benefit of the Psychology department of the school and has brought to light some interesting and startling facts in regard to the comparatively recent invasion of the barber shop by the fairer sex.

Walter backs his statement up with illustrations. "Men", he says, do the most unnatural things in a barber chair. For one thing they talk more than the girls do." This is the only known instance where men have excelled along that line so Mr. Shaffer's discovery is quite novel. He cites cases where men have been really timid about having their hair cut and have brought their girl friends along seemingly to give moral support. Walter notes particularly that the young ladies usually cross their legs in the approved manner while men insist on shifting their feet continually.

Some strange contingencies which Walter points out are that although girls are more particular in most respects the boys usually have a decided idea in regard to where and how their hair should be parted, and that although about two-thirds of his customers are males, for some reason he has observed more closely the antics of the females than those of the males. Girls get their hair cut oftener and yet meet their bills more promptly. It is also quite interesting to note that while waiting their turn they do not prefer to pursue the society section of giggle through the comic strip as might be supposed, but that they instantly, upon finishing the sport section, turn to Judge or to College Humor for diversion.

One feature that is somewhat redeeming for the men is that Walter admits that the women are decidedly more vain than men. He has had experiences where ladies have become quite indignant because he turned the chair so that they could not see themselves in the mirror. Men merely look toward the mirror no matter at what angle the chair is pointed.

"On the whole," says Walter, "By the time women have frequented barber shops as long as men have they will be noticeably more poised than men."

Since Mr. Shaffer is a married man and therefore could not possibly have any ulterior motive for lauding the girls, his statements must be accepted as true.

### Y. W. C. A. ENTERTAINED BY ORGAN RECITAL

An unusual feature of the Y. W. meeting held in the church auditorium Wednesday evening was an organ recital given by Miss Mockel.

Evelyn Winger, Muriel Irons, Mary McGeoch, Lois Wagoner, and Helene Winters, were elected delegates to represent the Westminster Y. W. at the Quadrennial convention of the Student Volunteers held at Detroit, December 28, 1927 to January 1, 1928.

### Y. M. C. A. MEETING HAS SPECIAL SPEAKERS

"What's wrong with the Y" was the topic assigned to eight students for discussion last Wednesday night. Of this number, Baldinger and Kelly spoke on the topic. Illness, etc., prevented the others from attending.

Although the discussion was not particularly fruitful of any startling disclosure of organic disease, it did serve to focus attention on several difficulties under which the Y. M. C. A. in a small college operates.

At the regular meeting this week, delegates to the convention at Detroit will be elected.

## Chapel Bells

Westminster Panhellenic entertained at a tea yesterday afternoon in the Hillside parlors. Guests of honor were the members of Alpha Kappa Alpha sorority and the pledges of Pi Rho Phi, Phi Delta Chi, Chi Omega, Alpha Gamma Delta and Sigma Kappa.

The annual Y. W. C. A. Christmas party is to be held Wednesday evening December 14 in the Hillside Parlors. A "Collegiate gentleman" in "red knickerbockers" will be present to distribute the gifts!

Chi Omega is to hold its annual party tomorrow evening in the Cummings House. Miss Elizabeth Stewart, patroness of the sorority, and Mrs. Earl Black are special guests.

Miss Mildred Houk and Miss Helen Anderson were guests of Chi Omega over the week end.

Phi Delta Chi held a bake sale at McCrumb's on December 10.

Delegates to the National Students' Volunteer Convention to be held in Detroit, December 28 to January 1 have been elected. Those elected to represent Westminster from the Y. W. C. A. are: Mary McGeech, Muriel Irons, Lois Wagoner, Evelyn Winger and Helen Winters.

### Alpha Kappa Alpha Tea

The members of Alpha Kappa Alpha entertained at tea Tuesday afternoon in the Hillside parlor in honor of their patroness, Mrs. J. D. Lawther. The guests included Dr. and Mrs. W. Chas. Wallace, Mrs. C. R. Robertson, and the patronesses of the sister sororities of Westminster. The parlor was fittingly decorated in blue and buff, the sorority colors. Mrs. C. R. Robertson poured.

Miss Mabel Kirke, New Wilmington, entertained Alpha Kappa Alpha and pledges at a Christmas Party, Monday evening in her home. Mrs. W. Chas. Wallace and Mrs. J. D. Lawther were honor guests.

### Pi Rho Phi Party

#### Proclaimed Successful

Among the concluding social activities prior to the Christmas vacation the Pi Rho Phi sorority held its annual Christmas party at the home of Dr. Elizabeth McLaughry on New Castle street, Monday evening, December 12. A delightful sense of hospitality traceable without doubt to the hostess characterized the evening.

The sorority colors red and black were worked in the yuletide decorations. Music and dancing marked the early part of the program, following which joyous exchanges of gifts were made and a lunch served.

Among the guests present were: Mrs. C. B. Robertson, Dr. Gertrude I. McCain, patroness of the sorority, Mrs. James McLaughry, and Miss Lucille Clark.

**SWARTHMORE**—The present student body of Swarthmore is comprised of 93 children, or grandchildren of Swarthmore alumni. Parents range from the classes of 1881 to 1909. Statistics also show that a college generation is about 30 years.

## GROVE CITY HAS FIFTEEN COURT GAMES

Fifteen basketball games have been carded by Grove City for the season. Westminster is the second team on the card: Dec. 21—Ohio Wesleyan; Jan. 6—Westminster; Jan. 13—Geneva; Jan. 17—at Thiel; Jan. 21—W. Va. University; Feb. 4—at Allegheny; Feb. 10—W. & J.; Feb. 17—at Geneva; Feb. 18—at W. Va. University; Feb. 24—St. Francis; March 1—at Pitt; March 2—at W. & J.; March 6—Allegheny; March 10—at Westminster.

## CRIMSON GRIDDERS HAVE EIGHT GAMES

Grove City announced last week that eight football games will be played next year. The schedule follows: Oct. 6—St. Francis; Oct. 13—John Carroll; Oct. 20—Westminster; Oct. 27—at Allegheny; Nov. 3—at Geneva; Nov. 10—at Waynesburg; Nov. 17—Villa Nova at Philadelphia; Nov. 29—Thiel.

## WESTMINSTER WOMEN'S SOCIETY ENTERTAINS

The annual Christmas party of the Westminster Women's Club of Pittsburgh will be held at the Pittsburgh Congress of Clubs on Dec. 30.

The committee which has been selected to take charge of the arrangements includes Miss Muriel Irons of Coraopolis, chairman; Miss Dorothy Nevin of Pittsburgh, Miss Katherine Boobyer of Pittsburgh, Miss Sara Campbell of Greensburg, Miss Margaret Sampson of West Finley and Miss Mary Reed of Latrobe.

On the program is a one-act farce, "The Klubman," with a cast of six students: Miss Emma Ochiltree of Pittsburgh, Miss Dorothy Brown of Bellevue, Miss Dorothy Nevin, Miss Jane McCrumb of Oakmont, Miss Edith Caldwell of Crafton and Miss Jane McKown. Other features of the program will be a miniature musical comedy, "Tom Sawyer Uses Tact," in which a cast of four girls will have parts. The dancing part in this feature will be presented by Misses Catherine Dick of Pittsburgh and Martha Work of McDonald.

As a third act a puppet show will be the attraction called "Mannequin and Minnequin" with Miss Sarah Hemple and Miss Jean Carter, both of Pittsburgh, co-starring. An original pantomime called "A Day at Westminster," will be the last act. In this act Margaret Adams, Edith McBane and Kathryn Agnew will be pajama girls. Other characters will be conducted by Norah French of Sharpsburg, Anne McPherson of Bellevue, Kathryn Wylie of Elizabeth and Anna MacEwen of Pittsburgh. Musical entertainment will be a special feature.

## PRAYER

Put within my reach some lovely thing  
To show me all the gloriousness of life—  
Some joyous thing, so that, in any strife,  
In seeing it, I still can laugh and sing.  
Show me a baby's smile, a happy face,  
A life of noble deeds to look upon;  
And then when worldly happiness is gone  
Help me to keep my happiness in place.  
Help me to soothe my deepest hurts with toys,  
Comfort despairing hours with little joys,  
Remember each glorious song I ever heard  
And every kindly-spoken, cheering word.  
So, in a world where sorrowing is rife,  
Help me to see nobility in life.  
—Eleanor Graham

## WHITE STUDIO AGENT LEAVES FOR VIRGINIA

Mrs. Dolie, representative for the White Studio left this morning for Virginia where she will take photo orders at a number of colleges and universities.

Students who have not returned proofs should keep them until late in January when a representative will again be present.

Resittings and additional pictures will be taken in January or early in February.

## FACULTY CHRISTMAS PARTY TONIGHT AT "EASTOVER"

Members of the faculty will have a buffet dinner and Christmas party at "Eastover" the home of Dr. and Mrs. E. B. Russell, tonight at 5:30.

Following the dinner, a faculty Santa Claus will distribute gifts to the professors.

Mrs. E. B. Russell will be assisted by a number of ladies of the faculty.
